

Ambuja Cement

Media Release

Mumbai, 05 May 2017: The Board of Directors of the Company at its meeting held today initiated a study to explore the possibility of a Merger between the Company and ACC Limited, which could enable both the companies to combine their strengths of business so as to benefit all the stakeholders.

In this regard, the Board has constituted a special committee of Directors with majority of Independent Directors to consider the matter further.

It is hereby clarified that no decision to merge has been taken at this stage and the same will be considered by the Board once a recommendation is received from the special committee of Directors and the Audit Committee.
