Adani Cement felicitated with the prestigious 'Safety Excellence Award' at UPES Sustainability Fair 2.0

EDITOR'S SYNOPSIS

- Adani Cement has been felicitated with the Prestigious 'Safety Excellence Award' at UPES Sustainability Fair 2.0.
- This award recognizes Adani Cement's proactive implementation of safety protocols and a consistent pursuit of excellence throughout its operations.

Ahmedabad, 22 November 2023: Adani Cement, the cement and building material business of the diversified Adani Group, has achieved another milestone by clinching the prestigious 'Safety Excellence Award' in the cement sector. The accolade was presented during the Sustainability Fair 2.0, an event organized by the University of Petroleum and Energy Studies (UPES) in Dehradun.

The event brought together industry leaders, experts, and stakeholders with a focus on the interplay between health, safety, fire, environment, sustainability,

Mr. Ajay Kapur, CEO, Cement Business, said, "We are honored to receive the prestigious 'Safety Excellence Award.' This recognition serves as a reaffirmation of our commitment to excellence and safety. Safety is integral to our ethos and aligns with our mission to exceed industry standards in creating a workplace where safety is paramount."

Additionally, Mr. Pankaj Singh, Head of Safety for Adani's Cement Business, was felicitated as the 'Safety Professional of the Year', acknowledging his substantial contribution to safety practices.

Underlining its commitment to safety and sustainability, Adani Cement continues to prioritize these principles in its operations, aligning with widely recognized standards and best practices. The company's active stance not only underscores its dedication to maintaining the highest safety standards but also positions it as a pivotal contributor to the overall progress of safety practices within the cement industry.

About Ambuja Cements Limited

Ambuja Cements Limited, part of the Adani Group, is among India's leading cement companies.
