3. OVERVIEW OF COMPANY'S OPERATIONAL AND FINANCIAL PERFORMANCE

- Consolidated Income, comprising Revenue from Operations and other income, for the year was ₹16,358.38 Crore, 17% higher compared to ₹14,002.72 Crore in 2020
- Total consolidated Revenue from Operations increased to ₹16,151.67 Crore from ₹13,785.98 Crore in 2020
- Consolidated Profit before Tax for the year was ₹2,506.38 Crore vis-à-vis ₹1,708.85 Crore in 2020
- Consolidated Profit after Tax for the year was ₹1,863.10 Crore compared to ₹1,430.26 Crore in 2020
- No material changes or commitments have occurred between the end of the financial year and the date of this Report, which affect the Financial Statements of the Company with respect to the reporting year
- Cement production increased by 13% from 23.77 Million Tonnes in 2020 to 26.92 Million tonnes in 2021
- Cement Sales Volume increased by 13% from 25.53 Million Tonnes in 2020 to 28.89 Million tonnes in 2021

- The net sales in cement increased by 17% from ₹12,658.17 Crore in 2020 to ₹14,772.36 Crore in 2021
- RMX Production Volume has increased by 24% from 22.70 Lakh m³ in 2020 to 28.09 m³ in 2021
- RMX Sales volume increased by 24% from 22.70 Lakh m³ in 2020 to 28.09 Lakh m³ in 2021
- The net sales in RMX increased by 30% from ₹955.42 Crore in 2020 to ₹1,241.66 Crore in 2021.

4. DIVIDEND

The Board of Directors has recommended payment of dividend at a rate of ₹58/- per equity share (580%) for the year ended December 31, 2021 subject to the approval of the Members at the 86th Annual General Meeting ('AGM').

In terms of the provisions of Regulation 43A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ('the Listing Regulations'), the Company has formulated a Dividend Distribution Policy. The policy is given in **Annexure A** to this Report.

It is also available on the Company's website and can be accessed at www.acclimited.com/assets/new/new_pdf/Dividend_Distribution_Policy.pdf

Unclaimed dividend pertaining to the 76th final dividend and the 77th interim dividend, respectively for the years December 31, 2013 and December 31, 2014 totalling to ₹6.07 Crore have been transferred to the Investor Education and Protection Fund ('IEPF') in accordance with statutory requirements.

5. TRANSFER TO RESERVES

The Company has not transferred any amount to the Reserves for the financial year ended December 31, 2021.

6. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Pursuant to Regulation 34 of the Listing Regulations, the Management Discussion and Analysis Report for the year under review, is presented in a separate section, forming part of the Annual Report.

7. SHARE CAPITAL

The Company's paid-up equity share capital continues to stand at ₹187.79 Crore as on December 31, 2021.

During the year under review, the Company has not issued any shares or convertible securities. The Company does not have any scheme for the issue of shares, including sweat equity to its Employees or Directors.

8. FINANCIAL LIQUIDITY

Consolidated cash and cash equivalent as on December 31, 2021 stood at ₹7,366.59 Crore vis-à-vis ₹5,849.36 Crore in the previous year.

The Company's working capital management is robust and involves a well-organised process, which facilitates continuous monitoring and control over receivables, inventories and other parameters.

9. CREDIT RATING

As in the previous years, CRISIL, a reputed rating agency, has given the highest credit rating of AAA/STABLE for the long-term and A1+ for the short-term financial instruments of the Company. This reaffirms the reputation and trust the Company has earned for its sound financial management and its ability to meet its financial obligations.

10. DEPOSITS

The Company has not accepted any deposits falling under the ambit of Section 73 of the Companies Act, 2013 ('the Act') and the Rules framed thereunder during the year under review.

11. PARTICULARS OF LOANS, GUARANTEES AND INVESTMENTS

The details of Loans, Guarantees and Investments covered under the provisions of Section 186 of the Act read with the Companies (Meetings of Board and its Powers) Rules, 2014 are given in the Notes to the Financial Statements (Refer Note No. 47).

12. INTERNAL CONTROL SYSTEMS

12.1 Internal audit and its adequacy

The scope and authority of the internal audit function is defined in the Internal Audit Charter. To maintain independence and objectivity in its functions, the internal audit function reports directly to the Audit Committee of the Board.

At the beginning of each financial year, a risk-based annual audit plan is rolled out after it is approved by the Audit Committee of the Board. The audit plan aims to evaluate the efficacy and adequacy of the internal control system(s) and compliance(s) thereof, robustness of internal processes, policies and accounting procedures, compliance with laws and regulations.

The Internal Audit function, consisting of professionally qualified accountants, engineers, Fraud Risk and Information Technology audit specialists, is adequately skilled and resourced to deliver audit assurances at highest levels.

Based on the reports of internal audit function, process owners undertake corrective action in their respective areas. Significant audit observations and corrective actions thereon are presented to the Audit Committee of the Board.

The onset of COVID-19 pandemic and consequent lockdowns and restrictions imposed to curb its spread, made the conduct of physical audits extremely difficult. Under such challenging circumstances and considering the safety and well-being of employees, Corporate Internal Audit envisioned and adopted a 'remote audit' approach by leveraging technology to ensure continuity in audit and assurance processes. A comprehensive plan, scoping and deployment of data analytics, facilitated seamless and effective conduct of remote internal audits during the year.

12.2 Internal Controls over Financial Reporting

The Company's internal financial controls are commensurate with the scale and complexity of its operations. The controls were tested during the year and no reportable material weaknesses either in their design or operations were observed.

The Company has put in place robust policies and procedures, which *inter alia*, ensure integrity in conducting its business, safeguarding of its assets, timely

preparation of reliable financial information, accuracy & completeness in maintaining accounting records and prevention & detection of frauds & errors.

13. VIGIL MECHANISM/ WHISTLE-BLOWER POLICY

Over the years, the Company has established a reputation for doing business with integrity and maintained zero tolerance for any form of unethical behaviour. EthicalView Reporting Policy ('EVRP') is the vigil mechanism instituted by the Company to report concerns about unethical behaviour in compliance with the requirements of the Act and the Listing Regulations. The Audit Committee oversees the functioning of this policy. Protected disclosures can be made by a whistle-blower through several channels to report actual or suspected frauds and violation of the Company's Code of Conduct. Details of the EVRP have been disclosed on the Company's website and can be accessed at www.acclimited.com/assets/new/pdf/ethicalview-reporting-policy.pdf

During the year, the Company reached out to employees through e-learning and online training modules for creating greater awareness with respect to its Fair Competition Directive and Anti-Bribery and Corruption Directive. This has helped in achieving a high level of engagement and compliance among the employees.

14. SUBSIDIARY, ASSOCIATE AND JOINT VENTURE COMPANIES

14.1 Subsidiaries

Bulk Cement Corporation (India) Limited ('BCCI')
During the year under review, BCCI's revenue from operations increased to ₹22.04 Crore compared to ₹18.48 Crore in 2020. The profit before tax for 2021 was ₹2.59 Crore as against ₹2.08 Crore in 2020.

ACC Mineral Resources Limited ('AMRL')
The Company had a Joint Venture with Madhya Pradesh State Mining Corporation Limited ('MPSMC') for the development of four (4) coal blocks allotted to MPSMC by the Government of India through its wholly-owned subsidiary AMRL.

Consequent upon the cancellation of the allocation of the four (4) coal blocks to MPSMC by the Government of India as per the orders of the Supreme Court passed in September 2014, AMRL does not have any business activity and correspondingly did not have any operating income during the period under review.

Other Subsidiaries

The Company has two (2) other Subsidiary Companies viz. Lucky Minmat Limited and Singhanja Minerals Private Limited. Singhanja Minerals Private Limited is operational, while Lucky Minmat Limited is not operational.

14.2 Material Subsidiaries

None of the subsidiaries mentioned in para 14.1 supra is a material subsidiary as per the thresholds laid down under the Listing Regulations, as amended from time to time.

The Board of Directors of the Company has approved a Policy for determining material subsidiaries in line with the Listing Regulations. The Policy has been uploaded on the Company's website and can be accessed at www.acclimited.com/assets/new/pdf/CG/Determiningmaterialsubsidiaries.pdf

14.3 Joint Ventures ('JV')/ Associate Companies

OneIndia BSC Private Limited is a JV Company with equal participation with Ambuja Cements Limited to provide back-office services to the Company with respect to routine transactional processes. During the last year, the Company migrated the back-office services to LH Global Hub Services Private Limited ('LHGS') which is the global shared services for the entire Holcim Group.

The Company also has a JV with Aakaash Manufacturing Company Private Limited for the manufacture and supply of ready-mix concrete. As on December 31, 2021, the following is the list of Associate Companies:

- Alcon Cement Company Private Limited
- Asian Concretes and Cements Private Limited

15. CONSOLIDATED FINANCIAL STATEMENTS

The Consolidated Financial Statements of the Company for the financial year 2021 are prepared in compliance with the applicable provisions of the Act, including Indian Accounting Standards specified under Section 133 of the Act. The audited Consolidated Financial Statements together with the Auditors' Report thereon form part of the Annual Report.

Pursuant to Section 129(3) of the Act, a statement containing salient features of the Financial Statements of each of the subsidiaries, associates and JV Companies in the prescribed Form AOC-1 forms part of the Annual Report.

The Financial Statements of the subsidiaries are available for inspection by the Members at the Registered Office of the Company pursuant to the provisions of Section 136 of the Act. The Company shall provide free of cost, a copy of the Financial Statements of its Subsidiary Companies to the Members upon their request. The statements are also available on the website of the Company and can be accessed at www.acclimited.com under the 'Investors' section.

16. BOARD OF DIRECTORS & KEY MANAGERIAL PERSONNEL

16.1 Directorate

A. Appointments/ Re-appointments

Mr Narotam S. Sekhsaria

Mr Sekhsaria was appointed as Independent Director for a period of five (5) years in the Extra-Ordinary General Meeting held on September 10, 2014 with effect from July 24, 2014.

However, with effect from August 12, 2016, consequent upon the amalgamation of Holcim (India) Pvt Ltd and Ambuja Cements Ltd, Mr Sekhsaria was classified as a Non-Independent Director, liable to retire by rotation.

In terms of Section 152 of the Act, Mr Sekhsaria, Non-Executive Non-Independent Director, being liable to retire by rotation, was re-appointed by the Members at the AGM held on April 7, 2021.

Mr Jan Jenisch

Mr Jan Jenisch was appointed as Non-Executive Non-Independent Director, being liable to retire by rotation, on the Board of Directors of the Company by the Members at the AGM held on June 13, 2018.

In terms of Section 152 of the Act, Mr Jenisch, Non-Executive Non-Independent Director, being liable to retire by rotation, was re-appointed by the Members at the AGM held on April 7, 2021.

Mr Martin Kriegner

Mr Martin Kriegner was appointed as Non-Executive Non-Independent Director, being liable to retire by rotation, on the Board of Directors of the Company by the Members at the AGM held on April 13, 2016.

In terms of Section 152 of the Act, Mr Kriegner, Non-Executive Non-Independent Director, being liable to retire by rotation, shall retire at the ensuing AGM and being eligible for re-appointment, offers himself for re-appointment.

Mr Neeraj Akhoury

Mr Neeraj Akhoury was appointed as Non-Executive Non-Independent Director, being liable to retire by rotation, on the Board of Directors of the Company by the Members at the AGM held on July 6, 2020.

In terms of Section 152 of the Act, Mr Akhoury, Non-Executive Non-Independent Director, being liable to retire by rotation, shall retire at the ensuing AGM and being eligible for re-appointment, offers himself for re-appointment.

The relevant details including profiles of Mr Martin Kriegner and Mr Neeraj Akhoury are included separately in the Notice of AGM and Report on Corporate Governance of the Company forming part of the Annual Report.

B. Cessation

There was no instance of resignation/ cessation of Directorship during the year under review.

16.2 Key Managerial Personnel ('KMP')

There is no change in the KMP of the Company during the financial year 2021 and the KMP of the Company are as under:

1. Mr Sridhar Balakrishnan (MD & CEO)
2. Mr Yatin Malhotra (Chief Financial Officer)
3. Mr Rajiv Choubey (Chief Legal Officer & Company Secretary)

16.3 Independent Directors

The Company's Independent Directors have submitted requisite declarations confirming that they continue to meet the criteria of independence as prescribed under Section 149(6) of the Act and Regulation 16(1)(b) of the Listing Regulations. The Independent Directors have also confirmed that they have complied with Schedule IV of the Act and the Company's Code of Conduct.

The Board is of the opinion that the Independent Directors of the Company possess requisite qualifications, experience and expertise in the fields of manufacturing, finance, people management, strategy, auditing, tax and risk advisory services, infrastructure, banking, insurance, financial services, investments, mining and mineral industries and e-commerce; and they hold high standards of integrity.

Regarding proficiency, the Company has adopted requisite steps towards the inclusion of the names of all Independent Directors in the data bank maintained with the Indian Institute of Corporate Affairs, Manesar ('IICA'). Accordingly, all the Independent Directors of the Company have registered themselves with IICA for the said purpose. In terms of Section 150 of the Act read with the Companies (Appointment & Qualification of Directors) Rules, 2014 as amended, since all the Independent Directors of the Company have served as Directors for a period of not less than three (3) years on the Board of Listed Companies as on the date of inclusion of their names in the database, they are not required to undertake online proficiency self-assessment test conducted by the said Institute.

16.4 Board effectiveness

a) **Familiarisation programme for Independent Directors**

Over the years, the Company has developed a robust familiarisation process for the newly appointed Directors with respect to their roles and responsibilities, way ahead of the prescription of the regulatory provisions. The process has been aligned with the requirements under the Act and other related regulations. This process *inter alia* includes providing an overview of the cement industry, the Company's business model, the risks and opportunities, the new products, innovation, sustainability measures, digitisation measures etc.

Details of the familiarisation programme are explained in the Report on Corporate Governance and are also available on the Company's website and can be accessed at www.acclimited.com/assets/new/pdf/CG/Familiarization-Programme-for-Independent-Directors.pdf

b) **Formal annual evaluation**

The Board carries out its annual performance evaluation of its own performance, the Directors individually, as well as the evaluation of the working of its Audit, Nomination & Remuneration, Risk Management, Stakeholders' Relationship, CSR and Compliance Committees as mandated under the Act and the Listing Regulations, as amended from time to time. The criteria applied in the evaluation process are explained in the Report on Corporate Governance, which forms part of the Annual Report.

16.5 Remuneration policy and criteria for selection of candidates for appointment as Directors, KMP and Senior Leadership positions

The Company has in place a policy for remuneration of Directors, KMP and Members of the Executive Committee ('ExCo') as well as a well-defined criterion for the selection of candidates for appointment to the said positions, which has been approved by the Board. The Policy broadly lays down the guiding principles, philosophy and the basis for payment of remuneration to the Executive and Non-Executive Directors (by way of sitting fees and commission), KMP and ExCo.

The criteria for the selection of candidates for the above positions cover various factors and attributes, which are considered by the Nomination & Remuneration Committee and the Board of Directors while selecting candidates. The policy on remuneration of Directors, KMP and Members of the ExCo is given in **Annexure B** to this Report and is also available at the website of the Company and can be accessed at www.acclimited.com/assets/new/pdf/CG/Policy_remuneration_selection_for_appointment.pdf

The Board of Directors of the Company also formulated and adopted the policy on the 'Diversity of the Board' and 'Succession Policy for Directors'. The details of the same are available at the website of the Company and can be accessed at www.acclimited.com/assets/new/new_pdf/Policyondiversityoftheboard.pdf www.acclimited.com/assets/new/pdf/CG/succession_policy_for_directors.pdf

17. NUMBER OF MEETINGS OF THE BOARD & ITS COMMITTEES

Regular meetings of the Board and its Committees are held to discuss and decide on various business policies, strategies, financial matters and other businesses. The schedule of the Board/ Committee Meetings to be held in the forthcoming financial year is circulated to the Directors in advance to enable them to plan their schedule for effective participation in the meetings. Due to business exigencies, the Board has also been approving several proposals by circulation from time to time.

During the year, seven (7) Board Meetings were convened and held, the details of which are given in the Report on Corporate Governance, which forms part of the Annual Report.

The Company has the following seven (7) Board-level Committees, which have been established in compliance with the requirements of the business and relevant provisions of applicable laws and statutes:

1. Audit Committee
2. Risk Management Committee
3. Corporate Social Responsibility Committee*
4. Nomination and Remuneration Committee
5. Stakeholders' Relationship Committee
6. Compliance Committee
7. Sustainability Committee*

* Corporate Social Responsibility (CSR) & Sustainability Committee is split into two (2) separate Committees i.e. CSR Committee and Sustainability Committee with effect from January 1, 2022.

The Committee meetings were held during the year, including Audit Committee and Stakeholders' Relationship Committee Meetings, which met six (6) and three (3) times, respectively during the year. The details with respect to the composition, terms of reference, number of meetings held, etc. of these Committees are included in the Report on Corporate Governance, which forms part of the Annual Report.

18. AUDIT COMMITTEE

The Audit Committee comprises of five (5) members. The Committee is chaired by Mr Sundaram (Independent Director). The other Members of the Committee are Mr Kriegner (Non-Executive Director), Mr Chatterjee (Independent Director), Mr Mehta (Independent Director) and Mr Roongta (Independent Director). The Committee comprises of majority of Independent Directors.

Details of the role and responsibilities of the Audit Committee, the particulars of meetings held and attendance of the Members at such Meetings are given in the Report on Corporate Governance, which forms part of the Annual Report.

During the year under review, the recommendations made by the Audit Committee were accepted by the Board.

19. CORPORATE SOCIAL RESPONSIBILITY ('CSR') COMMITTEE

The CSR & Sustainability Committee is split into two (2) separate Committees i.e. CSR Committee and Sustainability Committee with effect from January 1, 2022.

The CSR Committee comprises of four (4) members of which two (2) are Independent Directors. The Committee is chaired by Mr Haribhakti (Independent Director). During the year under review, the other members of the Committee were Ms Nayar (Independent Director), Mr Akhoury (Non-Executive Director) and Mr Balakrishnan (MD & CEO). The Committee met thrice (3) during the reporting period. Details of the role and functioning of the Committee are given in the Report on Corporate Governance, which forms part of the Annual Report.

In compliance with Section 135 of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014 as amended, the Company has set up CSR Committee and statutory disclosures with respect to the CSR Committee and an Annual Report on CSR Activities forms part of this Report as **Annexure C**.

The CSR Policy as recommended by the CSR Committee and as approved by the Board is available on the website of the Company and can be accessed at https://acclimited.com/assets/new/new_pdf/CSR-Policy.pdf

20. RISK MANAGEMENT FRAMEWORK

The Company's governance structure has well-defined roles and responsibilities, which enable and empower the Management to identify, assess and leverage business opportunities and manage risks effectively. There is also a comprehensive framework for strategic planning, implementation and performance monitoring of the

business plan, which *inter alia* includes a well-structured Business Risk Management process. To systematically identify risks and opportunities and monitor their movement, a heat map has been designed comprising two (2) parameters:

- a) likelihood of the event and
- b) the impact it is expected to have on the Company's operations and performance.

The risks that fall under the purview of high likelihood and high impact are identified as key risks. This structured process in identifying risks supports the ExCo in strategic decision-making and in the development of detailed mitigation plans. The identified risks are then integrated into the Company's planning cycle, which is a rolling process to, *inter alia* periodically review the movement of the risks on the heat map and the effectiveness of the mitigation plan.

The detailed section on key business risks and opportunities forms part of the Integrated Report, which forms part of the Annual Report.

21. PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES

The Company has developed a Related Party Transactions ('RPTs') Manual and Standard Operating Procedures to identify and monitor RPTs.

All transactions with related parties are placed before the Audit Committee as well as the Board for approval. Prior omnibus approval of the Audit Committee and the Board is obtained for the RPTs, which are foreseeable and repetitive. The RPTs are entered with prior approvals of the Audit Committee and the same are subject to audit. A statement giving details of all RPTs is placed before the Audit Committee and the Board of Directors on a quarterly basis. The statement is supported by a certificate from the MD & CEO and the Chief Financial Officer ('CFO').

The policy on RPTs as approved by the Board of Directors has been uploaded on the Company's website and can be accessed at <https://acclimited.com/assets/new/pdf/CG/Related-Party-Transactions-Policy-20210824.pdf>

All transactions with related parties during the year were on arm's length basis and were in the ordinary course of business. The details of the material related-party transactions entered into during the year as per the policy on RPTs approved by the Board have been reported in Form AOC 2, which is given in **Annexure D** to this Report.

None of the Directors and the KMP has any pecuniary relationships or transactions *vis-à-vis* the Company.

22. TRANSFER OF EQUITY SHARES UNPAID/ UNCLAIMED DIVIDEND TO THE IEPF

In line with the statutory requirements, the Company has transferred to the credit of IEPF set up by the Government of India, equity shares in respect of which dividend had remained unpaid/ unclaimed for a period of seven (7) consecutive years within the timelines laid down by the Ministry of Corporate Affairs. Unpaid/ unclaimed dividend for seven (7) years or more has also been transferred to the IEPF pursuant to the requirements under the Act.

23. SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS Builders Association of India complaint under the provisions of the Competition Act, 2002 against the cement manufacturers – Order of the Supreme Court of India in Appeal

It was reported in detail in reports of earlier years, that a penalty of ₹1,147.59 Crore was levied on the Company by the Competition Commission of India ('CCI') based on a complaint filed by the Builders' Association of India for alleged violation of the provisions of the Competition Act, 2002.

The National Company Law Appellate Tribunal ('NCLAT') dismissed the appeal of the Company dated July 25, 2018 upholding the levy of penalty of ₹1,147.59 Crore as imposed by the CCI vide its order dated August 31, 2016.

The Company preferred an appeal before the Hon'ble Supreme Court against the above order of NCLAT. The Hon'ble Supreme Court vide its order dated October 5, 2018 has admitted the Company's Civil Appeal and ordered for continuance of the interim orders passed by NCLAT towards stay of the demand subject to deposit of 10% of the penalty amount. The matter is currently subjudice and as on December 31, 2021, the penalty amount of ₹1,147.59 Crore and interest thereon has been disclosed as a contingent liability in the Notes to Financial Statements [Refer Note 40(A)(a)].

CCI's order on complaint filed by Director, Supplies & Disposals, State of Haryana in 2013

The Director, Supplies & Disposals, State of Haryana had filed a complaint before CCI alleging collusion and bid rigging by cement manufacturers in violation of Section 3(1) and Section 3(3)(d) of the Competition Act, 2002. In January 2017, the CCI passed an order against seven (7) cement manufacturers, including the Company imposing a penalty calculated at the rate of 0.3% of the average turnover of the last three (3) years from financial year 2012-13 to financial year 2014-15. In respect of the Company, the amount of penalty works out to ₹35.32 Crore.

An appeal is pending before NCLAT in the said matter against the orders of the CCI. In the intervening period,

there was no progress due to Covid related lockdowns and limited virtual functioning. As on December 31, 2021, the penalty amount of ₹35.32 Crore is disclosed as a contingent liability in the Notes to Financial Statements [Refer Note 40(A)(b)]. There are no further developments during the year under review in respect of the above cases.

Reference is drawn to the 'Emphasis of Matter' by the Auditors in their reports on the above matters.

24. RISK ARISING OUT OF LITIGATION, CLAIMS AND UNCERTAIN TAX POSITIONS

The Company is exposed to a variety of different laws, regulations, positions and interpretations thereof which encompasses direct taxation and legal matters.

In the normal course of business, provisions and contingencies may arise due to uncertain tax positions and legal matters.

Based on the nature of matters, the management applies significant judgement when considering evaluation of risk, including how much to provide for the potential exposure of each of the matters.

These estimates could change substantially over time as new facts emerge as each matter progresses, hence these are reviewed regularly. For matters where expert opinion is required, the Company involves the best legal counsel.

Reference is drawn to the 'Key audit matters' by the auditors in their reports on the above matters.

25. AUDITORS

25.1 Statutory Auditor

M/s Deloitte Haskins & Sells LLP, Chartered Accountants (ICAI Firm Registration Number 117366W/ W-100018) were appointed as Statutory Auditor of the Company at the 81st AGM held on March 29, 2017 to hold office from the conclusion of the said meeting till the conclusion of the 86th AGM to be held in the year 2022. The term of office of M/s Deloitte Haskins & Sells LLP, as Statutory Auditors of the Company will conclude from the close of the forthcoming AGM of the Company.

The Board of Directors of the Company at its meeting held on February 9, 2022 appointed M/s S R B C & Co. LLP, Chartered Accountants (ICAI Firm Registration Number 324982E/ E300003) as the Statutory Auditor of the Company to hold office from the conclusion of the 86th AGM till the conclusion of the 91st AGM to be held in the year 2027 based on the recommendation of the Audit Committee and subject to the approval of the shareholders at the ensuing 86th AGM. The Statutory Auditors have confirmed their independent status and eligibility for the said appointment.

The Shareholders' attention is drawn to a Resolution proposing the appointment of M/s S R B C & Co. LLP as Statutory Auditors of the Company which is included at Item No. 5 of the Notice convening the 86th AGM.

25.2 Cost Auditor

The cost accounts and records are required to be maintained under Section 148(1) of the Act. They are duly made and maintained by the Company. In terms of the provisions of Section 148 of the Act read with the Companies (Cost Records and Audit) Rules, 2014, the Board of Directors of the Company has on the recommendation of the Audit Committee appointed M/s D. C. Dave & Co., Cost Accountants, Mumbai (Firm Registration No. 000611), to conduct the cost audit of the Company for the financial year ending December 31, 2022, at a remuneration as mentioned in the Notice convening the 86th AGM.

As required under the Act read with the Companies (Cost Records and Audit) Rules, 2014, the remuneration payable to Cost Auditors must be placed before the Members at a general meeting for ratification. Hence, a resolution for the same forms part of the Notice of the ensuing AGM.

M/s D. C. Dave & Co. have confirmed the cost records for the financial year ended December 31, 2020 are free from any disqualifications as specified under Section 141 (3) and proviso to Section 148(3) read with Section 141(4) of the Act. They have further confirmed their independent status.

25.3 Secretarial Auditor and Secretarial Audit Report

In terms of the provisions of Section 204 of the Act read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board has appointed M/s Mehta & Mehta, Company Secretaries in Practice, Mumbai, as the Secretarial Auditor for conducting Secretarial Audit of the Company for the financial year ended December 31, 2021.

The report of the Secretarial Auditor is given in **Annexure E**. The Secretarial Audit Report does not contain any qualification, reservation or adverse remark. The Company is in compliance with the Secretarial Standards, specified by the Institute of Company Secretaries of India ('ICSI').

26. MATERIAL CHANGES AND COMMITMENT AFFECTING FINANCIAL POSITION OF THE COMPANY

There are no material changes and commitments, affecting the financial position of the Company, which has occurred between the end of the financial year for the Company, i.e. December 31, 2021 and the date of this Board's Report, i.e. February 9, 2022.

27. AWARDS AND RECOGNITIONS

In 2021, the Company committed to Net Zero Pledge by signing the Business Ambition 1.5° C. ACC has also validated its CO₂ emission reduction targets under Science Based Target Initiative (SBTi) under well below 2° C scenario. ACC is the first Indian Cement Company to have both of these.

ACC has also been recognised for demonstrating leadership in climate change efforts by global environmental non-profit CDP, securing a place on its prestigious 'A List' for its climate change disclosure. ACC has also received B rating by CDP in Water disclosure for which the Company participated for the first time.

ACC has scored 73 in Dow Jones Sustainability Index and is among the top 15 companies across construction material sector globally.

28. ENHANCING SHAREHOLDER VALUE

ACC is committed to creating and returning value to shareholders. Accordingly, the Company is dedicated to achieving high levels of operating performance, cost competitiveness, enhancing the productive asset and resource base and striving for excellence in all areas of operations.

The Company firmly believes that its success in the marketplace and good reputation are among the primary determinants of shareholder value. Its close relationship with customers and a deep understanding of their challenges and expectations drive the development of new products and services. With decades of expertise and know-how, ACC offers its customers solutions that enhance their projects and builds trust.

Anticipating customer requirements early and being able to address them effectively requires a strong commercial backbone. ACC continues to develop this strength by institutionalising sound commercial processes and building world-class commercial capabilities across its marketing and sales teams.

The Company uses an innovative approach in the development of its products and services, as well as execution of growth opportunities. The Company is also committed to creating value for all its stakeholders by ensuring that its corporate actions positively impact the economic, societal and environmental dimensions of the triple bottom line.

29. CORPORATE GOVERNANCE

The Board of Directors reaffirm their continued commitment to good corporate governance practices. During the year under review, the Company complied with the provisions relating to corporate governance as provided under the Listing Regulations. The compliance report together with a certificate from the Company's

auditors confirming the compliance is provided in the Report on Corporate Governance, which forms part of the Annual Report.

30. BUSINESS RESPONSIBILITY REPORTING

A separate section on Business Responsibility forms part of this Annual Report as required under Regulation 34(2)(f) of the Listing Regulations.

31. PARTICULARS OF EMPLOYEES

Disclosures pertaining to remuneration and other details as required under Section 197(12) of the Act read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 are given in **Annexure F** to this Report.

In accordance with the provisions of Sections 197(12) & 136(1) of the Act read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the list pertaining to the names and other particulars of employees drawing remuneration in excess of the limits set out in the aforesaid Rules, is kept open for inspection during working hours at the Registered Office of the Company and the Report & Accounts as set out therein are being sent to all the Members of the Company. Any Member, who is interested in obtaining these, may write to the Chief Legal Officer & Company Secretary at the Registered Office of the Company.

32. REPORTING OF FRAUDS BY AUDITORS

During the year under review, neither the Statutory Auditors nor the Secretarial Auditor have reported to the Audit Committee of the Board, under Section 143(12) of the Act, any instances of fraud committed against the Company by its officers or employees, the details of which would need to be mentioned in this Report.

33. ANNUAL RETURN

Pursuant to the provisions of Section 134(3)(a) and Section 92(3) of the Act read with Rule 12 of the Companies (Management and Administration) Rules, 2014, the draft of the Annual Return of the Company for the financial year December 31, 2021 is uploaded on the website of the Company and can be accessed at www.acclimited.com

34. COMPLIANCE WITH SECRETARIAL STANDARDS

The Board of Directors affirms that the Company has complied with the applicable Secretarial Standards ('SS') issued by the Institute of Company Secretaries of India (SS1 and SS2), relating to Meetings of the Board and its Committees and General Meetings respectively, which have mandatory application during the year under review.

35. STATUTORY DISCLOSURES

The disclosures required to be made under Section 134(3)(m) of the Act read with Rule 8(3) of the Companies (Accounts) Rules, 2014 on the Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo are given as under:

A. Conservation of energy

A1. Power cost optimisation

During the year, efforts were made to reduce the impact of increasing electrical energy cost by partly replacing grid power through consumption of Open Access ('OA') power from comparatively cheaper sources. The plants which actively participated in OA procurement of power were Kudithini, Thondebhavi, Gagal, Madukkarai, Wadi and Bargarh. Overall purchase of power from OA has resulted in a saving of ~₹5.7 Crore.

In addition, the Waste Heat Recovery System (WHRS) at Gagal generated ~48.7 Million units for internal consumption in place of grid power.

A2. Renewable power obligation

Your Company is putting all efforts to increase the share of Renewable Energy.

The captive wind power generation from Tamil Nadu and Rajasthan wind farms contributed considerably in this front. This has resulted in a saving of ~₹1 Crore on account of RPO cash outgo. Besides this, the Company sourced Solar power at Thondebhavi, Kudithini and Wadi and Non Solar power at Thondebhavi to fulfill the Solar RPO and partly Non Solar RPO. This resulted in savings in total cash outgo of ~₹12.7 Crore.

Following energy conservation and efficiency improvement measures were undertaken in various areas of the cement manufacturing and Captive Power Plants ('CPPs'), through Operational and Capex measures. A few highlights are as under:

- Energy efficiency improvement through installation of efficient equipment such as fans, blowers, compressors and motors across all ACC plants;
- Conduction of mandatory energy audits and identification of energy conservation projects;

- Implementation of projects identified as part of Mandatory Energy audits;
- Focus on Productivity Rate Index ('PRI') improvement through Computational Fluid Dynamics ('CFD') studies and through other inhouse modification at Jamul, Wadi, Kymore and Madukkarai, Tikarai;
- Installation of medium voltage variable frequency drives ('MVVFD') and low;
- voltage variable frequency drives ('LVVFD') for process fans across all ACC plants.

Some of the additional proposals being implemented for further conservation of energy

- Installation of variable frequency drives and high efficiency fans, across ACC plants;
- Conducting CFD Study for modification of cyclones at Bargarh;
- Installation of active Volt-ampere reactive ('VAR') compensation for 132kV substation at Bargarh;
- Reduction of Preheater pressure drop through enlargement of kiln inlet neck and reduction of pressure drop across V-separator of Roller Press ('RP');
- Improve the Raw mill PRI by improving feeding and increasing the roller grinding pressure at Jamul at Jamul;
- Installation of new design cooler plates at Wadi.

Impact of the above measures for reduction of energy consumption and consequent impact on cost of production

The measures stated in points (A) above would further improve the thermal and electrical energy efficiency of the ACC Plants.

The capital investment on energy conservation equipment

Your Company invested ~₹378.5 Crore on productivity/ efficiency improvement, besides implementation low-cost measures to reduce energy consumption.

The steps taken by the Company for utilising alternate sources of energy

Besides the use of Renewable Energy (Solar and Non-Solar), your Company utilised 0.3 Million tonnes of Alternative Fuels during the cement manufacture.

B. Technology Absorption

Research and Development (R&D)

1. Specific areas in which R&D is carried out by the Company

- Conservation of resources through maximisation of the use of low-grade limestone for cement manufacturing, improvement in the quality of blended cement through innovative process utilising industrial by-products for improved quality and performance of ACC plants;
- Maximisation of industrial wastes utilisation and looking into possibilities of environmentally friendly co-processing of wastes in cement manufacture leading to thermal substitution and conservation of natural resources;
- Optimisation of fuel mix for lowering the cost;
- Effective replacement of the costlier natural Gypsum by other form of gypsum and byproducts without affecting the quality of cement;
- Productivity research for increased efficiency in use of resources development of application oriented cements with decreased CO₂ emissions;
- Development of Integral waterproofing Compound;
- Development of cement based niche products like water repellent and self-curing Dry Mix Mortar, thin bed jointing mortar, plasters, tile adhesives range;
- Development of Concrete Admixture for ACC RMX.

2. Benefits derived as result of above R&D

- Effective use of marginal quality raw materials and fuels with improved clinker quality;
- Reduction in raw material cost—gypsum and mineral components;
- Launch of special high-performance products like F2R, Concrete+, ACC Gold for specific market segments/ market climatic conditions;
- Launch of Leak Block—an integral waterproofing compound/ dry-mix mortars for plasters, tile fixing, thin-bed jointing for blocks;

- e) Increased absorption of blending materials like fly ash and slags in blended cements;
- f) Fuel efficiency;
- g) Reduction in special power consumption for grinding;
- h) ACC Concrete admixture project resulted in cost savings on admixture buying cost with a consistent quality.

3. Plan of action

- a) Development of application oriented cement focusing customer pain points with reduced carbon footprint;
- b) Development of cement-based niche products;
- c) Exploratory research works on the above specified areas;
- d) Maximisation of use of waste/byproducts in cement manufacture as alternative materials;
- e) Improve product quality particularly with respect to long-term durability and reduction in cost of manufacture;
- f) Implementing & developing complete range of concrete admixture for ACC RMX to maximise the potential for quality & cost.

4. Expenditure on R&D

	₹ Crore
a) Capital	Nil
b) Recurring (Gross)	0.63
c) Total	0.63
d) Total R&D expenditure as percentage of total turnover	-

C. Foreign Exchange Earnings and Outgo

	₹ Crore
Foreign Exchange earned	4.19
Foreign exchange outgo	473.87

36. OTHER DISCLOSURES

- 36.1 There were no material changes and commitments affecting the financial position of the Company between the end of the financial year and the date of this report.
- 36.2 The Company has not issued any shares with differential voting rights/ sweat equity shares.
- 36.3 There was no revision in the Financial Statements.

36.4 There has been no change in the nature of business of the Company as on the date of this report.

36.5 There are no proceedings, either filed by ACC or filed against ACC, pending under the Insolvency and Bankruptcy Code, 2016 as amended, before National Company Law Tribunal or other courts during the year 2021.

36.6 Prevention of Sexual Harassment of Women at the Workplace

ACC is an equal employment opportunity Company and is committed to creating a healthy working environment that enables employees to work without fear of prejudice and gender bias. As an organisation, the Company is committed to ensure that every employee is treated with dignity and respect and works in a conducive work environment, which promotes professional growth of employee and encourages equality of opportunity. The Company has zero tolerance towards any act on the part of any executive, which may fall under the ambit of 'sexual harassment' at workplace, and is fully committed to uphold and maintain the dignity of every woman executive working in the Company.

Further, to provide an empowering and enabling atmosphere to women employees, the Company has continuously endeavoured to build the work culture, which promotes the respect and dignity of all women employees across the organisation. The Company has formulated a comprehensive policy on prevention, prohibition and redressal against sexual harassment of women at workplace, which is also in accordance with the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 ('POSH'). The said policy has been made available on the internal portal of the Company as well as the website of the Company.

The Company has constituted of Internal Complaints Committee ('ICC') under the POSH and has complied with the provisions relating to the same. The ICC has been set up comprising four (4) female employees of whom one female employee (1) is the Chairperson of the ICC and two (2) male employees of whom one (1) is the secretary of the ICC. There are two (2) external Members on the Committee who are specialists in dealing with such matters. The employees are sensitised from time to time in respect of matters connected with prevention of sexual harassment. Awareness programmes are conducted at unit levels to sensitise the employees to uphold the dignity of their female colleagues at workplace. The Company also conducted an E-learning programme for employees to cover various aspects of the subject matter. Number of cases filed and their disposal under Section 22 of the POSH is as follows:

Particulars	Numbers
Number of complaints pending as on the beginning of the financial year	1
Number of complaints filed during the financial year	0
Number of complaints pending as on the end of the financial year	0

37. DIRECTORS' RESPONSIBILITY STATEMENT

To the best of their knowledge and belief and according to the information and explanations obtained by them, your Directors make the following statement in terms of Section 134 of the Act:

- a) that in the preparation of the annual Financial Statements for the year ended December 31, 2021, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any.
- b) that such accounting policies as mentioned in Note 1 of the Notes to the Accounts have been selected and applied consistently and judgement and estimates have been made that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as on December 31, 2021, and of the profit of the Company for the year ended on that date.
- c) that proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- d) that the annual accounts have been prepared on a going concern basis.
- e) that proper internal financial controls laid down by the Directors were followed by the Company and such internal financial controls are adequate and were operating effectively.
- f) that proper systems to ensure compliance with the provisions of all applicable laws have been devised and such systems were adequate and were operating effectively.

38. INTEGRATED REPORTING

For the fourth (4th) year, the Company has drawn up an Integrated Report, which encompasses both financial and non-financial information to enable Members to have a more holistic understanding of the Company's long-term perspective. This year, the Integrated Reporting is more robust than before and details such as the organisation's strategy, governance framework,

performance and prospects of value creation based on the six (6) forms of capital viz. financial capital, manufactured capital, intellectual capital, human capital, social & relationship capital and natural capital have been added. The Integrated Report for the year 2021 is presented in a separate section, forming part of the Annual Report and also hosted on the Company's website www.acclimited.com

The Annual Report also carries a detailed section containing the 'Business Responsibility Report'. Since 2007, the Company has been publishing an annual Corporate Sustainable Development Report ('SD Report') conforming to the guidelines of the Global Reporting Initiative. From the year 2016, these reports are based on the GRI standards in accordance with the 'Comprehensive' option and have been externally assured. This year also the SD Report has been combined with the Integrated Report.

39. ACKNOWLEDGEMENTS

The Directors express their deep sense of gratitude to the Central and State Government Ministries and departments, shareholders, customers, business associates, bankers, employees, trade unions and all other stakeholders for their support and look forward to their continued assistance in future.

40. CAUTIONARY STATEMENT

Statements in the Board's Report and the Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be 'forward looking statements' within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global and Indian demand supply conditions, finished goods prices, feed stock availability and prices, cyclical demand and pricing in the Company's principal markets, changes in government regulations, tax regimes, economic developments within India and the countries within which the Company conducts business and other factors such as litigation and labour negotiations. The Company is not obliged to publicly amend, modify or revise any forward-looking statement, on the basis of any subsequent development, information or events or otherwise.

DIVIDEND DISTRIBUTION POLICY

This Policy is called “ACC Limited – Dividend Distribution Policy” (hereinafter referred to as “**the Policy**”). The Policy is framed pursuant to Regulation 43A of Securities & Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015 for the time being in force. The Policy shall come into effect from the receipt of the Board’s approval (Effective Date).

The Policy lays down the broad criteria which the Company would take into consideration for the purpose of ascertaining the amount of dividend to be declared keeping in mind the need to maintain a balance between the payout ratio and retained earnings, in order to address future needs of the Company. The policy serves as a guideline for the Board of Directors and the decision of the Board of Directors with respect to the amount of dividend declared for any given period will be final and shall not be open to challenge by any person on the basis of the Policy.

Dividend would continue to be declared on per share basis on the Ordinary Equity Shares of the Company having face value ₹10 each. The Company currently has no other class of shares. Dividend other than interim dividend shall be declared at the annual general meeting of the shareholders based on the recommendation of the Board of Directors. The Board of Directors has the authority to declare interim dividend.

Subject to the provisions of the applicable law, the Company’s dividend payout will be determined based on available financial resources, growth/ investment requirements and fair shareholder return. The Company will broadly take into consideration the following financial parameters and/ or internal and external factors to determine whether or not to declare dividend or to determine the quantum of dividend to be declared.

INTERNAL FACTORS

- Profits earned during the financial year and the retained profits of the previous years in accordance with the provisions of Section 123 and other applicable provisions of the Companies Act, 2013 read with rules framed thereunder;
- Cash flow position of the Company and the debt: equity ratio;
- Projections with regard to the performance of the Company;
- Fund requirement to finance Capital Expenditure;
- Fund requirement to finance any organic/ inorganic growth opportunities or to finance working capital needs of the Company;
- Opportunities for investment of the funds of the Company to capture future growth;
- Dividend payout history.

EXTERNAL FACTORS

- Business cycles and long-term/ short-term Industry outlook;
- Cost of external financing;
- Changes in the Government policies, rate of inflation and taxes structure etc.;
- Quantum of dividend payout by other comparable concerns etc.

The Company may recommend additional special dividend in special circumstances.

In the event of a loss or inadequacy of profits in a given year, Company may, taking into consideration the shareholder expectations, past dividend payout history etc., declare payment of dividend out of its reserves as may be permitted by the law.

Likewise, in the event of challenging circumstances such as adverse economic cycles and industry projections, the performance of the Company in the coming years, pressure on cash flow on account of various factors such as higher working capital requirements, etc., the Company may, decide not to declare a dividend even when in a given year, the Company had generated profits.

In case it is proposed not to declare dividend during any financial year, the grounds thereof and the information on the manner in which the retained profits of the Company, if any, are being utilised shall be disclosed to the Members in the Board’s Report forming part of the Annual Report of the Company for the given financial year.

The Chief Executive Officer & Managing Director and the Chief Financial Officer, considering various internal and external factors and the overall performance of the Company, shall jointly make a recommendation to the Board of Directors with regard to whether or not to declare a dividend and in case a dividend is recommended, the quantum of dividend to be declared.

The retained earnings of the Company may be used in any of the following ways:

- Capital expenditure, and for the purpose of any organic and/ or inorganic growth;
- Declaration of dividend;
- Issue of Bonus shares or buy back of shares;
- Other permissible usage as per the Companies Act, 2013.

The policy may be modified as may, in the opinion of the Board of Directors be deemed necessary.

The Policy will be available on the Company’s website at www.acclimited.com and will also be disclosed in the Company’s Annual Report.

Annexure 'B' to the Board's Report

POLICY FOR REMUNERATION OF DIRECTORS, KMP AND MEMBERS OF THE EXECUTIVE COMMITTEE

Remuneration Philosophy

The collective responsibility of the Board of Directors is the guiding principle in determining the compensation for Non-Executive Directors, whilst at the same time recognising and adequately compensating the Chairman of the Board of Directors, the Chairman of the Audit Committee and Members of the Audit Committee and Compliance Committee for the additional responsibilities shouldered by them. The Chairman of the Board is required to provide leadership and balance conflicts of interest, if any, so that decisions are taken in the best interests of the Company and to ensure highest standards of governance. Likewise, the Members of the Audit Committee and the Compliance Committee have the onerous responsibility to respectively ensure adequacy of internal controls, robustness of financial policies and accounting/ principles and compliance with applicable laws. The Members of the Audit Committee and the Compliance Committee and particularly the Chairman of the Audit Committee is required to spend considerable time for providing guidance to the Management in dealing with major issues.

Remuneration

The remuneration of the Non-Executive Directors is determined within the limits prescribed under Section 197 read with the rules framed thereunder and Schedule V to the Companies Act, 2013 (hereinafter collectively referred to as '**the Act**') and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as '**SEBI Regulations**').

The Non-Executive Directors of the Company receive remuneration by way of sitting fees for attending the Board/ Committee Meetings and commission as detailed hereunder:

- i. sitting fees for each meeting of the Board or Committee of the Board attended by the Director, of such sum as may be approved by the Board of Directors within the overall limits prescribed under the Act;
- ii. subject to the approval of the Members in General Meeting, payment of commission on an annual basis, of such sum as may be approved by the Board on the recommendation of the Nomination & Remuneration Committee, subject to the ceiling prescribed under the Act. Pursuant thereto, the total commission payable to the Directors shall not exceed 1% of the net profit of the Company;
- iii. the commission is generally paid on a uniform basis, to reinforce the principles of collective responsibility of the Board;
- iv. the Nomination & Remuneration Committee may recommend a higher commission for the Chairman of the Board of Directors, taking into consideration his overall responsibility;

- v. in determining the quantum of commission payable to the Directors, the Nomination & Remuneration Committee shall make its recommendation after taking into consideration the overall performance of the Company and having regard to the onerous responsibilities required to be shouldered by the Director etc.;
- vi. the Nomination & Remuneration Committee may recommend to the Board, for the payment of an additional commission to those Directors who are Members on the Audit Committee and the Compliance Committee of the Board, subject to a ceiling on the total commission payable as may be decided;
- vii. in addition to the remuneration paid under Clause (ii) and (vi) above, the Chairman of the Audit Committee shall be paid an additional commission, as may be recommended to the Board by the Nomination & Remuneration Committee;
- viii. the commission shall be payable on a pro rata basis to those Directors who occupy office for part of the year;
- ix. the Independent Directors of the Company shall not be entitled to participate in Stock Option Scheme of the Company, if any, introduced by the Company.

The CSR Committee has decided not to accept any sitting fees and pursuant thereto, no sitting fees are paid to the Members of the CSR Committee for attending CSR Committee Meetings.

Remuneration Policy for the Chief Executive Officer & Managing Director (CEO & MD) and Executive Committee Members

The Company's compensation philosophy for the CEO & MD and the Executive Committee Members is broadly guided by the fact that the Company gains a competitive advantage in attracting, retaining and motivating talent. This can be ensured by providing a remuneration structure which when benchmarked with comparable companies within the industry/ sector compares favourably so as to attract talent. At the same time the reward proposition is linked to the overall company's performance, individual performance, employee's potential, criticality of the function and its importance for achieving a competitive advantage in business.

Remuneration Policy for the CEO & MD

- i. The CEO & MD shall be paid such remuneration as may be mutually agreed between the Company (which includes the Nomination & Remuneration Committee and the Board of Directors) and the CEO & MD, within the overall limits prescribed under the Act.
- ii. The remuneration shall be subject to the approval of the Members of the Company in General Meeting.

- iii. The remuneration of the CEO & MD shall be broadly divided into fixed and variable components. The fixed component comprises salary, allowances, perquisites, amenities and retirement benefits. The variable component comprises performance bonus and other long-term incentives.
- iv. In determining the remuneration the Nomination & Remuneration Committee shall consider the following:
 - a) the relationship between remuneration and performance;
 - b) balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals;
 - c) responsibility required to be shouldered by the CEO & MD, the industry benchmarks and current trends;
 - d) the Company's performance vis-à-vis the annual budget achievement and individual performance vis-à-vis the KRAs/ KPIs;
 - e) in keeping with best industry practices, to ensure that the remuneration is competitive and that it compares favourably with the Industry.

Remuneration Policy for the KMP and the Executive Committee Members

- i. In determining the remuneration of the KMP (KMP) and Executive Committee Members, the Nomination & Remuneration Committee shall consider the following:
 - a) the relationship between remuneration and performance;
 - b) the balance between fixed and incentive pay reflecting short and long-term performance objectives, appropriate to the working of the Company and its goals;
 - c) the remuneration is divided into two components viz. fixed component comprising salaries, perquisites and retirement benefits and a variable component comprising performance bonus;
 - d) the remuneration including annual increment and performance bonus, is decided based on the criticality of the roles and responsibilities, the Company's performance vis-à-vis the annual budget achievement, individuals performance vis-à-vis KRAs/ KPIs, industry benchmarks and current compensation trends in the market.
- ii. The CEO & MD will carry out the individual performance review based on the standard appraisal matrix and shall take into account the appraisal score card and other factors mentioned hereinabove, whilst recommending the annual increment and performance incentive to the Nomination & Remuneration Committee for its review.

CRITERIA FOR SELECTION OF CANDIDATES FOR APPOINTMENT AS DIRECTORS, KMP AND MEMBERS OF THE EXECUTIVE COMMITTEE

The Nomination & Remuneration Committee plays an important role in ensuring that there is a formal and transparent process for appointment to the Board of Directors and is, *inter alia*, responsible for identifying potential candidates for appointment as Directors. The Committee takes into account the Board's existing composition *vis-à-vis* the need to have a broad based and diverse Board commensurate with the size and complexity of the Company's operations. This ensures that the Company gets the maximum benefits from the contributions and deliberations of an accomplished and diverse group of individuals and professionals, that issues are discussed from different angles fostering creativity in the Board's decision-making process as well as provide for comprehensive strategic planning and effective risk management at the highest level.

Some of the important criteria considered by the Nomination & Remuneration Committee in identifying candidates for appointment as Directors are:

- a) selection of candidates from a wide cross section of industries and professional backgrounds, qualifications, expertise and experience of the candidate, their domain and functional knowledge in the fields of manufacturing, marketing, finance, taxation, law, governance and general management so as to enable the Board to discharge its function and duties effectively;
- b) in case of recommendation for appointment of Independent Directors, the Nomination & Remuneration Committee shall also satisfy itself with regard to the independent nature of the Director *vis-à-vis* the Company;
- c) the candidates identified for appointment as Directors should not be disqualified for appointment under Section 164 of the Act;
- d) the following attributes/ criteria will be considered whilst recommending the candidature for appointment as Director:
 - i. age of the candidate;
 - ii. integrity of the candidate;
 - iii. personal, Professional or Business Standing;
 - iv. diversity of the Board;
 - v. positive attributes of the candidate;
 - vi. in case of re-appointment of Non-Executive Directors, the Nomination & Remuneration Committee whilst making its recommendation to the Board of Directors, shall take into consideration the performance evaluation of the Director and his engagement level.

The Nomination & Remuneration Committee shall meet potential candidates to assess their level of competence, experience and their personal and other positive attributes before making its recommendation to the Board.

For the purpose of assessing the attributes of the candidate, the Committee shall, *inter alia*, take into consideration whether the candidate demonstrates:

- high standards of ethical behaviour;
- positive disposition, good interpersonal and communication skills;
- ability to think independently without being influenced by extraneous circumstances or consideration;
- capability to act with reasonable care, in good faith and in the best interests of the Company and its stakeholders;
- ability to devote time and attention for the business and governance of the Company;
- refrain from situations that may have a direct or indirect conflict of interest with those of the Company;
- acceptance to abide by the Company's Code of Business Conduct.

The Board of Directors (including the Nomination & Remuneration Committee) periodically review vacancies likely to occur on the completion of the tenure of Non-Executive Directors for timely filling of such vacancies.

In the selection of the CEO & MD, the Nomination & Remuneration Committee identifies persons of integrity who possess relevant expertise and experience, domain and functional knowledge required for such office and who demonstrate positive attributes as explained above. The ability of the candidate to adapt to the organisational culture and ethos are also considered. The Committee also ensures that the identified candidate is not disqualified for appointment as a Director. In this regard, the Committee also takes into consideration the recommendations received from any Member of the Committee/ Board of Directors. In case of appointment of persons to the Executive Committee, the Nomination & Remuneration Committee considers the recommendation of the CEO & MD in this regard, who shall base his recommendation on the assessment of the qualifications, expertise and experience functional knowledge and skills of the candidate, his/ her positive attributes and the ability and agility of the candidate to adapt to the overall organisational culture and ethos.

ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY ('CSR') ACTIVITIES OF THE COMPANY

1. A brief outline on CSR Policy of the Company:

CSR Policy Statement

Our vision is to be one of the most respected companies in India, delivering superior and sustainable value to all our customers, business partners, shareholders, employees and host communities.

Our CSR initiatives focus on the holistic development of our host communities while creating social, environmental and economic value to the society.

To pursue these objectives, we will continue to:

- Uphold and promote the principles of inclusive growth and equitable development;
- Devise and implement Community Development Plans based on the needs and priorities of our host communities and measure the effectiveness of such development programmes;
- Work actively in the areas of livelihood advancement, Enhancement employability and Income Generation, Improving Quality and reach of Education, Promoting Health and Sanitation, Conserving the Environment and supporting local Sports, Arts and Culture;
- Collaborate with the like-minded bodies such as Governments, Civil Society Organisations and Academic Institutions in pursuit of our Goals;
- Interact regularly with stakeholders, review and publicly report our CSR initiatives.

2. Composition of the CSR committee:

Sl. No.	Name of Director	Designation/ Nature of Directorship	Number of meetings of CSR Committee held during the year	Number of meetings of CSR Committee attended during the year
1.	Mr Shailesh Haribhakti	Chairman, Independent Director	3	3
2.	Ms Falguni Nayar	Member, Independent Director	3	2

FORM MR-3 SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED DECEMBER 31, 2021

[Pursuant to Section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
ACC LIMITED

Cement House, 121, Maharshi Karve Road,
Mumbai – 400 020

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by ACC Limited (hereinafter called "the Company"). Secretarial audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conduct/ statutory compliance and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on December 31, 2021, complied with the statutory provisions listed here under and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on December 31, 2021, according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws Framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings **(during the period under review not applicable to the Company);**
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 **(during the period under review not applicable to the Company);**
- (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 **(during the period under review not applicable to the Company);**
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 **(during the period under review not applicable to the Company);**
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client **(during the period under review not applicable to the Company);**
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 **(during the period under review not applicable to the Company);**
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 **(during the period under review not applicable to the Company);**

We have examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India;
- (ii) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of Act, Rules, Regulations, Guidelines etc. mentioned above.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of the Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notices are given to all Directors to schedule the Board/ Committee Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company had the following specific events/ actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

- The shareholders of the Company at their Annual General Meeting held on April 7, 2021 had approved a final dividend of ₹14/- per equity share of face value ₹10/- each for the financial year ended December 31, 2020.

Annexure A to MR-3

To,
The Members,
ACC LIMITED
Cement House, 121, Maharshi Karve Road,
Mumbai – 400 020

Our report of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
4. Wherever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of corporate laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
6. As regard the books, papers, forms, reports and returns filed by the Company under the provisions referred to in our Secretarial Audit Report in Form MR-3 the adherence and compliance to the requirements of the said regulations is the responsibility of management. Our examination was limited to checking the execution and timeliness of the filing of various forms, reports, returns and documents that need to be filed by the Company with various authorities under the said regulations. We have not verified the correctness and coverage of the contents of such forms, reports, returns and documents.
7. The secretarial audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

Report on Corporate Governance

ACC'S PHILOSOPHY ON CORPORATE GOVERNANCE

For over eight (8) decades, we have strengthened our industry leadership on the pillar of our corporate governance philosophy. We have institutionalised a robust mechanism of corporate governance, long before it became a statutory requirement. Our governance framework enshrines ethical and responsible conduct of business to create lasting stakeholder value.

The governance framework and philosophy of the Company is inspired by ethics, values and culture of professionalism. We emulate the 'best practices' that are adhered to in the realm of corporate governance globally and these practices are integrated into our growth strategy.

Across our day-to-day operations, we conform to complete transparency and accountability to protect stakeholder interests. Our governance framework drives optimal utilisation of resources and accountability for stewardship. The Board remains at the top of the governance pyramid as a custodian of trust, with the employees at the base which ensures sustainable long term wealth creation.

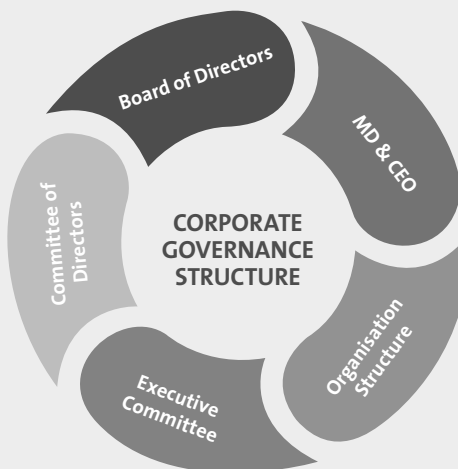

The above-mentioned principles are integral to our business practices and have evolved, over the years, from the Company's culture of agility, continuous innovation and rich experiences gleaned from the past. This distilled wisdom has reinforced stakeholder trust and confidence, attracting and retaining financial and human capital and has helped us enormously in fulfilling societal aspirations.

Our core principles represent the edifice of our two-tier governance model, with the Board of Directors and the Committees of the Board at the apex and the management structure at the operational level. The Board and its Committees guide, support and complement the management team's ideas and initiatives, which in turn

assumes accountability, strives to achieve the set objectives and enhances value creation for all.

ACC's Corporate Governance Structure has evolved over the years and it provides a comprehensive framework to enhance accountability to shareholders and other stakeholders, ensures timely implementations of the plans and adequate disclosures of as well as fair dealings with shareholders and other stakeholder interests and maintenance of high standards of business ethics and integrity.

Board of Directors

ACC is a professionally managed Company functioning under the overall supervision of the Board of Directors ('Board'). Its Board comprises the required combination of Independent and Non-Independent Directors, including an Independent Woman Director in line with the provisions of the Companies Act, 2013 ('the Act') and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ('the SEBI Listing Regulations'). The Company's Managing Director and Chief Executive Officer is the only Executive Director on the Board.

The Board of Directors comprises of highly experienced persons of repute and eminence, who ensure that the time-honoured culture of maintaining sound standards of corporate governance is further nurtured. The Board sets out the overall corporate objectives and provides direction and independence to the management to achieve these objectives for value creation through sustained growth.

The Board seeks accountability of the management in creating long-term sustainable growth to ensure that the aspirations of stakeholders are fulfilled. It also sets out standards of corporate behaviour and ensures compliance with laws and regulations impacting the Company's business.

Committee of Directors

Having regard to the significant contributions that Committees make in assisting the Board of Directors in discharging its duties and responsibilities, the Board through its following Committees closely monitor various areas of business.

The Committees of the Board are:

- (i) Audit Committee
- (ii) Nomination & Remuneration Committee
- (iii) Corporate Social Responsibility ('CSR') Committee*
- (iv) Sustainability Committee*
- (v) Risk Management Committee and
- (vi) Compliance Committee.

The Board has voluntarily set up the Compliance Committee, which oversees the legal compliance process, other legal matters and key litigation.

*w.e.f. January 1, 2022, the CSR & Sustainability Committee was split into two (2) separate Committees i.e. CSR Committee and Sustainability Committee

Managing Director & Chief Executive Officer ('MD & CEO')

The MD & CEO is at the helm of operations and responsible for the Company's day-to-day operations. MD & CEO functions under the guidance and directions of the Board and provides strategic directions, lays down policy guidelines and ensures the implementation of the decisions of the Board and its various Committees.

Executive Committee ('ExCo')

The ExCo comprises of executives of the senior management cadre who are drawn from a cross-section of functions and responsibilities. The ExCo supports the MD & CEO and operates within the framework of the policies laid down by the Board and is responsible & accountable for overall business deliverables.

The ExCo meets regularly to review and monitor the performance *vis-à-vis* the annual plans & budgets, discusses cross-functional operational matters and addresses business challenges and issues.

Organisational structure, roles and responsibilities

ACC operates its business with a functional organisational structure. ExCo and other functional heads provide the expertise to face operational challenges with agility and efficiency.

Led by the MD & CEO, it comprises verticals for the functions of Sales & Marketing, Manufacturing, Human

Resources, Finance, Procurement, Supply Chain, Legal & RMX functions. The business operates through three (3) regional manufacturing clusters (North, East, South West and Central) and three (3) regional Sales & Marketing Offices (North, East and Central, South and West).

The regional Heads for Sales, Logistics, Finance and Human Resource have a direct reporting line to the respective vertical heads. The heads of plants report to the respective manufacturing cluster head in the region. The procurement activities are managed by the India Procurement Organisation executed from five (5) procurement cluster offices. The Heads of the Finance, Human Resource, Procurement, Supply Chain, Sales & Marketing, Legal, Secretarial & Compliance, Health & Safety departments report to the MD & CEO.

BOARD OF DIRECTORS

The composition of the Board is in conformity with Regulation 17 and Regulation 17A of the SEBI Listing Regulations read with Section 149 of the Act.

In terms of the provisions of the Act and the SEBI Listing Regulations, the Directors of the Company submit necessary disclosures regarding the positions held by them on the Board and/ or the Committees of other companies with changes therein, if any, on a periodical basis. On the basis of such disclosures, it is confirmed that as on December 31, 2021, none of the Directors of the Company:

- holds Directorship positions in more than twenty (20) companies [including ten (10) public limited companies and seven (7) listed companies];
- holds Executive Director position and serves as an Independent Director in more than three (3) listed companies; and
- is a Member of more than ten (10) Committees and/ or Chairperson of more than five (5) Committees, across all the Indian public limited companies in which they are Directors.

For the purpose of determination of Committee position limits, chairperson and membership positions of the Audit Committee ('AC') and the Stakeholders' Relationship Committee ('SRC') have been considered in terms of Regulation 26 of the SEBI Listing Regulations.

None of the Directors have attained the age of Seventy-five (75) years.

Size and Composition of the Board as on December 31, 2021

Composition of Board

Tenure Analysis of the Board as on December 31, 2021

Average Tenure in years (category-wise)

Present Tenure of Directors in years

Key Board qualifications, expertise and attributes

The ACC Board comprises professionals of eminence and stature drawn from diverse fields. The Board of Directors collectively bring to the fore a wide repertoire of skills and experience, which elevates the quality of the Board's decision-making and allows them to make effective contribution to the Board and its Committees.

The Board takes care of the business and stakeholders' interest. The Non-Executive Directors, including the Independent Directors are well qualified, experienced and renowned persons from the fields of manufacturing/ Cement manufacturing, finance, infrastructure, governance, mining/ metallurgy, retail mergers and acquisitions and technology, amongst others. The Board Members take an active part at the Board and Committee Meetings and provide valuable guidance to the Management on various aspects of business, governance and compliance, amongst others. The Board's guidance provides foresight, enhances transparency and adds value in decision-making.

The table below summarises the key skills, attributes and competencies identified by the Board of Directors to function effectively:

Definition of key skills/ attributes/ competencies

Board diversity

ACC has over the years been fortunate to have eminent persons from diverse fields to serve as Directors on its Board.

Pursuant to the SEBI Listing Regulations, the Nomination & Remuneration Committee of the Board has formalised a policy on Board Diversity to ensure diversity of the Board in terms of experience, knowledge, perspective, background, gender, age and culture. The Policy on diversity is available on the Company's website and can be accessed on web link at www.acclimited.com/assets/new/new_pdf/Policyondiversityoftheboard.pdf

Directors and Officers Insurance ('D&O')

In line with the requirements of Regulation 25(10) of the SEBI Listing Regulations, the Company has taken D&O for all its Directors and members of the Senior Management for such quantum and for such risks as determined by the Board of Directors.

Independent Directors

Independent Directors play a significant role in the governance processes of the Board. By virtue of their varied expertise and experience, they enrich the Board's decision-making and prevent possible conflicts of interest that may emerge in such decision-making and safeguards the interests of all stakeholders, particularly the minority shareholders.

The appointment of Independent Directors is carried out in a structured manner in accordance with the provisions of the Act and the SEBI Listing Regulations. The Nomination & Remuneration Committee identifies candidates based on certain laid down criteria and takes into consideration the need for diversity of the Board and accordingly makes its recommendations to the Board.

Mr Haribhakti and Mr Roongta were re-appointed by the Members for a second term of five (5) years with effect from July 24, 2019 whilst Ms Nayar has been re-appointed for a second term with effect from April 24, 2019 for a period of five (5) consecutive years.

Mr D Sundaram, Mr Vinayak Chatterjee and Mr Sunil Mehta have been appointed by the members as Independent Directors for the first term at the Annual General Meeting held on March 22, 2019 for a period of five (5) consecutive years.

All the Independent Directors on the Board of the Company have submitted their respective declarations confirming that they meet the criteria of independence as mentioned in Regulation 16(1)(b) of the SEBI Listing Regulations read with Section 149(6) of the Act. Also, in terms of Regulation 25(8) of the SEBI Listing Regulations, they have confirmed that they are not aware of any circumstance or situation, which exists or may be reasonably anticipated, that could impair or impact their ability to discharge their duties with an objective independent judgement and without any external influence.

In the opinion of the Board, all the Independent Directors fulfil the criteria relating to their independence as specified in the SEBI Listing Regulations and the Act and are independent of the Management.

The maximum tenure of the Independent Directors is in compliance with the provisions of the SEBI Listing Regulations and the Act. No Independent Director of the Company has resigned or was re-appointed during the financial year under review.

Meeting of Independent Directors

During the year under review, the Independent Directors met on December 15, 2021, *inter alia* to discuss:

- evaluation of the performance of Non-Independent Directors and the Board of Directors as a whole;
- evaluation of the performance of the Chairman of the Company, taking into account the views of the Executive and Non-Executive Directors;
- evaluation of the quality, content and timelines of flow of information between the Management and the Board that is necessary for the Board to effectively and reasonably perform its duties; and
- other related matters.

The Independent Directors have expressed satisfaction at the robustness of the evaluation process, the Board's freedom to express its views on matters transacted at the meetings and the openness and transparency with which the Management discusses various subject matters specified in the agendas of meetings. The consolidated Evaluation Report of the Board, based on inputs received from the Directors was discussed at the meeting of the Board held on December 16, 2021 and the action areas identified in the process are being implemented to ensure a better interface at the Board/ Management level.

Induction programme for new Directors and on-going familiarisation programme for existing Independent and Non-Independent Directors

A formal induction programme for new Directors and an on-going familiarisation process with respect to the business/ working of the Company, the Company's business model for all Directors is a major contributor to familiarise the Directors with the dynamics of the cement industry to facilitate their engagement in meaningful deliberations and in taking informed decisions.

While inducting a Director on the Board, a formal letter of appointment is issued to such Director which, *inter alia*, explains the role, functions, duties and responsibilities of the Director and the Board's expectations from him/ her. The requirement of obtaining declarations from a Director under the Act, the SEBI Listing Regulations and other relevant regulations are also explained in detail to the Directors and necessary affirmations are taken from them in respect thereto.

By way of an introduction to the Company, the Directors are presented with a book on the rich legacy of the Company, which traces its history of over eight (8) decades of its existence, past Annual Reports, the Sustainable Development Reports, brochure on the CSR activities pursued by the Company and brochure which discusses various topics related to cement, its applications, etc. and ACC Parivar, the Company's house magazine.

A presentation is also shared with the newly appointed Director, which provides an overarching perspective of the cement industry, organisational set up of the Company and governance model, the functioning of various divisions/ departments, the Company's market share and the markets in which it operates, brand equity, internal control processes and other relevant information pertaining to the Company's business.

The above initiatives help the Director to understand the Company, its business and the regulatory framework in which the Company operates and equips him/ her to effectively fulfil his/her role. In addition, Board Members are regularly informed about significant developments in the cement industry, regulatory changes and other developments, which impact the Company.

Directors are also encouraged to visit the Company's plants to have a better insight of the manufacturing processes, facilities and the social environment in which the Company functions. Further, as an on-going process, the Board is updated on a regular basis through presentations and discussions on the overall economic trends, the legal and regulatory framework and amendments thereto, the performance of the Company and that of the cement industry, analysis of the circumstances which have helped or adversely impacted the Company's performance with its peers in the industry based on the information as available in the public domain and the initiatives taken/proposed to be taken to bring about an overall improvement in the performance of the Company, marketing strategy, business risks, mitigation plans and so on.

The Independent Directors of the Company were provided with an induction booklet containing details such as industry overview, manufacturing and operations, logistics, procurement, branding, introduction to Global Digital Hub, sustainability and CSR initiatives as well as governance and compliance framework of the Company.

Details of the programme for familiarisation of Independent Directors with the working of the Company are available on the website of the Company and can be accessed through the weblink at <https://acclimited.com/assets/new/pdf/CG/Familiarization-Programme-2021.pdf>

Performance evaluation of the Board and individual Directors

Pursuant to the provisions of the Act and the SEBI Listing Regulations, the Board has carried out the annual evaluation of its own performance as well as the working of its Audit, Nomination & Remuneration, Compliance, Risk Management, Stakeholders' Relationship and CSR & Sustainability Committees. A structured questionnaire was prepared after taking into consideration inputs received from the Directors which covered aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, execution and performance of specific duties, obligations and governance.

A separate exercise was carried out to evaluate the performance of Individual Directors. The Chairman of the Board of Directors interacted with all the Directors individually to get an overview of the functioning of the Board/ Committees, *inter alia*, on the following broad criteria i.e. attendance and level of participation at meetings of the Board/ Committees, independence of judgement exercised by Independent Directors, interpersonal relationship and so on.

Based on the inputs received from the Directors, an action plan is being drawn up in consultation with the Directors to encourage their greater engagement with the Company.

Remuneration of Directors

The remuneration of the Board of Directors during the year is set out below. The remuneration paid to the Directors is in accordance with the provisions of the Act and has been duly approved by Members of the Company. None of the Directors of the Company have any pecuniary relationship with the Company apart from receiving the remuneration as mentioned below. The remuneration paid to the Non-Executive Directors does not exceed the threshold specified in Regulation 17(6) (ca) of the SEBI Listing Regulations and no approval of the shareholders by Special Resolution was called for.

The details of remuneration for the year ended December 31, 2021 are given hereunder:

LOA – Leave of Absence

Duties and functions of the Board

The Board of Directors' primary responsibility is to foster the Company's short and long-term success through sustainable continuance and progress of its business and thereby create value for its stakeholders. To this end, the Board of Directors sets out the corporate culture, lays down high ethical standards of corporate behaviour and ensures transparency in its dealings.

The Board has the responsibility to oversee the conduct of the Company's business and to supervise and support the Management, who is responsible for the day-to-day operations. It does this by providing strategic guidance, monitoring operational performance and ensuring that robust policies and procedures are in place. The Board through its various Committees also reviews the identified risks and the

mitigation measures undertaken/ to be undertaken in respect thereof, ensures integrity in the Company's accounting and financial reporting systems, adequacy of internal controls and compliance with all relevant laws and discharges its functions towards CSR. In particular, the Board reviews and approves quarterly/ half-yearly unaudited financial results and the audited annual financial statements (both consolidated and standalone), corporate strategies, business plans, annual budgets, sets corporate objectives and monitors their implementation and oversees major capital expenditure. It monitors overall operating performance, Health & Safety (H&S) performance and reviews such other items which require the Board's attention. It directs and guides the activities of the Management towards achieving set goals and seeks accountability. The agenda for the Board meetings

covers items as set out in the SEBI Listing Regulations to the extent that they are relevant and applicable. All agenda items are supported by relevant information, documents and presentations to enable the Board to take informed decisions. The agenda is sent to the Directors within the period stipulated in the Secretarial Standards. The Board processes are also in consonance with the requirements of the Secretarial Standard-1 relating to the meetings of the Board and its Committees.

All the recommendations of the various Committees of the Board have been accepted by the Board of Directors and none of the Directors are influenced by the Management.

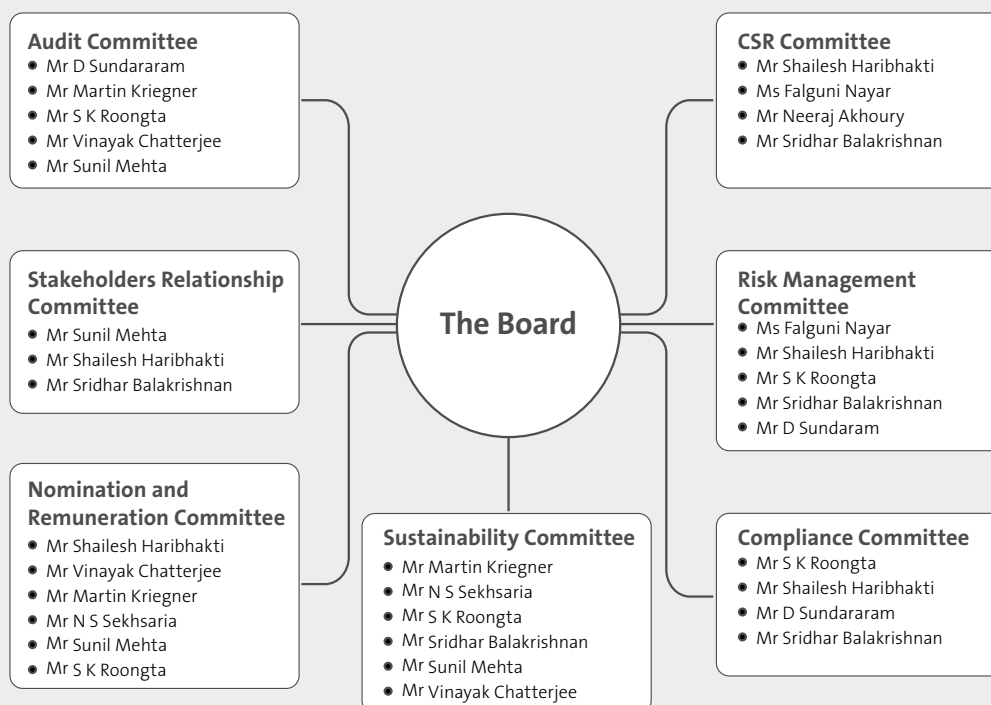

COMMITTEES OF THE BOARD

The Company has over the years maintained the highest standards of corporate governance processes and has had the foresight to set up corporate governance practices much before their implementation was mandated through the introduction of regulatory requirements. For instance, the Board of Directors had constituted the Audit Committee in 1986. A Share Committee was constituted in 1962 to evaluate share-related matters of the Company and investor relations, which has transformed into the Stakeholders' Relationship Committee. Likewise, a Compensation

Committee was constituted in 1992. The Committee has subsequently been re-constituted as the Nomination & Remuneration Committee with wider terms of reference as per statutory requirements.

The constitution, terms of reference and the functioning of the existing Committees of the Board is explained hereunder. Each Committee demonstrates the highest levels of governance standards and has the requisite expertise to handle issues relevant to their fields. These Committees spend considerable time and provide focused attention to various issues placed before them and the guidance provided by these Committees lend immense value and support, enhancing the qualitiveness of the decision-making process of the Board. The Board reviews the functioning of these Committees from time to time.

The meetings of each of these Committees are convened by the respective Chairpersons, who also apprise the Board about the summary of discussions held at their meetings. The minutes of the Committee meetings are sent to all Directors individually for their approval/ comments as prescribed in Secretarial Standards-1 and after the minutes are duly approved, these are circulated to the Board of Directors and presented at the Board meetings.

AUDIT COMMITTEE

The Audit Committee acts as an interface between the Statutory and Internal Auditors, the Management and the Board of Directors. It assists the Board in fulfilling its responsibilities of monitoring financial reporting processes; reviewing the Company's established systems and processes for internal financial controls and governance and reviews the Company's statutory and internal audit processes.

The Audit Committee of the Board is constituted in compliance with the provisions of Section 177 of the Act and Regulation 18 of the SEBI Listing Regulations. More than two-third (2/3rd) of the members of the Committee, including the Chairman are Independent Directors. The Committee is governed by a Charter, which is in line with the regulatory requirements mandated by the Act and the SEBI Listing Regulations. All the members on the Audit Committee are financially literate and possess sound knowledge in finance and accounting practices. The Chairman of the Committee possesses professional qualifications in the field of Finance and Accounting.

The representatives of the Statutory Auditors are permanent invitees to the Audit Committee meetings. They have attended all Audit Committee meetings held during the year at which the Financial Statements have been placed for review. The representative of the Cost Auditor is invited to attend the meeting of the Audit Committee at which the Cost Audit Report is presented for discussion. The MD & CEO, the Chief Financial Officer ('CFO'), the Chief Internal Auditor and the Chief Manufacturing Officer attend the meetings of the Committee. The Chief Legal Officer & Company Secretary is the Secretary of the Committee.

During the year under review, the Audit Committee also held a separate one-to-one meeting with the Statutory Auditors and the Chief Internal Auditor to obtain their inputs on significant matters relating to their respective areas of audit without the presence of the MD & CEO, CFO and others representing the Management.

The Terms of Reference of the Committee *inter alia* include:

A. General

- i. Develop, with the appropriate assistance from the statutory auditors, the internal auditors and management, an annual audit plan, internal audit plan and other plans/ matters to be reviewed as part of the responsibilities of the Committee;
- ii. Perform such other role as mandated to the Committee by the Board of Directors and under the applicable rules/ regulations/ laws.

B. Financial Reporting and Financial Reporting Processes

- i. Oversight of the Company's financial reporting process and the disclosure of financial statements/ results and information submitted to the stock exchanges, regulatory authorities or the

shareholders to ensure that the financial statement reflect a true and fair view correct and the same time sufficient and credible;

- ii. Review with management the annual financial statements and auditor's report thereon before submission to the Board for approval, with particular reference to:
 - a) Matters required to be included in the Director's Responsibility Statement to be included in the Board's Report in terms of Clause (c) of sub-section 3 of Section 134 of the Act;
 - b) Changes, if any, in the accounting policies and reasons for the same;
 - c) Major accounting entries involving estimates based on the exercise of the judgement by the management;
 - d) Significant adjustments, if any, made in the financial statements arising out of audit findings;
 - e) Compliance with listing and other legal requirements concerning financial statement;
 - f) Disclosure in financial statements including related party transactions;
 - g) Qualification/ modified opinion, if any, in draft audit report.
- iii. Review accounting adjustments, if any, that are noted or proposed by the statutory auditors but were 'passed' (as immaterial or otherwise);
- iv. Scrutiny of inter-corporate loans and investments;
- v. Valuation of undertakings or assets of the Company, wherever it is necessary;
- vi. Monitoring the end use of funds raised through public offers and related matters;
- vii. Review with the management the quarterly financial statements before submission to the Board for approval;
- viii. Review of the Management Discussion & Analysis of financial and result of operations;
- ix. Consider and discuss with the statutory auditors its judgements about the quality and appropriateness of the Company's accounting principles as applied in its financial reporting with reference to Generally Accepted Accounting Principles in India;
- x. Review financial statements including details of significant transactions/ investments by the subsidiaries.

C. Risk Management, Internal Control and Governance Processes

- i. Review and discuss with Management the adequacy of the Company's system of business risk assessment including the risk of fraud. Discuss the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures;
- ii. Review and discuss with the statutory auditors, the internal auditors and management the adequacy and effectiveness of the Company's system of internal controls;
- iii. Review any material defalcations or acts of fraud/ misconduct as reported by the Risk Management Committee.

D. Statutory Audit

- i. Recommend to the Board the appointment, re-appointment, terms of reference and, if required the replacement or removal of the Statutory Auditors, Cost Auditors and Secretarial Auditors considering their independence and effectiveness and also recommend the audit fees;
- ii. Give approval of all auditing and permissible non-auditing services (services other than those services which cannot be rendered by the Statutory Auditors as per Section 144 of the Act) to be rendered by the Statutory Auditors and determining the remuneration for all such services;
- iii. Annually review and discuss with the Statutory Auditors all significant relationships that they have with the Company or any of its related parties to determine the auditors' independence;
- iv. Review the performance of the Statutory Auditors;
- v. Review and discuss the nature and scope of the Statutory Auditors' annual audit as well as post-audit discussion with the Auditors to ascertain any area of concern;
- vi. Mandatory review of Management Letters/letters of internal control weaknesses and any significant findings and recommendations issued by the Statutory Auditors together with Management's response thereto;
- vii. Following completion of the annual audit, review and discuss with the Statutory Auditors any significant difficulties encountered during the course of the audit, including any restrictions on the scope of work or access to required information;
- viii. Meet at least once every six (6) months, separately with the external auditors to discuss any matters that the Committee or the external auditors believe should be discussed separately;

- ix. Review the annual Cost Audit report submitted by the Cost Auditors.

E. Internal Audit

- i. Review the Internal Audit scope and recommend changes, if any;
- ii. To approve appointment, removal and terms of remuneration of Chief Internal Auditor;
- iii. Review with the Management the performance of the internal auditors and adequacy of the internal controls;
- iv. Consider and approve, in consultation with the Statutory Auditors and the Head of Internal Audit, the annual scope and plan of the Company's Internal Audit and any significant changes thereto;
- v. Review the adequacy of the Internal Audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;
- vi. Review with the Internal Auditor and the Statutory Auditors the co-ordination of audit efforts to assure adequacy of coverage, reduction of redundant efforts and the effective use of audit resources;
- vii. Review internal audit reports relating to internal control weaknesses;
- viii. Review any significant findings and recommendations of Internal Audit, together with Management's responses thereto;
- ix. Review the findings of any internal investigations by the Internal Auditors into matters where there is suspected fraud or irregularity or a failure of an internal control system of a material nature and reporting the matters to the Board;
- x. Review with the Internal Auditors any significant difficulties encountered during the course of the audit, including any restrictions on the scope of work or access to required information;
- xi. Meet at least once every six (6) months, separately with the Chief Internal Auditor to discuss any matters that the Committee or the Chief Internal Auditor believes should be discussed separately.

F. Other Responsibilities

- i. (a) Approval of Related Party Transactions ('RPTs') or subsequent modifications thereto. Such approval can be in the form of omnibus approval of RPTs subject to conditions specified in Regulation 23 of the SEBI Listing Regulations;
- (b) Review of RPTs on a quarterly basis;

- ii. Review of internal control systems, policies and procedures under the SEBI (Prohibition of Insider Trading) Regulations, 2015 as amended from time to time;
- iii. Review of key new developments in Tax, Incentive and Legal matters;
- iv. Perform other activities as required by law or determined by the Board;
- v. Approval of appointment of CFO after assessing his qualification, experience & background etc.;
- vi. Reviewing, with the management, the statement of uses/ application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilised for purposes other than those stated in the offer document/ prospectus/ notice and the report submitted by the monitoring agency monitoring the utilisation of proceeds of a public or rights issue and making appropriate recommendations to the board to take up steps in this matter;
- vii. To look into the reasons for substantial defaults in the payment to the depositors, debenture holders, shareholders (in case of non-payment of declared dividends) and creditors;
- viii. Institute and oversee special investigations as needed;
- ix. Periodically report to the Board or Committee of the Board *inter alia* all significant matters that have come to the knowledge of the Committee, covering internal controls, financial statements, policies and statutory/ regulatory compliances;
- x. Confirm annually that all responsibilities outlined in this Charter have been carried out by the Committee;
- xi. Self-evaluation of the Committee's performance once every year.

G. Vigil Mechanism

To oversee and review the Vigil Mechanism/ whistle-blower function established by the Company to report the genuine concerns against the suspected or confirmed fraudulent activities, allegations of corruption, violation of the Company's Code of Conduct.

The Company will provide adequate safeguards against victimisation of persons who use this mechanism. Such persons shall have direct access to the Chairman of the Audit Committee when appropriate.

The composition of the Audit Committee as on December 31, 2021 and details of the member's participation at the meetings of the Committee are as under:

Mr Sunil Mehta, Chairman of the Committee was present at the Annual General Meeting held on April 7, 2021 to address the shareholders' queries.

Mr Rajiv Choubey, Chief Legal Officer and Company Secretary, functions as the compliance officer. He has also been appointed as the nodal officer in line with statutory requirements.

During the year, Twenty-four (24) complaints were received from shareholders relating to transfers/ transmission of shares, issue of duplicate share certificates and related matters. These complaints were attended within a period of thirty (30) days from the date of receipt by the Company as on December 31, 2021 which now stands resolved as on the date of this Report.

Analysis of Complaints received and resolved during the year ended December 31, 2021 and previous years:

Details of Complaints received and resolved

NOMINATION & REMUNERATION COMMITTEE ('N&RC')

The N&RC of the Board is constituted in compliance with the requirements of Section 178 of the Act and Regulation 19 of the SEBI Listing Regulations. The N&RC is governed by a Charter in line with the Act and the SEBI Listing Regulations. The Chairman of the Committee is an Independent Director and two-third (2/3rd) of the Members of the Committee are Independent Directors. The Chairman of the Board is a Member of the Committee but does not chair the Committee.

The terms of reference of the Committee *inter alia*, include the following:

- Identify persons who are qualified to become Directors in accordance with the criteria laid down, recommend to the Board their appointment and removal;
- Formulate criteria for determining qualifications, attributes and Independence of a Director;
- Devising a policy on Board Diversity;
- Review the Succession Policy of the Company under the overall guidance of the Board of Directors and succession policy of the Company;
- Formulate the criteria for evaluating the performance of the Board of Directors;
- Formulate a policy relating to the remuneration for the Directors, Key Managerial Personnel ('KMP') and Senior Management employees;
- Identifying individuals for appointment as KMP and other Senior Management positions, recommend to the Board their appointment and removal. The Committee may consider any recommendations made by the Board and/ or parent company in this regard;
- Specify the manner for effective evaluation of performance of Board, its Committees, individual Directors and review its implementation and compliance;
- Review the performance evaluation of the Directors, KMP and Senior Management Employees;
- Administration of the Employee Stock Option Schemes (ESOS), if any.

The composition of the N&RC as on December 31, 2021 and details of the Members participation at the meetings of the Committee are as under:

Name of the Director	Category	Attendance at the N&R Committee meetings held on

Mr Shailesh Haribhakti, Chairman of the Committee was present at the Annual General Meeting held on April 7, 2021 to address the shareholders' queries. Mr S K Roongta and Mr Sunil Mehta, Independent Directors, have been appointed as the members of the N&RC w.e.f. January 1, 2022, in line with the amended provisions of SEBI Listing regulations.

CORPORATE SOCIAL RESPONSIBILITY ('CSR') COMMITTEE

The Company has always been conscious of its obligations *vis-à-vis* the communities it impacts and has been pursuing various CSR activities long before these were mandated by law. The CSR Committee was set up by the Board of Directors on February 7, 2013 to assist the Board in fulfilling its corporate social responsibility and to strive for overall sustainable development in the conduct of the Company's business. The Committee was renamed as the Corporate Social Responsibility & Sustainability Committee with effect from October 15, 2019 in accordance with the approval of the Board of Directors.

However, considering the fact that Environment, Social and Governance (ESG) aspect requires special attention and focus the CSR & Sustainability Committee was split into two (2) separate Committees i.e. CSR Committee and Sustainability Committee by the Board of Directors of the Company with effect from January 1, 2022.

Committee is constituted in line with the provisions of Section 135 of the Act.

The terms of reference of the CSR Committee broadly includes the following:

- To review from time to time the CSR policy of the Company and to ensure that the CSR policy is in line with Schedule VII of the Companies Act, 2013 as amended from time to time;
- To review CSR projects with a view to ensure that they are in line with CSR objectives and CSR Policy of the Company;
- To ensure that the Company's overall business strategy reflects its long-term objectives on corporate social responsibility;
- To consider and advise the Board and the Management on various CSR projects to be implemented by the Company either directly or through the "ACC TRUST" of which the Company is the Settlor, established for this purpose in furtherance of its social obligations;
- To review the annual CSR budget and recommend to the Board the amount of expenditure to be incurred on various

Report on Corporate Governance

CSR programmes/ activities either directly or through the “ACC TRUST” or any other trusts;

- To oversee impact assessment of CSR projects of the Company;
- To advise the Board on significant stakeholder concerns relating to CSR;
- To review and recommend to the Board for its approval any other reporting on CSR;

- Such other related matters which the Committee may deem appropriate, required by law or assigned to the Committee by the Board of Directors from time to time.

The Committee's scope will encompass Company policies and performance related to CSR as described above. The Committee shall review the Company's objectives, plans and performance and recommend actions, as necessary, to ensure continuous performance improvement and alignment with the expectations of stakeholders (both internal and external).

The composition of the CSR Committee as on December 31, 2021 and details of the members' participation at the meetings of the Committee are as under:

Name of the Director	Category	Attendance at the CSR & Sustainability Committee meetings held on		
		March 26, 2021	August 6, 2021	December 14, 2021

Ms Falguni Nayar	Non-Executive/ Independent	✓	✓	LOA
Mr Neeraj Akhoury	Non-Executive/ Non-Independent	✓	✓	✓
Mr Sridhar Balakrishnan	Executive/ Non-Independent	✓	✓	✓

LOA – Leave of Absence

Mr Shailesh Haribhakti, Chairman of the Committee was present at the Annual General Meeting held on April 7, 2021 to address the shareholders' queries.

The Company's CSR Policy is comprehensive and is in alignment with the requirements of the Act and the United Nations Sustainable Development Goals. The Policy can be accessed at the Company's website at https://acclimited.com/assets/new/new_pdf/CSR-Policy.pdf and the CSR Report forms an integral part of the Board's Report.

RISK MANAGEMENT COMMITTEE ('RMC')

The Company has constituted the above Committee in line with the SEBI Listing Regulations as it is in the list of top 1,000 Companies in the country based on its market capitalisation for the immediately preceding financial year.

The RMC was constituted by the Board of Directors in the year 2014. The Members of the Committee are drawn from the Members of the Board. The majority of the Committee members include Independent Directors.

Business Risk Evaluation and Management is an on-going process within the Company. The Company has a dynamic risk management framework to identify, monitor, mitigate and minimise risks as also to identify business opportunities.

The Committee is governed by a charter and its terms of reference comprises the following:

- Developing Risk Management Policy and Risk Management system framework for the Company;
- Overseeing key risks including identification, assessment, monitoring, and mitigation and reporting of various risks including strategic, financial, operation and compliance risks;
- To ensure that appropriate methodology, processes and systems are in place to monitor and evaluate risks associated with the business of the Company;
- To monitor and oversee implementation of the risk management policy, including evaluating the adequacy of risk management systems;
- Assist the Board in framing, implementing and monitoring the Risk Management Plan for the Company and reviewing and guiding the Risk Policy;
- The Committee shall review the adequacy of Risk Management Process applied by the management;
- The role and responsibilities of the Committee shall include such other items as may be applicable under the relevant Regulations and/or included within the scope by the Board.

The composition of the RMC as on December 31, 2021 and details of the Members participation at the Meetings of the Committee are as under:

Name of the Director	Category	Attendance at the Risk Management Committee meetings held on	
		July 16, 2021	December 14, 2021

Ms Falguni Nayar, Chairperson of the Committee was present at the Annual General Meeting held on April 7, 2021 to address the shareholders' queries. Mr D Sundaram, Independent Director, has been appointed as a member of the Risk Management Committee w.e.f. January 1, 2022.

COMPLIANCE COMMITTEE

Recognising the importance of the Company to be compliant with various laws and regulations which impacts its business, the Board of Directors constituted the Compliance Committee in 2008. The Compliance Committee plays an important role in building a regime of 'zero tolerance' to any form of non-compliance, which is a pre-requisite for a robust governance mechanism.

The terms of reference of the Committee broadly comprises:

- reviewing the legal environment in which the Company operates with a view to understand the implications of major legislative and regulatory developments and their interpretation by the courts of law that may significantly affect the interests of the Company;
- reviewing compliance with the provisions of Competition Law and to provide guidance in regard to the development of the laws in India and abroad;
- reviewing compliance with all applicable statutes, rules and regulations based on reports received from the MD & CEO, ExCo members and the Chief Legal Officer & Company Secretary and to recommend corrective actions, if any, where required;
- reviewing significant legal cases filed by and against the Company to determine *inter alia*, the probability of liabilities arising therefrom which are of a contingent nature.

The composition of the Compliance Committee as on December 31, 2021 and details of the Members participation at the Meetings of the Committee are as under:

Name of the Director	Category	Attendance at the Compliance Committee meetings held on			
		February 10, 2021	April 16, 2021	July 16, 2021	October 18, 2021

Mr Shailesh Haribhakti	Non-Executive/ Independent	✓	✓	✓	✓
Mr D Sundaram	Non-Executive/ Independent	✓	✓	✓	✓
Mr Sridhar Balakrishnan	Executive/ Non-Independent	✓	✓	✓	✓

Mr S K Roongta, Chairman of the Committee was present at the Annual General Meeting held on April 7, 2021 to address the shareholders' queries.

SUBSIDIARY COMPANIES

The Company does not have any 'material subsidiary' as defined in the SEBI Listing Regulations.

Accordingly, the requirement of appointing an Independent Director of the Company on the Board of Directors of the material unlisted subsidiary company as Regulation 24 of the SEBI Listing Regulations does not apply.

Details of all significant transactions and arrangements entered into by the unlisted subsidiary companies, if any is placed before the Board for review. Copies of Minutes of the Board and Committee Meeting(s) of the Subsidiary Companies are placed at the Board Meeting of the Company.

The Audited Annual Financial Statements and the Unaudited Quarterly Financial Results, along with the Auditors Limited Review thereon of Subsidiary Companies are presented at the

meetings of the Audit Committee and Board of Directors of the Company for an overview prior to their consolidation with the Parent Company.

The Company does not have a material subsidiary and the requirement of secretarial audit as specified in Regulation 24A of the SEBI Listing Regulations is not applicable. However, pursuant to the requirements of Section 204 of the Act, its subsidiary, ACC Mineral Resources Limited is subjected to a Secretarial Audit. Secretarial Audit was conducted for the year ended December 31, 2021 and no adverse remarks have been made by the Secretarial Auditors in their Report.

The Company's policy on material subsidiary is available on the Company's website and can be assessed through the weblink at <https://www.acclimited.com/assets/new/pdf/CG/Policy-for-determining-material-subsiidiary.pdf>

The policy on related party transactions has been placed on the Company's website and can be accessed at <https://acclimited.com/assets/new/pdf/CG/Related-Party-Transactions-Policy-20210824.pdf> In line with the amended SEBI Listing Regulations, the policy has been amended suitably.

There are no materially significant transactions with the related parties that had potential conflict with the interest of the Company. Where any material related party transaction is proposed, approval of the shareholders is obtained. No related party whether or not it is a party to the particular transaction or not is allowed to vote to approve the transaction in line with the SEBI Listing Regulations.

NON-COMPLIANCES/ STRICTURES AND PENALTIES IMPOSED

There has been no instance of non-compliance by the Company on any matter related to capital markets and no strictures or penalties have been imposed on the Company by the Stock Exchanges or by the SEBI or by any statutory authority on any matters related to capital markets during the last three (3) years.

VIGIL MECHANISM/ WHISTLE-BLOWER POLICY

The Company is committed to the high standards of corporate governance and stakeholder responsibility.

The Company has an 'EthicalView Reporting' ('EVR') Policy to deal with instances of fraud and mismanagement, if any. The EVR Policy ensures that strict confidentiality is maintained whilst dealing with concerns and ensures that no discrimination is meted out to any person for a genuinely raised concern. Pursuant thereto, a dedicated helpline 'ACC Ethics Helpline' has been set-up, which is managed by an independent professional organisation. The Ethics Helpline

Indian Accounting Standards (Ind AS)

The Company has prepared its Standalone and Consolidated Financial Statements in accordance with Indian Accounting Standards as notified under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act.

can be contacted to report on any suspected or confirmed incident of fraud/misconduct on:

- E-mail: acc@ethicalview.com
- Online reporting on <https://integrity.lafargeholcim.com/>
- National Toll-free Number: 18002092008
- Fax Number: +91 (22) 66459575
- Address: P.O. Box No. 137, Pune – 411 001

EthicalView Committee consisting of Senior Employees headed by Chief Legal Officer & Company Secretary has been constituted which investigates the complaints raised and recommends appropriate action where necessary. The Committee reports to the Audit Committee which in turn apprises the Board on such matters as necessary. No personnel have been denied access to the Audit Committee.

The scope of vigil mechanism has been extended during the year to enable reporting if any, on leakage of Unpublished Price Sensitive Information relating to the Company.

The EthicalView Reporting Policy is available on the Company's website and can be accessed on weblink at <https://www.acclimited.com/assets/new/pdf/ethicalview-reporting-policy.pdf>

Compliance with non-mandatory provisions

The status with regard to compliance by the Company with discretionary requirements as listed out in Part E of Schedule II of the SEBI Listing Regulations is as under:

- The Chairman's office is separate from that of the MD & CEO and that Company has not reimbursed the expenses incurred by him in performance of his duties
- The audit report of the Company's Financial Statements for the year ended December 31, 2021 is unmodified
- The Chief Internal Auditor reports directly to the Audit Committee
- The Company follows a robust process of communicating with the shareholders which has been elaborated in the Report under the Heading 'Means of Communication'

CREDIT RATING

The Company has not issued any debt instruments which necessitates any credit rating. However, CRISIL has rated the Company as CRISIL AAA/Stable for Fund-based Working Capital Facilities and CRISIL A1+ for Non-fund based Working Capital Facilities. The same can be accessed at www.acclimited.com/investor-relations/credit-rating

LEGAL COMPLIANCE MANAGEMENT TOOL

The Company has in place an on-line legal compliance management tool, which has been devised to ensure compliance with all applicable laws that impact the Company's business. The tool is intended to provide an assurance to the Board on legal compliances as ensured by the Company. The application of the tool has been extended to cover all plant locations, RMX facilities, sales and corporate offices.

The Compliance Committee is informed about the progress and the status of legal compliances through this tool.

CONFIRMATION BY THE BOARD OF DIRECTORS' ACCEPTANCE OF RECOMMENDATION OF MANDATORY/ NON-MANDATORY COMMITTEES

The Board of Directors have confirmed that during the year, it has accepted the recommendations received from its mandatory/ non-mandatory Committees. None of the recommendations made by any of the Committees has been rejected by the Board.

CODE OF BUSINESS CONDUCT

The Board of Directors has approved a Code of Business Conduct ('Code'), which is applicable to the members of the Board and to all employees. The Company follows a policy of 'Zero Tolerance' to bribery and corruption in any form and the Board has laid down the Anti-Bribery & Corruption Directive, which forms an Appendix to the above Code. The code has been posted on the Company's website at www.acclimited.com/assets/new/pdf/ACC-Code-of-Conduct-Final-signed-18-04-2017.pdf

The Code lays down the standard of conduct which is expected to be followed by the Directors and by the employees in their business dealings and in particular on matters relating to integrity of the workplace, in business practices and in dealing with stakeholders. The Code gives guidance through examples on the expected behaviour from an employee in a given situation and the reporting structure.

All the Board Members and the Senior Management Personnel have confirmed compliance with the Code. All Management staff are required to complete an e-learning module on the above subject, in addition to the undergoing training conducted by the compliance team of the Company from time to time.

FAIR COMPETITION DIRECTIVE PROGRAMME

Fair Competition Directive Programme which was earlier known as Value Creation in Competitive Environment (VCCE) was introduced in the Company as early as 2008 and the Company has been carrying out training sessions for creating awareness among relevant employees on fair competitive practices.

Under these programmes, training sessions are conducted on an annual basis for the concerned employees of the Company, particularly those in sales and purchase functions, on various aspects of competition law and on behavioural aspects for ensuring fair competition in the marketplace. E-learning training is imparted to all such employees in addition to face-to-face training and a specific module on 'Do's and Don'ts' in a tender bidding process.

In addition to the above, the processes of the Company are subject to periodic reviews and where required, are being further strengthened.

PREVENTION OF INSIDER TRADING

Pursuant to the SEBI Listing Regulations, the Company has formulated the 'Code of Conduct for Prevention of Insider Trading' and the 'Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information' ('ACC Code'), which allows the formulation of a trading plan subject to certain conditions and requires pre-clearance for dealing in the Company's shares. It also prohibits the purchase or sale of the Company's shares by the Directors and their immediate relatives, designated persons and connected persons, while in possession of unpublished price sensitive information in relation to the Company and during the period(s) when the Trading Window to deal in the Company's shares is closed. The codes have been revised in line with the amendments to the SEBI Prohibition of Insider Trading Regulations, as amended from time to time.

Pursuant to the above, the Company has put in place adequate and effective system of internal controls to ensure compliance with the requirements of the Prohibition of Insider Trading Regulations.

A structured digital database is being maintained by the Company, which contains the names and other particulars as prescribed of the persons covered under the Codes drawn up pursuant to the Prohibition of Insider Trading Regulations.

The Board of Directors have also formulated a Policy for determination of 'legitimate purposes' as a part of the Code of Fair Disclosure and Conduct as per the requirements of the Prohibition of Insider Trading Regulations.

The Chief Legal Officer & Company Secretary has been appointed as the Compliance Officer for ensuring implementation of the codes for fair disclosure and conduct.

The Board of Directors, designated persons and other connected persons have affirmed compliance with the ACC Code.

The Company's Whistle-Blower Policy (Vigil Mechanism) has also been amended to make employees aware of the existence of policies and procedures for inquiry in case of leakage of Unpublished Price Sensitive Information to enable them to report on leakages, if any, of such information.

CERTIFICATION FROM COMPANY SECRETARY IN PRACTICE

Mr Umashankar Hegde of U. Hegde & Associates, Company Secretaries, has issued a certificate as required under the SEBI Listing Regulations, confirming that none of the Directors on the Board of the Company have been debarred or disqualified from being appointed or continuing as Director of companies by the SEBI/Ministry of Corporate Affairs or any such statutory Authority. The certificate is enclosed with this section as

Annexure 1.

MEANS OF COMMUNICATION

The Company follows a robust process of communicating with its stakeholders and investors. For this purpose, it provides multiple channels of communications through dissemination of information on the on-line portal of the Stock Exchanges, Press Releases, the Annual Reports and by placing relevant information on its website.

The unaudited quarterly results (both standalone and consolidated) are announced within forty-five (45) days of the close of the quarter. The audited annual results are announced within sixty (60) days from the close of the financial year, as required under the SEBI Listing Regulations. The aforesaid financial results are disseminated to the Stock Exchanges within thirty (30) minutes from the close of the Board meetings at which these are considered and approved. The results are published in leading English daily newspapers having nation-wide circulation and the Marathi translation of the same is published in leading Marathi daily newspapers.

The audited financial statements form a part of the Annual Report, which is sent to the members within the statutory period and in advance of the Annual General Meeting.

The Annual Report of the Company, the quarterly/ half-yearly and the annual audited financial statements and the press releases of the Company are also placed on the Company's website at <https://www.acclimited.com/> and can be downloaded.

The presentations on the performance of the Company are placed on the Company's website for the benefit of the institutional investors, analysts and other shareholders immediately after the financial results are communicated to the Stock Exchanges.

The Company discloses to the Stock Exchanges, information required to be disclosed under Regulation 30 read with Part A of Schedule III of the SEBI Listing Regulations, including material information which have a bearing on the performance/ operations of the Company or which is price sensitive in nature. All information is filed electronically on BSE Limited's (BSE) on-line portal, BSE Listing Centre (Listing Centre) and on NSE Electronic Application Processing System (NEAPS), the on-line portal of The National Stock Exchange of India Limited (NSE).

The Board of Directors has approved a policy for determining materiality of events for the purpose of making disclosure to the stock exchanges. An internal management Committee comprising the MD & CEO, the CFO and the Chief Legal Officer & Company Secretary has been constituted and empowered to decide on the materiality of information for the purpose of making disclosures to the stock exchanges. The policy for determining materiality of events has been placed on the Company's website and can be accessed at https://www.acclimited.com/assets/new/new_pdf/Policy-for-Dissemination-of-Information-and-Determining-Information-Events-for-reporting-to-the-Stock-Exchanges.pdf

Disclosures made to the Stock Exchanges are also made available on the Company's website under the heading 'Announcements' and can be accessed through weblink at <https://www.acclimited.com/>

Facility has been provided by SEBI for investors to place their complaints/ grievances on a centralised web-based complaints redress system viz. SEBI Complaints Redress System (SCORES). The salient features of this system are centralised database of all complaints, online upload of Action Taken Reports (ATRs) by the concerned companies and online viewing by investors of actions taken on the complaints and their current status.

A separate dedicated section under 'Corporate Governance' on the Company's website gives information on unclaimed dividends and details of shares transferred to Investor Education & Protection Fund Authority, Ministry of Corporate Affairs.

Quarterly Compliance Reports and other relevant information of interest to the Investors are also placed under the Corporate Governance Section on the Company's website.

The Company also uploads on the BSE Listing Centre and on NSE's NEAPS portal, details of analysts and institutional investor meetings, which are either held by the Company or in which the Company participates.

Reminders to shareholders are sent for enabling them to claim returned undelivered share certificates, unclaimed dividend, among others.

Communication to Members

The Company has sent individual letters to all the Members holding shares of the Company in physical form for furnishing their PAN, KYC details and Nomination pursuant to the SEBI Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated November 3, 2021. The aforesaid communication is also intimated to the stock exchanges and

available on the website of the Company. Attention of the Members holding shares of the Company in physical form is invited to go through the said important communication under the web link at <https://acclimited.com/newsite/pdf/Communication-to-the-Shareholders-holding-shares-in-Physical-Form.pdf>

Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the Listed Companies to issue securities in demat form only while processing service requests viz. Issue of duplicate securities certificate, claim from Unclaimed Suspense Account; Renewal/ Exchange of securities certificate; Endorsement; Sub-division/ Splitting of securities certificate; Consolidation of securities certificates/folios; Transmission and Transposition. Accordingly, Shareholders are requested to make service requests by submitting a duly filled and signed Form ISR – 4, the format of which is available on the Company's website under the link at https://acclimited.com/assets/new/pdf/IEPF_Dividend/Form-ISR-4.pdf

Members holding equity shares of the Company in physical form are requested to kindly get their equity shares converted into demat/ electronic form to get inherent benefits of dematerialisation and also considering that physical transfer of equity shares/ issuance of equity shares in physical form have been disallowed by SEBI.

SMS reach outs

During the financial year under review, the Company partnered with NSDL for reaching out to its Shareholders through SMS, to register for e-communications by updating their e-mail Ids directly with the depositories through a secured one-time password based facility.

Plant locations

The locations of the Company's plants are given on page 7 of the Integrated Report. The details of the plants, along with their addresses and telephone numbers are also available on the Company's website.

ACC Share Price on NSE and CNX Nifty Trend (Base Price basis)**SHARE TRANSFER SYSTEM/ DIVIDEND AND OTHER RELATED MATTERS****Nomination facility for shareholding**

As per the provisions of Section 72 of the Act, facility for making nomination is available for the members in respect of shares held by them. Members holding shares in physical form may obtain a nomination form (Form SH-13), from the Company's RTA or download the same from the Company's website through the weblink at https://acclimited.com/assets/new/pdf/IEPF_Dividend/Form-SH13-Nomination-Form.pdf

Members holding shares in dematerialised form should contact their Depository Participants (DP) in this regard.

Permanent Account Number

Members who hold shares in physical form are advised that SEBI has made it mandatory for all holders and claimants of physical securities to furnish PAN vide Circular SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated November 3, 2021.

Subdivision of shares

The Company subdivided the face value of its equity shares from ₹100 to ₹10 in 1999. Shares having the face value of ₹100 are no longer traded on the stock exchanges. The members still holding share certificates of ₹100 are requested to contact the RTA for obtaining subdivided shares.

Dividend**Payment of dividend through Automated Clearing House (ACH)**

The Company provides the facility for direct credit of the dividend to the Members' Bank Account. The SEBI Listing Regulations also mandate companies to credit the dividend to the members electronically. Members are therefore urged to avail of this facility to ensure safe and speedy credit of their dividend into their bank account through the banks' ACH mode.

Members who hold shares in demat mode should inform their depository participant, whereas members holding shares in physical form should inform the Company of the core banking account details allotted to them by their bankers. In cases where the core banking account details are not available, the Company will issue the demand drafts mentioning the existing bank details available with the Company.

Unclaimed dividends

The Company is required to transfer dividends, which have remained unpaid/ unclaimed for a period of seven (7) years from the date the dividend is due for payment to the Investor Education & Protection Fund ('IEPF') established by the Government. Accordingly, during the financial year 2022, unclaimed dividends pertaining to the following periods will be transferred to IEPF:

- 77th final dividend for the year ended December 31, 2014
- 78th interim dividend for the year ended December 31, 2015

Before transferring the unclaimed dividends to IEPF, individual letters are sent to those members whose unclaimed dividends are due for transfer to enable them to claim the dividends before the due date for such transfer. The information on unclaimed dividend is also posted on the Company's website at www.acclimited.com

The dates by which the dividend amounts will be transferred to IEPF are as under:

Financial Year	Date of Declaration	Rate of Dividend per share (₹)	Date for transfer to IEPF
December 31, 2014 (77 th Final)	March 20, 2015	19.00	May 24, 2022
December 31, 2015 (78 th Interim)	July 17, 2015	11.00	September 20, 2022
December 31, 2015 (78 th Final)	April 13, 2016	06.00	June 17, 2023
December 31, 2016 (79 th Interim)	July 26, 2016	11.00	September 29, 2023
December 31, 2016 (79 th Final)	March 29, 2017	06.00	June 2, 2024
December 31, 2017 (80 th Interim)	July 17, 2017	11.00	September 21, 2024
December 31, 2017 (80 th Final)	June 13, 2018	15.00	August 18, 2025
December 31, 2018 (81 st Final)	March 22, 2019	14.00	May 27, 2026
December 31, 2019 (82 nd Interim)	May 12, 2020	14.00	July 17, 2027
December 31, 2020 (83 rd Final)	April 7, 2021	14.00	June 13, 2028

Transfer of shares into IEPF (in cases where dividend has not been paid or claimed for seven consecutive years or more)

In terms of Section 124(6) of the Act read with IEPF Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 as amended, and Notifications issued by the Ministry of Corporate Affairs from time to time, the Company is

required to transfer the shares in respect of which dividends have remained unpaid/ unclaimed for a period of seven (7) consecutive years or more to the IEPF Account established by the Central Government. As required under the said Rules, during the year the Company has transferred 99,943 and 32,049 shares on July 3, 2021 and October 7, 2021 respectively to the IEPF.

Guidelines for Investors to file claim in respect of the unclaimed dividend or shares transferred to the IEPF

Investors/ depositors whose unpaid dividends, matured deposits or debentures etc. have been transferred to IEPF under Companies Act, 1956 and/ or the Act, can claim the amounts. In addition, claims can also be made in respect of shares which have been transferred into the IEPF, as per the procedures/ guidelines stated as follows:

1

Login to website of MCA at <https://www.mca.gov.in/content/mca/global/en/home.html> and click on 'Investor Relations' tab under 'MCA Services' section for filing the web-based form IEPF-5 for the refund of dividend/ shares. Read the instructions provided on the website/ instruction kit carefully before filling the form.

2

Submit the duly filled form by following the instructions given on the website. On successful uploading, an acknowledgement will be generated indicating the SRN. Please note down the SRN details for future tracking of the form.

3

Take a print out of the duly filled Form No. IEPF-5 and the acknowledgement issued after uploading the form.

4

Submit an indemnity bond in original, copy of the acknowledgement and self-attested copy of the Form, along with other documents as mentioned in the Form No. IEPF-5 to the Nodal Officer (IEPF) of the Company at its Registered Office in an envelope marked 'Claim for refund from IEPF Authority/ Claim for shares from IEPF' as the case may be. Kindly note that submission of documents to the Company is necessary to initiate the refund process.

5

Form IEPF-5 completed in all respects will be verified by the Company and on the basis of Company's Verification Report, refund will be released by the IEPF Authority in favour of claimants' Aadhaar-linked bank account through electronic transfer and/ or the shares shall be credited to the demat account of the claimant, as the case may be.

The Nodal Officer of the Company for IEPF Refunds Process is Mr Rajiv Choubey, Chief Legal Officer & Company Secretary and the Deputy Nodal Officer is Ms Pooja Bhanushali whose e-mail id is HSSA-CompanySecretarial-Team@acclimited.com

Dealing with securities which have remained unclaimed

Regulation 39(4) of the SEBI Listing Regulations read with Schedule VI 'Manner of dealing with Unclaimed Shares', had directed Companies to dematerialise such shares, which have been returned as 'undelivered' by the postal authorities and hold these shares in an 'Unclaimed Suspense Account' to

be opened with either one of the Depositories viz. National Securities Depository Limited ('NSDL') or Central Depository Services (India) Limited ('CDSL').

All corporate benefits on such shares viz. bonus, etc. shall be credited to the unclaimed suspense account as applicable for a period of seven (7) years and thereafter it will be transferred to IEPF in accordance with the provisions of IEPF Authority (Accounting, Audit, Transfer, and Refund) Rules, 2016 (IEPF Rules) read with Section 124(6) of the Act.

UNCLAIMED SUSPENSE ACCOUNT

The details of operations of the demat 'Unclaimed Suspense Account' of ACC Limited during the year are as under:

Particulars	Number of shareholders	Number of shares
Aggregate number of shareholders and outstanding shares held in the Unclaimed Suspense Account as on January 1, 2021	519	63,315
Number of shareholders/ legal heirs to whom the shares were transferred from the Unclaimed Suspense account upon receipt and verification of necessary documents	1	80
Number of shareholders whose shares were transferred from the Unclaimed Suspense Account to IEPF authority MCA Demat Suspense Account	86	6,869
Aggregate number of shareholders and outstanding shares in the Unclaimed Suspense Account as on December 31, 2021	432	*56,366

*Voting Rights in respect of the aforesaid 56,366 shares held in the Unclaimed Suspense Account are frozen till the time such shares are claimed by the concerned shareholders and the shares are re-transferred in their names.

Pending investors' grievances

Any Member whose grievance has not been resolved satisfactorily by the RTA, may kindly write to the Chief Legal Officer & Company Secretary at the Registered Office with a copy of the earlier correspondence, if any or through e-mail ID of the Company at ACC-InvestorSupport@acclimited.com

Reconciliation of share capital audit

As required by the SEBI Listing Regulations, quarterly audit of the Company's share capital is being carried out by an independent external auditor with a view to reconcile the total share capital admitted with NSDL and CDSL and held in physical form, with the issued and listed capital. The Auditor's Certificate in regard to the same is submitted to BSE Limited and the NSE and is also placed before the SRC and Board of Directors.

Managing Director & Chief Executive Officer and Chief Financial Officer Certification

We the undersigned, in our respective capacities as Managing Director and Chief Executive Officer and Chief Financial Officer of ACC Limited ("**the Company**") to the best of our knowledge and belief certify that:

- a) We have reviewed Financial Statements and Cash Flow Statement for the year ended **December 31, 2021** and based on our knowledge and belief, we state that:
 - i. these statements do not contain any materially untrue statement or omit any material fact or contain any statements that might be misleading;
 - ii. these statements together present a true and fair view of the Company's affairs and are in compliance with existing Accounting Standards, applicable laws and regulations.
- b) We further state that to the best of our knowledge and belief, there are no transactions entered into by the Company during the quarter, which are fraudulent, illegal or violative of the Company's Code of Business Conduct.
- c) We hereby declare that all the members of the Board of Directors and Executive Committee have confirmed compliance with the Code of Conduct as adopted by the Company.
- d) We are responsible for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting of the Company. We are not aware of deficiencies in the design or operation of such internal controls, and accordingly have not communicated any such matters to the Auditors and the Audit Committee.
- e) We have indicated, based in our most recent evaluation, to the Auditors and the Audit Committee:
 - (a) significant changes, if any in internal control over financial reporting during the year ended December 31, 2021;
 - (b) significant changes, if any in the accounting policies during the year and that the same has been disclosed in the notes to the financial statements;
 - (c) instances of significant fraud of which we have become aware and the involvement therein, if any of the Management or an employee having significant role in the Company's internal control system over the financial reporting.

Yours faithfully,

Sridhar Balakrishnan
Managing Director & CEO

ANNEXURE 1

CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS (pursuant to Regulation 34(3) and Schedule V Para C Clause (10)(i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

To,
The Members
ACC Limited
Cement House, 121,
Maharshi Karve Road, Mumbai – 400 020

I have examined the relevant registers, records, forms, returns and disclosures received from the Directors of **ACC Limited** having CIN **L26940MH1936PLC002515** and having registered office at Cement House, 121, Maharshi Karve Road, Mumbai – 400 020 (hereinafter referred to as 'the Company'), produced before me by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Sub-clause 10(i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended from to time).

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal at www.mca.gov.in) as considered necessary and explanations furnished to me by the Company & its Officers, I hereby certify that none of the Directors on the Board of the Company as stated below for the Financial Year ending on December 31, 2021 have been debarred or disqualified from being appointed or continuing as Directors of Companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs or any such other Statutory Authority.

Sr. No.	Name of the Director	DIN	Date of appointment in the Company
1.	Mr Narotam Satyanarayan Sekhsaria	00276351	27/12/1999
2.	Mr Sridhar Balakrishnan	08699523	20/02/2020
3.	Mr Jan Jenisch	07957196	17/10/2017
4.	Mr Neeraj Akhoury	07419090	16/12/2016
5.	Mr Martin Krieger	00077715	11/02/2016
6.	Mr Mangalam Ramasubramanian Kumar	03628755	19/10/2020
7.	Mr Shailesh Vishnubhai Haribhakti	00007347	17/02/2006
8.	Mr Sushil Kumar Roongta	00309302	03/02/2011
9.	Ms Falguni Sanjay Nayar	00003633	24/04/2014
10.	Mr Damodarannair Sundaram	00016304	22/03/2019
11.	Mr Vinayak Chatterjee	00008933	22/03/2019
12.	Mr Sunil Mehta	00065343	22/03/2019

Ensuring the eligibility for the appointment/ continuity of every Director on the Board is the responsibility of the management of the Company. My responsibility is to express an opinion on these based on my verification. This certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members of
ACC Limited

1. This certificate is issued in accordance with the terms of our engagement letter reference no. SN/2021-22/09A dated April 12, 2021.
2. We, Deloitte Haskins & Sells LLP, Chartered Accountants, the Statutory Auditors of ACC Limited ("the Company"), have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on December 31, 2021, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations).

MANAGEMENTS' RESPONSIBILITY

3. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in Listing Regulations.

AUDITOR'S RESPONSIBILITY

4. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
5. We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.
6. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the ICAI), the Standards on Auditing specified under Section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
7. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

OPINION

8. Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the Listing Regulations during the year ended December 31, 2021.
9. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Business Responsibility Report

SECTION A: GENERAL INFORMATION ABOUT THE COMPANY

1. **Corporate Identification Number (CIN)** : L26940MH1936PLC002515
2. **Name of the Company** : ACC Limited
3. **Registered address** : Cement House 121, Maharshi Karve Road, Mumbai – 400 020
4. **Website** : www.acclimited.com
5. **E-mail ID** : brr.info@acclimited.com
6. **Financial year reported** : January 1, 2021 to December 31, 2021

7. Sector(s) that the Company is engaged in (industrial activity code-wise)

Group	Class	Sub-class	Description
239	2394	23941 and 23942	Manufacture of clinker and cement

8. **List three key product/ services that the Company manufactures/ provides (as in balance sheet)**
The Company manufactures different varieties of cement viz., Ordinary Portland Cement (OPC), Portland Pozollana Cement (PPC), Portland Slag Cement (PSC) and Composite Cement and Ready Mix Concrete (RMX).
9. **Total number of locations where business activity is undertaken by the Company**
 - i. **Number of international locations** : Nil
 - ii. **Number of national locations** : 17 Cement Plants, 78 Ready Mixed Concrete Plants and 26 offices, including Registered Office, Regional Offices and Sales Office
10. **Markets served by the Company** : Across all markets in India

SECTION B: FINANCIAL DETAILS OF THE COMPANY (STANDALONE)

1. **Paid up capital (INR)** : ₹187.79 Crore
2. **Total turnover (INR)** : ₹15,814.40 Crore
3. **Total profit after taxes (INR)** : ₹1,820.27 Crore
4. **Total spending on Corporate Social Responsibility (CSR) as percentage of profit after tax (%)**
The Company's total spending on CSR is 2.03% of the average profit after taxes in the previous three (3) financial years.
5. **List of activities in which expenditure in 4 above has been incurred**

Sustainable Livelihood

 - a) **ACC DISHA**: for youth employability
 - b) **ACC Swavlamban**: focusing on women empowerment and livelihood
 - c) **ACC LEISA**: for farmer's livelihood – Low External Input for Sustainable Agriculture (LEISA)

Education

 - d) **ACC Vidya Utkarsh**: improving quality of education in government schools
 - e) **ACC Vidya Saarathi**: student scholarships

Water, Sanitation, Health & Hygiene (WASH)

 - f) **ACC Arogyam**: preventive, promotive and curative healthcare
 - g) **ACC Sampoorana Swachhata**: promoting personal hygiene, open defecation free environment and safe disposal of waste.

Conservation of Environment

h) **ACC Sanrakshit Paryavaran:** solar, biodiversity and soil & water conservation

Promoting Sports, Arts and Culture

i) **ACC Drona:** to promote rural sports and traditional Indian culture

SECTION C: OTHER DETAILS**1. Does the Company have any subsidiary company/ companies?**

The Company has four (4) subsidiaries:

- ACC Mineral Resources Limited
- Bulk Cement Corporation (India) Limited
- Lucky Minmat Limited
- Singhania Minerals Private Limited

2. Do the subsidiary company/ companies participate in the BR initiatives of the parent company, If yes, then indicate the number of such subsidiary company(s)?

Business Responsibility initiatives of the Parent Company have been adopted by Bulk Cement Corporation (India) Limited. While Singhania Minerals Private Limited is operational, the remaining two (2) subsidiaries are inoperative.

3. Do any other entity/ entities (e.g. suppliers, distributors etc.) that the Company does business with participate in the BR initiatives of the Company? If yes, then indicate the percentage of such entity/ entities? [Less than 30%, 30-60%, More than 60%]

Business associates of the Company have helped the Company in reaching people to continue relief work for people affected by COVID-19 pandemic.

SECTION D: BUSINESS RESPONSIBILITY INFORMATION**1. Details of Director/ Directors responsible for BR**

Details of the Director/ Directors responsible for implementation of the BR policy/policies:

Director Identification Number (DIN): 08699523

Principle-wise (as per NVGs) BR policy/ policies (Reply in Y/N)

The National Voluntary Guidelines (NVGs) on Social, Environmental and Economic Responsibilities of Business released by the Ministry of Corporate Affairs has adopted nine areas of Business Responsibility. These briefly are as under:

- P1:** Businesses should conduct and govern themselves with ethics, transparency and accountability.
- P2:** Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle.
- P3:** Businesses should promote the well-being of all employees.
- P4:** Businesses should respect the interests of and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalised.
- P5:** Businesses should respect and promote human rights.
- P6:** Businesses should respect, protect and make efforts to restore the environment.
- P7:** Businesses when engaged in influencing public and regulatory policy, should do so in a responsible manner.
- P8:** Businesses should support inclusive growth and equitable development.
- P9:** Businesses should engage with and provide value to their customers and consumers in a responsible manner.

Sl. No.	Questions	Business ethics P1	Product responsibility P2	Well-being of employees P3	Stakeholder engagement and CSR P4	Human rights P5	Environment P6	Public policy P7	CSR P8	Customer relations P9
1.	Do you have a policy/ policies for...	Y	Y The policy is embedded in the Company's quality and environment policies, which <i>inter alia</i> relate to safe and sustainable products	Y	Y	Y The policy is embedded in the Company's Code of Business Conduct, HR Policies and other various HR practices	Y	N	Y	N
2.	Has the policy been formulated in consultation with the relevant stakeholders?	Y	-	Y	Y	-	Y	-	Y	-
3.	Does the policy conform to any national/ international standards? If yes, specify?	Y	Y Bureau of Indian Standards (BIS)	Y	Y This policy conforms to Guidelines of Companies Act, 2013. In addition, the Policy is also in conformity with the Sustainability Development Goals (SDGs). 2(a). If answer to Sl. No. 1 against any principle, is 'No', please explain why: (Tick up to 2 options)

Sl. No.	Questions	P1	P2	P3	P4	P5	P6	P7	P8	P9
1.	The Company has not understood the principles	-	-	-	-	-	-	-	-	-
2.	The Company is not at a stage where it finds itself in a position to formulate and implement the policies on specified principles	-	-	-	-	-	-	-	-	-
3.	The Company does not have financial or manpower resources available for the task	-	-	-	-	-	-	-	-	-
4.	It is planned to be done within next six months	-	-	-	-	-	-	-	-	-
5.	It is planned to be done within next one year	-	-	-	-	-	-	-	-	-
6.	Any other reason (please specify)	-	-	-	-	-	-	The Company has a track record of pioneering achievements, long experience and leadership position which has benefited the cement industry at large in initiating dialogue with Government. However, no need for a formal policy has been felt	-	The Company has a systematic process of assessing customer needs fulfilling them with innovative products and services. It also has customer complaint redressal system

3. Governance related to BR

Indicate the frequency with which the Board of Directors, Committee of the Board or CEO assess the business responsibility performance of the Company. Within 3 months, 3-6 months, Annually, More than 1 year.
3 to 6 months.

Does the Company publish a BR or Sustainability Report? What is the hyper-link for viewing this report? How frequently it is published?

Yes, the Company has been publishing its Sustainability Report annually since 2007 (www.acclimited.com/sustainable). Since the financial year ended December 2019, the sustainability disclosures became a part of the Integrated Annual Report and can be accessed at www.acclimited.com/investor-relations/financial-annual-results.

has a Code of Business Conduct (along with Anti-Bribery and Corruption Directive) and a vigil mechanism named as EthicalView Reporting Policy ('EVRP') that has been approved by the Board of Directors. These are applicable to all Directors and employees of the Company and all its subsidiaries, and an annual affirmation is taken from the designated employees. The Anti-Bribery and Corruption Directive and the EthicalView Reporting Policy also extend to the Company's business partners, including vendors/ service providers/ customers. The Company as part of JV compliance framework of the Holcim Group, has encouraged JV partners to adopt the best practices with respect to ethics, transparency and governance. The Code is available on the Company's website at: www.acclimited.com/assets/new/pdf/ACC-Code-of-Conduct-Final-signed-18-04-2017.pdf

2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.
The Company received 128 complaints under the EthicalView Reporting Policy, out of which 88 complaints were addressed and the balance 40 complaints are under various stages of investigation and completion. The update on EthicalView is presented to the Audit Committee, who in turn briefs to the Board.

SECTION E: PRINCIPLE-WISE PERFORMANCE

Principle 1: Business should conduct and govern themselves with ethics, transparency and accountability.

1. Does the policy relating to ethics, bribery and corruption cover only the Company? Yes/No. Does it extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?
The Company considers Corporate Governance as an integral part of responsible management. The Company

Principle 2: Business should provide goods and services that are safe and contribute to sustainability throughout their life cycle.

1. List up to three (3) of your products or services whose design has incorporated social or environmental concerns, risks and/ or opportunities.
 - i. **Blended cements:** Cements, where clinker, an intermediate product, is partially replaced by and blended with industrial wastes like fly ash and slag are called blended cements. Such replacement results in saving natural limestone as well as reduce CO₂ emissions. ACC manufactures three (3) types of blended cements i.e. Portland Pozzolana Cement (PPC), Portland Slag Cement (PSC) and Composite Cements. In 2021, out of the total cement produced, ~90% was blended cements.
 - ii. **Co-processing services:** For more than a decade now, the Company is on the forefront of providing waste management solutions to stakeholders, communities and industries. Under the brand name of 'Geocycle', the Company has provided a safe and sustainable solution for safe disposal of 0.8 Million Tonnes of waste in 2021, which otherwise would have been disposed of in landfills and dumpsites. Through the co-processing technology, the Company provides a 'Zero Landfill' solution that doesn't create any additional emission and in addition avoids soil contamination, water and air pollution coming from landfill sites, recovering energy and minerals from the waste materials.

Two (2) examples examples of projects/services rendered to different stakeholders in different regions

- **Plastic Free Himalayas (Gagal)**
With growing tourism in the Himalayas especially in the famous hill stations like Shimla, Kangra and Kullu and Manali and the increased use of packaged food and beverages in these tourist destinations, the beautiful mountains are becoming dumping yards of plastic wastes. It is very difficult to establish public private partnership models for collection and transportation of plastic waste in these small districts.

Geocycle through its end to end plastic waste management services through Extended Producer Responsibility (EPR) was able to support Himachal Pradesh Government in cleaning up the state. Geocycle established a mechanism for collection, transportation and co-processing of single use plastics in ACC's cement plant at Gagal. Through this initiative, Geocycle has cleaned up various districts in Himachal Pradesh namely Shimla,

Bilaspur, Hamirpur, Kangra, Baddi and helped the beautiful state come a step closer to becoming plastic free.

- **Leave Behind No Waste (#LbnW)**
ACC had partnered with the Board of Control for Cricket in India (BCCI) to take on the onus of collecting and managing waste, during the T20 series held in November 2021. ACC has encapsulated the entire idea through led by a digital film titled 'Leave behind No Waste' depicting the brand teaming up with its waste management arm, Geocycle to collect and co-process all the plastic waste which is left behind in the cricket stadium. The voice in the film has been lent by the renowned veteran actor and voice-over artist, Piyush Mishra.

In the film, the cricket term of getting 'OUT' is used in juxtaposition with the plastic waste that does not get OUT easily from the environment. The brand then takes charge to throw out the single-use plastic from the stadium to be re-purposed and safely managed in its cement kiln. A challenging game environment has been created between ACC and plastic waste, where the former succeeds in stimulating a greener and smarter environment.

- **Supporting Clean Bhopal Mission (Kymore)**
The city of Bhopal generates approximately 800 tonnes per day of municipal solid waste and it is expected that the generation will go up to 2,000 tonnes per day by 2035. Bhopal is one of the top 10 cities in the Swachh Survekshan 2021. Bhopal has taken many steps to manage its municipal solid waste effectively.

ACC is helping the city of Bhopal manage its municipal solid waste by safely co-processing the segregated combustible waste generated from the municipal solid waste safely at its cement plant in Kymore, Katni. With this initiative, ACC supports the city's endeavour to become cleanest city in India by moving thousands of tonnes of wastes away from dumps and landfills; thereby cleaning the environment and improving the lives of millions of people.

- iii. **ACC ECOPact (The Green Concrete):** ACC ECOPact is an IGBC certified green product and a Low CO₂ concrete with 30% minimum reduction in embodied carbon, designed for sustainable construction needs. CO₂ reduction ranges from 30% to 100%. This is one

step forward to protect our environment and make it a better place to live for the upcoming generations. ECOPact makes a positive impact towards the environment every time we build something. Types: 1) ECOPact (30%-50% reduction in embodied carbon), 2) ECOPact Prime (50%-70% reduction in embodied carbon), 3) ECOPact Max (70%-90% reduction in embodied carbon) with reference OPC Mix.

- iv. **Green Building Centres (GBCs):** This is an initiative to facilitate low-cost housing development in India, by promoting sustainable building materials, building techniques and locally trained workforce.

Local entrepreneurs set up these centres by entering into a franchisee arrangement with ACC to make these sustainable products and services. The Green Building Centres have positively impacted the climate, water and nature as well as the communities at Large. The impact on the environment can be easily measured by reduction in CO₂ emission, fertile topsoil conservation and utilisation of waste materials. ACC has 94 GBCs operational on a PAN-India basis as at the end of December, 2021.

2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):

- i. **Reduction during sourcing/ production/ distribution achieved since the previous year throughout the value chain:**

Consumption per unit of production	Current year (January – December 2021)	Previous year (January – December 2020)
Electrical Energy (kWh/ Tonnes of cement)	78.55	80.65
Thermal Energy (K Cal/ kg of clinker)	743	742
CO ₂ Emissions (kg CO ₂ / Tonnes of cementitious material)	488	493

- ii. **Reduction during usage by consumers (energy, water) has been achieved since the previous year?**

While the Company does not collect information from the customers on energy and water, it manufactures many sustainable products which helps the customers in reducing energy and water consumption during the use/construction phase. The Company's ACC Gold cement with water repellent property requires a comparatively lower water for curing post construction phase, which helps to conserve water. The Company's product such as Insulocrete is a thermal insulating concrete which helps maintain inner temperatures of buildings thereby reducing cooling/heating costs during the use phase of buildings. Some of the Company's concrete products like permacrete is a pervious concrete which allows easy percolation of water through it into the soil below, hence recharging ground water and avoiding wastage through storm water runoffs. The Company's concrete products like insulating concrete/ thermocrete and fly ash/ slag based Green Building Centre products will reduce energy intensity in the use phase of the built environment.

such as ISO 14001 (Environment Management System) and ensures compliance to the local and national laws and regulations. The Company has a procedure in place for sustainable sourcing of energy, water and transportation. It is also increasing the usage of Alternate Fuel and Raw Materials (AFR) year-on-year to decrease dependency on traditional fuel, i.e. coal.

The Company has engaged Avetta, a leading global consultant in Supplier Qualification. As a result, it has qualified contractors into various counts related to sustainable procurement such as Health and Safety (H&S), Labour, Environment, Bribery and Corruption. The Company prefers to engage with Avetta certified suppliers and supplier performance is ascertained on a periodic basis. Avetta also covers the Company's primary road transporters operating from plants. Evaluation through Avetta encourages safe transportation in line with the Company's goal of ZERO HARM.

3. Does the Company have procedures in place for sustainable sourcing (including transportation) If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.
The Company seeks to engage in long-term relationships with the suppliers. It adheres to international standards

4. Has the Company undertaken any steps to procure goods and services from local and small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve the capacity and capability of local and small vendors?
The Company is currently working with ~2,100 Small and Medium-sized Enterprise (SME) and Micro, Small & Medium Enterprise (MSME) vendors across the country. The services taken from these vendors fall into categories like housekeeping, painting, catering, small repair works, technicians, welders, transportation and stationery, food and vegetable suppliers. Special consideration is always provided for these vendors in

terms payment for their goods and services made on priority. The vendors are trained on various aspects like safety inside and outside the plant. The employees of vendors also undergo periodic health checks. The Company has always worked on overall development of these vendors and support their employees in areas like education, employment etc. Some of these vendors have expanded their operations to other locations of the Company as well and indeed other corporate and social entities in the country.

5. Does the Company have a mechanism to recycle products and waste? If yes, what is the percentage of recycling of products and waste? (Separately as <5%, 5-10%, >10%) Also, provide details thereof, in about 50 words or so.

Cement manufacturing process does not generate any process-related wastes. However, there are ancillary activities like maintenance, housekeeping etc. that

generate waste materials like oil-soaked cotton waste, steel scrap, used oil, used filter bags, electrical waste like used bulbs, batteries and others. Sometimes wastes like oil-soaked cotton, used oil, used filter bags are co-processed in the kilns (where the Company has permissions), remaining quantum of these waste and other wastes like electrical, electronic waste and steel scrap are sold to the authorised recyclers. For hazardous waste, the relevant returns are filed to the respective regulatory authorities from time to time. Apart from this, the Company also co-processes waste materials generated by other industries or municipalities (segregated municipal waste) and its kiln. In the year 2021, the Company has co-processed 0.51 Million Tonnes of waste materials in its cement kilns. It uses flyash, a waste from thermal power stations and slag, a waste from the steel industry as a substitution to coal/pet coke in cement manufacturing.

Principle 3: Businesses should promote the well-being of all employees

1. Please indicate total number of employees

Sl. No.	Category of Employees	Number of Employees
1.	Management staff	3,647
2.	Shop floor associates	2,435
	Total	6,082

2. Please indicate total number of employees hired on temporary/contractual/casual basis

Sl. No.	Category of Employees	Number of Employees
1.	Third-party Full-time Employees	6,940
2.	Casual employees	-
	Total	6,940

3. Please indicate the number of permanent women employees

Number of permanent women employees: 247

4. Please indicate the number of permanent employees with disabilities

Number of permanent employees with disabilities: 13

5. Do you have an employee association that is recognised by the Management?

Yes, there are recognised trade unions affiliated to various central trade union bodies. The Company's shop floor associates are members of their respective unions.

6. What percentage of permanent employees are members of this recognised employee association?

Approximately 40% of permanent employees are members of recognised employee associations.

7. Please indicate the number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and those pending as on the end of the financial year.

Sl. No.	Category	Number of complaints filed during the financial year	Number of complaints pending as on end of the financial year
1.	Child labour/forced labour/involuntary labour	0	0
2.	Sexual harassment	0	0
3.	Discriminatory employment	0	0

8. What percentage of under mentioned employees were given safety and skill up-gradation training in the last year?

A. Permanent employees	: 100%
B. Permanent women employees	: 100%
C. Casual/temporary/contractual employee	: 100%
D. Employees with disabilities	: 100%

Principle 4: Businesses should respect the interests of and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalised.

- Has the Company mapped its internal and external stakeholders? Yes/ No
Yes, the Company has mapped its stakeholders through materiality matrix as a part of its stakeholder engagement strategy development process.
- Out of the above, has the Company identified the disadvantaged, vulnerable and marginalised stakeholders?
Yes, the Company has identified the disadvantaged, vulnerable and marginalised stakeholders with the help of Participatory Rural Appraisal tool and secondary socio-demographic data of the community.
- Are there any special initiatives taken by the Company to engage with the disadvantaged, vulnerable and marginalised stakeholders? If so, provide details thereof, in about 50 words or so.
Yes, all CSR interventions of the Company are purposed to target the disadvantaged, vulnerable and marginalised stakeholders. For instance, the Company's education projects are largely focused on government schools situated in remote rural pockets of India. The scholarship initiative of the Company named Vidya Saarathi targeted disadvantaged students who needed financial support to pursue their dreams of higher education.

The Company continues to run an Anti-Retroviral Therapy (ART) centre to support people affected by HIV/AIDS through medical treatment and counseling.

The Company has enhanced access to healthcare for the community through health camps and mobile health clinics. The Company also jointly works with the local district administration for supporting national missions on Skills development and Water conservation measures.

The Company continues to engage with the vulnerable and marginalised stakeholders for their sustainable livelihood. Skills training to youth; farmers benefitted through low external input for Sustainable Agriculture projects, institutionalising women SHG into registered federations and supporting vulnerable community during COVID-19 pandemic are some of the accomplishment during the year 2021.

Principle 5: Businesses should respect and promote human rights

- Does the policy of the Company on human rights cover only the Company or extend to the group/joint ventures/ suppliers/ contractors/ Non-Governmental Organisations (NGOs)/ others?
All aspects of the human rights are in-built and covered under the Code of Business Conduct as well in various human resource practices/policies. The Company has a separate policy on Human Rights as well.
- How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the Management?
NIL

Principle 6: Businesses should respect, protect and make efforts to restore the environment

- Does the policy pertaining to Principle 6 cover only the Company or extends to the group/joint ventures/ suppliers/ contractors/ NGOs/ others?
The Company's Corporate Environment Policy, pertaining to Principle 6, extends to cover the Company and its subsidiaries.
- Does the Company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc.? Y/N. If yes, please give hyper-link for webpage etc.
Climate change is among the most pressing issues facing humanity, with all nations being urged to meet the goals of UN SDG 13 Climate Action. As a leading building materials Company, the Company is committed to meeting the rising demands for sustainable cities, while conforming to a low-carbon circular economy. While ACC has already validated its Science Based Targets initiative (SBTi) in 2021 and committed to Net Zero pledge, the Company focuses on following levers for reduction of CO₂ Emissions:
 - Clinker substitution by making blended cements
 - Alternative Fuel and Raw Materials (AFR)
 - Thermal and electrical energy efficiency
 - Waste Heat Recovery System (WHRS)
 - Newer technologies and renewable energy through own assets as well as Open Access
 - Exploring futuristic technologies like Carbon Capture, Utilisation and Storage

This information is available in the Company's webpage: <https://www.acclimited.com/sustainable/climate-and-energy>

3. Does the Company identify and assess potential environmental risks? Y/N

Yes, the Company has a process to identify and assess potential environmental risks at plant level as well as corporate level. Potential environmental risks also form a part of Enterprise Risk Management Model and Materiality analysis where all business-related risks are identified and their mitigation strategies and plans are worked upon. For details, please refer to the Business Risks and Opportunities section of the Annual Report.

4. Does the Company have any project related to Clean Development Mechanism (CDM)? If so, provide details thereof, in about 50 words or so. Also, if yes, whether any environmental compliance report is filed?

Yes, the Company has three (3) registered projects under the Clean Development Mechanism (CDM) and Environmental Compliance Report (Validation and Verification Reports) have been filed and Certified Emission Reductions Reports were issued. Due to the prevailing market mechanisms of CDM, the Company has not pursued this mechanism during 2021 and has not filed any environmental compliance report (validation and verification reports).

5. Has the Company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy etc.? Y/N. If yes, provide hyper-link to web page etc.

Yes, the Company has made significant strides in attaining energy efficiency in its cement plants/captive power plants by following initiatives:

- Three wind farms – one (1) each in Maharashtra, Tamil Nadu and Rajasthan with total capacity of 19 MW
- Solar power procurement through open access
- Waste Heat Recovery System ('WHRS') at Galgal Cement Works
- Waste pre-processing and co-processing in cement plants
- Solar photovoltaic plant of 5.35 MW at Jamul Cement Works, Chhattisgarh and 380 KW Solar PV at Kymore mines
- Various energy efficiency improvement initiatives in operations

Details on the above initiatives can be seen at the link: <https://www.aclimited.com/sustainable/climate-and-energy>

6. Are the emissions/ waste generated by the Company within the permissible limits given by Central Pollution Control Board (CPCB)/ State Pollution Control Board (SPCB) for the financial year being reported?

Yes, the emissions/ waste generated by the Company was all within the permissible limits given by CPCB/ SPCB with occasional exceedances.

7. Number of show cause/ legal notices received from CPCB/ SPCB, which are pending (i.e. not resolved to satisfaction) as of end of financial year.

Few of the Company's plants received notices from the SPCB. However, all notices were addressed accordingly by the end of the year 2021.

Principle 7: Businesses, when engaged in influencing public and regulatory policy, should do so in a responsible manner

1. Is your Company a member of any trade and chambers of association? If yes, name only those major ones that your business deals with.

Yes, the Company is a member of:

1. Cement Manufacturing Association (CMA)
2. Confederation of Indian Industries (CII)
3. Federation of Indian Chambers of Commerce and Industry (FICCI)
4. National Safety Council (NSC)
5. Swiss India Chamber of Commerce (SICC)
6. Global Cement and Concrete Association India (GCCA)
7. Indian Merchant Chamber (IMC)
8. Bombay Chamber of Commerce and Industry (BCCI)
9. Indian Green Buildings Council (IGBC)

2. Have you advocated/ lobbied through above associations for the advancement or improvement of public good? Yes/ No. If yes, specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy Security, Water, Food Security, Sustainable Business Principles, Others)

Yes, the Company actively works with above associations and advocate in the following broad areas which impact the Cement Industry:

1. Sustainable mining practices
2. Extended producers responsibility and safe management of plastic waste
3. New environmental regulations
4. Co-processing of municipal and industrial hazardous and non-hazardous wastes
5. Use of recycled waste materials (construction and demolition waste) in cement and concrete
6. Manufactured sand and aggregate from industrial waste
7. RPO-REC regulations for cement and power plants, PAT regulations
8. Green energy status for WHRS
9. Development of new product standards for low-carbon cement and concrete products

10. Environment product declaration and green pro-label of products
11. Green buildings
12. Flyash-based, pre-fab building materials
13. Promotion of concrete roads

Principle 8: Businesses should support inclusive growth and equitable development

1. Does the Company have specified programmes/ initiatives/ projects in pursuance of the policy related to Principle 8? If yes details thereof.
Yes, the Company has specific programmes/ initiatives/ projects in pursuance of its CSR policy (Reference: https://acclimited.com/assets/new/new_pdf/CSR-Policy.pdf)

All sections in the host communities are engaged by the Company for developing their village micro plans through participatory methods of planning. Individual projects are thereafter designed to address various needs of the host communities as per the priority expressed by the communities. Conscious efforts were made to prioritising women-headed, landless and small and marginal land-holding families. Special drive for exclusive skilling of women and ensuring half of the

scholarship of higher education goes to girls has been ensured. HIV+ and differently able beneficiaries are specially tracked within all social and business measures.

Implementations of these projects are thereafter monitored by the representatives of the villagers at all locations and course corrections measures are suggested by them if needed. A Community Advisory Panel (CAP) has been set up to help at all stages of CSR Interventions i.e. planning of CSR projects and process monitoring. The CSR project participants include the disadvantaged, vulnerable and marginalised sections of the society.

The Company carried out CSR projects in pursuance of inclusive development, primarily focusing on:

- a) Sustainable livelihood
- b) Quality of education
- c) Water, Sanitation, Health and Hygiene (WASH)

2. Are the programmes/ projects undertaken through in-house team/ own foundation/ external NGO/ government structure/ any other organisation?
The Company's CSR projects are implemented through in-house CSR department, ACC Trust, corporates, academic and government institutions.

3. Have you done any impact assessment of your initiative?
After conducting social audit of CSR projects for five (5) consecutive years, the Company has decided to do it every alternate year to provide enough room for necessary actions on ground. Impact assessment is on-going.
4. What is the Company's direct contribution to community development projects – Amount in INR and details of the projects undertaken?
The Company spent an amount of ₹35.95 Crore on development projects as mentioned below:

Sl. No.	Focus Areas	Expenditure (in Crore)
1.	ACC DISHA: for youth employability	3.47
2.	ACC Swavlamban: focusing on women empowerment and livelihood	2.27
3.	ACC LEISA: for farmer's livelihood – Low External Input for Sustainable Agriculture (LEISA)	4.56
4.	ACC Vidya Utkarsh: quality of education in government schools	4.49
5.	ACC Vidya Saarthi: student scholarships	1.81
6.	ACC Arogyam: preventive, promotive and curative healthcare	12.19
7.	ACC Sampoorana Swachhata: towards open defecation free villages	3.10
8.	ACC Sanrakshit Paryavaran: solar, biodiversity and soil and water conservation	1.41
9.	ACC Drona: to promote rural sports and traditional Indian culture	0.95
10.	Impact Assessment	0.14
11.	Overheads	1.56
Total		35.95

5. Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words.
Yes, all the community development initiatives of the Company are implemented through participatory approach. The portfolio of CSR projects is drawn from need assessments done by third parties through

participatory rural appraisal method based micro plan. A Community Advisory Panel (CAP), comprising different stakeholders from community representatives and opinion leaders of the community i.e., functional at ACC plant locations, regularly monitors the implementation of CSR initiatives and suggests measures for course corrections. The community ownership and

sustainability are the criteria that are built in CSR initiatives from the start by creating community managed organisations. Community contribution is always a priority as it ensures continuance of the project through self-governance model.

Community management principles are inbuilt in all the CSR projects from need assessment stage to project graduation stage. Capacity building and institutional sustainability are integral part of all CSR projects.

Principle 9: Businesses should engage with and provide value to their customers and consumers in a responsible manner.

1. What percentage of customer complaints/consumer cases are pending as on the end of financial year 2021? A total of 4,189 complaints were received from different stakeholders (consumers, channel partners, contractors and engineers) in 2021, out of which 155 (accounting for 3.7%) were pending as on December 31, 2021.
2. Does the Company display product information on the product label, over and above what is mandated as per local laws? Yes/ No/ N.A./ Remarks (additional information)
No, the Company only displays information as mandated by local laws. No additional information is being provided on the cement bags. The Company follows the guidelines shared by the respective authorities.
3. Is there any case filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and/ or anti-competitive behaviour during the last five years and pending as on end of financial year? If so, provide details thereof, in about 50 words or so.
 - a) The Builders Association of India (BAI) had filed a complaint in July 2010 before the Competition Commission of India (CCI) alleging anti-competitive behaviour on the part of major cement manufacturers including the Company. The CCI

investigated the matter and post which an order was passed against the cement manufacturers and a penalty of ₹1,147.59 Crore was levied on the Company. The CCI order was challenged by the Company before the National Company Law Tribunal (NCLAT), who vide its judgement dated July 25, 2018, dismissed the appeal of the Company. The Company preferred an appeal before the Hon'ble Supreme Court of India against the NCLAT Order/ judgement. The Hon'ble Supreme Court vide its Order dated October 5, 2018, has admitted the Company's Civil Appeal and ordered for continuance of the same interim orders passed by NCLAT towards stay on the demand subject to continuance of deposit of 10% of the penalty amount.

- b) On a complaint filed by the Director General (Supply & Distribution), Department of Civil Supplies, Government of Haryana, CCI registered a case of alleged anti-competitive behaviour (allegations of bid rigging) against cement companies including the Company. The CCI vide order dated January 19, 2017 imposed a penalty of ₹35.32 Crore. The Company has filed an appeal in NCLAT against the above order and the appeal is pending before NCLAT.
- c) On complaints received from BAI and other persons, the CCI vide order dated July 1, 2019 has ordered an investigation against the cement companies and has asked the office of Director General (DG) to submit its report. The Company received the intimation for the first time in December 2020 and has duly furnished the information as sought by the office of the DG in the Requests for Information. Currently the matter is with the DG CCI and no order has been passed.
4. Did the Company carry out any consumer survey/ consumer satisfaction trends?
Multiple surveys were carried out for contractors and IHBs to understand market trends and customer feedback.

Analysis of Standalone Financial

The following table sets forth the breakup of cost and profit as part of Revenue from operations

			Amount in ₹ Crore	
	2021	% of Revenue from operations	2020	% of Revenue from operations
Net Sales	15,814.40	97.91	13,486.83	97.84
Other operating revenue	336.95	2.09	297.71	2.16
Revenue from operations	16,151.35	100.00	13,784.54	100.00
Other Income	204.76	1.27	203.98	1.48
Total Income	16,356.11		13,988.52	
Cost of materials consumed	2,120.28	13.13	1,673.09	12.14
Purchase of Stock-in-trade	921.19	5.70	696.89	5.06
Changes in inventories of finished goods, work-in-progress and Stock-in-trade	(174.25)	(1.08)	142.41	1.03
Employee benefits expense	834.02	5.16	839.07	6.09
Power and fuel	3,360.80	20.81	2,572.38	18.66
Freight and Forwarding expense	3,844.71	23.80	3,431.81	24.90
Finance costs	54.63	0.34	57.04	0.41
Depreciation and amortisation expense	597.28	3.70	635.30	4.61
Other expenses (Refer Note 2 below)	2,244.20	13.89	2,076.74	15.07
Total expenses	13,802.86	85.46	12,124.73	87.96
Profit before exceptional items and tax	2,553.25	15.81	1,863.79	13.52
Exceptional items (Refer Note 1 below)	92.86	0.57	176.01	1.28
Profit before tax	2,460.39	15.23	1,687.78	12.24
Tax expenses (Refer Note 3 below)	640.12	3.96	272.84	1.98
Profit for the year	1,820.27	11.27	1,414.94	10.26
Other Comprehensive Income for the year, net of tax	5.44	0.03	(14.54)	(0.11)
Total Comprehensive Income for the year	1,825.71	11.30	1,400.40	10.16

Profit for the year is not comparable with the previous year to the extent of the following reasons:

- Exceptional items represents following:
 - During the year ended December 31, 2021, there is a charge of ₹55 Crore on account of restructuring cost to employees and contract staff.
 - During the year ended December 31, 2021, there is a charge of ₹38 Crore in respect of impairment in the value of investment in Lucky Minmat Limited, a wholly owned subsidiary company.
 - During the previous year ended December 31, 2020, there was a charge of ₹176 Crore in respect of impairment of assets at Madukkarai Unit.
- Other expenses for the previous year ended December 31, 2020 included expected credit loss of ₹129 Crore on Incentives receivables under Government schemes.
- Tax expenses for 2020 was lower due to reversal of net deferred tax liabilities as on January 01, 2020 amounting to ₹190 Crore on account of adoption of lower income tax rate.

The year 2021 was a challenging one on many counts. The global economy witnessed major supply chain disruptions resulting in high inflation especially led by fuel costs. Cement demand was also muted during Q4 2021 driven by multiple regional factors across India.

Despite these challenges, ACC was able to deliver another year of strong performance. We delivered a net sales growth of 17% during the year with an EBITDA growth of 28%. Efficiency measures under Project 'Parvat' coupled with product premiumisation initiatives have enabled to mitigate inflationary impacts and expand margins.

Analysis of Standalone Financial

The analysis of major line items in the financial statements is given below:

1. REVENUE FROM OPERATIONS:

	Amount in ₹ Crore			
	2021	2020	Change	Change %
Cement and Clinker*	14,572.74	12,531.41	2,041.33	16.29
Ready Mix Concrete (RMX)	1,238.32	952.07	286.25	30.07
Income from services rendered (RMX)	3.34	3.35	(0.01)	(0.30)
Other operating revenue	336.95	297.71	39.24	13.18
Total	16,151.35	13,784.54	2,366.81	17.17

*Does not include inter-segment cement sale to Ready Mix Concrete.

Revenue from operations has increased due to following reasons:

- The Company's cement sales volume is 28.89 Million Tonnes as compared to 25.53 Million Tonnes during previous year. We delivered a sales volume growth of 13% during the year.
- Average selling price of cement increased by 4% in 2021 over 2020. Improvement in realisation was driven by better product & segment mix and improved pricing environment.
- Company's Ready Mix Concrete business sales volume grew by 24% in 2021 over 2020. Sale of Ready Mixed Concrete has increased from 22.70 Lakh Cubic Metres to 28.09 Lakh Cubic Metres.

Other operating revenue

Other operating revenue includes accrual of incentives receivables from State Governments under incentive schemes, write back of provision which is no longer required, scrap sales and other miscellaneous Income.

- Other operating revenue has Increased mainly due to higher scrap sales and insurance claim.

2. OTHER INCOME:

	Amount in ₹ Crore			
	2021	2020	Change	Change %
Other income	204.76	203.98	0.78	0.38

Other income consists of income on investment of surplus funds, interest on Income Tax, gain on sale and fair valuation of financial assets, dividend from non-current investments and net gain on disposal of Property, Plant and Equipment.

- There is no significant change in other income. Refer Note – 27 of Financial Statements for more details of Other income.

3. COST OF MATERIALS CONSUMED:

	Amount in ₹ Crore			
	2021	2020	Change	Change %
Cost of materials consumed	2,120.28	1,673.09	447.19	26.73

Cost of materials consumed has increased due to following reasons:

- Cement production has increased by 13% from 23.77 Million Tonnes to 26.92 Million Tonnes in line with the Cement sales volume growth.
- Cost of materials consumed of cement business has increased from ₹462/t to ₹510/t of cement and clinker sold in 2021 (up by 10%).
- Ready Mix Concrete production has increased by 24% from 22.70 Lakh Cubic Metres to 28.09 Lakh Cubic Metres in 2021 in line with the RMX sales volume growth.
- Consumption of purchased of clinker and limestone has increased by ₹93 Crore.
- The landed cost of slag has increased by 28% due to surge in demand and consequential need to procure from long lead sources.
- The landed cost of Flyash has also increased by 7% Increase in cost is partially offset by usage of low cost wet Flyash and conditioned Flyash.
- Increase in the cost of materials is partially offset by reduction in landed cost of Gypsum by 4% on account of source mix optimisation.

4. PURCHASE OF STOCK-IN-TRADE:

	2021	2020	Change	Amount in ₹ Crore Change %
Purchase of Stock-in-trade	921.19	696.89	224.30	32.19

Purchase of Stock-in-trade has increased primarily on account of significant ramp-up of volumes under Master Supply Agreement (MSA) with Ambuja Cements Limited.

5. CHANGES IN INVENTORIES:

	2021	2020	Change	Amount in ₹ Crore Change %
Changes in inventories of finished goods, work-in-progress and Stock-in-trade	(174.25)	142.41	(316.66)	(222.36)

- Movement of change in inventories is mainly on account of increase in Clinker stock as compared to the previous year. Inventory of Semi-finished goods is ₹303 Crore as on December 31, 2021 as compared to ₹148 Crore in December 31, 2020.

6. EMPLOYEE BENEFITS EXPENSE:

	2021	2020	Change	Amount in ₹ Crore Change %
Employee benefit expense	834.02	839.07	(5.05)	(0.60)

Employee costs remained almost same due to following offsetting reasons:

- Increments in salaries with effect from April 01, 2021.
- The Company has achieved reduction in employee cost by making strategic changes with a view to improve operational capabilities.

7. POWER AND FUEL:

	2021	2020	Change	Amount in ₹ Crore Change %
Power and Fuel	3,360.80	2,572.38	788.42	30.65

Power and fuel cost has increased due to following reasons:

- Clinker production increased by 12%. Power and Fuel cost of cement business has increased from ₹978/t to ₹1138/t (up by 16%) in 2021, mainly due to significant increase in coal cost.
- In 2021, the imported pet coke prices increased from 80 \$/t to 157 \$/t (96% increase) & Imported South African coal increased from 77 \$/t to 150 \$/t (95% increase) and have crossed the highest price levels in Q4 2021.
- Domestic pet coke refineries followed the international pet coke prices, this has led to an increase in demand for domestic coal and due to power crisis in H2-2021, the demand of domestic coal was also increased.
- Landed cost of petcoke has increased by ~70% and coal has also increased by ~15%.
- The Company continued building fuel mix flexibility to optimise fuel cost during the year. Considering the higher petcoke prices, usage of petcoke has been restricted to 41% in 2021 as compared to 65% in 2020 and increase in domestic coal mix from 21% to 44%.
- Under project parvat, the Company is undertaking sustained measures to build a better fuel mix by maximising the use of cheaper fuel, long-term booking of coal, higher consumption of alternative fuels, improvement in efficiencies at plants and maximising the use of renewable power sources. These initiatives are leading to the following manufacturing efficiencies:
 - The cost of generation at our thermal power plants (TPP) has gone down by 1% to ₹5.56 per Kwh in 2021 against ₹5.63 per Kwh in 2020.
 - Electrical energy efficiency improved by 2.2 kwh to 78.5 kwh/t of cement during the year as against 80.7 kwh /t cement in 2020.
 - Electrical energy efficiency improved by ~0.40 kwh to 68.4 kwh/t of clinker during the year as against 68.8 kwh /t clinker in 2020 and by 0.90 kwh to 38.7 kwh/t of cement grinding during the year as against 39.6 kwh /t cement grinding in 2020.
- The company is optimising power mix and enhancing the share of renewable power in total power including solar, wind and hydro power. The Company continues to use power produced by its onsite and offsite solar plants. The Company, as part of its commitment to the Net Zero Pledge, is in the process of adding 38.7 MW of additional Waste Heat Recovery System ('WHRS') in 2022 to its existing WHRS capacity of 7.5 MW.

8. FREIGHT AND FORWARDING EXPENSE:

	Amount in ₹ Crore			
	2021	2020	Change	Change %
Freight and Forwarding expense				
Freight on Clinker transfer	584.33	489.83	94.50	19.29
Freight on Cement	2,539.44	2,312.68	226.76	9.81
Clearing and Forwarding expenses on cement	571.87	522.70	49.17	9.41
Ready Mixed Concrete	149.07	106.60	42.47	39.84
Total	3,844.71	3,431.81	412.90	12.03

Freight on Cement has increased due to following reasons:

- Cement despatches increased by 13% as compared to the previous year.
- Diesel prices have gone up as compared to previous year.
- Freight on cement on per tonne basis has decreased from ₹883/t to ₹865/t of cement sold (down by 2%). The Company implemented logistics cost and efficiency improvement initiatives under project Parvat such as warehouse space rationalization, improvement in direct despatches, lower lead distance and procurement negotiations:
 - Significant ramp-up of Master Supply Agreement (MSA) volume.
 - The Company has taken several digital initiatives viz. implementation of Transport Analytic Center (TAC), Sales & Operational Planning tool “Blue Yonder” and e-Tendering for cost optimization.
 - Reduction in overall lead distance by 4%

Clearing and Forwarding expenses on cement has increased mainly due to increase in volume in the current year.

Freight cost on sale of Ready Mix Concrete has gone up due to increase in volumes by 24% as compared to the previous year.

9. FINANCE COSTS:

	Amount in ₹ Crore			
	2021	2020	Change	Change %
Interest				
- On Income tax	3.67	4.76	(1.09)	(22.90)
- On Defined benefit obligation	8.95	13.76	(4.81)	(34.96)
- Interest on deposits from dealers	16.19	17.14	(0.95)	(5.54)
- Interest on Lease Liabilities	9.37	9.80	(0.43)	(4.39)
- Others	14.88	10.12	4.76	47.06
Unwinding of site restoration provision	1.57	1.46	0.11	7.53
Total	54.63	57.04	(2.41)	(4.22)

There is no significant change in Finance costs as compared to previous year.

10. DEPRECIATION AND AMORTISATION EXPENSE:

	Amount in ₹ Crore			
	2021	2020	Change	Change %
Depreciation on Property, Plant and Equipment	566.44	604.03	(37.59)	(6.22)
Amortisation of intangible assets	5.23	3.90	1.33	34.10
Depreciation on Right of use assets	25.61	27.37	(1.76)	(6.43)
Total	597.28	635.30	(38.02)	(5.98)

Depreciation on Property, Plant and Equipment has reduced mainly on account of impairment of assets at Madukkarai unit in the previous year.

11. OTHER EXPENSES:

Other expenditure represents the following expenditure:

	Amount in ₹ Crore			
	2021	2020	Change	Change %
Consumption of stores and spare parts	277.26	224.77	52.49	23.35
Consumption of packing materials	552.03	386.26	165.77	42.92
Rent	107.26	75.59	31.67	41.90
Rates and taxes	96.75	76.94	19.81	25.75
Repairs	155.29	126.25	29.04	23.00
Insurance	39.10	25.51	13.59	53.27
Royalties on minerals	264.33	240.05	24.28	10.11
Advertisement	86.37	56.58	29.79	52.65
Technology and Know-how fees	154.51	132.79	21.72	16.36
Expected credit loss on Incentives under Government schemes	-	128.92	(128.92)	(100.00)
Impairment losses on trade receivables	(10.87)	37.34	(48.21)	(129.11)
Corporate Social Responsibility expense	35.95	32.33	3.62	11.20
Miscellaneous expenses	510.67	534.43	(23.76)	(4.45)
Self-Consumption of cement	(24.45)	(1.02)	(23.43)	2,297.06
Total	2244.20	2076.74	167.46	8.06

- Consumption of Stores and spares parts has increased on account of routine maintenance activities.
- Consumption of packing material cost has increased due to increase in volumes and packing material prices. Average price of packing bags has increased by 25% mainly due increase in prices of polypropylene granules (input cost).
- Rent expense has increased due to increase in volumes under cement grinding agreement with an Associate company.
- Rates and taxes increased mainly due to increase in additional goods tax linked with increase in dispatches in the State of Himachal Pradesh.
- Increase in Repairs is due to routine preventive maintenance activities.
- Royalties on minerals has increased in line with increase in production.
- Advertisement expenses has increased due to various brand promotional activities. Television was the main media platform for promoting the brand and new products. ACC had acquired the 4 years Official Partners' Rights for the BCCI let home cricket matches and the Company has spent a higher amount during cricket matches in 2021.
- Technology and Know-how fees represent the amount paid to Holcim Technology Ltd for technical support received by the Company.
- Expected credit loss on Incentives under Government schemes: During the previous year ended December 31, 2020, in view of the management re-assessing the expected recovery period for incentives receivables from the government accrued based on the respective State Industrial Policy, a charge of ₹129 Crore due to time value of money computed based on the expected credit loss method was included in Other Expenses.
- Impairment loss on trade receivables has decreased primarily on account of reversal of expected credit loss in Ready Mix Concrete business. Impairment was recognised in the previous year considering uncertainties in view of Covid-19 pandemic.
- Miscellaneous expenses include commission paid to third party, information technology services, traveling expenses, other third party services, etc. Pursuing cost reduction and cost avoidance through various initiatives have resulted in overall reduction of miscellaneous expenses.
- Self-Consumption of cement has increased due to consumption of cement for ongoing capacity expansion projects.

12. EXCEPTIONAL ITEMS:

	Amount in ₹ Crore			
	2021	2020	Change	Change %
Impairment of investment in subsidiary	38.10	-	38.10	100.00
Impairment of assets	-	176.01	(176.01)	(100.00)
Restructuring cost	54.76	-	54.76	100.00
Total	92.86	176.01	(83.15)	(47.24)

- During the year ended December 31, 2021, there is a charge of ₹38 Crore in respect of impairment in the value of investment in Lucky Minmat Limited, a wholly-owned subsidiary company as the carrying amount exceeds its recoverable amount.
- During the previous year ended December 31, 2020, there was a charge of ₹176 Crore in respect of impairment of assets at Madukkarai Unit as the carrying amount exceeded its recoverable amount.
- During the year ended December 31, 2021, there is a charge of ₹55 Crore on account of restructuring cost.

13. TAX EXPENSES:

	Amount in ₹ Crore			
	2021	2020	Change	Change %
Current tax	635.41	547.38	88.03	16.08
Deferred tax (credit)/charge	4.71	(274.54)	279.25	(101.72)
Total	640.12	272.84	367.28	134.61

- Normalised income tax expenses increased in line with an increase in profit before tax.
- During the previous year, the Company adopted the lower income tax rate (25.17% including surcharge) and accordingly, the net deferred tax liability as on January 01, 2020 amounting to ₹190 Crore was reversed.

14. PROPERTY, PLANT AND EQUIPMENT AND CAPITAL WORK-IN-PROGRESS AND INTANGIBLE ASSETS:

	Amount in ₹ Crore			
	2021	2020	Change	Change %
Property, Plant and Equipment	6,518.42	6,482.91	35.51	0.55
Capital work-in-progress	1,240.75	545.30	695.45	127.53
Other Intangible assets	49.77	45.80	3.97	8.67
Total	7,808.94	7,074.01	734.93	10.39

Property, Plant and Equipment has increased due to following offsetting reasons:

- The Company successfully commissioned a new Grinding Unit with a cement capacity of 1.4 MTPA on January 02, 2021 at Sindri, in the State of Jharkhand which will further strengthen our positioning in the eastern region.
- During the year, the Company has capitalised Property, Plant and Equipment of ₹643 Crore mainly consisting of Sindri expansion and routine maintenance and efficiency/productivity improvement capex.
- Depreciation and amortisation for the year is ₹597 Crore.
- Capital work-in-progress includes capital expenditure for increasing the operating capacity, efficiency improvement and maintenance capex. Major Capital Work-in-Progress are related to following projects:

	Amount in ₹ Crore	
Projects	2021	2020
Greenfield integrated cement plant in Ametha	433.26	65.14
Expansion of the existing grinding unit in Tikaria	253.26	10.63
Expansion of the existing grinding unit in Sindri	-	168.36
Waste Heat Recovery System (WHRS)	128.17	38.08
Efficiency improvement and maintaining operating capacity	426.05	263.10
Total	1,240.74	545.31

15. RIGHT OF USE ASSETS:

	2021	2020	Change	Amount in ₹ Crore Change %
Right of use assets	154.61	129.89	24.72	19.03

- The Company's lease asset classes primarily consist of leases for grinding facility, godowns, flats, land, plant and equipment, office premises and other premises.

16. INVESTMENTS:

	2021	2020	Change	Amount in ₹ Crore Change %
Investments in subsidiaries, associates and joint ventures	174.33	212.43	(38.10)	(17.94)
Other Non-current investments	18.40	8.20	10.20	124.39
Total	192.73	220.63	(27.90)	(12.65)

- During the year, Company has impaired the investment of ₹38 Crore in Lucky Minmat Limited, a wholly owned subsidiary company.
- During the year, the Company has subscribed 80,23,803 equity shares in Solbridge Energy Private Limited (SEPL) representing 19.06% holding for a total consideration of ₹10 Crore. The SEPL has set up a solar power plant in the State of Chhattisgarh of which the Company's Jamul plant would be one of the consumers.

17. OTHER FINANCIAL ASSETS:

	2021	2020	Change	Amount in ₹ Crore Change %
Other non-current Financial assets (Net)	913.14	767.41	145.73	18.99
Other current Financial assets	260.05	319.39	(59.34)	(18.58)
Total	1,173.19	1,086.80	86.39	7.95

Other Financial Assets has increased primarily for following offsetting reasons:

- Accrual of GST Incentives receivable of ₹155 Crore during the year under Government schemes for Sindri and Chanda plants.
- During the year the Company has received incentive of ₹112 Crore.
- Security deposit has increased by ₹33 Crore mainly due to increase in deposits given for power supply and supply of raw materials.

18. OTHER ASSETS:

	2021	2020	Change	Amount in ₹ Crore Change %
Other non-current assets	594.95	653.86	(58.91)	(9.01)
Other current assets	809.94	687.17	122.77	17.87
Total	1,404.89	1,341.03	63.86	4.76

Other non-current assets have gone down due to following reason:

- Capital Advances has decreased by ₹60 Crore in line with progress made in Ametha and Tikaria expansion projects.

Other current assets have gone up due to following reasons:

- Advance to suppliers has gone up by ₹68 Crore due to advance given for supply of coal and other raw materials.
- GST input credit receivables has gone up by ₹65 Crore.

19. INVENTORIES:

	Amount in ₹ Crore			
	2021	2020	Change	Change %
Raw Materials	165.56	115.54	50.02	43.29
Work-in-Progress	302.98	147.84	155.14	104.94
Finished Goods	129.19	111.74	17.45	15.62
Stock-in-trade	16.14	14.48	1.66	11.46
Stores and Spares	213.72	248.94	(35.22)	(14.15)
Packing Materials	40.42	24.07	16.35	67.93
Fuels	405.3	237.86	167.44	70.39
Total	1,273.31	900.47	372.84	41.41

Average inventory turnover in sales days has decreased from 31 days in 2020 to 29 days in 2021. Inventory (days) is calculated as Average Inventory/ Cost of Goods Sold (Cost of Sales + Depreciation) multiplied by 365.

- Inventory of clinker has increased as compared to the previous year.
- Inventory of Stores and Spare Parts has decreased due to strict control on procurement.
- Fuel inventory has increased mainly due to increase in fuel prices. Fuel prices were at an all-time high.

20. TRADE RECEIVABLES:

	Amount in ₹ Crore			
	2021	2020	Change	Change %
Trade receivables – Cement	222.47	234.25	(11.78)	(5.03)
Trade receivables – Ready Mixed Concrete	266.71	217.28	49.43	22.75
Total	489.18	451.53	37.65	8.34

- Trade receivable for cement has decreased due to better collections and strict credit norms.
- The average trade receivables in sales days outstanding for cement sales as on December 31, 2021 is 6 days as compared to 8 days as on December 31, 2020. This shows consistency in managing its credit with the customers and this also reflects on the stable financial position of most of its customers. Debtor Turnover (days) is calculated as Average Debtors/Total Consolidated Sales multiplied by 365.
- The average trade receivables in sales days for Ready Mix Concrete business as on December 31, 2021 is 71 as compared to 103 as on December 31, 2020 which demonstrated better recoveries in view of focused efforts on collection amidst uncertainties due to Covid.

21. CASH AND CASH EQUIVALENTS AND OTHER BANK BALANCES:

	Amount in ₹ Crore			
	2021	2020	Change	Change %
Cash and Cash Equivalents	7,247.24	5,734.92	1,512.32	26.37
Other bank balances	156.94	156.17	0.77	0.49
Total	7,404.18	5,891.09	1,513.09	25.68

Cash and cash equivalents consists of cash on hand, cash at banks, demand deposits from the banks and short-term, highly liquid instruments. As part of Company's cash management policy to meet short-term cash commitments, it parks its surplus funds in short-term highly liquid instruments that are held for a period of three months or less from the date of acquisition.

- During the year, the Company has generated additional cash and cash equivalents amounting to ₹1512 Crore, up by 26% versus 2020. The improvement is driven by strong operating performance and working capital management.
- Other bank balances includes fixed deposit with lien in favour of National Company Law Appellate Tribunal (NCLAT) of ₹132 Crore (*Previous year – ₹128 Crore*) relating to CCI matter.

22. PROVISIONS:

	Amount in ₹ Crore			
	2021	2020	Change	Change %
Non-current provisions	214.30	213.57	0.73	0.34
Current provisions	15.70	15.87	(0.17)	(1.07)
Total	230.00	229.44	0.56	0.24

- Provision includes employee benefits and site restoration provisions. There is no significant movement in provisions as compared to previous year.

23. TRADE PAYABLES:

	Amount in ₹ Crore			
	2021	2020	Change	Change %
Trade Payables	1,899.21	1,416.30	482.91	34.10

- Increase in trade payables are driven by better credit terms with suppliers.
- Average trade payable in sales days has marginally decreased from 39 days in 2020 to 38 days in 2021.

24. OTHER CURRENT LIABILITIES:

	Amount in ₹ Crore			
	2021	2020	Change	Change %
Other current financial liabilities				
Interest accrued	13.33	13.89	(0.56)	(4.03)
Unpaid dividend	23.80	28.49	(4.69)	(16.48)
Security deposits and retention money	792.37	801.26	(8.89)	(1.11)
Liability for capital expenditure	135.07	34.87	100.20	287.35
Provision for employees	137.18	128.55	8.63	6.71
Other financial liabilities	25.45	-	25.45	100.00
Foreign currency forward contract	-	0.28	(0.28)	(100.00)
Other current liabilities				
Advance from customers	252.32	148.18	104.14	70.28
Statutory dues payable	675.15	575.14	100.01	17.39
Rebates to customers	592.68	521.56	71.12	13.64
Other payables	739.42	748.22	(8.80)	(1.18)
Total	3,386.77	3,000.44	386.33	12.88

Other current financial liabilities

- Liability for capital expenditure has increased due to ongoing capacity expansion projects at Ametha and Tikaria.
- Other financial liability consists of restructuring cost provision for third party employees.
- Statutory dues payable (GST) and Rebates to customers has increased in line with increase in sales.

25. CASH FLOWS:

	Amount in ₹ Crore			
	2021	2020	Change	Change%
Net cash flow from operating activities	2,831.62	2,215.57	616.05	27.81

Net cash from operating activities has increased due to following reasons:

- The Company has delivered strong operational results. The cash operating profit before working capital changes has increased by ₹452 Crore.
- Working capital has decreased by ₹130 Crore as compared to a decrease of ₹387 Crore in previous year. The Company continues to maintain strict control on trade receivables and trade payables.
- Direct tax paid – (Net of refunds) has reduced by ₹422 Crore as compared to the previous year.
 - During the current year, the Company has received tax refund of ₹182 Crore (including ₹12 Crore interest on income tax).
 - Direct tax paid in 2020 was higher due to payment of ₹104 Crore towards outstanding demand for earlier year.

	Amount in ₹ Crore			
	2021	2020	Change	Change%
Net cash flow from investing activities	(989.01)	(536.59)	(452.42)	84.31

Net cash used for investing activities has increased mainly due to capex spend on expansion projects.

	Amount in ₹ Crore			
	2021	2020	Change	Change%
Net cash flow used for financing activities	(330.52)	(327.36)	(3.16)	0.97

There is no significant changes in cash flow from financing activities

RATIO ANALYSIS:**1. Operating EBITDA margin**

	2021		2020	
	18.97		17.44	
Operating EBITDA margin*				

* After considering charge of ₹129 Crore towards time value of money of Government Incentives in 2020

- Efficiency measures under Project 'Parvat' coupled with product premiumisation initiatives have enabled to mitigate inflationary impacts and expand margins.

2. Return on Average Capital Employed

	2021		2020	
	18.99		15.41	
Return on Average Capital Employed				

Average return on capital employed increased by 358 basis points mainly due to following reason:

- Earnings before exceptional items and tax increased by 37% against 11% growth in average Capital Employed.

3. Return on Net worth

	2021		2020	
	12.79		11.18	
Return on Net worth				

Return on Net worth has increased by 161 basis points due to strong performance. Profit after tax grew by 29% against 12% growth in net worth. This shows the Company's strength in generating higher profits on the shareholders' equity.

4. Current Ratio (Times)

	(Times)	
	2021	2020
Current ratio	0.92	1.00

Decrease in current ratio is mainly on account of strong working capital management.

5. Price Earning Ratio

	(Times)	
	2021	2020
Price Earning Ratio (Times)	22.86	21.56

Increase in Price Earning Ratio along with rise in earnings per share driving jump in Company's share price over previous year.

6. Dividend per share, earning per share and Dividend Payout Ratio

	2021	2020
Dividend per share (₹)	58	14
Basic Earnings per Share (₹)	96.93	75.35
Dividend payout ratio (%)	60	19

- The Board of Directors has recommended highest ever dividend of ₹58 per share.
- Basic Earnings per share stood at ₹96.93 for the year ended 2021 registering an increase by 29% as compared to previous year.

7. Fixed Asset Turnover Ratio

	(Times)	
	2021	2020
Fixed Asset Turnover Ratio	2.00	1.90

- Asset turnover ratio has improved primarily on account of increase in net sales.

Independent Auditor's Report

To The Members of ACC Limited

REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Opinion

We have audited the accompanying standalone financial statements of ACC Limited ("the Company"), which comprise the Balance Sheet as at December 31, 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at December 31, 2021, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements Section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to Notes 40(A)(a) and 40(A)(b) of the standalone financial statements which describe the following matters:

- a) In terms of order dated August 31, 2016, the Competition Commission of India (CCI) had imposed a penalty of ₹1,147.59 Crore for alleged contravention of the provisions of the Competition Act, 2002 (the Competition Act) by the Company. On the Company's appeal, National Company Law Appellate Tribunal (NCLAT), (which replaced the Competition Appellate Tribunal (COMPAT) effective May 26, 2017), in its order passed on July 25, 2018 had upheld the CCI's Order. The Company's appeal against the said judgment of NCLAT before the Hon'ble Supreme Court was admitted vide its order dated October 05, 2018 with a direction that the interim order passed by the Tribunal would continue.
- b) In a separate matter, pursuant to a reference filed by the Government of Haryana, the CCI by its order dated January 19, 2017, had imposed a penalty of ₹35.32 Crore on the Company for alleged contravention of the provisions of the Competition Act. On Company's filing an appeal together with application for interim stay against payment of penalty, COMPAT had stayed the penalty pending hearing of the application. This matter is listed before the NCLAT for hearing.

Based on the Company's assessment on the outcome of these appeals supported by the advice of external legal counsel, the Company is of the view that no provision is necessary in respect of these matters in these standalone financial statements. Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

SI. No. Key Audit Matters	Auditor's Responses
<p>1. Litigation, Claims and Contingent Liabilities:</p> <p>Refer Notes 24, 40(A) and 41 to be read along with Emphasis of Matter in Independent Auditor's Report of the standalone financial statements)</p> <p>The Company is exposed to a variety of different laws, regulations and interpretations thereof which encompasses indirect taxation and legal matters. In the normal course of business, provisions and contingent liabilities may arise from legal proceedings, including regulatory and other Governmental proceedings, constructive obligations as well as investigations by authorities and commercial claims.</p> <p>Based on the nature of regulatory and legal cases management applies significant judgment when considering whether, and how much, to provide for the potential exposure of each matter. These estimates could change substantially over time as new facts emerge as each legal case or matters progresses.</p> <p>Given the different views possible, basis the interpretations, complexity and the magnitude of the potential exposures, and the judgment necessary to determine required disclosures, this is a key audit matter.</p>	<p>Principal audit procedures performed:</p> <ul style="list-style-type: none"> • We understood the processes, evaluated the design and implementation of controls and tested the operating effectiveness of the Company's controls over the recording and re-assessment of uncertain legal positions, claims (including claims receivables) and contingent liabilities. • We held discussions with senior management including the person responsible for legal and compliance to obtain an understanding of the factors considered by management in classification of the matter as 'probable', 'possible' and 'remote'. • For those matters where management concluded that no provision should be recorded, we also considered the adequacy and completeness of the Company's disclosures made in relation to contingent liabilities. • Examined the Company's legal expenses on sample basis and read the minutes of the board meetings and the legal compliance committee in order to ensure completeness. • We read the correspondence from Court authorities and considered legal opinion obtained by the management from external law firms to evaluate the basis used for provisions recognised or the disclosures made in the standalone financial statements. • We also obtained direct legal confirmations for significant matters from the law firms handling such matters to corroborate management's conclusions.
<p>2. Income tax provision:</p> <p>(Refer Notes 22 and 40(A) of the standalone financial statements)</p> <p>This matter has been identified as a Key Audit Matter due to the significant level of management judgment required in the estimation of provision for income taxes including any write back of provisions, due to the following factors:</p> <ul style="list-style-type: none"> • Existence of multiple uncertain tax positions leading to multiple disputes/litigations. • Provision for tax involves interpretation of various rules and law. It also involves consideration of on-going disputes and disclosures of related contingencies. 	<p>Principal audit procedures performed:</p> <ul style="list-style-type: none"> • Our audit procedures to test uncertain tax positions included understanding processes, evaluation of design and implementation of controls and testing of operating effectiveness of the Company's controls over provision for taxation, assessment of uncertain tax positions and disclosure of contingencies. • Obtained details of completed tax assessments and demands as of December 31, 2021 from the management. • We discussed with appropriate senior management personnel, independently assessed management's estimate of the possible outcome of the disputed cases; and evaluated the management's underlying key assumptions in estimating the tax provisions. • We considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions, the provisions made, and/or write back of the provisions. • We also involved our direct tax specialist in evaluating management's assessment for the uncertain tax positions. • For those matters where management concluded that no provision should be recorded, we also considered the adequacy and completeness of the Company's disclosures made in relation to contingent liabilities.

Independent Auditor's Report

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Report on Corporate Governance, Business Responsibility Report and Shareholder's Information, but does not include the consolidated financial statements, standalone financial statements, and our auditor's report thereon.
- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the

disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on December 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on December 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

Independent Auditor's Report

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements (Refer Note 40(A) in the standalone financial statements).
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government

in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ Section of our report of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“THE ACT”)

We have audited the internal financial controls over financial reporting of ACC Limited (“the Company”) as of December 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal

financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at

December 31, 2021, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ Section of our report of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a programme of verification of fixed assets to cover all the items in a phased manner i.e. at least once every three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, certain fixed assets were physically verified by the Management during the year. According to the information and

explanations given to us, no material discrepancies were noticed on such verification.

- (c) In our opinion and according to the information and explanations given to us and on the basis of our examination of the registered sale deed/ transfer deed/ conveyance deed/ other documents evidencing title of the Company, we report that, the title deeds, of all the immovable properties of land and buildings which are freehold, other than self-constructed buildings, included in the property, plant and equipment are held in the name of the Company as at the Balance Sheet date, except the following which are not held in the name of the Company as given below:

(₹ in Crore)			
Particulars of the land and building	Gross Carrying Value as at December 31, 2021	Net Carrying Value as at December 31, 2021	Remarks
Freehold Land	1.37	1.37	Title deeds are in name of the entities which got merged with the Company.
Buildings	16.45	12.11	
Freehold Land	0.35	0.35	Original title deeds are not available. Copies are available.
Buildings	0.39	0.33	
Buildings	4.45	4.39	The Company is in process to obtain title deeds.
Freehold Mining Land	131.53	131.53	

In respect of immovable properties of land that have been taken on lease and disclosed as right of use assets in the financial statements, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement as at Balance Sheet date, except for the following which are not held in the name of the Company as given below:

(₹ in Crore)			
Particulars of the land	Gross Carrying Value as at December 31, 2021	Net Carrying Value as at December 31, 2021	Remarks
Leasehold Land	2.34	1.98	Title deeds are in name of the entities which got merged with the Company.
Leasehold Land	1.19	1.00	Original title deeds are not available. Copies are available.

- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loans or provided guarantees to directors or companies in which directors are interested which are covered under Section 185. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year.
- (vi) The maintenance of cost records has been specified by the Central Government under Section 148(1) of the Companies Act, 2013 for manufacture of cement. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

Annexure “B” to the Independent Auditor’s Report

(vii) According to the information and explanations given to us, in respect of statutory dues:

(a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees’ State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Goods and Services Tax, Cess and other material statutory dues applicable to it to the appropriate authorities. Sales Tax, Service Tax, Excise Duty and Value Added Tax are not applicable during the year.

(b) There were no undisputed amounts payable in respect of Provident Fund, Employees’ State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Goods and Services Tax, Cess and other material statutory dues in arrears as at December 31, 2021 for a period of more than six months from the date they became payable.

(c) Details of dues of Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, and Goods and Services Tax which have not been deposited as on December 31, 2021 on account of disputes are given below:

(₹ in Crore)

		Appellate Authorities & Tribunal	2014-2018	0.45

- (viii) The Company has not taken any loans or borrowings from financial institutions, banks and government or has not issued any debentures. Hence reporting under clause (viii) of the Order is not applicable to the Company.
- (ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause (ix) of the Order is not applicable.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the Company has paid/ provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Companies Act, 2013.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of the Order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with them and hence provisions of Section 192 of the Companies Act, 2013 are not applicable.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

Mumbai, February 09, 2022

Notes to the Financial Statements

for the year ended December 31, 2021

COMPANY OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES:

Corporate Information

ACC Limited (the 'Company') is a public Company domiciled in India and was incorporated on August 01, 1936 under the provisions of the Companies Act, 1913 applicable in India. Its shares are listed on The National Stock Exchange of India (NSE) and The Bombay Stock Exchange Ltd (BSE) of India. The registered office of the Company is located at Cement House, 121, Maharshi Karve Road, Mumbai – 400 020, India.

ACC Limited, a member of the Holcim Group (Erstwhile LafargeHolcim), is principally engaged in the business of manufacturing and selling of Cement and Ready-Mix Concrete. The Company has manufacturing facilities across India and caters mainly to the domestic market.

1. SIGNIFICANT ACCOUNTING POLICIES

I. Statement of Compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act.

These financial statements were approved for issue in accordance with the resolution of the Board of Directors on February 09, 2022

II. Basis of Preparation

These financial statements have been prepared on a historical cost basis, except for the following material items in the Balance Sheet:

- Certain financial assets and liabilities are measured at fair value (Refer Note 1(X) for accounting policy on Financial Instruments);
- Non-current assets classified as held for sale are measured at lower of their carrying amount and fair value less cost to sell; and
- Employees Defined benefit plans are recognised at the net total of the fair value of plan assets, and the present value of the defined benefit obligation as per actuarial valuation.
- Employee share-based payments measured at fair value.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services at the time of their acquisition.

The accounting policies have been applied consistently over all the periods presented in these financial statements.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the

measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

All assets and liabilities, for which fair value is measured or disclosed in the financial statements, are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 — inputs other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 — inputs that are unobservable for the asset or liability.

III. Functional and Presentation Currency

These financial statements are presented in Indian Rupees (₹) which is the functional currency of the Company.

Rounding of amounts

All amounts disclosed in the financial statements which also include the accompanying notes have been rounded off to the nearest Crore as per the requirement of Schedule III to the Companies Act, 2013, unless otherwise stated.

IV. Classification of Current/Non-Current Assets and Liabilities

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 "Presentation of Financial Statements".

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- it is held primarily for the purpose of trading;
- it is expected to be realised within twelve months after the reporting date; or
- it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Notes to the Financial Statements

for the year ended December 31, 2021

Liabilities:

A liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in the Company's normal operating cycle;
- b) it is held primarily for the purpose of trading;
- c) it is due to be settled within twelve months after the reporting date; or
- d) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other assets/liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash or cash equivalents, the Company has ascertained its normal operating cycle as twelve months for the purpose of Current/Non-current classification of assets and liabilities.

V. Property, Plant and Equipment

Recognition and measurement

- a) Property, Plant and Equipment are stated at cost of acquisition/installation or construction less accumulated depreciation and impairment losses, if any (except freehold non-mining land which is carried at cost less impairment losses, if any).

Cost comprises the purchase price (net of trade discount and rebates), including import duties and non-refundable purchase taxes (net of taxes credit wherever applicable) and any directly attributable cost of bringing the assets to its working condition for its intended use, including relevant borrowing costs. Expenditures directly attributable to self-constructed assets during its construction period are capitalised if the recognition criteria are met.

The present value of the expected cost for the decommissioning of an asset after its use, is included in the cost of the respective asset if the recognition criteria for a provision are met.

The Company identifies and determines cost of each component/ part of the asset and depreciates separately, if the component/ part have a cost which is significant to the total cost of the asset and has a useful life that is materially different from that of the remaining asset.

- b) Subsequent expenditures are included in the asset's carrying amount or recognised as a separate asset,

as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

- c) When a major inspection is performed, its cost is recognised in the carrying amount of the Property, Plant and Equipment as a replacement if the recognition criteria are satisfied. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.
- d) Spares which meet the definition of Property, Plant and Equipment are capitalised as on the date of acquisition. The corresponding old spares are decapitalised on such date with consequent impact in the Statement of Profit and Loss.
- e) Property, Plant and Equipment not ready for the intended use on the date of Balance Sheet are disclosed as "Capital work-in-progress" and stated at cost less accumulated impairment loss, if any. Such items are classified to the appropriate category of Property, Plant and Equipment when completed and ready for intended use. Advances given towards acquisition/construction of Property, Plant and Equipment outstanding at each Balance Sheet date are disclosed as Capital Advances under "Other non-current assets".
- f) The accounting policy related to Leases has been disclosed in Note 1 (XXI)

Depreciation and amortisation

- a) Cost of mineral reserves embedded in the cost of freehold mining land is depreciated in the proportion of actual quantity of minerals extracted to the estimated quantity of extractable mineral reserves. The estimated extractable mineral reserves are reviewed periodically, with the effect of any changes in estimate being accounted for on a prospective basis. Freehold non-mining land is not depreciated.
- b) Depreciation on Property, Plant and Equipment, other than plant and equipment assets related to Captive Power Plant (CPP assets), is provided using the straight-line method and on CPP assets using the written down value method based on their respective estimated useful lives.

Estimated useful lives of assets are determined based on technical parameters/assessment, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Notes to the Financial Statements

for the year ended December 31, 2021

The estimated useful lives are as follows:

Assets	Useful Life
Buildings	3-60 years
Plant and Equipment	8-30 years
Railway sidings	8-15 years
Furniture & Fixtures and Office equipment	3-10 years
Vehicles	6-8 years

The useful life as estimated above is aligned to the prescribed useful life specified under Schedule II to the Companies Act, 2013 except useful life for computing depreciation is different in the following case:

Particulars	Useful Life estimated by the management	Useful Life as per Schedule II
Plant and Equipment related to Captive Power Plant	20 years	40 years

The Management believes that the useful lives as given above represents the period over which the assets are likely to be used.

- c) Depreciation on additions to Property, Plant and Equipment is provided on a pro rata basis from the date of acquisition or installation, and in the case of a new project, from the date of commencement of commercial production.
- d) Depreciation on an item of Property, Plant and Equipment sold, discarded, demolished or scrapped, is provided up to the date on which such item of Property, Plant and Equipment is sold, discarded, demolished or scrapped.
- e) Capitalised spares are depreciated over their own estimated useful life or the estimated useful life of the parent asset whichever is lower.
- f) The Company reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.
- g) In respect of an asset for which impairment loss, if any, is recognised, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Derecognition

An item of Property, Plant and Equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the

Statement of Profit and Loss under "Other Income/Other Expenses" when the asset is derecognised.

VI. Intangible Assets

Recognition and Measurement:

Mining rights and computer software acquired are measured on initial recognition at cost. Cost comprises the purchase price (net of tax/duty credits availed wherever applicable) and any directly attributable cost of bringing the assets to its working condition for its intended use.

Stripping cost

Stripping costs are allocated and included as a component of the mine asset when they represent significantly improved access to limestone, provided all the following conditions are met:

- it is probable that the future economic benefit associated with the stripping activity will be realised;
- the component of the limestone body for which access has been improved can be identified; and
- the costs relating to the stripping activity associated with the improved access can be reliably measured.

After initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Derecognition of Intangible Assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of an item of intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of such item of intangible asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Amortisation

A summary of the policies applied to the intangible assets is, as follows:

Intangible assets	Useful life	Amortisation method used
Computer software	Finite (3 years)	Amortised on a straight-line basis over the useful life
Mining Rights		Over the period of the respective mining agreement

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset are reviewed at the end of each reporting period. Changes

Notes to the Financial Statements

for the year ended December 31, 2021

in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the Statement of Profit and Loss unless such expenditure forms part of the carrying value of another asset.

VII. Impairment of Non-Financial Assets

The carrying amounts of the Company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For goodwill and intangible assets that have indefinite lives or which are not yet available for use, an impairment test is performed as at each Balance Sheet date (irrespective of impairment indicator) and whenever there is an indication that the asset may be impaired.

For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

The recoverable amount of an asset or cash-generating unit (CGU) is the higher of its value in use and its fair value less costs to sell. In assessing value in use, the estimated pre-tax future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash-generating unit.

Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from the other assets or group of assets.

The future cash flows are derived from the detailed budgets and forecast for the next three years, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated.

An impairment loss is recognised in the Statement of Profit and Loss if the estimated recoverable amount of an asset or its cash-generating unit is lower than its carrying amount.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognised in prior periods are assessed at each reporting date for any indications that the impairment loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to

determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised. Such reversal of impairment loss is recognised in the Statement of Profit and Loss.

VIII. Business Combinations and Goodwill

The Company uses the acquisition method of accounting to account for business combinations. The Company measures goodwill as of the acquisition date at the difference of the fair value consideration transferred (including fair value of previously held interest and contingent consideration) less the net fair value of the identifiable assets acquired and liabilities (including contingent liabilities) assumed. When such difference results into deficit, the excess is recognised in equity as capital reserve.

Business combination involving entities or businesses under common control is accounted for using the pooling of interest method. Under pooling of interest method, the assets and liabilities of combining entities are reflected at their carrying amount and no adjustments are made to reflect fair values.

Transaction costs that the Company incurs in connection with a business combination are expensed as incurred.

IX. Inventories

Inventories are valued after providing for obsolescence, as follows:

a) Raw Materials, Stores and Spare parts, Packing Material and Fuels

At lower of cost and net realisable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis.

b) Work-in-progress, Finished Goods and Stock-in-Trade

At lower of cost and net realisable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity, but excluding borrowing costs. Cost of Stock-in-Trade includes cost of purchase and other costs incurred in bringing the inventories to the present location and condition. Cost is determined on a weighted average basis.

Notes to the Financial Statements

for the year ended December 31, 2021

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

X. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

The Company's financial assets comprise the following:

- i. Current financial assets mainly consisting of (a) trade receivables, (b) mutual funds, (c) cash and bank balances, (d) investment in certificates of deposit, (e) fixed deposits with bank and financial institutions, (f) other short-term receivables (including incentive receivable from Government) and deposits and (g) forward contract.
- ii. Non-current financial assets mainly consisting of (a) financial investments – equity, bond and fixed deposits and (b) other long-term receivables (including incentive receivable from Government) and deposits.

Initial recognition and measurement

The Company recognises a financial asset in its Balance Sheet when it becomes party to the contractual provisions of the instrument.

All financial assets are recognised initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement of financial assets

For the purpose of subsequent measurement, financial assets are classified in the following categories:

i. Financial assets at amortised cost

A 'financial asset' is measured at the amortised cost if both the following conditions are met:

- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest ("SPPI") on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

ii. Financial assets at fair value through other comprehensive income (FVTOCI) unless the same are designated as FVTPL

A 'debt instrument' is classified as at the FVTOCI unless the same are designated as FVTPL, if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent solely payments of principal and interest on the principal amount outstanding.

The Company does not own any financial asset classified at fair value through other comprehensive income.

iii. Financial assets at fair value through profit or loss (FVTPL)

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for classification as at amortised cost or as fair value through other comprehensive income (FVTOCI), is classified as FVTPL.

A financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria, may be designated as at FVTPL as at initial recognition if such designation reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has not designated any debt instrument as at FVTPL.

Notes to the Financial Statements

for the year ended December 31, 2021

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains and losses arising on remeasurement recognised in Statement of Profit and Loss. The net gain or loss recognised in Statement of Profit and Loss incorporates any dividend or interest earned on the financial asset and is included in the 'other income' line item of Statement of Profit and Loss.

Equity instruments

All equity investments in scope of Ind AS 109 "Financial Instruments" are measured at FVTPL with all changes in fair value recognised in the Statement of Profit and Loss. The net gain or loss recognised in the Statement of Profit and Loss incorporates any dividend earned on the equity instruments and is included in the 'other income' line item of Statement of Profit and Loss.

For all investments in equity instruments other than held for trading, at initial recognition, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the other comprehensive income (OCI). There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

The Company has not designated investment in any equity instruments as FVTOCI.

Derivative Financial Instruments

The Company uses derivative financial instruments, such as forward currency contracts to hedge its foreign currency risk. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value at the end of each reporting period. Any changes therein are recognised in the Statement of Profit and Loss unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in the Statement of Profit and Loss depends on the nature of the

hedging relationship and the nature of the hedged item. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

The Company does not hold derivative financial instruments for speculative purposes.

Derecognition of financial asset

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's financial statements) when:

- (a) The rights to receive cash flows from the asset have expired, or
- (b) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either
 - i. the Company has transferred substantially all the risks and rewards of the asset, or
 - ii. the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

On derecognition of a financial asset, the difference between the carrying amount and the consideration received is recognised in the Statement of Profit and Loss.

Impairment of financial assets

In accordance with Ind AS 109 "Financial Instruments", the Company applies Expected Credit

Notes to the Financial Statements

for the year ended December 31, 2021

Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g. loans, debt securities, deposits, bond; and
- b) Trade receivables other receivables (including incentive receivable from Government).

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables resulting from transactions within the scope of Ind AS 115 "Revenue from Contracts with Customers", if they do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, twelve month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on twelve month ECL.

Lifetime ECL is the expected credit loss resulting from all possible default events over the expected life of a financial instrument. The twelve month ECL is a portion of the lifetime ECL which results from default events that are possible within twelve months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original effective interest rate (EIR).

ECL impairment loss allowance (or reversal) during the period is recognised as income/ expense in the Statement of Profit and Loss. This amount is reflected in a separate line in the Statement of Profit and Loss under the head 'Other expenses' as an impairment gain or loss.

b) Financial liabilities and equity instruments

Classification as debt or equity

An instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in Statement of Profit and Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments. Dividend paid on equity instruments are directly reduced from equity.

Financial liabilities

The Company's financial liabilities mainly comprise (a) trade payables, (b) liability for capital expenditure, (c) security deposit, (d) other payables (e) Lease liabilities and (f) forward contract.

Initial recognition and measurement

The Company recognises a financial liability in its Balance Sheet when it becomes party to the contractual provisions of the instrument.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss or at amortised cost (loans and borrowings and payables) as appropriate.

Subsequent measurement

Financial liabilities at amortised cost

This is the category most relevant to the Company. All the financial liabilities of the Company are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Notes to the Financial Statements

for the year ended December 31, 2021

Financial liabilities at fair value through profit or loss
Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

A financial liability other than a financial liability held for trading may be designated as at FVTPL upon initial recognition if:

- (a) such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;
- (b) the financial liability forms part of a group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Company's documented risk management or investment strategy and information about the grouping is provided internally on that basis; or
- (c) it forms part of a contract containing one or more embedded derivatives and Ind AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with Ind AS 109.

The Company does not owe any financial liability which is either classified or designated at fair value through profit or loss.

Derecognition of financial liabilities

A financial liability (or, where applicable, a part of a financial liability or part of a group of similar financial liability) is primarily derecognised (i.e. removed from the Company's financial statements) when, and only when, the obligation under the liability is discharged or cancelled or expired.

An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

Embedded derivatives

If the hybrid contract contains a host that is a financial asset within the scope of Ind AS 109, the Company does not separate embedded derivatives.

Rather, it applies the classification requirements contained in Ind AS 109 "Financial Instruments" to the entire hybrid contract. Derivatives embedded in all other host contracts are accounted for as separate derivatives and recorded at fair value if their economic characteristics and risks are not closely related to those of the host contracts and the host contracts are not held for trading or designated at fair value through profit or loss. These embedded derivatives are measured at fair value with changes in fair value recognised in the Statement of Profit and Loss. Reassessment only occurs if there is either a change in the terms of the contract that significantly modifies the cash flows.

Offsetting a financial asset and a financial liability

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet when, and only when, there is a currently enforceable legal right to set-off the recognised amounts and there is an intention to realise the assets and settle the liabilities simultaneously on a net basis.

XI. Effective Interest Method

The effective interest method is a method of calculating the amortised cost of a financial asset or financial liability and of allocating interest income/interest expenses over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts/payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

XII. Investment in Subsidiaries, Associates and Joint Ventures

Investments in subsidiaries, associates and joint ventures are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

XIII. Provisions and Contingencies

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Notes to the Financial Statements

for the year ended December 31, 2021

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

These estimates are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. The Company does not recognise a contingent asset, if any but discloses in the financial statements.

XIV. Site Restoration and Other Environmental Provisions

The Company provides for the costs of restoring a site where a legal or constructive obligation exists. The estimated future costs for known restoration requirements are determined on a site-by-site basis and are calculated based on the present value of estimated future cash out flows.

The site restoration provision before exploitation of the raw materials has commenced is included in Property, Plant and Equipment and depreciated over the life of the related asset.

The effect of any adjustments to the provision due to further environmental damage as a result of exploitation activities is recorded through the Statement of Profit and Loss over the life of the related asset, in order to reflect the best estimate of the expenditure required to settle the obligation at the end of the reporting period.

Changes in the measurement of a provision that result from changes in the estimated timing or amount of cash outflows, or a change in the discount rate, are added to or deducted from the cost of the related asset to the extent that they relate to the asset's installation, construction or acquisition.

All provisions are discounted to their present value. The unwinding of the discount is recognised as a finance cost in the Statement of Profit and Loss.

XV. Foreign Currency Transactions/Translations

These financial statements are presented in Indian Rupees (₹).

Transactions in currencies other than Company's functional currency (foreign currencies) are recorded at the rates of exchange prevailing on the date of transaction. At the end of the reporting period, monetary items denominated in foreign currencies are reported using the exchange rate prevailing as at reporting date. Non-monetary items denominated in foreign currencies which are carried in terms of historical cost are reported using the exchange rate at the date of the transaction.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the exchange rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or expenses in the year in which they arise.

XVI. Revenue Recognition

Revenue is recognised on the basis of approved contracts regarding the transfer of goods or services to a customer for an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

Sale of goods

Revenue from the sale of the Company's core products Cement and Ready-Mix Concrete is recognised when delivery has taken place and control of the goods has been transferred to the customer, and when there are no longer any unfulfilled obligations.

The customer obtains control of the goods when the significant risks and rewards of products sold are transferred to the customer, being at the point the goods are delivered to and accepted by the customer, according to the specific delivery terms that have been agreed with the customer.

Revenue is measured at fair value of the consideration received or receivable, after deduction of any discounts, price concessions, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc. Experience is used to estimate the provision for such discounts, price concessions and rebates. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur.

No element of financing is deemed present as the sales are made with credit terms largely ranging between 30 days and 60 days depending on the specific terms agreed

Notes to the Financial Statements

for the year ended December 31, 2021

to with the customer concerned, which is consistent with market practice.

Contract Balances

Trade receivables

A trade receivable is recognised when the products are delivered to a customer as this is the point in time that the consideration becomes unconditional because only a passage of time is required before the payment is due.

Contract assets, which is a company's right to consideration that is conditional on something other than the passage of time. Currently there are no contract assets.

Contract liabilities

Contract liabilities, which is a company's obligation to transfer goods or services to a customer for which the entity has already received consideration, relate mainly to advance payments from customers which are disclosed in Note no. 24. Contract liabilities are recognised as revenue when the Company performs under the contract.

Rendering of services

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.

Interest income and royalties

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable. Royalty income is recognised on an accrual basis in accordance with the substance of the relevant agreement.

Dividends

Dividend income from investments is recognised when the right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

XVII. Retirement and Other Employee Benefits

a) Short-term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

b) Defined Contribution Plans

Employee benefits in the form of contribution to Superannuation Fund, Provident Fund managed by Government Authorities, Employees State Insurance Corporation and Labour Welfare Fund are considered as defined contribution plans and the same are charged to the Statement of Profit and Loss for the year in which the employee renders the related service.

c) Defined Benefit Plans

The Company's gratuity scheme, additional gratuity scheme and post-employment benefit scheme are considered as defined benefit plans. The Company's liability is determined on the basis of an actuarial valuation using the projected unit credit method as at the Balance Sheet date. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using discount rate with reference to the market yield on government bonds at the end of reporting period.

Provident Fund

In respect of certain employees, provident fund contributions are made to a trust administered by the Company. Periodic contributions to the fund are charged to the Statement of Profit and Loss. The Company has an obligation to make good the shortfall, if any, between the return from the investment of the trust and interest rate notified by the Government of India and any expected loss in investment. The Company's liability is determined on the basis of an actuarial valuation using the projected unit credit method.

Defined benefit costs are categorised as follows:

- i. The current service cost of the defined benefit plans, recognised in the Statement of Profit and Loss in employee benefits expense, reflects the increase in the defined benefit obligation resulting from employee service in the current year, benefit changes, curtailments and settlements. Past service costs, which comprise plan amendments and curtailments, as well as gains or losses on the settlement of pension benefits are recognised immediately in the Statement of Profit and Loss when they occur.
- ii. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in finance cost in the Statement of Profit and Loss.
- iii. Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return

Notes to the Financial Statements

for the year ended December 31, 2021

on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

d) Accumulated Compensated Absences

Accumulated compensated absences which are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are treated as short-term employee benefits. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

e) Other Long-term benefits

Long service awards and accumulated compensated absences which are not expected to be settled wholly before twelve months after the end of the annual reporting period in which the employees render the related service are treated as other long-term employee benefits for measurement purposes.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

The Company's liability is determined on the basis of an actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Re-measurements are immediately recognised in the Statement of Profit and Loss.

f) Termination benefits

Termination benefits are payable when employment is terminated by the Company before the normal retirement date, or when an employee accepts voluntary redundancy in exchange for these benefits. The Company recognises termination benefits at the earlier of the following dates:

- i. when the Company can no longer withdraw the offer of those benefits; and
- ii. when the Company recognises costs for a restructuring that is within the scope of Ind AS 37 "Provisions, Contingent Liabilities and

Contingent Assets" and involves the payment of termination benefits.

In the case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees accepted the offer. Benefits falling due more than twelve months after the end of the reporting period are discounted to present value.

g) Presentation and disclosure:

For the purpose of presentation of defined benefit plans, the allocation between the current and non-current provisions has been made as determined by an actuary. The Company presents the entire compensated absences as short-term provisions, since employee has an unconditional right to avail the leave at any time during the year.

h) Employee share-based payments

The Ultimate holding Company of the Company operates various equity-settled performance share plans. Senior executive of the Company received remuneration in the form of share-based payments, whereby employee render service as consideration for equity instruments (equity settled transactions).

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model.

The cost of equity settled transactions is recognised in the Statement of Profit and Loss, together with a corresponding increase in equity, representing contribution received from the ultimate holding company, over the period in which the performance and/or service conditions are fulfilled. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and company's best estimate of the number of equity instruments that will ultimately vest. The charge or credit to the Statement of Profit and Loss for a period represents movement in the cumulative expenses recognised as at the beginning and end of that period.

In case of forfeiture/lapse stock option, which is not vested, amortised portion is reversed by credit to employee compensation expense. In a situation where the stock option expires unexercised, the related balance standing to the credit of the Employee Stock Options Outstanding Account / Capital Contribution from Parent is transferred to other equity.

Notes to the Financial Statements

for the year ended December 31, 2021

XVIII. Non-current assets held for sale

The Company classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use. This condition is regarded as met only when the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset and its sale is highly probable. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non-current assets classified as held for sale are measured at the lower of their carrying amount and the fair value less cost to sell. Non-current assets held for sale are not depreciated or amortised.

XIX. Borrowing Costs

Borrowing cost directly attributable to acquisition and construction of assets that necessarily takes substantial period of time are capitalised as part of the cost of such assets up to the date when such assets are ready for intended use or sale.

All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

XX. Taxation

Tax expense comprises current tax and deferred income tax and includes any adjustments related to past periods in current and/or deferred tax adjustments that may become necessary due to certain developments or reviews during the relevant period.

Current income tax

Current income tax is measured at the amount expected to be paid to or recovered from the tax authorities in accordance with the Income Tax Act, 1961 including the relevant Transfer Pricing regulations prescribed thereunder, read with applicable judicial precedents or interpretations, wherever relevant.

Current income tax relating to items recognised outside the Statement of Profit and Loss is recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set-off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- a) When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- b) In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised only to the extent that it is probable that sufficient future taxable income will be available against which such deferred tax assets can be realised, except:

- a) When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- b) In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets are reviewed at each Balance Sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain that sufficient future taxable income will be available.

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Notes to the Financial Statements

for the year ended December 31, 2021

Deferred tax relating to items recognised outside Statement of Profit and Loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to income tax levied by the same taxation authority.

The Company applies significant judgement in identifying uncertainties over income tax treatments. Uncertain tax positions are reflected in the overall measurement of the Company's tax expense and are based on the most likely amount or expected value that is to be disallowed by the taxing authorities whichever better predict the resolution of uncertainty. Uncertain tax balances are monitored and updated as and when new information becomes available, typically upon examination or action by the taxing authorities or through statute expiration.

XXI. Leases

The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- i. the contract involves the use of an identified asset;
- ii. the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- iii. the Company has the right to direct the use of the asset.

Company as a lessee:

Right-of-use assets ("ROU")

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for short-term leases and leases of low-value assets.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-

line basis over the shorter of the lease term and useful life of the underlying asset and the average lease terms are as follows:

Right of use assets	Average (Range) lease terms (in years)
Buildings	8
Land	8 – 99
Machines	6
Furniture and Vehicles	5

The right of use assets is also subject to impairment. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

Lease liabilities

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The Company uses the incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability include fixed payments, variable lease payments that depend on an index or a rate known at the commencement date; and extension option payments or purchase options payments which the Company is reasonably certain to exercise.

Variable lease payments that do not depend on an index or rate are not included in the measurement the lease liability and the ROU asset. The related payments are recognised as an expense in the period in which the event or condition that triggers those payments occurs and are included in the line "other expenses" in the Statement of Profit or Loss.

The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

The Company remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever:

- The lease term has changed or there is a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.
- A lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.

Notes to the Financial Statements

for the year ended December 31, 2021

Lease term

The lease term comprises the non-cancellable lease term together with the period covered by extension options, if assessed as reasonably certain to be exercised, and termination options, if assessed as reasonably certain not to be exercised. Non-lease components in contracts are separated from lease components and accordingly accounted for in operating profit on a cost incurred basis.

Presentation

Lease liability and ROU asset have been separately presented in the Balance Sheet and related cash flows are classified as financing activities in the Statement of Cash Flows.

Deferred tax on the deductible temporary difference and taxable temporary differences in respect of carrying value of right of use assets and lease liability and their respective tax bases are recognised separately.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date). It also applies the lease of low-value assets recognition exemption to leases that are considered of low value (in the range of ₹4,00,000 to ₹16,00,000 for different class of assets). Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term. The related cash flows are classified as operating activities in the Statement of Cash Flows.

Company as a lessor:

Leases for which the Company is a lessor are classified as finance or operating leases. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

In respect of assets provided on finance leases, amounts due from lessees are recorded as receivables at the amount of the Company's net investment in the leases. Finance lease income is allocated to accounting periods to reflect a constant periodic rate of return on the Company's net investment outstanding in respect of the leases. In respect of assets given on operating lease, lease rentals are accounted in the Statement of Profit and Loss, on accrual basis in accordance with the respective lease agreements.

XXII. Segment Reporting

Identification of segments

An operating segment is a component of the Company that engages in business activities from which it may

earn revenues and incur expenses, whose operating results are regularly reviewed by the Company's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available.

The Board of Directors of the Company has appointed Executive Committee (ExCo) which has been identified as being the CODM. The ExCo assesses the financial performance and position of the Company and makes strategic decisions.

The Company's operating businesses are organised and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Inter-segment transfers

Inter-segment revenue has been accounted for based on the transaction price agreed to between segments which is based on current market prices.

Unallocated items

Revenue, expenses, assets and liabilities which relate to the Company as a whole and not allocable to segments on reasonable basis have been included under 'unallocated revenue/ expenses/ assets/ liabilities'.

Segment Policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

Operating segment is reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker ("CODM").

XXIII. Cash and Cash Equivalents

Cash and cash equivalents consist of cash and cheques on hand, cash at banks, demand deposits from banks and short-term, highly liquid instruments. As part of the Company's cash management policy to meet short-term cash commitments, it parks its surplus funds in short-term highly liquid instruments that are held for a period of three months or less from the date of acquisition. These short-term highly liquid instruments are open-ended debt funds and certificates of deposit that are readily convertible into known amounts of cash and are subject to insignificant risk of changes in value.

Notes to the Financial Statements

for the year ended December 31, 2021

XXIV. Government Grants and Subsidies

- a) Grants and subsidies from the Government are recognised when the Company will comply with all the conditions attached to them and there is a reasonable assurance that the grant/subsidy will be received.
- b) Government grants related to income under State Investment Promotion Scheme linked with VAT / GST payment are recognised in the Statement of Profit and Loss in the period in which they become receivable.
- c) Where the government grant/subsidy relates to revenue, it is recognised as income on a systematic basis in the Statement of Profit and Loss, under other operating revenue over the periods necessary to match them with the related costs, which they are intended to compensate. Government grant and subsidy receivable against an expense are deducted from such expense.
- d) Where the grant or subsidy relates to an asset, it is presented in the balance sheet by setting up the grant as deferred income and recognised in the Statement of Profit and Loss on a systematic basis over the useful life of the asset.

XXV. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share are computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

XXVI. Exceptional items:

An item of income or expense which by its size, nature or incidence requires disclosure in order to improve an understanding of the performance of the Company is treated as an exceptional item and disclosed separately in the financial statements.

XXVII. Use of Estimates and Judgements

The preparation of the Company's financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result

in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future period. Revisions in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

The Company makes estimates and assumptions concerning the future. The estimates and assumptions that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are summarised below:

Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the recoverable amounts of cash-generating units have been determined based on value in use calculations. These calculations require the use of estimates such as discount rates and growth rates.

Leases

Ind AS 116 Leases requires a lessee to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on lease by lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of lease and the importance of the underlying lease to the Company's operations taking into account the location of the underlying asset and the availability of the suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. The discount rate is based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

Notes to the Financial Statements

for the year ended December 31, 2021

Defined benefit plans

The liabilities and costs for defined benefit pension plans and other post-employment benefits are determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, future salary increases, mortality rates and future pension increases. Due to the long-term nature of these plans, such estimates are subject to significant uncertainty.

Provisions

Provisions are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The litigations and claims to which the Company is exposed are assessed by management and in certain cases with the support of external specialised lawyers.

Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognised.

Useful lives of Property, Plant and Equipment

The Company uses its technical expertise along with historical and industry trends for determining the economic life of an asset/component of an asset. The useful lives are reviewed by management periodically and revised, if appropriate. In case of a revision, the unamortised depreciable amount is charged over the remaining useful life of the asset.

Impairment of investments in subsidiaries, associates and joint ventures

Determining whether the investments in subsidiaries, associates and joint ventures are impaired requires an estimate of the value in use of investments. In considering the value in use, the management has anticipated the capacity utilisation of plants, operating margins, mineable resources and availability of infrastructure of mines, and other factors of the underlying businesses/operations of the investee Companies. Any subsequent changes to the cash flows due to changes in the above mentioned factors could impact the carrying value of investments.

Incentives under the State Industrial Policy

The Company's manufacturing units in various states are eligible for incentives under the respective State Industrial Policy. The Company accrues these incentives as refund claims in respect of VAT/GST paid, on the basis that all attaching conditions were fulfilled by the Company and there is reasonable assurance that the incentive claims will be disbursed by the State Governments.

The Company measures expected credit losses in a way that reflects the time value of money. Any subsequent changes to the estimated recovery period could impact the carrying value of Incentives receivable.

XXVIII. Recent Accounting Developments

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from January 01, 2022.

MCA issued notifications dated March 24, 2021 to amend Schedule III to the Companies Act, 2013 to enhance the disclosures required to be made by the Company in its financial statements. These amendments are applicable to the Company for the financial year starting January 01, 2022.

Notes to the Financial Statements

for the year ended December 31, 2021

Notes:

- Buildings include cost of shares ₹12,050 (*Previous year – ₹34,600*) in various Co-operative Housing Societies, in respect of 8 (*Previous year – 17*) residential flats.
- The Company is in the process of obtaining the title deeds of Freehold mining land of ₹131.53 Crore (*Previous year – ₹131.53 Crore*) and Building amounting to net block of ₹4.39 core (*Previous year – ₹ Nil*) which is included in Property, Plant and Equipment.
 - The title deeds of immovable properties included in Property, Plant and Equipment are held in the name of the Company except for 1 case of leasehold land (under ROU assets) amounting to net block of ₹1.98 Crore (*Previous year – ₹2.04 Crore*), 2 cases of freehold land amounting to net block of ₹1.37 Crore (*Previous year – ₹1.37 Crore*) and 2 cases of Buildings amounting to net block of ₹12.11 Crore (*Previous year – ₹11.18 Crore*) respectively as at December 31, 2021 for which title deeds are in the name of the erstwhile Company that merged with the Company.
- During the previous year, considering lower profitability due to higher input cost, the Company had suspended part of its operations at Madukkarai plant. The Company carried out a review of the recoverable amount of the tangible assets and capital work in progress used in the cement manufacturing facility at Madukkarai. The recoverable amount from such tangible assets and capital work in progress at Madukkarai plant was assessed to be lower than its total carrying amount and consequently an impairment loss of ₹176.01 Crore (including Capital work in progress ₹17.62 Crore) was recognised and disclosed as an exceptional item. The discount rate used in measuring recoverable value was 10.64 per cent per annum. The future cash flows are derived from the detailed budgets and forecast for the next three years. Steady growth rate of 4 per cent per annum is applied beyond the forecast period. There is no change on re-assessment in the current year.

In the current year out of the total impairment charge of ₹17.62 Crore on Capital work in progress, provision of ₹14.66 Crore has been transferred to tangible assets on capitalisation.

- Upon introduction of Ind AS 116 Leases effective January 01, 2020, all Finance Lease assets identified under the earlier Ind AS 17 Leases, were reclassified to Right of use assets.
- Capital work-in-progress as at December 31, 2021 is ₹1,240.75 Crore (*Previous year – ₹545.30 Crore*) comprises of expansions projects and others various projects.

Major Capital Work-in-Progress are related to following projects:

Project	₹ Crore	
	2021	2020
Greenfield integrated cement plant in Ametha	433.26	65.14
Expansion of the existing grinding unit in Tikaria	253.26	10.63
Expansion of the existing grinding unit in Sindri	-	168.36
Waste Heat Recovery System (WHRS)	128.17	38.08
Efficiency improvement and maintaining operating capacity	426.05	263.10
Total	1,240.74	545.31

There are no projects where activity has been suspended.

Refer Note – 48 for the amount of expenditures recognised in the carrying amount of Property, Plant and Equipment/ Capital work-in-progress (CWIP) in the course of its construction.

- Depreciation charge for the year include ₹0.07 Crore (*Previous year – ₹ Nil*) capitalised as pre-operative expenses (Refer Note – 48).
- For contractual commitment with respect to Property, Plant and Equipment, Refer Note – 39.

- v) There are no shares allotted as fully paid-up by way of bonus shares or allotted as fully paid-up pursuant to contract without payment being received in cash, or bought back during the period of five years immediately preceding the reporting date.

There are no securities which are convertible into equity shares.

NOTE 19: OTHER EQUITY

Refer Statement of Changes in Equity for detailed movement in Equity balance.

	As at December 31, 2021	As at December 31, 2020
Capital Reserve	67.81	67.81
Securities Premium	845.03	845.03
General Reserve	2,723.30	2,723.30
Capital contribution from parent	7.47	3.29
Retained earnings	10,396.83	8,834.02
Total	14,040.44	12,473.45

The description of the nature and purpose of each reserve within equity is as follows:

Capital Reserve: It represents the gains of capital nature which mainly includes the excess of value of net assets acquired over consideration paid by the Company for business amalgamation transaction in earlier years.

Securities Premium: The amount received in excess of face value of the equity shares is recognised in Securities Premium. The reserve is utilised in accordance with the specific provisions of the Companies Act, 2013.

General Reserve: The General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the General reserve will not be reclassified subsequently to the statement of profit and loss. As per Companies Act, 2013, transfer of profits to General reserve is not mandatory. General reserve is a free reserve available to the Company.

Capital Contribution from parent: Capital contribution from parent represents the fair value of the employee performance share plan. These shares are granted by the parent company "Holcim Ltd" to the executives and senior management of the Company.

Retained earnings: Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders. Retained earnings includes re-measurement loss/(gain) on defined benefit plans, net of taxes that will not be reclassified to Profit and Loss. Retained earnings is a free reserve available to the Company.

Effect of change in tax rate on deferred tax for the period January 01 to March 31, 2020	-	-	-	-	(2.88)	(0.24%)	(2.88)	(0.17%)
Income tax expense reported in the statement of profit and loss	640.12	26.02%	152.89	32.33%	119.95	9.87%	272.84	16.16%

Notes:

- The Company follows calendar year as financial year, therefore applicable statutory income tax rate is weighted average rate. The tax rate used for reconciliation above is the corporate tax rate payable by corporate entities in India on taxable profits under Indian tax law.
- The Government of India has inserted Section 115BAA in the Income Tax Act, 1961, which provides domestic companies an option to pay Corporate Tax at reduced rate effective April 01, 2019, subject to certain conditions. During the previous year ended December 31, 2020, The Company has adopted the option of reduced rate and accordingly, opening net deferred tax liability as on January 01, 2020 amounting to ₹179.57 Crore was reversed (net of reversal of deferred tax assets of ₹10.04 Crore in Other Comprehensive Income).

Notes to the Financial Statements

for the year ended December 31, 2021

Notes to the Financial Statements

for the year ended December 31, 2021

Reconciliation of revenue as per contract price and as recognised in Statement of Profit and Loss:

	For the year ended December 31, 2021	For the year ended December 31, 2020
Revenue as per Contract price	18,226.76	15,263.40
Less: Discounts and incentives	(2,412.36)	(1,776.57)
Revenue as per Statement of Profit and Loss	15,814.40	13,486.83

The amounts receivable from customers become due after expiry of credit period which on an average is less than 30 to 60 days. There is no significant financing component in any transaction with the customers.

The Company does not provide performance warranty for products, therefore there is no liability towards performance warranty.

The Company does not have any remaining performance obligation as contracts entered for sale of goods are for a shorter duration. There are no contracts for sale of services wherein performance obligation is unsatisfied to which transaction price has been allocated.

Disaggregation of revenue:

Refer Note 43 for disaggregated revenue information. The management determines that the segment information reported is sufficient to meet the disclosure objective with respect to disaggregation of revenue under Ind AS 115 Revenue from contract with customers.

NOTE 27: OTHER INCOME

	For the year ended December 31, 2021	For the year ended December 31, 2020

-	35.44	35.95	35.95	-

NOTE 36: EARNINGS PER SHARE – [EPS]

Refer Note 1 (xxv) for Earnings Per Share.

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity shareholders by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

₹ Crore		
	For the year ended December 31, 2021	For the year ended December 31, 2020
Profit attributable to equity shareholders (as per Statement of Profit and Loss)	1,820.27	1,414.94
Weighted average number of equity shares for Earnings Per Share computation		
Number of shares for Basic Earnings Per Share	18,77,87,263	18,77,87,263
Effect of dilution:		
Number of shares held in abeyance	5,06,656	4,55,369
(Movement in number of shares is on account of change in average fair value of share)		
Weighted average number of Equity shares adjusted for the effect of dilution	18,82,93,919	18,82,42,632
Earnings Per Share		
Face value per Share ₹	10.00	10.00
Basic ₹	96.93	75.35
Diluted ₹	96.67	75.17

NOTE 37: EMPLOYEE BENEFITS

Refer Note 1 (XVII) for accounting policy on Employee benefits

- a) **Defined Contribution Plans** – Amount recognised and included in Note 31 “Contributions to Provident and other Funds” of Statement of Profit and Loss ₹15.10 Crore (*Previous year – ₹15.97 Crore*).

- b) **Defined Benefit Plans** – As per actuarial valuation on December 31, 2021.

The Company has defined benefit gratuity, additional gratuity and Trust managed provident fund plan.

- i. The Company operates a Gratuity Plan through a trust for all its employees. Every employee who has completed minimum five years of service is entitled to gratuity at 15 days salary for each completed year of service in accordance with Payment of Gratuity Act, 1972. The scheme is funded with insurance companies in the form of qualifying insurance policies.
- ii. Every employee who has joined before December 01, 2005 and separates from service of the Company on Superannuation or on medical grounds is entitled to additional gratuity. The scheme is Non Funded. This plan was discontinued with effect from April 30, 2020 for all the eligible employees of management category and benefits accrued was disbursed to the employees.
- iii. Post Employment Medical Benefit plans – This plan was discontinued with effect from July 01, 2020.
- iv. Refer Note – (c) for Provident fund scheme.

Notes to the Financial Statements

for the year ended December 31, 2021

Governance and Investment Strategy

The gratuity and provident fund has the form of a trust and it is governed by the Board of Trustees. The Board of Trustees is responsible for the administration of the plan assets including investment of the funds in accordance with the norms prescribed by the Government of India. The trust has developed policy guidelines for the allocation of assets to different classes with the objective of controlling risk and maintaining the right balance between risk and long-term returns in order to limit the cost to the Company of the benefits provided. To achieve this, investments are well diversified, such that the failure of any single investment would not have a material impact on the overall level of assets.

Each year, the Board of Trustees and the Company review the level of funding. Such a review includes the asset-liability matching strategy and assessment of the investment risk. The Company decides its contribution based on the results of this annual review.

Every year an Asset-Liability – Matching study is performed in which the consequences of the investments are analysed in terms of risk and return profiles. The Board of Trustees, based on the study, takes appropriate decisions on the duration of instruments in which investments are done. As per the latest study, there is no Asset-Liability-Mismatch.

The plans in India typically expose the Company to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Investment risk – As the plan assets include significant investments in quoted debt and equity instruments, the Company is exposed to the risk of impacts arising from fluctuation in interest rates and risks associated with equity market.

Interest risk – A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

Longevity risk – The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk – The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Defined Benefit Plans as per Actuarial valuation on December 31, 2021

(Figures in italics pertain to previous year).

Notes to the Financial Statements

for the year ended December 31, 2021

VI. Sensitivity Analysis:

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

Sensitivity Analysis as at December 31, 2021

Particulars	Gratuity - Funded		Gratuity - Unfunded	
	Increase		Decrease	
	Increase	Decrease	Increase	Decrease
Discount rate (1% movement)	(13.66)	15.59	(6.98)	8.07
Future salary growth (1% movement)	15.40	(13.75)	7.76	(6.86)

₹ Crore

Sensitivity Analysis as at December 31, 2020

Particulars	Gratuity - Funded		Gratuity - Unfunded	
	Increase		Decrease	
	Increase	Decrease	Increase	Decrease
Discount rate (1% movement)	(14.58)	17.07	(7.85)	9.11
Future salary growth (1% movement)	16.39	(14.54)	8.07	(7.68)

₹ Crore

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation recognised in the Balance Sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from previous year.

VII. The major categories of plan assets as a percentage of total plan (%)

	Gratuity	
	As at December 31, 2021	As at December 31, 2020
Debt instruments		
Government securities	70%	63%
Debentures and bonds	26%	32%
Equity shares	2%	3%
Cash and cash equivalents		
Fixed deposits	2%	2%
	100%	100%

VIII. Actuarial Assumptions:

	As at December 31, 2021	As at December 31, 2020
a) Financial Assumptions		
1 Discount rate	6.75%	6.25%
2 Salary increase rate	7.00%	7.00%
b) Demographic Assumptions		
1 Retirement age	60 years	60 years
2 Expected average remaining working lives of employees	10 years	10 years
3 Disability rate	5.00%	5.00%
4 Mortality pre-retirement	Indian Assured Lives Mortality (2012-14) (Modified) Ultimate	Indian Assured Lives Mortality (2012-14) (Modified) Ultimate

c) The discount rate is based on the prevailing market yields of Government of India securities as at the Balance Sheet date for the estimated term of the obligations.

d) The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Notes to the Financial Statements

for the year ended December 31, 2021

e) Expected cash flows:

Particulars	Funded Gratuity		Unfunded Gratuity	
	As at December 31, 2021	As at December 31, 2020	As at December 31, 2021	As at December 31, 2020
1. Expected employer contribution in the next year	-	-		
2. Expected benefit payments				
Year 1	29.81	27.60	11.58	7.49
Year 2	23.56	27.86	8.30	9.03
Year 3	23.93	24.56	8.15	9.50

Year 5	17.65	21.52	8.41	10.40
Next 5 years	77.96	78.30	35.96	39.90
Total expected payments	194.81	204.71	81.35	85.34

- f) Post employment defined benefit plan expenses are included under employee benefit expenses in the Statement of Profit and Loss.
- g) **Other Long-term employee benefits** – Amount recognised as an expense under employee benefit expenses in the Statement of Profit and Loss in respect of compensated absences and long service award is ₹8.57 Crore (*Previous year – ₹17.14 Crore*) Following are the actuarial assumptions used for valuation of Other Long-term employee benefits.

Actuarial Assumptions for valuation of Other Long-term employee benefits	As at December 31, 2021	As at December 31, 2020
a) Financial Assumptions		
1 Discount rate	6.75%	6.25%
2 Salary increase rate	7.00%	7.00%
b) Demographic Assumptions		
1 Retirement age	60 years	60 years
2 Expected average remaining working lives of employees	10 years	10 years
3 Disability rate	5.00%	5.00%
4 Mortality pre-retirement	Indian Assured Lives Mortality (2012-14) (Modified) Ultimate	Indian Assured Lives Mortality (2012-14) (Modified) Ultimate

c) Provident Fund

Provident Fund for certain eligible employees is managed by the Company through a trust "The Provident Fund of ACC Ltd", in line with the Provident Fund and Miscellaneous Provisions Act, 1952. The plan guarantees interest at the rate notified by the Provident Fund Authorities. The contribution by the employer and employee together with the interest accumulated thereon are payable to employees at the time of separation from the Company or retirement, whichever is earlier. The benefits vests immediately on rendering of the services by the employee.

The minimum interest rate payable by the trust to the beneficiaries every year is notified by the Government. The Company has an obligation to make good the shortfall, if any, between the return from the investments of the trust (including investment risk fall) and the notified interest rate. The exempt provident fund set up by the Company is a defined benefit plan under Ind AS 19 Employee Benefits.

* The Provident Fund of ACC Limited (Trust) had invested ₹49 Crore in perpetual bonds of IL&FS Financial Services Limited. In view of uncertainties regarding recoverability of this investment, in 2019 the Company provided ₹49 Crore being the change in re-measurement of the defined benefit plans towards probable incremental employee benefit liability that may arise on the Company on account of any likely shortfall of the Trust in meeting its obligations.

VI. The major categories of plan assets as a percentage of total plan

Particulars	As at December 31, 2021	As at December 31, 2020
Debt instruments		
Government securities	56%	57%
Debentures and bonds	12%	9%
Equity instruments	12%	12%
Cash and Cash equivalent	20%	22%
	100%	100%

VII. The assumptions used in determining the present value of obligation of the interest rate guarantee under deterministic approach are:

Particulars	As at December 31, 2021	As at December 31, 2020
Discounting rate	6.75%	6.25%
Guaranteed interest rate	8.50%	8.50%
Yield on assets based on the Purchase price and outstanding term of maturity	8.10%	8.10%

VIII. Sensitivity analysis for factors mentioned in Actuarial Assumptions

Particulars	₹ Crore	
	As at December 31, 2021	As at December 31, 2020
	Increase	Increase
Discount rate (1% movement)	(4.26)	(4.45)
Interest rate guarantee (1% movement)	58.05	56.54
	Decrease	Decrease
	(30.17)	(29.37)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Notes to the Financial Statements

for the year ended December 31, 2021

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from previous year.

IX. The Company expects to contribute ₹25.00 Crore (*Previous year – ₹25.00 Crore*) to trust managed Provident Fund in the next year.

NOTE 38: LEASES

Refer Note 1 (XXI) for accounting policy on Leases.

Company as lessee

The Company's lease asset classes primarily consist of leases for grinding facility, godowns, flats, land, Plant and Equipment, office premises and other premises. There are no restrictions imposed by lease arrangements. There are no subleases.

(I) As at December 31, 2021, commitments for leases not yet commenced is ₹ Nil (*Previous year – ₹37.80 Crore*) towards a leasehold land with lease term of 30 years.

(II) The movement in lease liabilities during the year ended December 31, 2021 is as follows :

	As at December 31, 2021	As at December 31, 2020
Balance at the January 01	102.48	131.61
Additions During the Year	51.37	8.20
Finance cost accrued during the year	9.37	9.80
Lease modification	-	(7.46)
Payment of lease liabilities	(35.99)	(24.59)
Termination of Lease contracts	(1.65)	(15.08)
Balance at December 31	125.58	102.48
Current lease liabilities	24.21	18.50
Non-current lease liabilities	101.37	83.98

(III) The maturity analysis of lease liabilities are disclosed in Note 50 (ii) – Liquidity risk

(IV) Lease expenses recognised in Statement of Profit and Loss, not included in the measurement of lease liabilities:

	For the year ended December 31, 2021	For the year ended December 31, 2020
Expense relating to short-term leases	65.19	48.98
Expense relating to leases of low- value assets	0.04	0.04
Expense in respect of variable lease payments	42.03	28.40
	107.26	77.42

NOTE 39: CAPITAL AND OTHER COMMITMENTS

Estimated amount of contracts remaining to be executed on capital account and not provided for:

	As at December 31, 2021	As at December 31, 2020
A) Estimated value of contracts on capital account remaining to be executed (Net of advance)	933.85	1,071.07
B) For commitments relating to lease arrangements, Refer Note – 38		

Notes to the Financial Statements

for the year ended December 31, 2021

NOTE 40: CONTINGENT LIABILITIES NOT PROVIDED FOR

Refer Note 1 (XIII) for accounting policy on Contingent liabilities.

(A) Claims against the Company not acknowledged as debt:

Disputed claims/levies in respect of:

		₹ Crore	
Nature of Statute	Brief Description of Contingent Liabilities	As at December 31, 2021	As at December 31, 2020
Competition Act, 2002	CCI matter - Refer Notes a & b below	1,878.34	1,749.85
The Income Tax Act, 1961	Income tax matter related to excise duty incentives in the nature of capital receipts including interest u/s 244A. Refer Note e below	604.44	604.44
Service Tax – The Finance Act, 1994	Dispute regarding place of removal. Refer Note c below	91.89	90.53
The Mineral Concession Rules	Compensation for use of Government land. Refer Note d below	212.22	212.22
Sales Tax Act/Commercial Tax Act of various states	Packing Material - Differential rate of tax. Matters pending with various authorities.	11.53	20.52
	Other Sales tax matters	6.77	9.65
Customs Duty – The Customs Act, 1962	Demand of duty on import of Steam Coal during 2001 to 2013 classifying it as Bituminous Coal.	30.97	30.97
Other Statutes/Other Claims	Claims by suppliers regarding supply of raw material.	28.80	28.80
	Demand of water drawal charges, Special Leave petition (SLP) pending with Hon'ble Supreme Court.	9.80	9.80
	Various other cases pertaining to claims related to Railways, labour laws, etc.	10.05	10.05
Mines and Minerals (Development and Regulation) Act	Demand of additional Royalty on Limestone based on ratio of cement produced vis a vis consumption of limestone.	7.93	7.93
	Total	2,892.74	2,774.76

In respect of above matters, future cash outflows are determinable only on receipt of judgements pending at various forums/authorities.

The Company does not expect any reimbursements in respect of the above contingent liabilities.

The Company has reviewed all its pending litigations and proceedings, and has adequately provided where required and disclosed as contingent liabilities where applicable, in its financial statements. The Company does not expect the outcome of these proceedings to have a materially adverse effect on its financial position.

- a) In 2012, the Competition Commission of India ('CCI') issued an Order imposing penalty on certain cement manufacturers, including the Company, concerning alleged contravention of the provisions of the Competition Act, 2002, and imposed a penalty of ₹1,147.59 Crore on the Company. On Company's appeal, Competition Appellate Tribunal ('COMPAT'), initially stayed the penalty, and by its final order dated December 11, 2015, set aside the order of the CCI, remanding the matter back to the CCI for fresh adjudication and for passing a fresh order.

After hearing the matter, the CCI had, by its order dated August 31, 2016, held that the cement companies and the Cement Manufacturers Association (CMA) are guilty and in violation of the Section 3(1) read with Section 3(3)(a) and Sec 3 (3)(b) of the Competition Act and imposed a penalty of ₹1,147.59 Crore on the Company.

The Company had appealed against the penalty to the Competition Appellate Tribunal ('COMPAT') which granted a stay on November 07, 2016 with a condition to deposit 10% of the penalty amount, which was deposited and levy of interest of 12% p.a. in case the appeal is decided against the appellant (the "Interim order"). Interest amount on penalty as on December 31, 2021 is ₹695.43 Crore (Previous year – ₹566.94 Crore). COMPAT was replaced by the National Company Law Appellate Tribunal (NCLAT) effective May 26, 2017, who vide its judgement dated July 25, 2018, dismissed the Company's appeal and upheld the CCI's order.

Against the above judgement of NCLAT, the Company appealed before the Hon'ble Supreme Court, which by its order dated October 05, 2018 had admitted the appeal and directed that the interim order passed by the Tribunal in this case will continue in the meantime.

Based on the advice of external legal counsel, the Company believes it has a strong case on merits for successful appeal in this matter. Accordingly, the Company is of the view that no provision is necessary in the financial statements.

- b) In a separate matter, the Director, Supplies and Disposal, Haryana filed information that seven cement companies had engaged in collusive bidding in contravention of the Competition Act. CCI by its order dated January 19, 2017 imposed a

Notes to the Financial Statements

for the year ended December 31, 2021

penalty of ₹35.32 Crore on the Company. On Company's filing an appeal, COMPAT had stayed the penalty. Matter is now listed before NCLAT and is pending for hearing.

Based on the advice of external legal counsel, the Company believes it has a strong case on merits for a successful appeal in this matter. Accordingly, the Company is of the view that no provision is necessary in the financial statements.

- c) The dispute is regarding whether the "place of removal" is the "factory gate/Depot" or "destination point of customer" for availment of Service Tax Credit on "Outward Transportation cost" of Cement when sales is on F.O.R. basis. The Department has alleged that, the freight cost for transportation of Cement beyond factory gate and Depot being the place of removal, is not "Input Service" and therefore the Service Tax Credit on such services cannot be availed. The Service Tax Department issued show cause notice (SCN) and demand orders against which the Company has filed Appeal with the CESTAT.

In the case of Gujarat Ambuja Cement Limited, the Punjab & Haryana (P&H) High Court has decided that the matter in favour of assessee relying on Board Circular dated August 23, 2017, to which Department has not challenged and hence the same has attained finality. Hon'ble Supreme Court, vide Order dated January 01, 2018 in the case of Commissioner, of Central Excise (CCE), Raipur V/s Ultratech Cement (Chhattisgarh State) has allowed Service Tax Credit on GTA Services and dismissed the Departmental Appeal. In another decision, Hon'ble Supreme court, vide Order dated February 01, 2018 in the case of CCE Bangalore V/s Ultratech Cement (Karnataka state) has disallowed such Service Tax Credit on GTA Services. Similar matter of M/s Mangalam Cement is pending before Hon'ble Supreme Court remanded to High Court for deciding whether decision of Ultratech (Karnataka State) will be applicable or not.

Based on the advice of the external legal counsel, conflicting decisions of various courts and Central Board of Indirect Taxes and Customs (CBIC) Circular, the Company believes that matter is a possible case. The Company strongly believes no provision is considered necessary at this stage.

- d) The Company has received demand notice dated May 10, 2013 from the Government of Tamil Nadu, and an Order dated August 22, 2019 passed by the Collector, Coimbatore seeking Annual Compensation for the period from 01.04.1997 to 31.03.2014 and 01.04.2014 to 31.03.2019, amounting to ₹73.46 Crore and ₹138.76 Crore respectively for use of the Government land for mining, which land the Company occupies on the basis of the Mining Leases. Despite the Company paying royalty at the prescribed rate for the Minerals extracted from the leased land and paying surface rent regularly as per Rules, the Authorities have issued the demand letters calling upon the Company to pay compensation for use of Government land. The Company has challenged the demands by way of Revision under the Mineral Concession Rules and in Writ Petitions before the Hon'ble High Court of Tamil Nadu at Chennai, and in a Petition has obtained an order restraining the State from taking coercive steps.

Pending the same the High Court of Tamil Nadu in the group Writ Petitions of other cement manufacturers viz. Dalmia Cements, Madras Cements and others has passed a judgement dated November 20, 2019 allowing annual compensation to be collected by the state under rule 72 of MCR in respect of Government Poramboke Land. The Company has filed a Writ Appeal against the Judgement dated November 20, 2019 passed in Dalmia Cements, Madras Cements and others.

One of the above Petition challenging the demand for the period 01.04.2014 to 31.03.2019, is disposed of against the Company by the High Court vide order dated December 14, 2021 in line with judgement dated November 20, 2019. The Company is in the process of filing a Writ Appeal before the Divisional bench of High Court against this judgement.

The Company is of the view and has been advised legally, that the merits are strongly in its favour.

- e) The Company was entitled to excise incentives from Government at its Gagal plant located in the State of Himachal Pradesh, in respect of Income tax assessment years 2006-07 to 2015-16. The Company contended that the said incentives are in the nature of capital receipts and hence not liable to income tax. The Income tax department had initially not accepted this position and appeals were pending with the Commissioner of Income tax-appeals (CIT-A).

During the year 2018, the matter was decided in the favour of the Company for three years by the (CIT-A), against which the department has filed an appeal with the ITAT. Two more years orders were received later deciding on the same line.

In view of the series of repeated favourable orders by the Income tax department, after considering the legal merits of the Company's claim, including *inter alia*, the ratio of the decisions of Hon'ble Supreme Court, and the pattern of favourable orders by the department including favourable disposal of the Company's appeal by the CIT (A), as mentioned above, the Company reassessed the risk and concluded that the risk of an ultimate outflow of funds for this matter is no longer probable. This was backed by an expert's opinion on the matter.

The department had issued show cause notices for revisionary proceedings under Section 263 of the Income-Tax Act, 1961 in the year 2018 in respect of excise incentives for two years. On appealing against 263 order, the ITAT had directed the Assessing Officer to re-examine and take final decision independently. Against ITAT order, appeal is pending before

Notes to the Financial Statements

for the year ended December 31, 2021

High Court. In 2021, AO has re-examined the matter (as per ITAT's direction) and disallowed the claim. The appeal is filed before CIT(A).

Pending final closure of this matter, tax amount of ₹500.63 Crore (*Previous year – ₹500.63 Crore*) along with interest payable of ₹103.81 Crore (*Previous year – ₹103.81 Crore*) has been disclosed as contingent liabilities.

(B) Guarantees excluding financial guarantees

Particulars	As at December 31, 2021	As at December 31, 2020
	₹ Crore	₹ Crore
Guarantees given to Government Bodies on behalf of subsidiary companies	0.87	0.04

NOTE 41: MATERIAL DEMANDS AND DISPUTES RELATING TO ASSETS AND LIABILITIES CONSIDERED AS REMOTE BY THE COMPANY

- a) The Company had availed sales tax incentives in respect of its new 1 MTPA Plant (Gagal II) under the Himachal Pradesh (HP) State Industrial Policy, 1991. The Company had accrued sales tax incentives aggregating ₹56 Crore. The Sales tax authorities introduced certain restrictive conditions after commissioning of the unit stipulating that incentive is available only for incremental amount over the base revenue and production of Gagal I prior to the commissioning of Gagal II. The Company contends that such restrictions are not applicable to the unit as Gagal II is a new unit, as decided by the HP Hon'ble High Court and confirmed by the Hon'ble Supreme Court while determining the eligibility for transport subsidy. The Department recovered ₹64 Crore (tax of ₹56 Crore and interest of ₹8 Crore) which is considered as recoverable.

The HP Hon'ble High Court, had, in 2012, dismissed the Company's appeal. The Company believes the Hon'ble High Court's judgement was based on an erroneous understanding of certain facts and legal positions and that it also failed to consider certain key facts. The Company has been advised by legal experts that there is no change in the merits of the Company's case. Based on such advice, the Company filed a Special Leave Petition (SLP) before the Hon'ble Supreme Court, which is pending for hearing.

- b) The Company was eligible for certain incentives in respect of its investment towards modernisation and expansion of the Chaibasa Cement Unit pursuant to confirmation received under the State Industrial Policy of Jharkhand. Accordingly, the Company has made claims for refund of VAT paid for each financial year. However, no disbursements were made (except an amount of ₹7 Crore representing part of the One Time Lumpsum capital subsidy claim of ₹15 Crore) as the authorities have raised new conditions and restrictions, that were extraneous to the approvals and confirmations expressly received by the Company. The Company had filed two writ appeals before the Jharkhand Hon'ble High Court against these conditions, restrictions and disputes to the extent of the eligible claims which are now being sought to be effected/raised by the Government.

The Division Bench of the Jharkhand Hon'ble High Court, while dealing with appeals by both the Company and the State Government, against a single bench order only partially allowing the Company's claim, in its order dated February 24, 2015, allowed the Company's appeal in totality while dismissing the Government's appeal, thereby confirming that the entire amount claimed by the Company is correct and hence payable immediately.

The Government of Jharkhand had filed an Special Leave petition (SLP) in the Hon'ble Supreme Court against the order of the division bench, which was admitted. In its interim order, the Supreme Court had, while not staying the Division Bench Order, had only stayed disbursement of 40% of the amount due. Consequently, as of date, the Company received only ₹64 Crore out of total ₹235 Crore in part disbursement from the Government of Jharkhand.

The Company is pursuing the matter of disbursement of further amounts outstanding.

The Company is of the view and has been advised legally, that the merits are strongly in its favour and it expects that the SLP will be rejected upholding the order of the Division bench of the Jharkhand Hon'ble High Court by the Apex Court.

- c) The Company is eligible for incentives for one of its cement plants situated in Maharashtra, under a Package Scheme of Incentives of the Government of Maharashtra. The scheme *inter alia*, includes refund of royalty paid by the Company on extraction or procurement of various raw materials (minerals). The Department of Industries has disputed the Company's claim for refund of royalty on an erroneous technical interpretation of the sanction letter issued to the Company, that only the higher of the amount of (i) VAT refund and (ii) royalty refund claim amounts, each year, shall be considered. The Company maintains that such annual restriction is not applicable as long as the cumulative limit of claim does not exceed the amount of eligible investment. The Company has accrued an amount of ₹133 Crore (*Previous year – ₹133 Crore*) on this account. The Company has filed an appeal before the Bombay High Court challenging the stand of the Government, which is admitted and pending before the High Court for hearing on merit. The Company is of the view and has been advised legally, that the merits are strongly in its favour.

Notes to the Financial Statements

for the year ended December 31, 2021

- d) The Company had set up a captive power plant ('Wadi TG 2') in the year 1995-96. This plant was sold to Tata Power Co Ltd, in the year 1998-99 and was subsequently repurchased from it in the year 2004-05. The Company had purchased another captive power plant ('Wadi TG 3', set up by Tata Power Co Ltd in the year 2002-03) in 2004-05. Both these power plants were eligible for tax holiday under the provisions of Section 80-IA of the Income-tax Act, 1961. The Income tax department has disputed the Company's claim of deduction under Section 80-IA of the Act, on the ground that the conditions prescribed under the Section are not fulfilled. In case of Wadi TG 2, in respect of the demand of ₹56.66 Crore (net of provision) (*Previous year – ₹56.66 Crore*), the Company is in appeal before the ITAT and in case of Wadi TG 3 in respect of the demand of ₹115.62 Crore (*Previous year – ₹115.62 Crore*), which was set aside by the ITAT, the Department is in appeal against the decision in favour of the Company. The Company believes that the merits of the claims are strong and will be allowed.
- e) One of the Company's cement manufacturing plants located in Himachal Pradesh was eligible, under the State Industrial Policy for deferral of its sales tax liability arising on sale of cement manufactured at that plant. The Excise and Taxation department of the Government of Himachal Pradesh, disputed the eligibility of the Company to such deferment on the ground that the Company also manufactures an intermediate product, viz. Clinker, arising in the manufacture of cement, and such intermediate product was in the negative list. A demand of ₹82.37 Crore (*Previous year – ₹82.37 Crore*) was raised. The Company filed a writ petition before the Hon'ble High Court of Himachal Pradesh against the demand. The case has been admitted and the hearing is in process. The Company believes its case is strong and the demand is unlikely to sustain under law.
- f) The Company was contesting the renewal of mining lease in state of Jharkhand for two of its quarries on lease. There was an unfavourable order by the Hon'ble Supreme Court in judgement on Goa Foundation case, restricting the "deemed renewal" provision of captive mining leases to the first renewal period. The Company received demand from District Mining Officer for ₹881 Crore as penalty for alleged illegal mining activities carried out by the Company during January 1991 to September 2014.

On January 02, 2015, the Central Government promulgated the Mines and Minerals (Development and Regulation) Amendment) Ordinance, 2015 [subsequently enacted as Mines and Minerals (Development and Regulation) (Amendment) Act, 2015 in March 2015] amending mining laws with retrospective effect, and decided that all leases granted prior to ordinance will deemed to have been automatically renewed until prescribed period therein.

The Company then filed a writ petition with High Court of Jharkhand, challenging the aforesaid memos from the State Government for directing the State government to renew both the leases up to March 2030 as per the Ordinance.

On October 31, 2015 the High Court passed an interim order in terms of Section 8A(5) of the Ordinance for quarry II extending the lease up to March 2030 permitting the Company to commence mining operations after depositing ₹48 Crore, being assessed value of materials dispatched between April 2014 to September 2014 (being the alleged period of illegality) subject to the outcome of the petition filed by the Company.

The Company's assessment coupled with legal advice is that the case shall not stand the test of judicial scrutiny basis the automatic renewal.

* During the previous year, the Company divested 100% stake in National Limestone Company Private Limited ('NLCPL') under a Share Purchase Agreement dated November 18, 2020 for a consideration of ₹20 Crore and the outstanding Inter-Corporate Loans granted by the Company to the NLCPL including accrued interest as on the date of transfer of the shares of NLCPL was written off.

** Reimbursements and cost sharing expenses receivable from the Group companies written off in previous year.

*** Provision for contribution to gratuity fund, leave encashment on retirement and other defined benefits which are made based on actuarial valuation on an overall Company basis are not included in remuneration to key management personnel.

^ Paid performance incentive for the year 2020 in April 2021 on pro rata basis for the period January 01, 2020 to February 20, 2020.

^^ Paid performance incentive for the year 2020 in April 2021 on pro rata basis for the period January 01, 2020 to August 31, 2020.

Waived their right to receive Directors' commission and sitting fees.

- The Company makes monthly contributions to provident fund managed by "The Provident Fund of ACC Ltd" for certain eligible employees. Under the scheme, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. During the year, the Company contributed ₹25.46 Crore (Previous year – ₹24.31 Crore).
- The Company maintains gratuity trust for the purpose of administering the gratuity payment to its employees (ACC limited Employees Group Gratuity scheme). During the year, the Company contributed ₹ Nil (Previous year – ₹25.00 Crore).
- During the year the Company has contributed ₹16.00 Crore (Previous year – ₹27.24 Crore) to ACC Trust towards Corporate social responsibility obligations.
- Transactions with related parties disclosed are inclusive of applicable taxes.

Terms and conditions of transactions with related parties

Sales and purchases

The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions.

Loans to subsidiaries:

The Company had given loans to subsidiaries for general corporate purposes. Outstanding balances at the year-end are unsecured and carry an interest rate of 7% (Previous year – 9%) and repayable on demand.

##Guarantees given on behalf of subsidiaries:

Guarantee given on behalf of Singhania Minerals Private Limited and Bulk Cement Corporation (India) Limited, subsidiary companies is for the purpose of approval of mining plan and compliance with Pollution Control requirements respectively.

NOTE 43: SEGMENT REPORTING

Refer Note 1 (XXII) for accounting policy on Segment Reporting

For management purposes, the Company is organised into business units based on the nature of the products, the differing risks and returns. The organisation structure and internal reporting system has two reportable segments, as follows:

- Cement** – Cement is a product which is obtained from clinker resulting from mixing the raw materials such as limestone, clay, iron ore, fly ash, bauxite, etc, in determined ratios. Clinker is then mixed with certain amount of setting regulator (generally gypsum) which is ground together and set after mixing with water and gains strength to make Cement. In general, it is used in construction activities.
- Ready-Mix Concrete** – Ready-Mix Concrete is concrete that is manufactured in a batch plant, according to a set engineered mix design. In general, it is used in construction activities.

No operating segments have been aggregated to form the above reportable operating segments.

Notes to the Financial Statements

for the year ended December 31, 2021

The Chief Operating Decision Maker ("CODM") monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. However, the Company's financing (including finance costs and finance income) and income taxes are managed on a Company basis and are not allocated to operating segments.

Transfer prices between operating segments are on an arm's length basis in a manner similar to transactions with third parties.

NOTE 44: DETAILS OF DUES TO MICRO AND SMALL ENTERPRISES AS DEFINED UNDER THE MICRO, SMALL AND MEDIUM ENTERPRISES DEVELOPMENT ACT, 2006*

	As at December 31, 2021	As at December 31, 2020
a) The principal amount and the interest due thereon remaining unpaid to any supplier at the end of each accounting year:		
Principal amount due to micro and small enterprises (Not overdue)	17.11	6.29
Principal amount due to micro and small enterprises (overdue)	8.22	-
Interest due on overdue	0.20	-
b) The amount of interest paid by the buyer in terms of Section 16 of the Micro, Small and Medium Enterprises Development Act, 2006, along with the amount of the payment made to the supplier beyond the appointed day during each accounting year.	-	-
c) The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under Micro, Small and Medium Enterprises Development Act, 2006.	-	-
d) The amount of interest accrued and remaining unpaid at the end of each accounting year.	-	-
e) The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under Section 23 of Micro, Small and Medium Enterprises Development Act, 2006.	-	-

*This information has been determined to the extent such parties have been identified on the basis intimation received from the "suppliers" regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006.

NOTE 45:

In assessing the carrying amounts of Investments (net of impairment loss) in companies which are currently not in operation, the Company considered various factors as detailed below:

- The Company had invested ₹38.10 Crore (*Previous year - ₹38.10 Crore*) in equity shares of Lucky Minmat Limited (LML), a wholly owned subsidiary company. In view of no mining activity being carried out in view of ongoing litigation on transfer of lease rights and amendments brought in to the Mines and Minerals (Development and Regulations) Amendment Act, 2021, the Company has reassessed the value of investments and accordingly, during the year ended December 31, 2021, there is a charge of ₹38.10 Crore in respect of impairment in the value of investment.
- The Company has investment in ACC Mineral Resources Limited (AMRL), a wholly-owned subsidiary of ₹106.80 Crore (*Previous year – ₹106.80 Crore*). AMRL, through its joint operations had secured development for four coal blocks allocated to Madhya Pradesh State Mining Corporation Ltd. These allocations stand cancelled pursuant to the judgement of Supreme Court dated August 25, 2014 read with its order dated September 24, 2014.

The Government of India has commenced auctioning process for all such blocks in a phased manner. The auctioning for Bicharpur, being one of the four blocks, was completed, with the block being awarded to the successful bidder vide vesting order dated March 23, 2015. In respect of Bicharpur coal block, AMRL had filed a writ petition with the Delhi High Court against the compensation fixed by Ministry of Coal up to March 31, 2014. The Hon'ble Delhi High Court issued its judgement on March 09, 2017 wherein the court has said that "whatever has transpired after March 31, 2014 and goes towards affecting the quantum of compensation for mine infrastructure, must also be taken into account." Accordingly a fresh claim has been filed with Ministry of Coal for reimbursement of expenses incurred up to the date of vesting order. The decision / valuation of our claim by Ministry of Coal is awaited. The auction of remaining three coal blocks has not yet taken place.

Notes to the Financial Statements

for the year ended December 31, 2021

The Company had assessed the recoverability of amount incurred on development of these coal blocks and accordingly investment of ₹42.81 Crore was impaired in the previous years.

Based on above the Company has concluded that no further impairment is necessary. (Refer Note – 37 of the consolidated financial statements for Group information).

- (iii) The Company has investment of ₹2.50 Crore (*Previous year – ₹2.50 Crore*) in equity shares of OneIndia BSC Private Limited ('BSC'), joint venture of ACC Limited ('the Company'). BSC is engaged in the business of providing business shared services. The Master service agreement (MSA) for these services was entered for a period of 5 years ended December 31, 2020. The MSA agreement is not renewed. Accordingly, the financial statements of BSC for the year ended December 31, 2021 has not been prepared on going concern basis. BSC is currently not under liquidation. The management believes that amount of investment in BSC is recoverable and no impairment is necessary given the positive net worth of ₹13.34 Crore and net current assets value of ₹10.59 Crore as at December 31, 2021.

NOTE 46:

- (i) The Company has arrangements with an associate company whereby it sells clinker and purchases cement manufactured out of such clinker. While the transactions are considered as individual sale/purchase transactions for determination of taxable turnover and tax under GST laws, considering the accounting treatment prescribed under various accounting guidance, revenue for sale (excluding GST) of such clinker of ₹16.15 Crore (*Previous year – ₹11.08 Crore*) has not been recognised as a part of the turnover but has been adjusted against cost of purchase of Cement so converted. This transaction has been identified in the nature of lease. (Refer Note – 38)
- (ii) The Company has arrangement with a Joint venture company whereby it purchases Ready-Mix Concrete and sells that to external customers. While the transactions are considered as individual sale/purchase transactions for determination of taxable turnover and tax under GST laws, considering the Joint venture essentially operates as a risk bearing licensed manufacturer of Ready-Mix Concrete in relation to the Company's local sales, this arrangement is considered in nature of royalty arrangement and revenue for sale (excluding GST) of such Ready-Mix Concrete to customer of ₹126.19 Crore (*Previous year – ₹73.18 Crore*) has not been recognised as a part of the turnover but has been adjusted against cost of purchase of Ready-Mix Concrete.

NOTE 47: DISCLOSURE PURSUANT TO SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015 AND SECTION 186 (4) OF THE COMPANIES ACT, 2013:

Nature of the transaction (loans given/ investment made/ guarantee given/ security provided)	Purpose for which the loan/ guarantee/ security is proposed to be utilised by the recipient	As at December 31, 2021 *	Maximum Balance during the Year *	₹ Crore

- (b) Details of Investments made are given in Note 5.
- (c) Guarantee given on behalf of Singhania Minerals Private Limited, wholly-owned subsidiary company, of ₹0.77 Crore (*Previous year – ₹0.04 Crore*) are for the purpose of approval of mining plan.
- (d) Guarantee given on behalf of Bulk Cement Corporation (India) Limited, subsidiary company, of ₹0.10 Crore (*Previous year – ₹ Nil*) is for the compliance of Pollution Control.
- (e) The loanees have not made any investments in the shares of the Company.
- (f) The above loans are repayable on demand and carries rate of interest at 7% p.a. (*Previous year – 9% p.a.*).

Notes to the Financial Statements

for the year ended December 31, 2021

NOTE 48: CAPITALISATION OF EXPENDITURE

During the year, the following amount of expenditures are recognised in the carrying amount of Property, Plant and Equipment /Capital work-in-progress (CWIP) in the course of its construction. Consequently, expenses disclosed under the respective notes to the Statement of Profit and Loss are net of amounts capitalised by the Company.

	₹ Crore	
	2021	2020
Balance at the beginning of the year	39.09	17.53
Expenditure during construction for projects:		
Employee benefits expense*	27.75	23.43
Rates and taxes**	-	0.80
Power and fuel**	1.22	0.56
Depreciation	0.07	-
Miscellaneous expenses**	1.41	2.02
Total	69.54	44.34
Less: Capitalised during the year	10.25	5.25
Balance at the end of the year	59.29	39.09

* Employee benefits expense represents cost of departments associated with the projects which are directly attributable to the construction and acquisition of Property, Plant and Equipment.

** Miscellaneous expenses, power and fuel and rates and taxes are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management.

NOTE 49: FINANCIAL INSTRUMENTS

(A) Categories of financial instruments

		₹ Crore	
		Carrying value	
Particulars	Note No.	As at December 31, 2021	As at December 31, 2020
Financial assets			
1. Measured at Fair value through profit or loss (FVTPL)			
(a) Mandatorily measured:			
Investment in Unquoted equity shares	6	14.70	4.50
Cash and cash equivalents – Mutual funds	12	345.23	580.09
(b) Designated as at FVTPL		-	-
2. Measured at amortised cost			
Cash and cash equivalents (Certificates of deposits and other deposits)	12	250.00	250.00
Other Cash and cash equivalents (Balances with banks)	12	6,652.00	4,904.82
Bank balances other than Cash and Cash Equivalents	13	156.94	156.17
Investments in Bonds	6	3.70	3.70
Security deposits (Current and Non-Current)	8 & 15	207.66	174.89
Loans and Other financial assets (Current and Non-Current)	7, 8, 14 & 15	979.07	926.19
Trade receivables	11	489.18	451.53
3. Measured at fair value through Other Comprehensive Income		-	-
Total		9,098.48	7,451.89

		₹ Crore	
		As at December 31, 2021	As at December 31, 2020
Financial liabilities			
1. Measured at FVTPL			
Foreign currency forward contract	23	-	0.28
2. Measured at amortised cost			
Trade payables		1,899.21	1,416.30
Security deposits and retention money	23	792.37	801.26
Lease Liabilities		125.58	102.48
Other financial liabilities	23	334.83	205.80
Total		3,151.99	2,526.12

The management assessed the carrying values of Other Cash and cash equivalents, Bank balances other than cash and cash equivalents, trade receivables, trade payables and other financial liabilities (except derivative financial instruments) approximate their carrying amounts largely due to the short-term maturities of these instruments.

Notes to the Financial Statements

for the year ended December 31, 2021

(B) Income, Expenses, Gains or Losses on Financial Instruments

Interest income and expenses, gains or losses recognised on financial assets and liabilities in the Statement of Profit and Loss are as follows:

	₹ Crore	
Particulars	For the year ended December 31, 2021	For the year ended December 31, 2020
Financial assets measured at amortised cost		
Interest income	(179.59)	(182.43)
Impairment losses on trade receivable (including reversals of impairment losses)	(10.87)	37.34
Expected credit loss on Incentives under Government schemes	-	128.92
Financial assets measured at fair value through profit or loss		
Gain on sale of current financial assets	(8.41)	(14.82)
Net gain on fair valuation of current financial assets	(0.23)	(0.12)
Financial liabilities measured at amortised cost		
Net exchange losses on revaluation or settlement of items denominated in foreign currency (trade payable)	3.20	1.74
Interest expenses on deposits from dealers	16.19	17.14
Interest expenses on lease liabilities	9.37	9.80
Derivatives - Foreign exchange forward contracts		
Net loss/(gain) on foreign currency forward contract	1.29	0.59
Net gain recognised in Statement of Profit and Loss	(169.05)	(1.84)

(C) Fair Value Hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments:

Level 1: inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2: inputs other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3: inputs that are unobservable for the asset or liability.

For assets and liabilities which are measured at fair value as at the Balance Sheet date, the classification of fair value calculations by category is summarised below:

	₹ Crore			
	Level 1	Level 2	Level 3	Total
As at December 31, 2021				
Financial assets				
1. Measured at Fair value through profit or loss (FVTPL)				
(a) Mandatorily measured:				
Equity investments	-	-	14.70	14.70
Cash and cash equivalents – Mutual funds	345.23	-	-	345.23
(b) Designated as at FVTPL	-	-	-	-
2. Measured at fair value through Other Comprehensive Income	-	-	-	-
Financial liabilities				
Measured at FVTPL				
Foreign currency forward contract	-	-	-	-
As at December 31, 2020				
Financial assets				
1. Measured at Fair value through profit or loss (FVTPL)				
(a) Mandatorily measured:				
Equity investments	-	-	4.50	4.50
Cash and cash equivalents - Mutual funds	580.09	-	-	580.09
(b) Designated as at FVTPL	-	-	-	-
2. Measured at fair value through Other Comprehensive Income	-	-	-	-
Financial liabilities				
Measured at FVTPL				
Foreign currency forward contract	-	0.28	-	0.28

During the reporting period ending December 31, 2021 and December 31, 2020, there was no transfer between level 1 and level 2 fair value measurement.

Notes to the Financial Statements

for the year ended December 31, 2021

The following methods and assumptions were used to estimate the fair values:

Level 1: Investments in liquid and short-term mutual funds, which are classified as FVTPL are measured using net asset values at the reporting date multiplied by the quantity held.

Level 2: The fair value of forward foreign exchange contracts is calculated as the present value determined using forward exchange rates at the reporting date.

Level 3: Investments in equity shares included in Level 3 of the fair value hierarchy have been valued using the cost approach to arrive at their fair value. Cost of unquoted equity instruments has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fair value within that range.

Fair value of financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required)
Other financial assets and liabilities

The management consider the carrying values of Other Cash and cash equivalents, Bank balances other than cash and cash equivalents, trade receivables, trade payables and other financial liabilities (except derivative financial instruments) approximate their carrying amounts largely due to the short-term maturities of these instruments.

NOTE 50: FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

Financial Risk Evaluation and Management is an ongoing process within the Company. The Company has a system based risk management framework to identify, monitor, mitigate and minimise risks arising from financial instruments.

The Company is exposed to market, credit and liquidity risks. The Board of Directors ('Board') oversee the management of these risks through its Risk Management Committee. The Company's Risk Management Policy has been formulated by the Risk Management Committee and approved by the Board. The Policy articulates on the Company's approach to address uncertainties in its endeavour to achieve its stated and implicit objectives. It also prescribes the roles and responsibilities of the Company's management, the structure for managing risks and the framework for risk management. The framework seeks to identify, assess and mitigate risks in order to minimise potential adverse effects on the Company's financial performance.

All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Company's policy that no trading in derivatives for speculative purposes shall be undertaken. The Board of Directors reviews and agrees on policies for managing each of these risks, which are summarised below. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Trade receivables, Cash and cash equivalents, Bank balances other than cash and cash equivalents, Security deposits, Loans and other financial assets	Credit ratings and Ageing analysis	<ol style="list-style-type: none"> 1. Diversification of counterparties 2. Investment limits 3. Check on counterparties basis credit rating 4. Number of days overdue 5. Eligibility under State Investment Promotion Schemes for incentives
Liquidity Risk	Borrowings, Trade payables, Deposits from dealers, Foreign exchange Forward contract, lease liabilities and other financial liabilities	Maturity analysis	<ol style="list-style-type: none"> 1. Preparing and monitoring forecasts of cash flows 2. Maintaining sufficient cash and cash equivalents
Market Risk – Foreign Exchange	Financial assets and liabilities denominated in other than functional currency	Sensitivity analysis	<ol style="list-style-type: none"> 1. Exposure limits 2. Foreign exchange Forward contract
Market Risk – Commodity price risk	Movement in prices of commodities mainly Coal and Pet Coke	Sensitivity analysis	<ol style="list-style-type: none"> 1. Fuel mix optimisation 2. Longer term contracts 3. Usage of alternative fuels and renewable energy
Market Risk – Interest rate risk	Security deposit from dealers	Sensitivity analysis	<ol style="list-style-type: none"> 1. Periodical reset of interest rate linked to market

(i) Credit risk

Credit risk is the risk that the counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits placed with banks and financial institutions and other financial instruments.

Notes to the Financial Statements

for the year ended December 31, 2021

Financial assets other than trade receivables

Credit risk from balances with banks and financial institutions is managed by the Company's Treasury department in accordance with its policy. Surplus funds are parked only within approved investment categories with well defined limits. Investment category is periodically reviewed by the Company's Board of Directors.

Credit risk arising from short-term liquid funds, other balances with banks and other cash equivalents is limited and no collaterals are held against these because the counterparties are banks and recognised financial institutions with high credit ratings assigned by the credit rating agencies. None of the financial instruments of the Company result in material concentration of credit risks.

Other financial assets mainly include incentives receivable from the government, loans and security deposits given. There are no indications that defaults in payment obligations would occur in respect of these financial assets.

Incentives receivable from the Government

The Company's manufacturing units in various states; mainly those in Maharashtra and Jharkhand are eligible for incentives under the respective State Industrial Policy. The Company has been accruing these incentives as refund claims in respect of VAT / GST paid, on the basis that all attaching conditions were fulfilled by the Company and there is a reasonable assurance that the incentive claims will be disbursed by the State Governments.

The Company has estimated the expected credit loss based on time period to recover these incentives and carries a provision of ₹128.92 crore as at December 31, 2021 (*Previous year - ₹ 128.92 crore*).

The Company is confident about the ultimate realization of the dues from the State Governments and there is no risk of default.

Movement of Incentives under Government schemes

	₹ Crore
As at January 01, 2020	832.12
Incentive accrued	159.94
Incentive received	-
Expected credit loss	(128.92)
As at December 31, 2020	863.14
Incentive accrued	154.74
Incentive received	(112.28)
Others	(0.85)
As at December 31, 2021 (Refer Note - 8 & 15)	904.75

Trade receivables

Customer credit risk is managed as per the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored. The requirement for impairment is analysed at each reporting date on an individual basis for major customers. The management is also monitoring the receivables levels by having frequent interactions with responsible persons for highlighting potential instances where receivables might become overdue.

Trade receivables consist of a large number of customers spread across India with no significant concentration of credit risk. Ongoing credit evaluation is performed on the financial condition of accounts receivable. The Company has adopted a policy of only dealing in creditworthy counterparties and obtaining collateral i.e. security deposit. No single customer accounted for 10% or more of the Company's net sales. Therefore, the Company does not expect any material risk on account of non-performance by any of its counterparties.

For expected credit loss as at each reporting date the Company assesses position for the assets for which credit risk has not significantly increased from initial recognition, assets for which credit risk has increased significantly but are not credit impaired and for assets for which credit risk has increased significantly and are credit impaired.

Summary of the Company's exposure to credit risk by age of the outstanding from various customers is as follows:

Notes to the Financial Statements

for the year ended December 31, 2021

	As at December 31, 2021	₹ Crore As at December 31, 2020
Neither past due nor impaired	236.99	221.33
Past due not impaired		
- 1-180 days	241.54	214.63
- more than 180 days	10.65	15.56
Past due impaired		
- 1-180 days	3.45	1.18
- more than 180 days	51.84	66.12
Total	544.47	518.82

Expected credit loss assessment

For trade receivables, as a practical expedient, the Company compute credit loss allowance based on a provision matrix. The provision matrix is prepared based on historically observed default rates over the expected life of trade receivables and is adjusted for forward-looking estimates. At each reporting date, the historically observed default rates and changes in the forward-looking estimates are updated. Accordingly, loss allowances on trade receivables are measured using provision matrix at an amount equal to life time expected losses i.e. expected cash shortfall.

The following table summarises the change in the loss allowances measured using simplified approach model expected credit loss assessment:

	₹ Crore
As at January 01, 2020	41.13
Provided during the year	39.64
Amounts utilised	(11.18)
Reversals of Provision	(2.30)
As at December 31, 2020	67.29
Provided during the year	1.52
Amounts utilised	(1.13)
Reversals of Provision	(12.39)
As at December 31, 2021	55.29

No significant changes in estimation techniques or assumptions were made during the reporting period.

Credit impaired

For expected credit loss as at each reporting date the Company assesses position for the assets for which credit risk has not significantly increased from initial recognition, assets for which credit risk has increased significantly but are not credit impaired and for assets for which credit risk has increased significantly and are credit impaired. The Company assesses detrimental impacts on the estimated future cash flows of the financial asset including loans, receivables and other assets. Based on the assessment of the observable data relating to significant financial difficulty and creditworthiness of the counterparties, the management believes that there are no financial assets which are credit impaired.

(ii) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Company's treasury team is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows. The Company has large investments in short-term liquid funds which can be redeemed at a very short notice and hence carry negligible liquidity risk.

The table summarises the details regarding the remaining contractual maturities of financial liabilities at the reporting date based on the contracted undiscounted cash payments.

	Carrying amount	Less than 1 year	1 -5 Years	More than 5 year	Total
As at December 31, 2021					
Other financial liabilities*	1,127.20	1,145.41	-	-	1,145.41
Lease Liabilities	125.58	32.58	87.24	53.73	173.55
Trade payables	1,899.21	1,899.21	-	-	1,899.21
	3,151.99	3,077.20	87.24	53.73	3,218.17

for the year ended December 31, 2021

	Carrying amount	Less than 1 year	1 -5 Years	More than 5 year	Total
As at December 31, 2020					
Other financial liabilities*	1,007.06	1,027.54	-	-	1,027.54
Lease Liabilities	102.48	26.10	76.18	29.15	131.43
Foreign exchange Forward contract	0.28	0.28	-	-	0.28
Trade payables	1,416.30	1,416.30	-	-	1,416.30
	2,526.12	2,470.22	76.18	29.15	2,575.55

*Other financial liabilities includes deposits received from customers amounting to ₹628.09 Crore (*Previous year ₹706.13 Crore*). These deposits do not have a contractual re-payment term but are repayable on demand. Since, the Company does not have an unconditional right to defer the payment beyond 12 months from reporting date, these deposits have been classified under current financial liabilities. For including these amounts in the above mentioned maturity analysis, the Company has assumed that these deposits, including interest thereon, will be repayable at the end of the next reporting period. The actual maturity period for the deposit amount and the interest thereon can differ based on the date on which these deposits are settled to the customers.

(iii) **Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of three types of risk: interest rate risks, currency risk and other price risk such as commodity risk. Financial instruments affected by market risk include loans, investments, deposits and trade payables.

Foreign currency risk

Foreign currency risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to change in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates primarily relate to import of raw materials, fuels and capital items.

Based on sensitivity analysis, the Company has well defined forex exposure threshold limit approved by Board of Directors, beyond which all forex exposure are fully hedged.

The carrying amounts of the Company's foreign currency denominated monetary assets at the end of the reporting periods expressed in ₹, are as follows:

	USD	EUR	CHF	GBP
As at December 31, 2021				
Trade Payable	75.53	4.39	0.03	0.01
Foreign exchange derivative contracts	(61.43)	-	-	-
Net exposure to foreign currency risk (liabilities)	14.10	4.39	0.03	0.01

	USD	EUR	CHF	GBP
As at December 31, 2020				
Trade Payable	5.19	6.33	0.11	0.01
Foreign exchange derivative contracts	(0.35)	-	-	-
Net exposure to foreign currency risk (liabilities)	4.84	6.33	0.11	0.01

Foreign currency sensitivity

The following tables demonstrate the sensitivity into a reasonably possible change in exchange rates, with all other variables held constant. A positive number below indicates an increase in profit where the ₹strengthens 5% against the relevant currency. For a 5% weakening of the ₹against the relevant currency, there would be a comparable impact on the profit and the balances below would be negative.

	As at December 31, 2021		As at December 31, 2020	
Particulars	5% strengthening of ₹	5% weakening of ₹	5% strengthening of ₹	5% weakening of ₹
USD	0.71	(0.71)	0.21	(0.21)
EUR	0.22	(0.22)	0.32	(0.32)
CHF	-	-	0.01	(0.01)
TOTAL	0.93	(0.93)	0.54	(0.54)

5% represent management assessment of reasonably possible change in foreign currency exchange rate.

Notes to the Financial Statements

for the year ended December 31, 2021

Market Risk – Commodity price risk

Commodity price risk for the Company is mainly related to fluctuations in coal and pet coke prices linked to various external factors, which can affect the production cost of the Company. Since the energy costs is one of the primary costs drivers, any fluctuation in fuel prices can lead to a drop in operating margin. To manage this risk, the Company take following steps:

1. Optimizing the fuel mix, pursue longer term and fixed contracts where considered necessary.
2. Consistent efforts to reduce the cost of power and fuel by using both domestic and international coal and petcoke.
3. Use of alternative Fuel and Raw Materials (AFR) and enhancing the utilisation of renewable power including its onsite and offsite solar, wind, hydro power and Waste Heat Recovery System (WHRS).

Additionally, processes and policies related to such risks are reviewed and controlled by senior management and fuel requirements are monitored by the central procurement team.

Market Risk – Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market interest rates. The Company's exposure to the interest rate risk arises primarily from security deposit from dealers. The Company has not used any interest rate derivatives.

The Company has taken interest bearing security deposit from dealers. If interest rate had been 0.50% higher/lower the profit for the year ended December 31, 2021 would decrease/increase by ₹3.14 Crore (*Previous year – ₹3.53 Crore*).

Unrepresentativeness of Sensitivity analysis

In management's opinion the sensitivity analysis is unrepresentative of the above inherent risks because the exposure at the end of the reporting periods does not reflect the exposure during the year.

NOTE 51: CAPITAL MANAGEMENT

The Company's objectives when managing capital are to (a) maximise shareholder value and provide benefits to other stakeholders and (b) maintain an optimal capital structure to reduce the cost of capital.

For the purposes of the Company's capital management, capital includes issued capital, share premium and all other equity reserves attributable to the equity holders.

As stated in the below table, the Company is a Zero debt company with no long-term borrowings. The Company is not subject to any externally imposed capital requirements.

		As at December 31, 2021	As at December 31, 2020
	Note No.		
Total Debt		-	-
Less: Cash and cash equivalents	12	(7,247.24)	(5,734.92)
Net debt		(7,247.24)	(5,734.92)
Equity	18 & 19	14,228.43	12,661.44
Debt to Equity (Net)		NA	NA

NOTE 52: DIVIDEND DISTRIBUTION AND PROPOSED DIVIDEND

	For the year ended December 31, 2021	For the year ended December 31, 2020
Cash dividends on equity shares declared and paid:		
Final dividend for the year ended December 31, 2020 ₹14 per share (<i>Previous year – ₹ Nil</i>)	262.90	-
Interim dividend for the year ended December 31, 2021 ₹ Nil (<i>Previous year – ₹14 per share</i>)*	-	262.90
	262.90	262.90
Proposed dividends on equity shares:		
Final dividend for the year ended December 31, 2021 ₹58 per share	1,089.17	-
Final Dividend for the year ended December 31, 2020 ₹14 per share	-	262.90
	1,089.17	262.90

Proposed dividends on equity shares are subject to approval at the annual general meeting and are not recognised as a liability as at December 31.

* Subsequent to the year ended December 31, 2019, the Board of Directors decided to revoke the recommendation for payment of final dividend for the Financial Year ended December 31, 2019 and declared payment of interim dividend for the financial year ended December 31, 2019 at ₹14 per share.

Notes to the Financial Statements

for the year ended December 31, 2021

NOTE 53: EMPLOYEE SHARE-BASED PAYMENTS

Description of plan – Holcim Performance Share Plan

Holcim Ltd (Ultimate Holding Company) set up a performance share plan. Performance shares are granted to executives and senior management for their contribution to the continuing success of the business. These shares will be delivered after three year vesting period following the grant date and are subject to internal performance conditions.

6,600 (*Previous year – 7,800*) performance shares at a fair value of ₹4,226 per share (*Previous year – ₹3,352 per share*) were granted in 2021. Internal performance conditions are attached to the performance shares and are based on Group Earnings per Share (EPS) and Group Return on Invested Capital (ROIC). During the year, ₹4.18 Crore (*Previous year – ₹2.66 Crore*) is charged to the Statement of Profit and Loss in respect of equity-based payments transactions with a corresponding increase being made to the capital contribution to the Company by the Parent.

Information related to awards granted through the Performance Share Plan is presented below:

	₹ Crore	
	For the year ended December 31, 2021	For the year ended December 31, 2020
As at January 01	16,200	9,000
Granted	6,600	7,800
Forfeited	(5,400)	(600)
As at December 31	17,400	16,200

Fair value of shares granted is determined based on the estimated achievement of Holcim Earnings per Share, Return on Invested Capital and Sustainability indicators.

NOTE 54:

During the previous year the Company divested 2,00,000 Equity Shares representing 100% stake in National Limestone Company Private Limited (NLCPL) under a Share Purchase Agreement dated November 18, 2020. The Company has received the entire consideration amount of ₹20 Crore. The Company has, therefore, accounted for ₹3.94 Crore as profit arising from divestment.

NOTE 55:

The Competition Commission of India ("CCI") initiated an investigation against cement companies in India including the Company regarding alleged anti-competitive behavior and conducted search and seizure operations in December 2020 against few companies. The Director General of CCI in January 2021 sought information from the Company and the information sought is provided. The Company is of the firm view that it has acted and continues to act in compliance with competition laws. The Company believes that this does not have any impact on the financial statements.

NOTE 56:

During the year ended December 31, 2021, there is a charge of ₹54.76 Crore on account of restructuring costs to employees and contract staff.

NOTE 57: RISK DUE TO OUTBREAK OF COVID-19 PANDEMIC

The Company has considered the possible effects that may result from COVID-19 in the preparation of these financial statements including the recoverability of carrying amounts of financial and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of COVID-19, the Company has, at the date of approval of the financial statements, used internal and external sources of information and expects that the carrying amount of the assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of the same.

Notes to the Financial Statements

for the year ended December 31, 2021

NOTE 58:

The new Code on Social Security, 2020 has been enacted, which could impact the contributions by the Company towards Provident Fund and Gratuity. The effective date from which the changes are applicable is yet to be notified and the rules are yet to be framed. The Company will complete its evaluation and will give appropriate impact in its financial statements in the period in which the Code becomes effective and the related rules are published.

NOTE 59:

The Company has reclassified security deposits as below to give effect to incremental changes in Division II to Schedule III to the Companies Act, 2013.

				₹ Crore

Independent Auditor's Report

To The Members of ACC Limited

REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Opinion

We have audited the accompanying consolidated financial statements of ACC Limited "the Parent" and its sub-section, (the Parent and its subsidiaries together referred to as "the Group") and includes the Group's Share of Profit in its associates and joint ventures, which comprise the Consolidated Balance Sheet as at December 31, 2021, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flow and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements"), which includes four joint operations of a subsidiary (consolidated on a proportionate basis with the subsidiary).

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditors on separate financial statements of the subsidiaries (which include four joint operations), associates and joint venture referred to in the Other Matters Section below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS'), and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at December 31, 2021, and their consolidated profit, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under Section 143 (10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements Section of our report. We are independent of the Group, its associates and joint ventures in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that

the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter Section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

We draw attention to Notes 42(a) and 42(b) of the consolidated financial statements, which describes the following matters:

- a) In terms of order dated August 31, 2016, the Competition Commission of India (CCI) had imposed a penalty of ₹1147.59 Crore for alleged contravention of the provisions of the Competition Act, 2002 (the Competition Act) by the Company. On the Company's appeal, National Company Law Appellate Tribunal (NCLAT), (which replaced the Competition Appellate Tribunal (COMPAT) effective May 26, 2017), in its order passed on July 25, 2018 had upheld the CCI's Order. The Company's appeal against the said judgement of NCLAT before the Hon'ble Supreme Court was admitted vide its order dated October 05, 2018 with a direction that the interim order passed by the Tribunal would continue.
- b) In a separate matter, pursuant to a reference filed by the Government of Haryana, the CCI by its order dated January 19, 2017, had imposed a penalty of ₹35.32 Crore on the Company for alleged contravention of the provisions of the Competition Act. On Company's filing an appeal together with application for interim stay against payment of penalty, COMPAT had stayed the penalty pending hearing of the application. This matter is listed before the NCLAT for hearing.

Based on the Company's assessment on the outcome of these appeals supported by the advice of external legal counsel, the Company is of the view that no provision is necessary in respect of these matters in these consolidated financial statements.

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Independent Auditor's Report

Sl. No. Key Audit Matters	Auditor's Responses
<p>1. Litigation, Claims and Contingent Liabilities:</p> <p>Refer Notes 24, 42 and 43 to be read along with Emphasis of Matter in Independent Auditor's Report of the consolidated financial statements.)</p> <p>The Group is exposed to a variety of different laws, regulations and interpretations thereof which encompasses indirect taxation and legal matters. In the normal course of business, provisions and contingent liabilities may arise from legal proceedings, including regulatory and other Governmental proceedings, constructive obligations as well as investigations by authorities and commercial claims.</p> <p>Based on the nature of regulatory and legal cases management applies significant judgement when considering whether, and how much, to provide for the potential exposure of each matter. These estimates could change substantially over time as new facts emerge as each legal case or matters progresses.</p> <p>Given the different views possible, basis the interpretations, complexity and the magnitude of the potential exposures, and the judgement necessary to determine required disclosures, this is a key audit matter.</p>	<p>Principal audit procedures performed:</p> <ul style="list-style-type: none"> • We understood the processes, evaluated the design and implementation of controls and tested the operating effectiveness of the Group's controls over the recording and re-assessment of uncertain legal positions, claims (including claims receivables) and contingent liabilities. • We held discussions with senior management including the person responsible for legal and compliance to obtain an understanding of the factors considered by management in classification of the matter as 'probable', 'possible' and 'remote'. • For those matters where management concluded that no provision should be recorded, we also considered the adequacy and completeness of the Group's disclosures made in relation to contingent liabilities. • Examined the Group's legal expenses on sample basis and read the minutes of the board meetings and the legal compliance committee in order to ensure completeness. • We read the correspondence from Court authorities and considered legal opinion obtained by the management from external law firms to evaluate the basis used for provisions recognised or the disclosures made in the consolidated financial statements. • We also obtained direct legal confirmations for significant matters from the law firms handling such matters to corroborate management's conclusions.
<p>2. Income tax provision:</p> <p>(Refer Notes 22 and 42 of the consolidated financial statements)</p> <p>This matter has been identified as a Key Audit Matter due to the significant level of management judgement required in the estimation of provision for income taxes including any write back of provisions, due to the following factors:</p> <ul style="list-style-type: none"> • Existence of multiple uncertain tax positions leading to multiple disputes/litigations. • Provision for tax involves interpretation of various rules and law. It also involves consideration of on-going disputes and disclosures of related contingencies. 	<p>Principal audit procedures performed:</p> <ul style="list-style-type: none"> • Our audit procedures to test uncertain tax positions included understanding processes, evaluation of design and implementation of controls and testing of operating effectiveness of the Group's controls over provision for taxation, assessment of uncertain tax positions and disclosure of contingencies. • Obtained details of completed tax assessments and demands as of December 31, 2021 from the management. • We discussed with appropriate senior management personnel, independently assessed management's estimate of the possible outcome of the disputed cases; and evaluated the management's underlying key assumptions in estimating the tax provisions. • We considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions, the provisions made, and/or write back of the provisions. • We also involved our direct tax specialist in evaluating management's assessment for the uncertain tax positions. • For those matters where management concluded that no provision should be recorded, we also considered the adequacy and completeness of the Group's disclosures made in relation to contingent liabilities.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

- The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Report on Corporate Governance and Business Responsibility Report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries (which include four joint operations), associates and joint venture audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries (which include four joint operations), associates and joint venture, is traced from their financial statements audited by the other auditors.
- If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Parent's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group including its associates and joint ventures in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group, its associates and its joint ventures and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the

preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group (and of its associates and joint ventures) are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are also responsible for overseeing the financial reporting process of the Group and of its associates and joint ventures.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Independent Auditor's Report

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the business activities within the Group, its associates and joint ventures to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the consolidated financial statements of such business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OTHER MATTER

We did not audit the financial statements of three subsidiaries (which includes four joint operations of a subsidiary), whose financial statements reflect total assets of ₹93.21 Crore as at December 31, 2021, total revenues of ₹7.11 Crore and net cash inflows amounting to ₹2.29 Crore for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit of ₹11.53 Crore for the year ended December 31, 2021, as considered in the consolidated financial statements, in respect of two associates and one joint venture, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries (which includes four joint operations), associates and joint venture, and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid sub-section (which includes four joint operations of a subsidiary), associates and joint venture is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the separate financial statements of the sub-section (which includes four joint operations), associates and joint venture companies incorporated in India, referred to in the Other Matter Section above we report, to the extent applicable that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Cash Flow and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Parent Company as on December 31, 2021 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its subsidiary companies, associate companies and joint venture companies incorporated in India, none of the directors of the Group companies, its associate companies incorporated in India is disqualified as on December 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the parent company, subsidiary companies, associate companies and joint venture companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of the Group, associates and joint venture companies incorporated in India.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended,
- In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Parent Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its associates and joint ventures (Refer Note 42 in the consolidated financial statements); or
 - The Group, its associates and joint ventures did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Parent Company, its subsidiary companies, associate companies and joint venture companies incorporated in India.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph (f) under ‘Report on Other Legal and Regulatory Requirements’ Section of our report of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“THE ACT”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended December 31, 2021, we have audited the internal financial controls over financial reporting of ACC Limited (hereinafter referred to as “Parent”) and its subsidiary companies, its associate companies and joint ventures, which are companies incorporated in India, as of that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the Parent, its subsidiary companies, its associate companies and joint ventures, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent, its subsidiary companies, its associate companies and its joint ventures, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial

controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, associate companies and joint ventures, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent, its subsidiary companies, its associate companies and its joint ventures, which are companies incorporated in India.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Annexure “A” to the Independent Auditor’s Report

OPINION

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Parent, its subsidiary companies, its associate companies and joint ventures, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at December 31, 2021, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

OTHER MATTERS

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to three

subsidiary companies, two associate companies and one joint venture, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matters.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

COMPANY OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES:

Corporate Information

ACC Limited ("the Company/Parent") is a public company domiciled in India and was incorporated on August 01, 1936 under the provisions of the Companies Act, 1913 applicable in India. Its shares are listed on The National Stock Exchange of India (NSE) and The Bombay Stock Exchange Ltd (BSE) of India. The registered office of the Company is located at Cement House, 121 Maharshi Karve Road, Mumbai – 400 020, India.

The consolidated financial statements comprise the financial statements of ACC Limited ("the Company") and its subsidiaries (collectively, the Group).

The Group a member of the Holcim Group (Erstwhile LafargeHolcim), is principally engaged in the business of manufacturing and selling of Cement and Ready-Mix Concrete. The Group has manufacturing facilities across India and caters mainly to the domestic market.

Information on the Group's structure is provided in Note – 37. Information on related party relationship of the Group is provided in Note – 44.

1. SIGNIFICANT ACCOUNTING POLICIES

(i) Statement of Compliance

These Consolidated Financial Statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act.

These consolidated financial statements were approved for issue in accordance with the resolution of the Board of Directors on February 09, 2022.

(ii) Basis of Preparation

The Consolidated Financial Statements comprises the financial statements of ACC Limited ("the Company/Parent") and its subsidiaries (collectively, the Group) for the year ended December 31, 2021.

These Consolidated Financial Statements have been prepared on a historical cost basis, except for the following material items in the Consolidated Balance Sheet:

- Certain financial assets and liabilities are measured at fair value (Refer Note 1(xiv) for accounting policy on Financial Instruments)
- Non-current assets classified as held for sale are measured at lower of their carrying amount and fair value less cost to sell
- Employees Defined benefit plans are recognised at the net total of the fair value of plan assets, and the

present value of the defined benefit obligation as per actuarial valuation

- Investments in associates and joint ventures which are accounted for using the equity method
- Employee share-based payments measured at fair value.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services at the time of their acquisition.

The accounting policies have been applied consistently over all the periods presented in these Consolidated Financial Statements.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

All assets and liabilities, for which fair value is measured or disclosed in the financial statements, are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 — inputs other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 — inputs that are unobservable for the asset or liability.

(iii) Functional and Presentation Currency

These Consolidated Financial Statements are presented in Indian Rupees (₹) which is the functional currency of the Group.

Rounding of amounts

All amounts disclosed in the financial statements which also include the accompanying notes have been rounded off to the nearest Crore as per the requirement of Schedule III to the Companies Act, 2013, unless otherwise stated.

(iv) Basis of Consolidation

- The Consolidated Financial Statements incorporate the financial statements of the Company, entities controlled by the Company and its subsidiaries.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- i. Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
 - ii. Exposure, or rights, to variable returns from its involvement with the investee, and
 - iii. The ability to use its power over the investee to affect its returns
- b) The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.
- c) When the Group has less than majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:
- i. a contractual arrangement with the other vote holders of the investee
 - ii. rights arising from other contractual arrangements
 - iii. the Group's voting rights and potential voting rights
 - iv. the size of the Group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders
 - v. any additional facts and circumstances that indicate that the Group has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.
- d) Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the Consolidated Financial Statements from the date the Group gains control until the date the Group ceases to control the subsidiary.
- e) The financial statements of all the entities used for the purpose of consolidation are drawn up to same reporting date as that of parent company i.e. December 31, 2021.
- f) The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented, to the extent possible, in the same manner as the Company's separate financial statements.
- g) Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity shareholders of the parent and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.
- h) Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Group.
- i) When the Group loses control over a subsidiary, it:
- i. Derecognises the assets (including goodwill) and liabilities of the subsidiary.
 - ii. Derecognises the carrying amount of any non-controlling interests.
 - iii. Recognises the fair value of the consideration received.
 - iv. Recognises the fair value of any investment retained when control is lost. The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under Ind AS 109, or, when applicable, the cost on initial recognition of an investment in an associate or a joint venture.
 - v. Recognises any resulting difference as a gain or loss in the Consolidated Statement of Profit and Loss attributable to the parent.
 - vi. Reclassifies the parent's share of components previously recognised in OCI to profit or loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

j) Consolidation procedure:

- i. Combines like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries.
- ii. Offsets (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary (refer policy on business combinations for accounting for any related goodwill).
- iii. Eliminates in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the Group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Deferred tax effects are given for temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions as per Ind AS 12 "Income Taxes".

(v) **Interests in associates and Joint arrangements**

a) **Interests in Associate**

An Associate is an entity in which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies. Significant influence is generally presumed to exist when the Group holds 20% or more of the voting power of an investee. Investments in associates are accounted for using equity method of accounting (refer point c below), after initially being recognised at cost.

b) **Joint Arrangement**

Interests in joint arrangements are interests over which the Group exercises joint control. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

Joint arrangements are classified as either joint operations or joint ventures depending on the contractual rights and obligations arising from the agreement rather than the legal structure of the joint arrangement.

i. **Interests in Joint operation**

A joint operation is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the assets, and obligations for the liabilities, relating to the arrangement.

When a group entity undertakes its activities under joint operations, the Group as a joint operator recognises in relation to its interest in a joint operation:

1. its assets, including its share of any assets held jointly;
2. its liabilities, including its share of any liabilities incurred jointly;
3. its revenue from the sale of its share of the output arising from the joint operation;
4. its share of the revenue from the sale of the output by the joint operation; and
5. its expenses, including its share of any expenses incurred jointly.

The Group account for the assets, liabilities, revenues and expenses relating to its interest in a joint operation in accordance with the Ind AS applicable to the particular assets, liabilities, revenues and expenses.

ii. **Interests in Joint ventures**

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement.

Interests in joint ventures are accounted for using the equity method of accounting (refer point c below), after initially being recognised at cost.

c) **Equity method**

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in Group's profit and loss, and the Group's share of other comprehensive income of the investee in Group's other comprehensive income.

On acquisition of the investment in an associate or a joint venture, any excess of the cost of the investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised directly in equity as capital reserve in the period in which the investment is acquired.

In addition, when there has been a change recognised directly in the equity of the associate

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

or joint venture, the Group recognises its share of any changes, when applicable, in the Consolidated Statement of Changes in Equity. Unrealised gains resulting from transactions between the Group and the associate or joint venture are eliminated to the extent of the Group's interest in the associate or joint venture. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred.

Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

When the Group's share of losses of an associate or a joint venture exceeds the Group's interest in that associate or joint venture (which includes any long-term interests that, in substance, form part of the Group's net investment in the associate or joint venture), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture. The Group resumes recognising its share of profits only after its share of the profits equals the share of losses not recognised.

The aggregate of the Group's share of profit or loss of an associate and a joint venture is shown on the face of the Consolidated Statement of Profit and Loss.

The financial statements of the associate or joint venture are prepared for the same reporting period as the Group. When necessary, adjustments are made to bring the accounting policies in line with those of the Group.

The carrying amounts of equity accounted investments are tested for impairment in accordance with the accounting policy on impairment of non-financial assets.

Upon loss of significant influence over the associate or joint control over the joint venture, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of investment in associate or joint venture upon loss of significant influence or joint control and the fair value of the retained investment and proceeds from disposal is recognised in Consolidated Statement of Profit and Loss.

If the Group's ownership interest in a joint venture or an associate is reduced, but joint control or significant influence is retained, the Group reclassify to profit or loss the proportion of the gain or loss that had previously been recognised in other

comprehensive income relating to that reduction in ownership interest if that gain or loss would be required to be reclassified to profit or loss on the disposal of the assets or liabilities.

(vi) Business Combinations and Goodwill

Acquisition method

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred by the Group, liabilities incurred by the Group to the former owners of the acquiree and the equity interests issued by the Group in exchange for control of the acquiree. Acquisition related costs are recognised in the Consolidated Statement of Profit and Loss as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. However, the following assets and liabilities acquired in a business combination are measured at the basis indicated below:

- a) deferred tax assets or liabilities, and the assets or liabilities related to employee benefit arrangements are recognised and measured in accordance with Ind AS 12 'Income Taxes' and Ind AS 19 "Employee Benefits" respectively;
- b) liabilities or equity instruments related to share-based payment arrangements of the acquiree or share – based payments arrangements of the Group entered into to replace share-based payment arrangements of the acquiree are measured in accordance with Ind AS 102 "Share-based Payments" at the acquisition date; and
- c) assets (or disposal Groups) that are classified as held for sale in accordance with Ind AS 105 "Non-Current Assets Held for Sale and Discontinued Operations" are measured in accordance with that standard.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date.

When a business combination is achieved in stages, the Group's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date (i.e. the date when the Group obtains control) and the resulting gain or loss, if any, is recognised in the Consolidated Statement of Profit and Loss.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of Ind AS 109 "Financial Instruments", is measured at fair value with changes in fair value recognised in Consolidated Statement of Profit and Loss. If the contingent consideration is not within the scope of Ind AS 109, it is measured in accordance with the appropriate Ind AS. Contingent consideration that is classified as equity is not re-measured at subsequent reporting dates and subsequent its settlement is accounted for within equity.

Goodwill

Goodwill is measured at cost, being the excess of the aggregate of the consideration transferred, the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

Where goodwill has been allocated to a cash-generating unit and part of the operation within that unit is disposed of, the goodwill associated with the disposed operation is included in the carrying amount of the operation when determining the gain or loss on disposal. Goodwill disposed in these circumstances is measured based on the relative values of the disposed operation and the portion of the cash-generating unit retained.

Bargain purchase

If the difference of the aggregate of the consideration transferred, the amount recognised for non-controlling interests and any previous interest held, over the net identifiable assets acquired and liabilities assumed is a deficit then the business combination is regarded as bargain purchase.

In case of bargain purchase, the Group determines whether there exists clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. If such evidence exists, the Group reassesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and recognises any additional assets or liabilities that are identified in that reassessment. The Group then reviews the procedures used to measure the amounts that Ind AS requires for the purposes of calculating the bargain purchase. If the gain remains after this reassessment and review, the Group recognises it in other comprehensive income and accumulates the same in equity as capital reserve.

If there does not exist clear evidence of the underlying reasons for classifying the business combination as a bargain purchase, the Group recognises the gain, after reassessing and reviewing, directly in equity as capital reserve.

Measurement period adjustments

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted through goodwill during the measurement period (not more than one year from acquisition date), or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognised at that date. These adjustments are called as measurement period adjustments. The measurement period does not exceed one year from the acquisition date.

Business combination among entities under common control

Business combination involving entities or businesses under common control is accounted for using the pooling of interest method. Under pooling of interest method, the assets and liabilities of combining entities are reflected at their carrying amount and no adjustments are made to reflect fair values.

(vii) Non-controlling interests ("NCI")

Non-controlling interests that are present ownership interests and entitle their holders to a proportionate share of the entity's net assets in the event of liquidation may be initially measured either at fair value or at the non-controlling interests' proportionate share of the recognised amounts of the acquiree's identifiable net assets. The choice of measurement basis is made on a transaction-by-transaction basis. Other types of non-controlling interests are measured at fair value or, when applicable, on the basis specified in another Ind AS.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

(viii) Provisions and Contingencies

A provision is recognised if, as a result of a past event, the Group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

These estimates are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Group does not recognise a contingent liability but discloses its existence in the Consolidated Financial Statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. The Group does not recognise a contingent asset (if any) but discloses in the Consolidated Financial Statements.

(ix) Classification of Current/Non-Current Assets and Liabilities

All the assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 "Presentation of financial statements".

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- it is expected to be realised in, or is intended for sale or consumption in, the Group's normal operating cycle;
- it is held primarily for the purpose of trading;
- it is expected to be realised within twelve months after the reporting date; or

- it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities:

A liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled in the Group's normal operating cycle;
- it is held primarily for the purpose of trading;
- it is due to be settled within twelve months after the reporting date; or
- the Group does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other assets/liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Based on the nature of products and the time between the acquisition of assets for processing and their realisation in Cash or Cash Equivalents, the Group has ascertained its normal operating cycle as twelve months for the purpose of Current/Non-current classification of assets and liabilities.

(x) Property, Plant and Equipment

Recognition and measurement

- Property, Plant and Equipment are stated at cost of acquisition/installation or construction less accumulated depreciation and impairment losses, if any (except freehold non-mining land which is carried at cost less impairment losses if any).

Cost comprises the purchase price (net of trade discount and rebates), including import duties and non-refundable purchase taxes (net of taxes credit wherever applicable) and any directly attributable cost of bringing the assets to its working condition for its intended use, including relevant borrowing costs. Expenditures directly attributable to self-constructed assets during its construction period are capitalised if the recognition criteria are met.

The present value of the expected cost for the decommissioning of an asset after its use, is included in the cost of the respective asset if the recognition criteria for a provision are met.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

The Group identifies and determines cost of each component/part of the asset and depreciates separately, if the component/part have a cost which is significant to the total cost of the asset and has a useful life that is materially different from that of the remaining asset.

- b) Subsequent expenditures are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.
- c) When a major inspection is performed, its cost is recognised in the carrying amount of the Property, Plant and Equipment as a replacement if the recognition criteria are satisfied. All other repairs and maintenance are charged to the Consolidated Statement of Profit and Loss during the reporting period in which they are incurred.
- d) Spares which meet the definition of Property, Plant and Equipment are capitalised as on the date of acquisition. The corresponding old spares are decapitalised on such date with consequent impact in the Consolidated Statement of Profit and Loss.
- e) Property, Plant and Equipment not ready for the intended use on the date of Balance Sheet are disclosed as "Capital work-in-progress" and stated at cost less accumulated impairment loss, if any. Such items are classified to the appropriate category of Property, Plant and Equipment when completed and ready for intended use. Advances given towards acquisition/construction of Property, Plant and Equipment outstanding at each Balance Sheet date are disclosed as Capital Advances under "Other non current assets".
- f) The accounting policy related to Leases has been disclosed in Note 1 (xxiii).

Depreciation and Amortisation

- a) Cost of mineral reserves embedded in the cost of freehold mining land is depreciated in the proportion of actual quantity of minerals extracted to the estimated quantity of extractable mineral reserves. The estimated extractable mineral reserves are reviewed periodically, with the effect of any changes in estimate being accounted for on a prospective basis. Freehold non-mining land is not depreciated.
- b) Depreciation on Property, Plant and Equipment, other than plant and equipment assets related to Captive Power Plant (CPP assets), is provided using the straight-line method and on CPP assets using the written down value method based on their respective estimated useful lives.

The Group identifies and determines cost of each component/part of the asset and depreciates separately, if the component/part have a cost which is significant to the total cost of the asset and has a useful life that is materially different from that of the remaining asset.

Estimated useful lives of assets are determined based on technical parameters/assessment, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

The estimated useful lives are as follows:

Assets	Useful Life
Buildings	3-60 years
Plant and Equipment	8-30 years
Railway sidings	8-15 years
Furniture & fixtures and Office equipment	3-10 years
Vehicles	6-8 years

The useful life as estimated above is aligned to the prescribed useful life specified under Schedule II to the Companies Act, 2013 except useful life for computing depreciation is different in the following case:

Particulars	Useful Life estimated by the management	Useful Life as per Schedule II
Plant and Equipment related to Captive Power Plant	20 years	40 years

The Management believes that the useful lives as given above represents the period over which the assets are likely to be used.

- c) Depreciation on additions to Property, Plant and Equipment is provided on a pro rata basis from the date of acquisition or installation, and in the case of a new project, from the date of commencement of commercial production.
- d) Depreciation on an item of Property, Plant and Equipment sold, discarded, demolished or scrapped, is provided up to the date on which such item of Property, Plant and Equipment is sold, discarded, demolished or scrapped.
- e) Capitalised spares are depreciated over their own estimated useful life or the estimated useful life of the parent asset whichever is lower.
- f) The Group reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

- g) In respect of an asset for which impairment loss, if any, is recognised, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Derecognition

An item of Property, Plant and Equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Consolidated Statement of Profit and Loss under "Other Income/Other Expenses" when the asset is derecognised.

(xi) Intangible Assets

Recognition and Measurement

Mining rights and computer software acquired are measured on initial recognition at cost. Cost comprises the purchase price (net of tax/duty credits availed wherever applicable) and any directly attributable cost of bringing the assets to its working condition for its intended use.

Stripping cost

Stripping costs are allocated and included as a component of the mine asset when they represent significantly improved access to limestone, provided all the following conditions are met:

- it is probable that the future economic benefit associated with the stripping activity will be realised;
- the component of the limestone body for which access has been improved can be identified; and
- the costs relating to the stripping activity associated with the improved access can be reliably measured.

After initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Derecognition of Intangible Assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of an item of intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of such item of intangible asset and are recognised in the Consolidated Statement of Profit and Loss when the asset is derecognised.

Amortisation

A summary of the policies applied to the intangible assets is, as follows:

Intangible assets	Useful life	Amortisation method used
Computer software	Finite (3 years)	Amortised on a straight-line basis over the useful life
Mining Rights		Over the period of the respective mining agreement

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset are reviewed at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the Consolidated Statement of Profit and Loss unless such expenditure forms part of the carrying value of another asset.

(xii) Impairment of Non-Financial Assets

The carrying amounts of the Group's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For goodwill and intangible assets that have indefinite lives or which are not yet available for use, an impairment test is performed as at each Balance Sheet date (irrespective of impairment indicator) and whenever there is an indication that the asset may be impaired.

For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

The recoverable amount of an asset or cash-generating unit (CGU) is the higher of its value in use and its fair value less costs to sell. In assessing value in use, the estimated pre-tax future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash generating unit.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from the other assets or group of assets.

The future cash flows are derived from the detailed budgets and forecast for the next three years, which are prepared separately for each of the Group's CGUs to which the individual assets are allocated.

An impairment loss is recognised in the Consolidated Statement of Profit and Loss if the estimated recoverable amount of an asset or its cash-generating unit is lower than its carrying amount.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognised in prior periods are assessed at each reporting date for any indications that the impairment loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised. Such reversal of impairment loss is recognised in the Consolidated Statement of Profit and Loss.

(xiii) Inventories

Inventories are valued after providing for obsolescence, as follows:

a) Raw Materials, Stores and Spare parts, Packing Material and Fuels

At lower of cost and net realisable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis.

b) Work-in-progress, Finished goods and Stock-in-Trade

At lower of cost and net realisable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity, but excluding borrowing costs. Cost of Stock-in-Trade includes cost of purchase and other costs incurred in bringing the inventories to the present location and condition. Cost is determined on a weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(xiv) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

The Group's financial assets comprise the following:

- i. Current financial assets mainly consisting of (a) trade receivables, (b) mutual funds, (c) cash and bank balances, (d) investment in certificates of deposit, (e) fixed deposits with bank and financial institutions and (f) other short-term receivables (including incentive receivable from Government) and deposits and (g) forward contract.
- ii. Non-current financial assets mainly consisting of (a) financial investments – equity, bond and fixed deposits and (b) other long-term receivables (including incentive receivable from Government) and deposits.

Initial recognition and measurement

The Group recognises a financial asset in its Consolidated Balance Sheet when it becomes party to the contractual provisions of the instrument.

All financial assets are recognised initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e. the date that the Group commits to purchase or sell the asset.

Subsequent measurement of financial assets

For the purpose of subsequent measurement, financial assets are classified in the following categories:

- i. Financial assets at amortised cost
A 'financial asset' is measured at the amortised cost if both the following conditions are met:
 - a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest ("SPPI") on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Consolidated Statement of Profit and Loss. The losses arising from impairment are recognised in the Consolidated Statement of Profit and Loss. This category generally applies to trade and other receivables.

- ii. **Financial assets at fair value through other comprehensive income (FVTOCI) unless the same are designated as FVTPL**
A 'debt instrument' is classified as at the FVTOCI unless the same are designated as FVTPL, if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent solely payments of principal and interest on the principal amount outstanding.

The Group does not own any financial asset classified at fair value through other comprehensive income.

- iii. **Financial assets at fair value through profit or loss (FVTPL)**

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for classification as at amortised cost or as fair value through other comprehensive income (FVTOCI), is classified as FVTPL.

A Financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria, may be designated as at FVTPL as at initial recognition if such designation reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Group has not designated any debt instrument as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains and losses arising on remeasurement recognised in the Consolidated Statement of Profit and Loss. The net gain or loss recognised in Consolidated Statement of Profit and Loss

incorporates any dividend or interest earned on the financial asset and is included in the 'Other Income' line item of Consolidated Statement of Profit and Loss.

Equity instruments

All equity investments in scope of Ind AS 109 "Financial Instruments" are measured at FVTPL with all changes in fair value recognised in the Consolidated Statement of Profit and Loss. The net gain or loss recognised in the Consolidated Statement of Profit and Loss incorporates any dividend earned on the equity instruments and is included in the 'Other Income' line item of the Consolidated Statement of Profit and Loss.

For all investments in equity instruments other than held for trading, at initial recognition, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Group makes such election on an instrument-by-instrument basis.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the other comprehensive income (OCI). There is no recycling of the amounts from OCI to Consolidated Statement of Profit and Loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity.

The Group has not designated investment in any equity instruments as FVTOCI.

Derivative Financial Instruments:

The Group uses derivative financial instruments, such as forward currency contracts to hedge its foreign currency risk. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value at the end of each reporting period. Any changes therein are recognised in the Consolidated Statement of Profit and Loss unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in the Consolidated Statement of Profit and Loss depends on the nature of the hedging relationship and the nature of the hedged item. Derivatives are carried as financial assets when the fair value

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

is positive and as financial liabilities when the fair value is negative.

The Group does not hold derivative financial instruments for speculative purposes.

Derecognition of financial asset

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's financial statements) when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
 - a) the Group has transferred substantially all the risks and rewards of the asset, or
 - b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

On derecognition of a financial asset, the difference between the carrying amount and the consideration received

is recognised in the Consolidated Statement of Profit and Loss.

Impairment of financial assets

In accordance with Ind AS 109 "Financial Instruments", the Group applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) financial assets that are debt instruments, and are measured at amortised cost e.g. loans, debt securities, deposits, bond; and
- b) trade receivables and other receivables (including incentive receivable from Government).

The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables resulting from transactions within the scope of Ind AS 115 "Revenue from Contracts with Customers", if they do not contain a significant financing component.

The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Group determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, twelve-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on twelve-month ECL.

Lifetime ECL is the expected credit loss resulting from all possible default events over the expected life of a financial instrument. The twelve-month ECL is a portion of the lifetime ECL which results from default events that are possible within twelve months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

all cash shortfalls), discounted at the original effective interest rate (EIR).

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/expense in the Consolidated Statement of Profit and Loss. This amount is reflected in a separate line in the Consolidated Statement of Profit and Loss under the head 'Other expenses' as an impairment gain or loss.

b) Financial liabilities and equity instruments

Classification as debt or equity

An instrument issued by the Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Group are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Group's own equity instruments is recognised and deducted directly in equity.

No gain or loss is recognised in the Consolidated Statement of Profit and Loss on the purchase, sale, issue or cancellation of the Group's own equity instruments. Dividend paid on equity instruments are directly reduced from equity.

Financial liabilities

The Group's financial liabilities mainly comprise

(a) trade payables, (b) liability for capital expenditure (c) security deposit (d) other payables (e) Lease liabilities and (f) forward contract.

Initial recognition and measurement

The Group recognises a financial liability in its Balance Sheet when it becomes party to the contractual provisions of the instrument.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss or at amortised cost (loans and borrowings, and payables) as appropriate.

Subsequent measurement

Financial liabilities at amortised cost

This is the category most relevant to the Group. All the financial liabilities of the Group are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the Consolidated Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Consolidated Statement of Profit and Loss.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

A financial liability other than a financial liability held for trading may be designated as at FVTPL upon initial recognition if:

- a) such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;
- b) the financial liability forms part of a group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Group's documented risk management or investment strategy, and information about the grouping is provided internally on that basis; or
- c) it forms part of a contract containing one or more embedded derivatives and Ind AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with Ind AS 109.

The Group does not owe any financial liability which is either classified or designated at fair value through profit or loss.

Derecognition of financial liabilities

A financial liability (or, where applicable, a part of a financial liability or part of a group of similar financial liability) is primarily derecognised (i.e. removed from the Consolidated Statement of Profit and Loss) when, and only when, the obligation under the liability is discharged or cancelled or expires.

An exchange with a lender of debt instruments with substantially different terms is accounted

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Consolidated Statement of Profit and Loss.

Embedded derivatives

If the hybrid contract contains a host that is a financial asset within the scope of Ind AS 109, the Group does not separate embedded derivatives. Rather, it applies the classification requirements contained in Ind AS 109 "Financial Instruments" to the entire hybrid contract. Derivatives embedded in all other host contracts are accounted for as separate derivatives and recorded at fair value if their economic characteristics and risks are not closely related to those of the host contracts and the host contracts are not held for trading or designated at fair value through profit or loss. These embedded derivatives are measured at fair value with changes in fair value recognised in the Consolidated Statement of Profit and Loss. Reassessment only occurs if there is either a change in the terms of the contract that significantly modifies the cash flows.

Offsetting a financial asset and a financial liability

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet when, and only when, there is a currently enforceable legal right to set off the recognised amounts and there is an intention to realise the assets and settle the liabilities simultaneously on a net basis.

(xv) Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial asset or financial liability and of allocating interest income/interest expenses over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts/payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

(xvi) Site restoration and other environmental provisions

The Group provides for the costs of restoring a site where a legal or constructive obligation exists. The estimated future costs for known restoration requirements are determined on a site-by-site basis and are calculated based on the present value of estimated future cash out flows.

The site restoration provision before exploitation of the raw materials has commenced is included in Property, Plant and Equipment and depreciated over the life of the related asset.

The effect of any adjustments to the provision due to further environmental damage as a result of exploitation activities is recorded through the Consolidated Statement of Profit and Loss over the life of the related asset, in order to reflect the best estimate of the expenditure required to settle the obligation at the end of the reporting period.

Changes in the measurement of a provision that result from changes in the estimated timing or amount of cash outflows, or a change in the discount rate, are added to or deducted from the cost of the related asset to the extent that they relate to the asset's installation, construction or acquisition.

All provisions are discounted to their present value. The unwinding of the discount is recognised as a finance cost in the Consolidated Statement of Profit and Loss.

(xvii) Foreign Currency Transactions/Translations

These financial statements are presented in Indian Rupees (₹).

Transactions in currencies other than Group's functional currency (foreign currencies) are recorded at the rates of exchange prevailing on the date of transaction. At the end of the reporting period, monetary items denominated in foreign currencies are reported using the exchange rate prevailing as at reporting date. Non-monetary items denominated in foreign currencies which are carried in terms of historical cost are reported using the exchange rate at the date of the transaction.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the exchange rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or expenses in the year in which they arise.

(xviii) Revenue recognition

Revenue is recognised on the basis of approved contracts regarding the transfer of goods or services to a customer for an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

Sale of goods

Revenue from the sale of the Group's core products Cement and Ready-Mix Concrete is recognised when delivery has taken place and control of the goods has been transferred to the customer, and when there are no longer any unfulfilled obligations.

The customer obtains control of the goods when the significant risks and rewards of products sold are transferred to the customer, being at the point the goods are delivered to and accepted by the customer, according to the specific delivery terms that have been agreed with the customer.

Revenue is measured at fair value of the consideration received or receivable, after deduction of any discounts, price concessions, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc. Experience is used to estimate the provision for such discounts, price concessions and rebates. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur.

No element of financing is deemed present as the sales are made with credit terms largely ranging between 30 days and 60 days depending on the specific terms agreed to with the customer concerned, which is consistent with market practice.

Contract Balances

Trade receivables

A trade receivable is recognised when the products are delivered to a customer as this is the point in time that the consideration becomes unconditional because only a passage of time is required before the payment is due.

Contract assets, which is a group's right to consideration that is conditional on something other than the passage of time. Currently there are no contract assets.

Contract liabilities

Contract liabilities, which is a group's obligation to transfer goods or services to a customer for which the entity has already received consideration, relate mainly to advance payments from customers which are disclosed in Note no. 24. Contract liabilities are recognised as revenue when the Group performs under the contract.

Rendering of services

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.

Interest income and royalties

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be

measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable. Royalty income is recognised on an accrual basis in accordance with the substance of the relevant agreement.

Dividends

Dividend income from investments is recognised when the right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably).

(xix) Retirement and other employee benefits

a) Short-term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

b) Defined Contribution Plans

Employee benefits in the form of contribution to Superannuation Fund, Provident Fund managed by Government Authorities, Employees State Insurance Corporation and Labour Welfare Fund are considered as defined contribution plans and the same are charged to the Consolidated Statement of Profit and Loss for the year in which the employee renders the related service.

c) Defined Benefit Plans

The Group's gratuity scheme, additional gratuity scheme and post-employment benefit scheme are considered as defined benefit plans. The Group's liability is determined on the basis of an actuarial valuation using the projected unit credit method as at the Balance Sheet date. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using discount rate with reference to the market yield on government bonds at the end of reporting period.

Provident Fund

In respect of certain employees, provident fund contributions are made to a trust administered by the Group. Periodic contributions to the Fund are charged to the Consolidated Statement of Profit and Loss. The Group has an obligation to make good the shortfall, if any, between the return from the investment of the trust and interest rate notified by the Government of India. The Group's liability is determined on the basis of an actuarial valuation using the projected unit credit method.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

Defined benefit costs are categorised as follows:

- i. The current service cost of the defined benefit plans, recognised in the Consolidated Statement of Profit and Loss in employee benefits expense, reflects the increase in the defined benefit obligation resulting from employee service in the current year, benefit changes, curtailments and settlements. Past service costs, which comprise plan amendments and curtailments, as well as gains or losses on the settlement of pension benefits are recognised immediately in the Consolidated Statement of Profit and Loss when they occur.
 - ii. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in Finance cost in the Consolidated Statement of Profit and Loss.
 - iii. Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to the Consolidated Statement of Profit and Loss in subsequent periods.
- d) **Accumulated Compensated Absences**
Accumulated compensated absences which are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are treated as short-term employee benefits. The Group measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.
- e) **Other Long-term benefits**
Long service awards and accumulated compensated absences which are not expected to be settled wholly before twelve months after the end of the annual reporting period in which the employees render the related service are treated as other long-term employee benefits for measurement purposes.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Group in respect of services provided by employees up to the reporting date.

The Group's liability is determined on the basis of an actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Re-measurements are immediately recognised in the Consolidated Statement of Profit and Loss.

f) Termination benefits

Termination benefits are payable when employment is terminated by the Group before the normal retirement date, or when an employee accepts voluntary redundancy in exchange for these benefits. The Group recognises termination benefits at the earlier of the following dates:

- i. when the Group can no longer withdraw the offer of those benefits; and
- ii. when the Group recognises costs for a restructuring that is within the scope of Ind AS 37 "Provisions, Contingent Liabilities and Contingent Assets" and involves the payment of termination benefits.

In the case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees accepted the offer. Benefits falling due more than twelve months after the end of the reporting period are discounted to present value.

g) Presentation and disclosure

For the purpose of presentation of Defined benefit plans, the allocation between the current and non current provisions has been made as determined by an actuary. The Group presents the entire compensated absences as short-term provisions, since employee has an unconditional right to avail the leave at any time during the year.

h) Employee share-based payments

The Ultimate holding Company of the Group operates various equity-settled performance share plans. Senior executive of the Company received remuneration in the form of share-based payments, whereby employee render service as consideration for equity instruments (equity settled transactions).

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

The cost of equity settled transactions is recognised in the Consolidated Statement of Profit and Loss, together with a corresponding increase in equity, representing contribution received from the ultimate holding company, over the period in which the performance and/or service conditions are fulfilled. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and group's best estimate of the number of equity instruments that will ultimately vest. The charge or credit to the Consolidated Statement of Profit and Loss for a period represents movement in the cumulative expenses recognised as at the beginning and end of that period.

In case of forfeiture/lapse stock option, which is not vested, amortised portion is reversed by credit to employee compensation expense. In a situation where the stock option expires unexercised, the related balance standing to the credit of the Employee Stock Options Outstanding Account / Capital Contribution from Parent is transferred to other equity.

(xx) Non-current assets held for sale

The Group classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use. This condition is regarded as met only when the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset and its sale is highly probable. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non-current assets classified as held for sale are measured at the lower of their carrying amount and the fair value less cost to sell. Non-current assets held for sale are not depreciated or amortised.

(xxi) Borrowing Costs

Borrowing cost directly attributable to acquisition and construction of assets that necessarily takes substantial period of time are capitalised as part of the cost of such assets up to the date when such assets are ready for intended use or sale.

All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

(xxii) Taxation

Tax expense comprises current tax and deferred income tax and includes any adjustments related to past periods in current and / or deferred tax adjustments that may

become necessary due to certain developments or reviews during the relevant period.

Current income tax

Current income tax is measured at the amount expected to be paid to or recovered from the tax authorities in accordance with the Income tax Act, 1961 including the relevant Transfer Pricing regulations prescribed thereunder, read with applicable judicial precedents or interpretations, wherever relevant.

Current income tax relating to items recognised outside the Consolidated Statement of Profit and Loss is recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised only to the extent that it is probable that sufficient future taxable income will be available against which such deferred tax assets can be realised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets are reviewed at each Balance Sheet date. The Group writes-down the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain that sufficient future taxable income will be available.

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside Consolidated Statement of Profit and Loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to income tax levied by the same taxation authority.

The Group applies significant judgement in identifying uncertainties over income tax treatments. Uncertain tax positions are reflected in the overall measurement of tax expense of respective group entities and are based on the most likely amount or expected value that is to be disallowed by the taxing authorities in respective group entities, whichever better predict the resolution of uncertainty. Uncertain tax balances are monitored and updated as and when new information becomes available, typically upon examination or action by the taxing authorities or through statute expiration.

(xxiii) Leases

The Group assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether:

- i. the contract involves the use of an identified asset;

- ii. the Group has substantially all of the economic benefits from use of the asset through the period of the lease and
- iii. the Group has the right to direct the use of the asset.

Group as a lessee:

Right-of-use assets ("ROU")

At the date of commencement of the lease, the Group recognises a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for short-term leases and leases of low-value assets.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset and the average lease terms are as follows:

Right of use assets	Average (Range) lease terms (in years)
Buildings	8
Land	8-99
Machines	6
Furniture and Vehicles	5

The right of use assets is also subject to impairment. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

Lease liabilities

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The Group uses the incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability include fixed payments, variable lease payments that depend on an index or a rate known at the commencement date; and extension option payments or purchase options payments which the Group is reasonably certain to exercise.

Variable lease payments that do not depend on an index or rate are not included in the measurement the lease liability and the ROU asset. The related payments are recognised as an expense in the period in which the

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

event or condition that triggers those payments occurs and are included in the line "other expenses" in the Consolidated Statement of Profit or Loss.

The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

The Group remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever:

- The lease term has changed or there is a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.
- A lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.

Lease term

The lease term comprises the non-cancellable lease term together with the period covered by extension options, if assessed as reasonably certain to be exercised, and termination options, if assessed as reasonably certain not to be exercised. Non-lease components in contracts are separated from lease components and accordingly accounted for in operating profit on a cost incurred basis.

Presentation

Lease liability and ROU asset have been separately presented in the Consolidated Balance Sheet and related cash flows are classified as financing activities in the Consolidated Statement of Cash Flows.

Deferred tax on the deductible temporary difference and taxable temporary differences in respect of carrying value of right of use assets and lease liability and their respective tax bases are recognised separately.

Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases (i.e. those leases that have a lease term of 12 months or less from the commencement date). It also applies the lease of low-value assets recognition exemption to leases that are considered of low value (in the range of ₹4,00,000 to ₹16,00,000 for different class of assets). Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term. The related cash flows are classified as operating activities in the Consolidated Statement of Cash Flows.

Group as a lessor:

Leases for which the Group is a lessor are classified as finance or operating leases. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

In respect of assets provided on finance leases, amounts due from lessees are recorded as receivables at the amount of the Group's net investment in the leases. Finance lease income is allocated to accounting periods to reflect a constant periodic rate of return on the Group's net investment outstanding in respect of the leases. In respect of assets given on operating lease, lease rentals are accounted in the Consolidated Statement of Profit and Loss, on accrual basis in accordance with the respective lease agreements.

(xxiv) Segment Reporting

Identification of segments

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Group's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available.

The Board of Directors of the Group has appointed Executive Committee (ExCo) which has been identified as being the CODM. The ExCo assesses the financial performance and position of the Group and makes strategic decisions.

The Group's operating businesses are organised and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Inter-segment transfers

Inter-segment revenue has been accounted for based on the transaction price agreed to between segments which is based on current market prices.

Unallocated items

Revenue, expenses, assets and liabilities which relate to the Group as a whole and not allocable to segments on reasonable basis have been included under 'unallocated revenue/ expenses/ assets/ liabilities'.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

Segment policies

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the Consolidated Financial Statements of the Group as a whole.

Operating segment is reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker ("CODM").

(xxv) Cash and Cash equivalents

Cash and cash equivalents consist of cash and cheques on hand, cash at banks, demand deposits from banks and short-term, highly liquid instruments. As part of the Group's cash management policy to meet short-term cash commitments, it parks its surplus funds in short-term highly liquid instruments that are held for a period of three months or less from the date of acquisition. These short-term highly liquid instruments are open-ended debt funds and certificates of deposit that are readily convertible into known amounts of cash and are subject to insignificant risk of changes in value.

(xxvi) Government Grants and Subsidies

- a) Grants and subsidies from the Government are recognised when the Group will comply with all the conditions attached to them and there is a reasonable assurance that the grant/subsidy will be received.
- b) Government grants related to income under State Investment Promotion Scheme linked with VAT / GST payment are recognised in the Consolidated Statement of Profit and Loss in the period in which they become receivable.
- c) Where the government grant/subsidy relates to revenue, it is recognised as income on a systematic basis in the Consolidated Statement of Profit and Loss, under other operating revenue over the periods necessary to match them with the related costs, which they are intended to compensate. Government grant and subsidy receivable against an expense are deducted from such expense.
- d) Where the grant or subsidy relates to an asset, it is presented in the balance sheet by setting up the grant as deferred income and recognised in the Statement of Profit and Loss on a systematic basis over the useful life of the asset.

(xxvii) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share are computed by dividing the profit after tax as adjusted for dividend, interest

and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

(xxviii) Exceptional items

An item of income or expense which by its size, nature or incidence requires disclosure in order to improve an understanding of the performance of the Group is treated as an exceptional item and disclosed separately in the financial statements.

(xxix) Use of Estimates and Judgements

The preparation of the Group's Consolidated Financial Statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future period. Revisions in estimates are reflected in the Consolidated Financial Statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the Consolidated Financial Statements.

The Group makes estimates and assumptions concerning the future. The estimates and assumptions that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are summarised below:

Impairment of non-financial assets

The carrying amounts of the Group's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the recoverable amounts of cash-generating units have been determined based on value in use calculations. These calculations require the use of estimates such as discount rates and growth rates.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

Leases

Ind AS 116 Leases requires a lessee to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Group makes an assessment on the expected lease term on lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Group considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of lease and the importance of the underlying lease to the Group's operations taking into account the location of the underlying asset and the availability of the suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. The discount rate is based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

Defined benefit plans

The liabilities and costs for defined benefit pension plans and other post-employment benefits are determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, future salary increases, mortality rates and future pension increases. Due to the long-term nature of these plans, such estimates are subject to significant uncertainty.

Provisions

Provisions are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The litigations and claims to which the Group is exposed are assessed by management and in certain cases with the support of external specialised lawyers.

Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Group. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognised.

Useful lives of Property, Plant and Equipment

The Group uses its technical expertise along with historical and industry trends for determining the economic life of an asset/component of an asset. The useful lives are reviewed by management periodically and revised, if appropriate. In case of a revision, the unamortised depreciable amount is charged over the remaining useful life of the asset.

Impairment of investments in joint ventures and associates

Determining whether the investments in joint ventures and associates are impaired requires an estimate of the value of use of investments. In considering the value in use, the management has anticipated the capacity utilisation of plants, operating margins, mineable resources and availability of infrastructure of mines, and other factors of the underlying businesses/operations of the companies. Any subsequent changes to the cash flows due to changes in the above-mentioned factors could impact the carrying value of investments.

Incentives under the State Industrial Policy

The Group's manufacturing units in various states are eligible for incentives under the respective State Industrial Policy. The Group accrues these incentives as refund claims in respect of VAT/GST paid, on the basis that all attaching conditions were fulfilled by the Group and there is reasonable assurance that the incentive claims will be disbursed by the State Governments.

The Group measures expected credit losses in a way that reflects the time value of money. Any subsequent changes to the estimated recovery period could impact the carrying value of Incentives receivable.

(xxx) Recent Accounting Developments

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from January 01, 2022.

MCA issued notifications dated March 24, 2021 to amend Schedule III to the Companies Act, 2013 to enhance the disclosures required to be made by the Group in its financial statements. These amendments are applicable to the Company for the financial year starting January 01, 2022.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

Notes:

- Buildings include cost of shares ₹12,050 (*Previous year – ₹34,600*) in various Co-operative Housing Societies, in respect of 8 (*Previous year – 17*) residential flats.
- The Company is in the process of obtaining the title deeds of Freehold mining land of ₹131.53 Crore (*Previous year – ₹131.53 Crore*) and Building amounting to net block of ₹4.39 core (*previous year - ₹ NIL*) which is included in Property, Plant and Equipment.
 - The title deeds of immovable properties included in Property, Plant and Equipment are held in the name of the Company except for 1 case of leasehold land (under ROU assets in current year) amounting to net block of ₹1.98 Crore (*Previous year – ₹2.04 Crore*), 2 cases of freehold land amounting to net block of ₹1.37 Crore (*Previous year – ₹1.37 Crore*) and 2 cases of Buildings amounting to net block of ₹12.11 Crore (*Previous year – ₹11.18 Crore*) respectively as at December 31, 2020 for which title deeds are in the name of the erstwhile Company that merged with the Company.
- During the previous year, considering lower profitability due to higher input cost, the Company had suspended part of it's operations at Madukkarai plant. The Company carried out a review of the recoverable amount of the tangible assets and capital work in progress used in the cement manufacturing facility at Madukkarai. The recoverable amount from such tangible assets and capital work in progress at Madukkarai plant was assessed to be lower than it's total carrying amount and consequently an impairment loss of ₹176.01 Crore (including Capital work in progress ₹17.62 Crore) was recognised and disclosed as an exceptional item. The discount rate used in measuring recoverable value was 10.64 per cent per annum. The future cash flows are derived from the detailed budgets and forecast for the next three years. Steady growth rate of 4 per cent per annum is applied beyond the forecast period. There is no change on re-assessment in the current year.

In the current year out of the total impairment charge of ₹17.62 Crore on Capital work in progress, provision of ₹14.66 Crore has been transferred to tangible assets on capitalisation.
- Upon introduction of Ind AS 116 Leases effective January 01, 2020, all Finance Lease assets amounting to net block of ₹37.61 Crore identified under the earlier Ind AS 17 Leases, were reclassified to Right of use assets.
- Capital work-in-progress as at December 31, 2021 is ₹1,245.04 Crore (*Previous year – ₹548.11 Crore*) comprises of expansions projects and others various projects.

Major Capital Work-in-Progress are related to following projects:

	₹ Crore	
Project	2021	2020
Greenfield integrated cement plant in Ametha	433.26	65.14
Expansion of the existing grinding unit in Tikaria	253.26	10.63
Expansion of the existing grinding unit in Sindri	-	168.36
Waste Heat Recovery System (WHRS)	128.17	38.08
Efficiency improvement and maintaining operating capacity	430.35	265.90
Total	1,245.04	548.11

There are no projects where activity has been suspended.

Refer Note – 49 for the amount of expenditures recognised in the carrying amount of Property, Plant and Equipment/ Capital work-in-progress(CWIP) in the course of its construction.

- Depreciation charge for the year include ₹0.07 Crore (*Previous year – ₹ Nil*) capitalised as pre-operative expenses (Refer Note – 49).
- For contractual commitment with respect to Property, Plant and Equipment, Refer Note – 41.

There are no securities which are convertible into equity shares.

NOTE 19: OTHER EQUITY

Refer Statement of Changes in Equity for detailed movement in Equity balance.

	As at December 31, 2021	As at December 31, 2020
Securities Premium	845.03	845.03
General Reserve	2,796.78	2,796.78
Capital contribution from parent	7.47	3.29
Retained earnings	10,471.56	8,866.04
Total	14,120.84	12,511.14

The description of the nature and purpose of each reserve within equity is as follows:

Securities Premium: The amount received in excess of face value of the equity shares is recognised in Securities Premium. The reserve is utilised in accordance with the specific provisions of the Companies Act, 2013.

General Reserve: The General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the General reserve will not be reclassified subsequently to the Consolidated Statement of Profit and Loss. As per Companies Act, 2013, transfer of profits to General reserve is not mandatory. General reserve is a free reserve available to the Group.

Capital Contribution from parent: Capital contribution from parent represents the fair value of the employee performance share plan. These shares are granted by the parent company "Holcim Ltd" to the executives and senior management of the Group.

Retained Earnings: Retained earnings are the profits that the Group has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders. Retained Earnings includes re-measurement loss/gain on defined benefit plans, net of taxes that will not be reclassified to Profit and Loss. Retained Earnings is a free reserve available to the Group.

	15.36	0.62%	(12.50)	(2.63%)	9.41	0.76%	(3.09)	(0.19%)
At the effective income tax rate	643.28	25.79%	153.06	32.31%	318.02	25.93%	471.08	27.70%
Reversal of opening deferred tax liability on account of change in tax rate (Refer Note (b) below)	-	-	-	-	(189.61)	(15.46%)	(189.61)	(11.15%)
Effect of change in tax rate on deferred tax for the period January 01 to March 31, 2020	-	-	-	-	(2.88)	(0.23%)	(2.88)	(0.17%)
Income tax expense reported in the Consolidated Statement of Profit and Loss	643.28	25.79%	153.06	32.31%	125.53	10.24%	278.59	16.38%

Notes:

- The Group follows calendar year as financial year, therefore applicable statutory income tax rate is weighted average rate. The tax rate used for reconciliation above is the corporate tax rate payable by corporate entities in India on taxable profits under Indian tax law.
- The Government of India has inserted Section 115BAA in the Income Tax Act, 1961, which provides domestic companies an option to pay Corporate Tax at reduced rate effective April 01, 2019, subject to certain conditions. During the previous year ended December 31, 2020, the Group has adopted the option of reduced rate and accordingly opening net deferred tax liability as on January 01, 2020 amounting to ₹179.57 Crore was reversed (net of reversal of deferred tax assets of ₹10.04 Crore in Other Comprehensive Income).

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

Deferred Tax:

Deferred Tax relates to the following:

	As at December 31, 2021	As at December 31, 2020
Deferred Tax Liabilities:		
Depreciation and amortisation differences	623.34	623.21
Deferred Tax Liabilities on undistributed profit of associates and joint ventures	20.71	18.21
	644.05	641.42
Deferred Tax Assets:		
Provision for employee benefits	47.77	48.25
Expenditure debited in the Consolidated Statement of Profit and Loss but allowed for tax purposes in the following years	62.27	70.78

Other temporary differences	65.80	5.38	-	66.39
	246.63	(4.45)	(1.83)	240.35
Net Deferred Tax Liabilities	394.79	7.08	1.83	403.70

	Net Balance as on January 01, 2020	Recognised in the Consolidated Statement of Profit and Loss	Recognised in OCI	Net Balance as on December 31, 2020
Deferred Tax Liabilities:				
Depreciation and amortisation differences	933.94	(310.73)	-	623.21
Deferred Tax Liabilities on undistributed profit of associates and joint venture	12.97	5.24	-	18.21
	946.91	(305.49)	-	641.42
Deferred Tax Assets:				
Provision for employee benefits	73.68	(16.90)	(8.53)	48.25
Expenditure debited in the Consolidated Statement of Profit and Loss but allowed for tax purposes in the following years	98.78	(28.00)	-	70.78
Allowance for obsolescence of Stores and Spares	9.88	(2.76)	-	7.12
Allowance for doubtful receivables and other assets	17.51	1.69	-	19.20
Right of use assets and lease liabilities differences	-	3.03	-	3.03
Expected credit loss on incentives receivable from government	-	32.45	-	32.45
Other temporary differences	91.34	(25.54)	-	65.80
	291.19	(36.03)	(8.53)	246.63
Net Deferred Tax Liabilities	655.72	(269.46)	8.53	394.79

At the end of the reporting period, the aggregate amount of temporary differences associated with undistributed earnings of the subsidiaries for which deferred tax liabilities have not been recognised is ₹19.47 Crore (Previous year – ₹18.57 Crore).

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

No liability has been recognised in respect of these differences because management controls the distributions of the earnings of the subsidiaries to the holding company and it has no intention to distribute the earnings of the subsidiaries.

The Group offsets tax assets and liabilities if and only if it has a legally enforceable right to set-off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities related to income taxes levied by the same tax authority.

The Subsidiaries having the following unused tax losses which arose on incurrance of business losses under the Income Tax for which no deferred tax asset has been recognised in the Balance Sheet.

Financial Year	Category	₹ Crore	Expiry date
2013-14	Business Loss	0.85	March 31, 2022

NOTE 36: EARNINGS PER SHARE – [EPS]

Refer Note 1 (xxvii) for Earnings Per Share

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity shareholders of the parent by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity shareholders of the parent by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

The following reflects the income and share data used in the basic and diluted EPS computations:

		₹ Crore
	For the year ended December 31, 2021	For the year ended December 31, 2020
Profit attributable to equity shareholders (as per Consolidated Statement of Profit and Loss)	1,862.99	1,430.18
Weighted average number of equity shares for Earnings Per Share computation		
Number of shares for Basic Earnings Per Share	18,77,87,263	18,77,87,263
Effect of dilution:		
Number of shares held in abeyance	5,06,656	4,55,369
(Movement in number of shares is on account of change in average fair value of share)		
Weighted average number of Equity shares adjusted for the effect of dilution	18,82,93,919	18,82,42,632
Earnings per share		
Face value per share	10.00	10.00
Basic	₹ 99.21	76.16

NOTE 39: EMPLOYEE BENEFITS

Refer Note 1 (xix) for accounting policy on Employee benefits

a) **Defined Contribution Plans** – Amount recognised and included in Note 31 “Contributions to Provident and other Funds” of Consolidated Statement of Profit and Loss ₹15.10 Crore (*Previous year – ₹15.97 Crore*).

b) **Defined Benefit Plans** – As per actuarial valuation on December 31, 2021.

The Group has defined benefit gratuity, additional gratuity and Trust managed provident fund plan.

- The Group operates a Gratuity Plan through a trust for all its employees. Every employee who has completed minimum five years of service is entitled to gratuity at 15 days salary for each completed year of service in accordance with Payment of Gratuity Act, 1972. The scheme is funded with insurance companies in the form of qualifying insurance policies.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

- ii. Every employee who has joined before December 01, 2005 and separates from service of the Group on Superannuation or on medical grounds is entitled to additional gratuity. The scheme is Non Funded.
This plan was discontinued with effect from April 30, 2020 for all the eligible employees of management category and benefits accrued was disbursed to the employees.
- iii. Post Employment Medical Benefit plans – This plan was discontinued with effect from July 01, 2020.
- iv. Refer Note – (c) for Provident fund scheme.

Governance and Investment Strategy

The gratuity and provident fund has the form of a trust and it is governed by the Board of Trustees. The Board of Trustees is responsible for the administration of the plan assets including investment of the funds in accordance with the norms prescribed by the Government of India. The trust has developed policy guidelines for the allocation of assets to different classes with the objective of controlling risk and maintaining the right balance between risk and long-term returns in order to limit the cost to the Group of the benefits provided. To achieve this, investments are well diversified, such that the failure of any single investment would not have a material impact on the overall level of assets.

Each year, the Board of Trustees and the Group review the level of funding. Such a review includes the asset-liability matching strategy and assessment of the investment risk. The Group decides its contribution based on the results of this annual review.

Every year an Asset-Liability-Matching study is performed in which the consequences of the investments are analysed in terms of risk and return profiles. The Board of Trustees, based on the study, takes appropriate decisions on the duration of instruments in which investments are done. As per the latest study, there is no Asset-Liability-Mismatch.

The plans in India typically expose the Group to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Investment risk – As the plan assets include significant investments in quoted debt and equity instruments, the Group is exposed to the risk of impacts arising from fluctuation in interest rates and risks associated with equity market.

Interest risk – A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

Longevity risk – The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk – The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Defined Benefit Plans as per Actuarial valuation on December 31, 2021

(Figures in italics pertain to previous year.)

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

VI. Sensitivity Analysis:

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

Sensitivity Analysis as at December 31, 2021

Particulars	Gratuity – Funded		Gratuity – Unfunded	
	₹ Crore			
	Increase	Decrease	Increase	Decrease
Discount rate (1% movement)	(13.66)	15.59	(6.98)	8.07
Future salary growth (1% movement)	15.40	(13.75)	7.76	(6.86)

Sensitivity Analysis as at December 31, 2020

Particulars	Gratuity – Funded		Gratuity – Unfunded	
	₹ Crore			
	Increase	Decrease	Increase	Decrease
Discount rate (1% movement)	(14.58)	17.07	(7.85)	9.11
Future salary growth (1% movement)	16.39	(14.54)	8.07	(7.68)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation recognised in the Consolidated Balance Sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from previous year.

VII. The major categories of plan assets as a percentage of total plan (%)

Particulars	Gratuity	
	As at	As at
	December 31, 2021	December 31, 2020
Debt instruments		
Government securities	70%	63%
Debentures and bonds	26%	32%
Equity shares	2%	3%
Cash and cash equivalents		
Fixed deposits	2%	2%
	100%	100%

VIII. Actuarial Assumptions:

Particulars	As at	As at
	December 31, 2021	December 31, 2020
a) Financial Assumptions		
1 Discount rate	6.75%	6.25%
2 Salary increase rate	7.00%	7.00%
b) Demographic Assumptions		
1 Retirement age	60 years	60 years
2 Expected average remaining working lives of employees	10 years	10 years
3 Disability rate	5.00%	5.00%
4 Mortality pre-retirement	Indian Assured Lives Mortality (2012-14) (Modified) Ultimate	Indian Assured Lives Mortality (2012-14) (Modified) Ultimate

- c) The discount rate is based on the prevailing market yields of Government of India securities as at the Consolidated Balance Sheet date for the estimated term of the obligations.
- d) The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

e) Expected cash flows:

Particulars	Funded Gratuity		Unfunded Gratuity	
	As at December 31, 2021	As at December 31, 2020	As at December 31, 2021	As at December 31, 2020
1. Expected employer contribution in the next year	-	-		
2. Expected benefit payments				
Year 1	29.81	27.60	11.58	7.49
Year 2	23.56	27.86	8.30	9.03
Year 3	23.93	24.56	8.15	9.50
Year 4	21.90	24.87	8.95	9.02
Year 5	17.65	21.52	8.41	10.40
Next 5 years	77.96	78.30	35.96	39.90
Total expected payments	194.81	204.71	81.35	85.34

- f) Post employment defined benefit plan expenses are included under employee benefit expenses in the Consolidated Statement of Profit and Loss.
- g) **Other Long-term employee benefits** – Amount recognised as an expense under employee benefit expenses in the Consolidated Statement of Profit and Loss in respect of compensated absences and long service award is ₹8.57 Crore (*Previous year – ₹17.14 Crore*). Following are the actuarial assumptions used for valuation of Other Long-term employee benefits.

Actuarial Assumptions for valuation of Other Long-term employee benefits	As at December 31, 2021	As at December 31, 2020
a) Financial Assumptions		
1 Discount rate	6.75%	6.25%
2 Salary increase rate	7.00%	7.00%
b) Demographic Assumptions		
1 Retirement age	60 years	60 years
2 Expected average remaining working lives of employees	10 years	10 years
3 Disability rate	5.00%	5.00%
4 Mortality pre-retirement	Indian Assured Lives Mortality (2012-14) (Modified) Ultimate	Indian Assured Lives Mortality (2012-14) (Modified) Ultimate

c) Provident Fund

Provident Fund for certain eligible employees is managed by the Group through a trust "The Provident Fund of ACC Ltd", in line with the Provident Fund and Miscellaneous Provisions Act, 1952. The plan guarantees interest at the rate notified by the Provident Fund Authorities. The contribution by the employer and employee together with the interest accumulated thereon are payable to employees at the time of separation from the Group or retirement, whichever is earlier. The benefits vests immediately on rendering of the services by the employee.

The minimum interest rate payable by the trust to the beneficiaries every year is notified by the Government. The Group has an obligation to make good the shortfall, if any, between the return from the investments of the trust (including investment risk fall) and the notified interest rate. The exempt provident fund set up by the Group is a defined benefit plan under Ind AS 19 Employee Benefits.

Discount rate (1% movement)	(4.26)	5.03	(4.45)	5.30
Interest rate guarantee (1% movement)	58.05	(30.17)	56.54	(29.37)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation recognised in the Consolidated Balance Sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from previous year.

- IX. The Group expects to contribute ₹25.00 Crore (*Previous year – ₹25.00 Crore*) to trust managed Provident Fund in the next year.

NOTE 40: LEASES

Refer Note 1 (xxiii) for accounting policy on Leases.

Group as lessee

The Group's lease asset classes primarily consist of leases for grinding facility, godowns, flats, land, Plant and Equipment, office premises and other premises. There are no restrictions imposed by lease arrangements. There are no subleases.

- (I) As at December 31, 2021, commitments for leases not yet commenced is ₹ Nil (*Previous year – ₹37.80 Crore*) towards a leasehold land with lease term of 30 years.

(II) The movement in lease liabilities during the year ended December 31, 2021 is as follows:

	As at December 31, 2021	As at December 31, 2020
Balance at the January 01	102.48	131.61
Additions During the Year	51.37	8.20
Finance cost accrued during the period	9.37	9.80
Lease Modification	-	(7.46)
Payment of lease liabilities	(35.99)	(24.59)
Termination of Lease contracts	(1.65)	(15.08)
Balance at December 31	125.58	102.48
Current lease liabilities	24.21	18.50
Non-current lease liabilities	101.37	83.98

(III) The maturity analysis of lease liabilities are disclosed in Note 51 (ii) – Liquidity risk

(IV) Lease Expenses recognised in Statement of Profit and Loss, not included in the measurement of lease liabilities:

	For the year ended December 31, 2021	For the year ended December 31, 2020
Expense relating to short-term leases	65.19	48.98
Expense relating to leases of low- value assets	0.04	0.04
Expense in respect of variable lease payments	42.03	28.40
	107.26	77.42

NOTE 41: CAPITAL AND OTHER COMMITMENTS

Estimated amount of contracts remaining to be executed on capital account and not provided for:

	As at December 31, 2021	As at December 31, 2020
A) Estimated value of contracts on capital account remaining to be executed (Net of advance)	935.77	1,074.26
B) For commitments relating to lease arrangements, Refer Note – 40		

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

NOTE 42: CONTINGENT LIABILITIES NOT PROVIDED FOR

Refer Note 1 (viii) for accounting policy on Contingent liabilities.

Claims against the Company not acknowledged as debt:

Disputed claims/levies in respect of:

Nature of Statute	Brief Description of Contingent Liabilities	As at	As at
		December 31, 2021	December 31, 2020
Competition Act, 2002	CCI matter – Refer Notes a & b below	1,878.34	1,749.85
The Income Tax Act, 1961	Income tax matter related to excise duty incentives in the nature of capital receipts including interest u/s 244A. Refer Notes e below	604.44	604.44
Service Tax – The Finance Act, 1994	Dispute regarding place of removal. Refer Note c below	92.34	90.98
The Mineral Concession Rules	Compensation for use of Government land. Refer Note d below	212.22	212.22
Sales Tax Act/Commercial Tax Act of various states	Packing Material – Differential rate of tax. Matters pending with various authorities	11.53	20.52
Customs Duty – The Customs Act, 1962	Other Sales tax matters	6.77	9.65
	Demand of duty on import of Steam Coal during 2001 to 2013 classifying it as Bituminous Coal.	30.97	30.97
Other Statutes/Other Claims	Claims by suppliers regarding supply of raw material and other claim.	35.89	35.89
	Demand of water drawal charges, Special Leave petition (SLP) pending with Hon'ble Supreme Court.	9.80	9.80
	Various other cases pertaining to claims related to Railways, labour laws, etc.	16.58	16.08
Mines and Minerals (Development and Regulation) Act	Demand of additional Royalty on Limestone based on ratio of cement produced vis-a-vis consumption of limestone.	7.93	7.93
	Total	2,906.81	2,788.33

In respect of above matters, future cash outflows are determinable only on receipt of judgements pending at various forums/authorities.

The Group does not expect any reimbursements in respect of the above contingent liabilities.

The Group has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed as contingent liabilities where applicable, in its consolidated financial statements. The Group does not expect the outcome of these proceedings to have a materially adverse effect on its financial position.

- a) In 2012, the Competition Commission of India ('CCI') issued an Order imposing penalty on certain cement manufacturers, including the Company, concerning alleged contravention of the provisions of the Competition Act, 2002, and imposed a penalty of ₹1,147.59 Crore on the Company. On Company's appeal, Competition Appellate Tribunal ('COMPAT'), initially stayed the penalty, and by its final order dated December 11, 2015, set aside the order of the CCI, remanding the matter back to the CCI for fresh adjudication and for passing a fresh order.

After hearing the matter, the CCI had, by its order dated August 31, 2016, held that the cement companies and the Cement Manufacturers Association (CMA) are guilty and in violation of the Section 3(1) read with Section 3(3)(a) and Sec 3 (3)(b) of the Competition Act and imposed a penalty of ₹1,147.59 Crore on the Company.

The Company had appealed against the penalty to the Competition Appellate Tribunal ('COMPAT') which granted a stay on November 07, 2016 with a condition to deposit 10% of the penalty amount, which was deposited and levy of interest of 12% p.a. in case the appeal is decided against the appellant (the "Interim order"). Interest amount on penalty as on December 31, 2021 is ₹695.43 Crore (*Previous year – ₹566.94 Crore*). COMPAT was replaced by the National Company Law Appellate Tribunal (NCLAT) effective May 26, 2017, who vide its judgement dated July 25, 2018, dismissed the Company's appeal and upheld the CCI's order.

Against the above judgement of NCLAT, the Company appealed before the Hon'ble Supreme Court, which by its order dated October 05, 2018 had admitted the appeal and directed that the interim order passed by the Tribunal in this case will continue in the meantime.

Based on the advice of external legal counsel, the Company believes it has a strong case on merits for successful appeal in this matter. Accordingly, the Company is of the view that no provision is necessary in the financial statements.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

- b) In a separate matter, the Director, Supplies and Disposal, Haryana filed information that seven cement companies had engaged in collusive bidding in contravention of the Competition Act. CCI by its order dated January 19, 2017 imposed a penalty of ₹35.32 Crore on the Company. On Company's filing an appeal, COMPAT had stayed the penalty. Matter is now listed before NCLAT and is pending for hearing.

Based on the advice of external legal counsel, the Company believes it has a strong case on merits for a successful appeal in this matter. Accordingly, the Company is of the view that no provision is necessary in the Consolidated Financial Statements.

- c) The dispute is regarding whether the "place of removal" is the "factory gate / Depot" or "destination point of customer" for availment of Service Tax Credit on "Outward Transportation cost" of Cement when sales is on F.O.R. basis. The Department has alleged that, the freight cost for transportation of Cement beyond factory gate and Depot being the place of removal, is not "Input Service" and therefore the Service Tax Credit on such services cannot be availed. The Service Tax Department issued show cause notice (SCN) and demand orders against which the Company has filed Appeal with the CESTAT.

In the case of Gujarat Ambuja Cement Limited, the Punjab & Haryana (P&H) High Court has decided that the matter in favour of assessee relying on Board Circular dated August 23, 2017, to which Department has not challenged and hence the same has attained finality. Hon'ble Supreme Court, vide Order dated January 01, 2018 in the case of Commissioner, of Central Excise (CCE), Raipur V/s. Ultratech Cement (Chhattisgarh State) has allowed Service Tax Credit on GTA Services and dismissed the Departmental Appeal. In another decision, Hon'ble Supreme court, vide Order dated February 01, 2018 in the case of CCE Bangalore V/S Ultratech Cement (Karnataka state) has disallowed such Service Tax Credit on GTA Services. Similar matter of M/s Mangalam Cement is pending before Hon'ble Supreme Court remanded to High Court for deciding whether decision of Ultratech (Karnataka State) will be applicable or not.

Based on the advice of the external legal counsel, conflicting decisions of various courts and Central Board of Indirect Taxes and Customs (CBIC) Circular, the Company believes that matter is a possible case. The Company strongly believes no provision is considered necessary at this stage.

- d) The Company has received demand notice dated May 10, 2013 from the Government of Tamil Nadu, and an Order dated August 22, 2019 passed by the Collector, Coimbatore seeking Annual Compensation for the period from 01.04.1997 to 31.03.2014 and 01.04.2014 to 31.03.2019, amounting to ₹73.46 Crore and ₹138.76 Crore respectively for use of the Government land for mining, which land the Company occupies on the basis of the Mining Leases. Despite the Company paying royalty at the prescribed rate for the Minerals extracted from the leased land and paying surface rent regularly as per Rules, the Authorities have issued the demand letters calling upon the Company to pay compensation for use of Government land. The Company has challenged the demands by way of Revision under the Mineral Concession Rules and in Writ Petitions before the Hon'ble High Court of Tamil Nadu at Chennai, and in a Petition has obtained an order restraining the State from taking coercive steps.

Pending the same the High Court of Tamil Nadu in the group Writ Petitions of other cement manufacturers viz. Dalmia Cements, Madras Cements and others has passed a judgement dated November 20, 2019 allowing annual compensation to be collected by the state under rule 72 of MCR in respect of Government Poramboke Land. The Company has filed a Writ Appeal against the Judgement dated November 20, 2019 passed in Dalmia Cements, Madras Cements and others.

One of the above Petition challenging the demand for the period 01.04.2014 to 31.03.2019, is disposed of against the Company by the High Court vide order dated December 14, 2021 in line with judgement dated November 20, 2019. The Company is in the process of filing a Writ Appeal before the Divisional bench of High Court against this judgement.

The Company is of the view and has been advised legally, that the merits are strongly in its favour.

- e) The Company was entitled to excise incentives from Government at its Galgal plant located in the State of Himachal Pradesh, in respect of Income tax assessment years 2006-07 to 2015-16. The Company contended that the said incentives are in the nature of capital receipts and hence not liable to income tax. The Income tax department had initially not accepted this position and appeals were pending with the Commissioner of Income tax-appeals (CIT-A).

During the year 2018, the matter was decided in the favour of the Company for three years by the (CIT-A), against which the department has filed an appeal with the ITAT. Two more years orders were received later deciding on the same line.

In view of the series of repeated favourable orders by the Income tax department, after considering the legal merits of the Company's claim, including *inter alia*, the ratio of the decisions of Hon'ble Supreme Court, and the pattern of favourable orders by the department including favourable disposal of the Company's appeal by the CIT (A), as mentioned above,

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

the Company reassessed the risk and concluded that the risk of an ultimate outflow of funds for this matter is no longer probable. This was backed by an expert's opinion on the matter.

The department had issued show cause notices for revisionary proceedings under Section 263 of the Income-Tax Act, 1961 in the year 2018 in respect of excise incentives for two years. On appealing against 263 order, the ITAT had directed the Assessing Officer to re-examine and take final decision independently. Against ITAT order, appeal is pending before High Court. In 2021, AO has re-examined the matter (as per ITAT's direction) and disallowed the claim. The appeal is filed before CIT(A).

Pending final closure of this matter, tax amount of ₹500.63 Crore (*Previous year – ₹500.63 Crore*) along with interest payable of ₹103.81 Crore (*Previous year – ₹103.81 Crore*) has been disclosed as contingent liabilities.

NOTE 43: MATERIAL DEMANDS AND DISPUTES RELATING TO ASSETS AND LIABILITIES CONSIDERED AS REMOTE BY THE GROUP

- a) The Company had availed sales tax incentives in respect of its new 1 MTPA Plant (Gagal II) under the Himachal Pradesh (HP) State Industrial Policy, 1991. The Company had accrued sales tax incentives aggregating ₹56 Crore. The Sales tax authorities introduced certain restrictive conditions after commissioning of the unit stipulating that incentive is available only for incremental amount over the base revenue and production of Gagal I prior to the commissioning of Gagal II. The Company contends that such restrictions are not applicable to the unit as Gagal II is a new unit, as decided by the HP Hon'ble High Court and confirmed by the Hon'ble Supreme Court while determining the eligibility for transport subsidy. The Department recovered ₹64 Crore (tax of ₹56 Crore and interest of ₹8 Crore) which is considered as recoverable.

The HP Hon'ble High Court, had, in 2012, dismissed the Company's appeal. The Company believes the Hon'ble High Court's judgement was based on an erroneous understanding of certain facts and legal positions and that it also failed to consider certain key facts. The Company has been advised by legal experts that there is no change in the merits of the Company's case. Based on such advice, the Company filed a Special Leave Petition (SLP) before the Hon'ble Supreme Court, which is pending for hearing.

- b) The Company was eligible for certain incentives in respect of its investment towards modernisation and expansion of the Chaibasa Cement Unit pursuant to confirmation received under the State Industrial Policy of Jharkhand. Accordingly, the Company has made claims for refund of VAT paid for each financial year. However, no disbursements were made (except an amount of ₹7 Crore representing part of the One Time Lumpsum capital subsidy claim of ₹15 Crore) as the authorities have raised new conditions and restrictions, that were extraneous to the approvals and confirmations expressly received by the Company. The Company had filed two writ appeals before the Jharkhand Hon'ble High Court against these conditions, restrictions and disputes to the extent of the eligible claims which are now being sought to be effected/raised by the Government.

The Division Bench of the Jharkhand Hon'ble High Court, while dealing with appeals by both the Company and the State Government, against a single bench order only partially allowing the Company's claim, in its order dated February 24, 2015, allowed the Company's appeal in totality while dismissing the Government's appeal, thereby confirming that the entire amount claimed by the Company is correct and hence payable immediately.

The Government of Jharkhand had filed an Special Leave petition (SLP) in the Hon'ble Supreme Court against the order of the division bench, which was admitted. In its interim order, the Supreme Court had, while not staying the Division Bench Order, had only stayed disbursement of 40% of the amount due. Consequently, as of date, the Company received only ₹64 Crore out of total ₹235 Crore in part disbursement from the Government of Jharkhand.

The Company is pursuing the matter of disbursement of further amounts outstanding.

The Company is of the view and has been advised legally, that the merits are strongly in its favour and it expects that the SLP will be rejected upholding the order of the Division bench of the Jharkhand Hon'ble High Court by the Apex Court.

- c) The Company is eligible for incentives for one of its cement plants situated in Maharashtra, under a Package Scheme of Incentives of the Government of Maharashtra. The scheme *inter alia*, includes refund of royalty paid by the Company on extraction or procurement of various raw materials (minerals). The Department of Industries has disputed the Company's claim for refund of royalty on an erroneous technical interpretation of the sanction letter issued to the Company, that only the higher of the amount of (i) VAT refund and (ii) royalty refund claim amounts, each year, shall be considered. The Company maintains that such annual restriction is not applicable as long as the cumulative limit of claim does not exceed the amount of eligible investment. The Company has accrued an amount of ₹133 Crore (*Previous year – ₹133 Crore*) on this account. The Company has filed an appeal before the Bombay High Court challenging the stand of the Government, which

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

is admitted and pending before the High Court for hearing on merit. The Company is of the view and has been advised legally, that the merits are strongly in its favour.

- d) The Company had set up a captive power plant ('Wadi TG 2') in the year 1995-96. This plant was sold to Tata Power Co Ltd, in the year 1998-99 and was subsequently repurchased from it in the year 2004-05. The Company had purchased another captive power plant ('Wadi TG 3', set up by Tata Power Co Ltd in the year 2002-03) in 2004-05. Both these power plants were eligible for tax holiday under the provisions of Section 80-IA of the Income-tax Act, 1961. The Income tax department has disputed the Company's claim of deduction under Section 80-IA of the Act, on the ground that the conditions prescribed under the Section are not fulfilled. In case of Wadi TG 2, in respect of the demand of ₹56.66 Crore (net of provision) (*Previous year – ₹56.66 Crore*), the Company is in appeal before the ITAT and in case of Wadi TG 3 in respect of the demand of ₹115.62 Crore (*Previous year – ₹115.62 Crore*), which was set aside by the ITAT, the Department is in appeal against the decision in favour of the Company. The Company believes that the merits of the claims are strong and will be allowed.
- e) One of the Company's cement manufacturing plants located in Himachal Pradesh was eligible, under the State Industrial Policy for deferral of its sales tax liability arising on sale of cement manufactured at that plant. The Excise and Taxation department of the Government of Himachal Pradesh, disputed the eligibility of the Company to such deferment on the ground that the Company also manufactures an intermediate product, viz. Clinker, arising in the manufacture of cement, and such intermediate product was in the negative list. A demand of ₹82.37 Crore (*Previous year – ₹82.37 Crore*) was raised. The Company filed a writ petition before the Hon'ble High Court of Himachal Pradesh against the demand. The case has been admitted and the hearing is in process. The Company believes its case is strong and the demand is unlikely to sustain under law.
- f) The Company was contesting the renewal of mining lease in state of Jharkhand for two of its quarries on lease. There was an unfavourable order by the Hon'ble Supreme Court in judgement on Goa Foundation case, restricting the "deemed renewal" provision of captive mining leases to the first renewal period. The Company received demand from District Mining Officer for ₹881 Crore as penalty for alleged illegal mining activities carried out by the Company during January 1991 to September 2014.

On January 02, 2015, the Central Government promulgated the Mines and Minerals (Development and Regulation) Amendment) Ordinance, 2015 [subsequently enacted as Mines and Minerals (Development and Regulation) (Amendment) Act, 2015 in March 2015] amending mining laws with retrospective effect, and decided that all leases granted prior to ordinance will deemed to have been automatically renewed until prescribed period therein.

The Company then filed a writ petition with High Court of Jharkhand, challenging the aforesaid memos from the State Government for directing the State government to renew both the leases up to March 2030 as per the Ordinance.

On October 31, 2015 the High Court passed an interim order in terms of Section 8A(5) of the Ordinance for quarry II extending the lease up to March 2030 permitting the Company to commence mining operations after depositing ₹48 Crore, being assessed value of materials dispatched between April 2014 to September 2014 (being the alleged period of illegality) subject to the outcome of the petition filed by the Company.

The Company's assessment coupled with legal advice is that the case shall not stand the test of judicial scrutiny basis the automatic renewal.

** Provision for contribution to gratuity fund, leave encashment on retirement and other defined benefits which are made based on actuarial valuation on an overall Company basis are not included in remuneration to key management personnel.

^ Paid performance incentive for the year 2020 in April 2021 on pro rata basis for the period January 01, 2020 to February 20, 2020.

^^ Paid performance incentive for the year 2020 in April 2021 on pro rata basis for the period January 01, 2020 to August 31, 2020.

Waived their right to receive Directors' commission and sitting fees.

- The Company makes monthly contributions to provident fund managed by "The Provident Fund of ACC Ltd" for certain eligible employees. Under the scheme, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. During the year, the Company contributed ₹25.46 Crore (*Previous year – ₹24.31 Crore*).
- The Company maintains gratuity trust for the purpose of administering the gratuity payment to its employees (ACC limited Employees Group Gratuity scheme). During the year, the Company contributed ₹ Nil (*Previous year – ₹25.00 Crore*).
- During the year the Company has contributed ₹16.00 Crore (*Previous year – ₹27.24 Crore*) to ACC Trust towards Corporate social responsibility obligations.
- Transactions with related parties disclosed are inclusive of applicable taxes.

Terms and conditions of transactions with related parties

Sales and purchases

The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions.

NOTE 45: SEGMENT REPORTING

Refer Note 1 (xxiv) for accounting policy on Segment Reporting

For management purposes, the Group is organised into business units based on the nature of the products, the differing risks and returns. The organisation structure and internal reporting system has two reportable segments, as follows:

- Cement** – Cement is a product which is obtained from clinker resulting from mixing the raw materials such as limestone, clay, iron ore, fly ash, bauxite, etc., in determined ratios. Clinker is then mixed with certain amount of setting regulator (generally gypsum) which is ground together and set after mixing with water and gains strength to make Cement. In general, it is used in construction activities.
- Ready-Mix Concrete** – Ready-Mix Concrete is concrete that is manufactured in a batch plant, according to a set engineered mix design. In general, it is used in construction activities.

No operating segments have been aggregated to form the above reportable operating segments.

The Chief Operating Decision Maker ("CODM") monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. However, the Group's financing (including finance costs and finance income) and income taxes are managed on a Group basis and are not allocated to operating segments.

Transfer prices between operating segments are on an arm's length basis in a manner similar to transactions with third parties.

NOTE 46: DETAILS OF DUES TO MICRO AND SMALL ENTERPRISES AS DEFINED UNDER THE MICRO, SMALL AND MEDIUM ENTERPRISES DEVELOPMENT ACT, 2006*

	As at December 31, 2021	As at December 31, 2020
	₹ Crore	₹ Crore
a) The principal amount and the interest due thereon remaining unpaid to any supplier at the end of each accounting year:		
Principal amount due to micro and small enterprises (Not overdue)	17.11	6.30
Principal amount due to micro and small enterprises (overdue)	8.22	-
Interest due on overdue	0.20	-
b) The amount of interest paid by the buyer in terms of Section 16 of the Micro, Small and Medium Enterprises Development Act, 2006, along with the amount of the payment made to the supplier beyond the appointed day during each accounting year.	-	-
c) The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under Micro, Small and Medium Enterprises Development Act, 2006.	-	-
d) The amount of interest accrued and remaining unpaid at the end of each accounting year.	-	-
e) The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under Section 23 of Micro, Small and Medium Enterprises Development Act, 2006.	-	-

*This information has been determined to the extent such parties have been identified on the basis intimation received from the "suppliers" regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006.

NOTE 47:

- (i) ACC Mineral Resources Limited (AMRL), through its joint operations had secured development and mining rights for four coal blocks allotted to Madhya Pradesh State Mining Corporation Ltd. These allocations stand cancelled pursuant to the judgement of Supreme Court dated August 25, 2014 read with its order dated September 24, 2014. The Government of India has commenced auctioning process for all such blocks in a phased manner. The auctioning for Bicharpur, being one of the four blocks, was completed, with the block being awarded to the successful bidder vide vesting order dated March 23, 2015. In respect of Bicharpur coal block, AMRL had filed a writ petition with the Delhi High Court against the compensation fixed by Ministry of Coal up to March 31, 2014. The Hon'ble Delhi High Court issued its judgement on March 09, 2017 wherein the court has said that "whatever has transpired after March 31, 2014 and goes towards affecting the quantum of compensation for mine infrastructure, must also be taken into account." Accordingly a fresh claim was filed with Ministry of Coal for re-imbursement of expenses incurred up to the date of vesting order. The decision / valuation of our claim by Ministry of Coal is awaited. In respect of other three blocks, auctioning dates are yet to be announced.
- (ii) The Group has investment of ₹2.50 Crore (*Previous year – ₹2.50 Crore*) in equity shares of OneIndia BSC Private Limited ('BSC'), joint venture of ACC Limited. BSC is engaged in the business of providing business shared services. The Master service agreement (MSA) for these services was entered for a period of 5 years ended December 31, 2020. The MSA agreement is not renewed. Accordingly, the financial statements of BSC for the year ended December 31, 2021 has not been prepared on going concern basis. BSC is currently not under liquidation. The management believes that amount of investment in BSC is recoverable and no impairment is necessary given the positive net worth of ₹13.34 Crore and net current assets value of ₹10.59 Crore as at December 31, 2021.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

NOTE 48:

- (i) The Group has arrangements with an associate company whereby it sells clinker and purchases cement manufactured out of such clinker. While the transactions are considered as individual sale/ purchase transactions for determination of taxable turnover and tax under GST laws, considering the accounting treatment prescribed under various accounting guidance, revenue for sale (excluding GST) of such clinker of ₹16.15 Crore (*Previous year – ₹11.08 Crore*) has not been recognised as a part of the turnover but has been adjusted against cost of purchase of Cement so converted. This transaction has been identified in the nature of lease. (Refer Note – 40)
- (ii) The Group has arrangement with a Joint venture company whereby it purchases Ready Mixed Concrete and sells that to external customers. While the transactions are considered as individual sale/purchase transactions for determination of taxable turnover and tax under GST laws, considering the Joint venture essentially operates as a risk bearing licensed manufacturer of Ready-Mix Concrete in relation to the Group's local sales, this arrangement is considered in nature of royalty arrangement and revenue for sale (excluding GST) of such Ready-Mix Concrete to customer of ₹126.19 Crore (*Previous year – ₹73.18 Crore*) has not been recognised as a part of the turnover but has been adjusted against cost of purchase of Ready-Mix Concrete.

NOTE 49: CAPITALISATION OF EXPENDITURE

During the year, the following amount of expenditures are recognised in the carrying amount of Property, Plant and Equipment/ Capital work-in-progress (CWIP) in the course of its construction. Consequently, expenses disclosed under the respective notes the Statement of Profit and Loss are net of amounts capitalised by the Group.

	2021	2020
Balance at the beginning of the year	39.09	17.53
Expenditure during construction for projects:		
Employee benefits expense*	27.75	23.43
Rates and taxes **	-	0.80
Power and fuel**	1.22	0.56
Depreciation	0.07	-
Miscellaneous expenses **	1.41	2.02
Total	69.54	44.34
Less : Capitalised during the year	10.25	5.25
Balance at the end of the year	59.29	39.09

* Employee benefits expense represents cost of departments associated with the projects which are directly attributable to the construction and acquisition of Property, Plant and Equipment.

** Miscellaneous expense, power and fuel and rates and taxes are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management.

NOTE 50: FINANCIAL INSTRUMENTS

(A) Categories of financial instruments

Particulars	Note No.	Carrying value	
		As at	As at
		December 31, 2021	December 31, 2020
Financial assets			
1. Measured at Fair value through profit or loss (FVTPL)			
(a) Mandatorily measured:			
Investment in Unquoted equity shares	6	14.70	4.50
Cash and cash equivalents - Mutual funds	12	383.45	615.63
(b) Designated as at FVTPL		-	-
2. Measured at amortised cost			
Cash and cash equivalents (Other deposits)	12	250.00	250.00
Other Cash and cash equivalents (Balances with banks)	12	6,733.13	4,983.72
Bank balances other than Cash and Cash Equivalents	13	157.12	156.34
Investments in Unquoted Bonds	6	3.70	3.70
Security deposits (Current and Non-Current)	8 & 15	210.30	177.53
Loans and Other financial assets (Current and Non-Current)	7, 8, 14 & 15	982.22	929.35
Trade receivables	11	489.02	451.41
3. Measured at fair value through Other Comprehensive Income		-	-
Total		9,223.64	7,572.18

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

Particulars	Note No.	₹ Crore	
		Carrying value	
		As at December 31, 2021	As at December 31, 2020
Financial liabilities			
1. Measured at FVTPL			
Foreign currency forward contract	23	-	0.28
2. Measured at amortised cost			
Trade payables		1,904.89	1,422.23
Security deposits and retention money	23	792.90	801.90
Lease Liabilities		125.58	102.48
Other financial liabilities	23	336.57	207.68
Total		3,159.94	2,534.57

The management assessed the carrying values of Other Cash and cash equivalents, Bank balances other than cash and cash equivalents, trade receivables, trade payables and other financial liabilities (except derivative financial instruments) approximate their carrying amounts largely due to the short-term maturities of these instruments.

(B) Income, Expenses, Gains or Losses on Financial Instruments

Interest income and expenses, gains or losses recognised on financial assets and liabilities in the Consolidated Statement of Profit and Loss are as follows:

Particulars	₹ Crore	
	For the Year ended December 31, 2021	For the Year ended December 31, 2020
Financial assets measured at amortised cost		
Interest income	(181.90)	(185.44)
Impairment losses on trade receivables (including reversals of impairment losses)	(10.87)	37.34
Expected credit loss on Incentives under Government schemes	-	128.92
Financial assets measured at fair value through profit or loss		
Gain on sale of current financial assets	(9.54)	(15.83)
Net gain on fair valuation of current financial assets	(0.27)	(0.16)
Financial liabilities measured at amortised cost		
Net exchange losses on revaluation or settlement of items denominated in foreign currency (trade payable)	3.20	1.74
Interest expenses on deposits from dealers	16.19	17.14
Interest expenses on lease liabilities	9.37	9.80
Derivatives - Foreign exchange forward contracts		
Net (gain)/loss on foreign currency forward contract	1.29	0.59
Net gain recognised in the Consolidated Statement of Profit and Loss	(172.53)	(5.90)

(C) Fair Value Hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments:

Level 1: inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2: inputs other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3: inputs that are unobservable for the asset or liability

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

For assets and liabilities which are measured at fair value as at the Balance Sheet date, the classification of fair value calculations by category is summarised below:

	₹ Crore			
	Level 1	Level 2	Level 3	Total
As at December 31, 2021				
Financial assets				
1. Measured at Fair value through profit or loss (FVTPL)				
(a) Mandatorily measured:				
Equity investments	-	-	14.70	14.70
Cash and cash equivalents – Mutual funds	383.45	-	-	383.45
(b) Designated as at FVTPL	-	-	-	-
2. Measured at fair value through Other Comprehensive Income	-	-	-	-
Financial liabilities				
Measured at FVTPL				
Foreign currency forward contract	-	-	-	-
As at December 31, 2020				
Financial assets				
1. Measured at Fair value through profit or loss (FVTPL)				
(a) Mandatorily measured:				
Equity investments	-	-	4.50	4.50
Cash and cash equivalents – Mutual funds	615.63	-	-	615.63
(b) Designated as at FVTPL	-	-	-	-
2. Measured at fair value through Other Comprehensive Income	-	-	-	-
Financial liabilities				
Measured at FVTPL				
Foreign currency forward contract	-	0.28	-	0.28

During the reporting period ending December 31, 2021 and December 31, 2020, there was no transfer between level 1 and level 2 fair value measurement.

The following methods and assumptions were used to estimate the fair values:

Level 1: Investments in liquid and short-term mutual funds, which are classified as FVTPL are measured using net asset values at the reporting date multiplied by the quantity held.

Level 2: The fair value of forward foreign exchange contracts is calculated as the present value determined using forward exchange rates at the reporting date.

Level 3: Investments in equity shares included in Level 3 of the fair value hierarchy have been valued using the cost approach to arrive at their fair value. Cost of unquoted equity instruments has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fair value within that range.

Fair value of financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required)

Other financial assets and liabilities

The management consider the carrying values of Other Cash and cash equivalents, Bank balances other than cash and cash equivalents, trade receivables, trade payables and other financial liabilities (except derivative financial instruments) approximate their carrying amounts largely due to the short-term maturities of these instruments.

NOTE 51: FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

Financial Risk Evaluation and Management is an ongoing process within the Group. The Group has a system based risk management framework to identify, monitor, mitigate and minimise risks arising from financial instruments.

The Group is exposed to market, credit and liquidity risks. The Board of Directors ('Board') oversee the management of these risks through its Risk Management Committee. The Group's Risk Management Policy has been formulated by the Risk Management Committee and approved by the Board. The Policy articulates on the Group's approach to address uncertainties in its endeavour to achieve its stated and implicit objectives. It also prescribes the roles and responsibilities of the Group's management, the structure for managing risks and the framework for risk management. The framework seeks to identify, assess and mitigate risks in order to minimise potential adverse effects on the Group's financial performance.

All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Group's policy that no trading in derivatives for speculative purposes shall be undertaken. The Board of Directors reviews and agrees on policies for managing each of these risks, which are summarised below. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

Risk	Exposure arising from	Measurement	Management
Credit Risk	Trade receivables, Cash and cash equivalents, Bank balances other than cash and cash equivalents, Security deposits, Loans and other financial assets	Credit ratings and Ageing analysis	<ol style="list-style-type: none"> 1. (i) Credit risk

Credit risk is the risk that the counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits placed with banks and financial institutions and other financial instruments.

Financial assets other than trade receivables

Credit risk from balances with banks and financial institutions is managed by the Group's Treasury department in accordance with its policy. Surplus funds are parked only within approved investment categories with well defined limits. Investment category is periodically reviewed by the Group's Board of Directors.

Credit risk arising from short-term liquid funds, other balances with banks and other cash equivalents is limited and no collaterals are held against these because the counterparties are banks and recognised financial institutions with high credit ratings assigned by the credit rating agencies. None of the financial instruments of the Group result in material concentration of credit risks.

Other financial assets mainly include incentives receivable from the government, loans and security deposits given. There are no indications that defaults in payment obligations would occur in respect of these financial assets.

Incentives receivable from the Government

The Company's manufacturing units in various states; mainly those in Maharashtra and Jharkhand are eligible for incentives under the respective State Industrial Policy. The Company has been accruing these incentives as refund claims in respect of VAT / GST paid, on the basis that all attaching conditions were fulfilled by the Company and there is a reasonable assurance that the incentive claims will be disbursed by the State Governments.

The Company has estimated the expected credit loss based on time period to recover these incentives and carries a provision of ₹128.92 crore as at December 31, 2021 (*Previous year - ₹ 128.92 crore*).

The Company is confident about the ultimate realization of the dues from the State Governments and there is no risk of default.

Movement of Incentives under Government schemes

As at December 31, 2021 (Refer Note - 8 & 15)	904.75

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

Trade receivables

Customer credit risk is managed as per the Group's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored. The requirement for impairment is analysed at each reporting date on an individual basis for major customers. The management is also monitoring the receivables levels by having frequent interactions with responsible persons for highlighting potential instances where receivables might become overdue.

Trade receivables consist of a large number of customers spread across India with no significant concentration of credit risk. Ongoing credit evaluation is performed on the financial condition of accounts receivable. The Group has adopted a policy of only dealing in creditworthy counterparties and obtaining collateral i.e. security deposit. No single customer accounted for 10% or more of the Group's net sales. Therefore, the Group does not expect any material risk on account of non-performance by any of its counterparties.

For expected credit loss as at each reporting date the Company assesses position for the assets for which credit risk has not significantly increased from initial recognition, assets for which credit risk has increased significantly but are not credit impaired and for assets for which credit risk has increased significantly and are credit impaired.

Summary of the Group's exposure to credit risk by age of the outstanding from various customers is as follows:

	As at December 31, 2021	As at December 31, 2020
Neither past due nor impaired	236.83	221.21
Past due not impaired		
- 1-180 days	241.54	214.63
- more than 180 days	10.65	15.56
Past due impaired		
- 1-180 days	3.45	1.18
- more than 180 days	51.84	66.12
Total	544.31	518.70

Expected credit loss assessment

For trade receivables, as a practical expedient, the Group compute credit loss allowance based on a provision matrix. The provision matrix is prepared based on historically observed default rates over the expected life of trade receivables and is adjusted for forward-looking estimates. At each reporting date, the historically observed default rates and changes in the forward-looking estimates are updated. Accordingly, loss allowances on trade receivables are measured using provision matrix at an amount equal to life time expected losses i.e. expected cash shortfall.

The following table summarises the change in the loss allowances measured using simplified approach model expected credit loss assessment:

	₹ Crore
As at January 01, 2020	41.13
Provided during the year	39.64
Amounts utilised	(11.18)
Reversals of Provision	(2.30)
As at December 31, 2020	67.29
Provided during the year	1.52
Amounts utilised	(1.13)
Reversals of Provision	(12.39)
As at December 31, 2021	55.29

No significant changes in estimation techniques or assumptions were made during the reporting period.

Credit impaired

For expected credit loss as at each reporting date the Group assesses position for the assets for which credit risk has not significantly increased from initial recognition, assets for which credit risk has increased significantly but are not credit impaired and for assets for which credit risk has increased significantly and are credit impaired. The Group assesses detrimental impacts on the estimated future cash flows of the financial asset including loans, receivables and other assets. Based on the assessment of the observable data relating to significant financial difficulty and creditworthiness of the counterparties, the management believes that there are no financial assets which are credit impaired.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

(ii) Liquidity risk

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Group's treasury team is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Group's liquidity position through rolling forecasts on the basis of expected cash flows. The Group has large investments in short-term liquid funds which can be redeemed at a very short notice and hence carry negligible liquidity risk.

The table summarises the details regarding the remaining contractual maturities of financial liabilities at the reporting date based on the contracted undiscounted cash payments.

	Carrying amount	Less than 1 year	1 - 5 Years	More than 5 year	₹ Crore
					Total
As at December 31, 2021					
Other financial liabilities*	1,129.47	1,147.68	-	-	1,147.68
Lease Liabilities	125.58	32.58	87.24	53.73	173.55
Trade payables	1,904.89	1,904.89	-	-	1,904.89
	3,159.94	3,085.15	87.24	53.73	3,226.12

	Carrying amount	Less than 1 year	1 - 5 Years	More than 5 year	₹ Crore
					Total
As at December 31, 2020					
Other financial liabilities*	1,009.58	1,030.06	-	-	1,030.06
Lease Liabilities	102.48	26.10	76.18	29.15	131.43
Foreign currency forward contract	0.28	0.28	-	-	0.28
Trade payables	1,422.23	1,422.23	-	-	1,422.23
	2,534.57	2,478.67	76.18	29.15	2,584.00

*Other financial liabilities includes deposits received from customers amounting to ₹628.09 Crore (Previous year - ₹706.63 Crore). These deposits do not have a contractual re-payment term but are repayable on demand. Since, the Group does not have an unconditional right to defer the payment beyond 12 months from reporting date, these deposits have been classified under current financial liabilities. For including these amounts in the above-mentioned maturity analysis, the Group has assumed that these deposits, including interest thereon, will be repayable at the end of the next reporting period. The actual maturity period for the deposit amount and the interest thereon can differ based on the date on which these deposits are settled to the customers.

(iii) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of three types of risk: interest rate risks, currency risk and other price risk such as commodity risk. Financial instruments affected by market risk include loans, investments, deposits and trade payables.

Foreign currency risk

Foreign currency risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to change in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates primarily relate to import of raw materials, fuels and capital items.

Based on sensitivity analysis, the Group has well defined forex exposure threshold limit approved by Board of Directors, beyond which all forex exposure are fully hedged.

The carrying amounts of the Group's foreign currency denominated monetary assets at the end of the reporting periods expressed in ₹, are as follows:

	USD	EUR	CHF	₹ Crore
				GBP
As at December 31, 2021				
Trade Payable	75.53	4.39	0.03	0.01
Foreign exchange derivative contracts	(61.43)	-	-	-
Net exposure to foreign currency risk (liabilities)	14.10	4.39	0.03	0.01

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

	₹ Crore			
As at December 31, 2020	USD	EUR	CHF	GBP
Trade Payable	5.19	6.33	0.11	0.01
Foreign exchange derivative contracts	(0.35)	-	-	-
Net exposure to foreign currency risk (liabilities)	4.84	6.33	0.11	0.01

Foreign currency sensitivity

The following tables demonstrate the sensitivity into a reasonably possible change in exchange rates, with all other variables held constant. A positive number below indicates an increase in profit where the ₹ strengthens 5% against the relevant currency. For a 5% weakening of the ₹ against the relevant currency, there would be a comparable impact on the profit and the balances below would be negative.

	As at December 31, 2021		As at December 31, 2020	
Particulars	5% strengthening of ₹	5% weakening of ₹	5% strengthening of ₹	5% weakening of ₹
USD	0.71	(0.71)	0.21	(0.21)
EUR	0.22	(0.22)	0.32	(0.32)
CHF	-	-	0.01	(0.01)
TOTAL	0.93	(0.93)	0.54	(0.54)

5% represent management assessment of reasonably possible change in foreign currency exchange rate.

Market Risk – Commodity price risk

Commodity price risk for the Group is mainly related to fluctuations in coal and pet coke prices linked to various external factors, which can affect the production cost of the Group. Since the energy costs is one of the primary costs drivers, any fluctuation in fuel prices can lead to a drop in operating margin. To manage this risk, the Group take following steps:

1. Optimizing the fuel mix, pursue longer term and fixed contracts where considered necessary.
2. Consistent efforts to reduce the cost of power and fuel by using both domestic and international coal and petcoke.
3. Use of alternative Fuel and Raw Materials (AFR) and enhancing the utilisation of renewable power including its onsite and offsite solar, wind, hydro power and Waste Heat Recovery System (WHRS).

Additionally, processes and policies related to such risks are reviewed and controlled by senior management and fuel requirements are monitored by the central procurement team.

Market Risk – Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market interest rates. The Group's exposure to the interest rate risk arises primarily from security deposit from dealers. The Group has not used any interest rate derivatives.

The Group has taken interest bearing security deposit from dealers. If interest rate had been 0.50% higher/lower the Profit for the year ended December 31, 2021 would decrease/increase by ₹3.14 Crore (*Previous year – ₹3.53 Crore*).

Unrepresentativeness of Sensitivity analysis

In management's opinion the sensitivity analysis is unrepresentative of the above inherent risks because the exposure at the end of the reporting periods does not reflect the exposure during the year.

NOTE 52: CAPITAL MANAGEMENT

The Group's objectives when managing capital are to (a) maximise shareholder value and provide benefits to other stakeholders and (b) maintain an optimal capital structure to reduce the cost of capital.

For the purposes of the Group's capital management, capital includes issued capital, share premium and all other equity reserves attributable to the equity holders.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

As stated in the below table, the Group is a Zero debt Group with no long-term borrowings. The Group is not subject to any externally imposed capital requirements.

	Note No.	As at December 31, 2021	As at December 31, 2020

NOTE 54: DIVIDEND DISTRIBUTION AND PROPOSED DIVIDEND

	For the year ended December 31, 2021	For the year ended December 31, 2020
Cash dividends on equity shares declared and paid:		
Final dividend for the year ended December 31, 2020 ₹14 per share (<i>Previous year – ₹ Nil</i>)	262.90	-
Interim dividend for the year ended December 31, 2021 ₹ Nil (<i>Previous year – ₹14 per share</i>)*	-	262.90
	262.90	262.90
Proposed dividends on equity shares:		
Final dividend for the year ended December 31, 2021: ₹58 per share	1,089.17	-
Final Dividend for the year ended December 31, 2020: ₹14 per share	-	262.90
	1,089.17	262.90

Proposed dividends on equity shares are subject to approval at the annual general meeting and are not recognised as a liability as at December 31.

* Subsequent to the year end December 31, 2019, the Board of Directors decided to revoke the recommendation for payment of final dividend for the Financial Year ended December 31, 2019 and declared payment of interim dividend for the financial year ended December 31, 2019 at ₹14 per share.

NOTE 55: GOODWILL ON CONSOLIDATION

Movement in Goodwill on consolidation

	As at December 31, 2021	As at December 31, 2020
Carrying amount as at beginning of the year	10.19	15.57
Impairment of goodwill*	(6.42)	-
Derecognition in the view of divestment (Refer Note - 57)	-	(5.38)
Net carrying value as at end of the year	3.77	10.19

Goodwill of ₹3.77 Crore (*Previous year – ₹10.19 Crore*) relates to acquisition of a business of subsidiary companies. For the purpose of impairment testing, carrying amount of goodwill has been allocated to the following Cash Generating Units (CGUs):

	As at December 31, 2021	As at December 31, 2020
Lucky Minmat Limited (LML)*	-	6.42
Singhania Minerals Private Limited (SMPL)	3.28	3.28
Bulk Cement Corporation (India) Limited (BCCI)	0.49	0.49
Total	3.77	10.19

*The Group had invested ₹ 38.10 Crore (*Previous year - ₹ 38.10 Crore*) in equity shares of Lucky Minmat Limited (LML), a wholly owned subsidiary company. In view of no mining activity being carried out in view of on-going litigation on transfer of lease rights and amendments brought in to the Mines and Minerals (Development and Regulations) Amendment Act, 2021, the Group has reassessed the value of investments and accordingly, during the year ended December 31, 2021, goodwill on consolidation of ₹6.42 Crore has been impaired in view of impairment of investment.

Of the above CGUs, SMPL is engaged in the business of extracting of limestone. BCCI is in the business of handling of cement.

NOTE 56: EMPLOYEE SHARE-BASED PAYMENTS

Description of plan – Holcim Performance Share Plan

Holcim Ltd (Ultimate Holding Company) set up a performance share plan. Performance shares are granted to executives and senior management for their contribution to the continuing success of the business. These shares will be delivered after three year vesting period following the grant date and are subject to internal performance conditions.

6,600 (*Previous year – 7,800*) performance shares at a fair value of ₹4,426 per share (*Previous year – ₹3,352 per share*) were granted in 2021. Internal performance conditions are attached to the performance shares and are based on Group Earnings per Share (EPS) and Group Return on Invested Capital (ROIC). During the year, ₹4.18 Crore (*Previous year – ₹2.66 Crore*) is charged to the Consolidated Statement of Profit and Loss in respect of equity-based payments transactions with a corresponding increase being made to the capital contribution to the Company by the Parent.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

Information related to awards granted through the Performance Share Plan is presented below:

		₹ Crore
	For the year ended December 31, 2021	For the year ended December 31, 2020
As at January 01	16,200	9,000
Granted	6,600	7,800
Forfeited	(5,400)	(600)
As at December 31	17,400	16,200

Fair value of shares granted is determined based on the estimated achievement of Holcim Earnings per Share, Return on Invested Capital and Sustainability indicators.

NOTE 57:

During the previous year the Group divested 2,00,000 Equity Shares representing 100% stake in National Limestone Company Private Limited (NLCPL) under a Share Purchase Agreement dated November 18, 2020. The Group has received the entire consideration amount of ₹20 Crore. The Group has, accounted for ₹12.91 Crore as profit arising from divestment.

NOTE 58:

The new Code on Social Security, 2020 has been enacted, which could impact the contributions by the Group towards Provident Fund and Gratuity. The effective date from which the changes are applicable is yet to be notified and the rules are yet to be framed. The Group will complete its evaluation and will give appropriate impact in its financial statements in the period in which the Code becomes effective and the related rules are published.

NOTE 59:

The Competition Commission of India ("CCI") initiated an investigation against cement companies in India including the Company regarding alleged anti-competitive behaviour and conducted search and seizure operations in December 2020 against few companies. The Director General of CCI in January 2021 sought information from the Company and the information sought is provided. The Company is of the firm view that it has acted and continues to act in compliance with competition laws. The Company believes that this does not have any impact on the financial statements.

NOTE 60:

During the year ended December 31, 2021, there is a charge of ₹54.76 Crore on account of restructuring cost to employees and contract staff.

NOTE 61: RISK DUE TO OUTBREAK OF COVID-19 PANDEMIC

The Group has considered the possible effects that may result from COVID-19 in the preparation of these financial statements including the recoverability of carrying amounts of financial and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of COVID-19, the Group has, at the date of approval of the financial statements, used internal and external sources of information and expects that the carrying amount of the assets will be recovered. The impact of COVID-19 on the Group's financial statements may differ from that estimated as at the date of approval of the same.

Notes to the Consolidated Financial Statements

for the year ended December 31, 2021

NOTE 62:

The Group has reclassified security deposits as below to give effect to incremental changes in Division II to Schedule III to the Companies Act, 2013.

				₹ Crore
Description	Note No.	Previously reported amount	Revised amount	Change
Balance Sheet

Mumbai, February 09, 2022

Consolidated Net profit

For the year ended December 31, 2021

Particulars	₹ Crore	
	2021	2020
ACC's Net Profit	1,820.27	1,414.94
Add: Pro-rata share of profits/(losses) of subsidiaries -		
Bulk Cement Corporation (India) Limited (BCCI)	1.94	1.58
ACC Mineral Resources Limited	2.20	2.90
Lucky Minmat Limited	(0.59)	(0.50)
National Limestone Co Pvt Limited *	-	1.64
Singhania Mineral Private Limited	0.02	(0.61)
	3.57	5.01
Add: Pro-rata share of profit of Joint ventures and Associates	11.65	8.93
Add: Reversal of Impairment of investment in Subsidiary Company	38.10	-
Less: Impairment of Goodwill in Subsidiary Company	6.42	-
Less: Minority Interest of Subsidiary (BCCI)	0.11	0.08
Add: Gain on sale of investment in Subsidiary Company	-	6.91
Less: Dividend received from Associates and Joint ventures	1.56	0.29
Less: Deferred tax on undistributed profit of Associates and Joint ventures	2.50	5.24
Add: Other adjustments (Net)	(0.01)	-
Profit attributable to Owners of the Company	1,862.99	1,430.18

Consolidated Equity

As at December 31, 2021

Particulars	₹ Crore	
	2021	2020
ACC's Equity	14,228.43	12,661.44
Add: Adjustment for impairment of investments (AMRL & Lucky)	96.06	57.96
Add: Net worth as per Balance Sheet of Subsidiary Companies –		
Bulk Cement Corporation (India) Limited (BCCI)	61.26	59.32
ACC Mineral Resources Limited	86.76	84.56
Lucky Minmat Limited	(3.08)	(2.49)
Singhania Mineral Private Limited	(0.94)	(0.96)
	144.00	140.43
Less: Pro rata share of Minority shareholders interest in the Net Worth of Subsidiary Companies	3.35	3.24
ACC's share in pre-acquisition Net Worth of Subsidiary Companies	160.01	160.01
	(19.36)	(22.82)
Less: Amortisation of Goodwill in Subsidiary Companies	39.54	33.12
Less: Unrealised profit on purchase of Fixed Assets	(0.53)	(0.53)
Add: Increase in Net Worth of Alcon Cement Company Pvt. Ltd.	(8.13)	(8.03)
Add: Increase in Net Worth of Asian Concretes & Cements Pvt Ltd	61.09	51.84
Add: Increase in Net Worth of Aakaash Manufacturing Co Pvt Ltd	6.69	5.88
Add: Increase in Net Worth of OneIndia BSC Pvt. Ltd.	3.93	3.81
Less: Deferred tax on undistributed profit from JVs and Associates	20.71	18.21
Less: Other adjustments (Net)	0.16	0.15
Consolidated Equity	14,308.83	12,699.13

* Divested in previous year.

Number of plants included in scope-3 emissions	number	All	All	All	All		

*This year and during 2020 we are reporting categories -1,3,4,6,7,9 whereas 2018 & 2019 - it was only for 4,6 and 9

Environment Indicators		2021	2020	2019	2018	Target 2021	GRI Index
GHG EMISSIONS - CONCRETE							
Scope 1 emissions concrete	tCO ₂	4,633	4,089	4,706.9	3,297.0		305-1
Scope 2 emissions concrete	tCO ₂	8,782	6,160	4,831.3	4,932.0		305-2
Scope 3 emissions concrete*	tCO ₂	49,421	41,017	58,915.0	43,878.0		305-3
Number of plants included in scope-3 emissions	number	All	All	All	All		

*only include category 4 and 9. Category 6 is already included in Cement.

OVERALL CO₂ REDUCTION ACHIEVED (SCOPE-1 &2)

On account of thermal savings(1)	tCO ₂	0	-32,508.00	0.0	4,067.0		305-5
On account of electrical savings(2)	tCO ₂	-34,651	0	-26,821.9	88,464.0		
On account of clinker factor improvement(3)	tCO ₂	-3,10,593	-2,63,609	1,24,321.6	3,97,293.0		

Note: (1) CM Emission Factor (CO₂ Baseline Database for the Indian Power Sector – V 16– March 2021 – by Central Electricity Authority) was used for calculating the CO₂ emissions on account of electrical savings.

(2) CO₂ emission reductions on account of clinker factor improvement is calculated by multiplying amount of clinker saved with specific emission of clinker.

EMISSIONS*							
Number of kilns reporting		11	12	12.0	12.0		
Coverage rate of CEMS (for dust, Nox, Sox)	%	100	100	100	100

INDEPENDENT ASSURANCE			
Independent Assurance Statement		372	

Introduction and Engagement

ACC Limited (hereafter 'ACC' or 'the Company') engaged TUV India Private Limited (TUVI) to conduct the independent Non-Financial assurance of Integrated Report (hereinafter 'the Report'), which includes "Type 2, Moderate Level" of ACC Sustainability information for the applied reporting period, 1st January to 31st December 2021. Remote verification was conducted in February 2022 for the Chanda plant Maharashtra, Damodar Grinding Plant, West Bengal and ACC Limited, Head Office, Mumbai including the RMX business, together with a desk review carried out for all other ACC sites within the reporting boundary.

Scope, Boundary and Limitations of Assurance

The scope of the Sustainability assurance includes following

- Verification of the application of the Report content, and principles as mentioned in the Global Reporting Initiative (GRI) Standards, and the quality of information presented in the Report over the reporting period;
- Review of the policies, initiatives, practices and performance described in the Report;
- Review of the non-financial disclosures made in the Report against the requirements of the GRI Standards
- Verification of the reliability of the GRI Standards Disclosure on environmental and social topics
- Specified information was selected based on the materiality determination and needs to be meaningful to the intended users;
- Confirmation of the fulfilment of the GRI Standards, in accordance with the "Comprehensive" option;

The reporting boundary is based on the internal and external materiality assessment. The reporting aspect boundaries are set out in the Report covering the sustainability performance of the ACC encompassing 11 Integrated Cement Plants and 6 Grinding Units and 80 Ready Mix Concrete (RMX) plants. Our engagement did not include an assessment of the adequacy or the effectiveness of ACC's strategy or management of sustainability related issues. During the assurance process, TUVI did not come across the limitations to the scope of the agreed assurance engagement. No external stakeholders were interviewed as a part of the Sustainability Verification.

Verification Methodology

The Report was evaluated against the following criteria:

- Adherence to the principles of Stakeholder inclusiveness, Materiality, Responsiveness, Completeness, Neutrality, Relevance, Sustainability context, Accuracy, Reliability, Comparability, Clarity and Timeliness; as prescribed in the GRI Standards and AA1000AS Version 3 along with AA1000 AP (2018);
- Application of the principles and requirements of the GRI Standards, in accordance with the "Comprehensive" option;

During the assurance engagement, TUVI adopted a risk-based approach, concentrating on verification efforts on the issues of high material relevance to ACC business and its stakeholders. TUVI has verified the statements and claims made in the Report and assessed the robustness of the underlying data management system, information flows and controls. In doing so:

- TUVI reviewed the approach adopted by ACC for the stakeholder engagement and materiality determination process. TUVI performed the interviews of internal stakeholder engagement to verify the qualitative statements made in the Report;
- TUVI verified the Sustainability -related statements and claims made in the Report and assessed the robustness of the data management system, information flow and controls;
- TUVI examined and reviewed the documents, data and other information made available by ACC Limited for the reported disclosures including the disclosure on Management Approach and performance disclosures;
- TUVI conducted interviews with key representatives including data owners and decision-makers from different functions of the ACC during the remote assessments
- TUVI performed sample-based reviews of the mechanisms for implementing the sustainability related policies, as described in ACC Report;
- TUVI verified sample-based checks of the processes for generating, gathering and managing the quantitative data and qualitative information included in the Report for the reporting period.

Opportunities for Improvement

The following is an extract from the observations and opportunities for improvement reported to the management of ACC and are considered in drawing our conclusions on the Report; however, they are generally consistent with the Management's objectives. Opportunities are as follows:

- Disposal method at recycler end can be tracked to improve the traceability of waste diversion;
- Monitoring of treated water can be strengthening by installation of flow meters
- The existing supplier assessment manual can be calibrated with the contemporary best practices example ISO 20400
- ACC can, further increase waste related disclosures by adopting the GRI disclosure requirements following the GRI 306 - 2020 requirements

Conclusions

In our opinion, based on the scope of this assurance engagement, the disclosures on Sustainability performance reported in the Report along with the referenced information provides a fair representation of the material topics, related strategies, and performance disclosures, and meets the general content and quality requirements of the GRI Standards Comprehensive option.

Disclosures: TUVI is of the opinion that the reported disclosures generally meet the GRI Standards reporting requirements for in accordance with the "Comprehensive" option. ACC refers to general disclosure to report contextual information about ACC while the Management Approach is discussed to report the management approach for each material topic.

Universal Standard: ACC followed GRI 101: Reporting Principles for defining report content and quality, GRI 102: General Disclosures were followed when reporting information about an Organization's profile, strategy, ethics and integrity, governance, stakeholder engagement practices, and reporting process. Furthermore, GRI 103 was selected for Management's Approach on reporting information about how an organization manages a material topic. TUVI is of the opinion that the reported specific disclosures for each material topic generally meet the GRI Standards reporting requirements in accordance with the "Comprehensive" option.

Topic Specific Standard: 200 series (Economic topics), 300 series (Environmental topics) and 400 series (Social topics); These Topic-specific Standards were used to report information on the organization's impacts related to environmental and social topics. *TUVI is of the opinion that the reported material topics and Topic-specific Standards that ACC used to prepare its Report are appropriately identified and addressed.*

On the basis of the procedures we have performed, nothing has come to our attention that causes us to believe that the information subject to the Type 2 moderate level assurance engagement was not prepared, in all material topics, in accordance with the "Comprehensive" option. Sustainability reporting guidelines, or that the Sustainability information is not reliable in all material respects, with regards to the reporting criteria.

ACC procedures on the prospective information, such as targets, expectations and ambitions, disclosed in the Sustainability Information are at discretion of organization. This assurance statement has been prepared in accordance with the terms of our engagement. Type 2 moderate level assurance engagement with respect to sustainability related data involves performing procedures to obtain evidence about the sustainability information. TUVI has evaluated below requirements in context of GRI Standards along with assurance of the scope 1, 2, 3, GHG emission of ACC.

Evaluation of the adherence to AA1000 AccountAbility Principles

Inclusivity: Stakeholder identification and engagement is carried out by ACC on a periodic basis to bring out key stakeholder concerns as material topics of significant stakeholders. In our view, the Report meets the requirements.

Materiality: The materiality assessment process has been freshly conducted in the current year based on the requirement of GRI standards, considering the topics that are internal and external to the ACC range of businesses. The Report fairly brings out the aspects and topics and its respective boundaries of the diverse operations of ACC. In our view, the Report meets the requirements.

Responsiveness: TUVI believes that the responses to the material aspects are fairly articulated in the report, i.e. disclosures on ACC policies and management systems including governance. In our view, the Report meets the requirements.

Impact: ACC communicates its sustainability performance through regular, transparent internal and external reporting throughout the year, aligned with Holcim Guidelines, GRI, WBCSD Cement Protocol, GCCA and CDP as part of its policy framework that include Environmental Policy, Sustainability Policy, Climate Change Mitigation Policy, Corporate Social Responsibility Policy etc. ACC reports on sustainability performance to Board of Directors, who oversees and monitors the implementation and performance of objectives, as well as progress against goals and targets for addressing sustainability related issues. ACC has established non-financial KPIs aligning with Holcim targets, CDP, GCCA and WBCSD. ACC completed the process of establishing contemporary goals and targets against which performance will be monitored and disclosed periodically.

TUVI expressly disclaims any liability or co-responsibility for any decision a person or entity would make based on this Assurance Statement. The intended users of this assurance statement are the management of ACC. The management of the ACC is responsible for the information provided in the Report as well as the process of collecting, analyzing and reporting the information presented in web-based and printed Reports, including website maintenance and its integrity. TUVI's responsibility regarding this verification is in accordance with the agreed scope of work which includes non-financial quantitative and qualitative information (Sustainability Performance) disclosed by ACC in the Report. This assurance engagement is based on the assumption that the data and the information provided to TUVI by ACC are complete and true.

TUV's Competence and Independence

TUVI is an independent, neutral, third-party providing Sustainability services, with qualified environmental and social assurance specialists. TUVI states its independence and impartiality with regard to this assurance engagement. In the reporting year, TUVI did not work with ACC on any engagement that could compromise the independence or impartiality of our findings, conclusions and recommendations. TUVI was not involved in the preparation of any content or data included in the Report, with the exception of this Assurance Statement. TUVI maintains complete impartiality toward any people interviewed during the assurance engagement.

22. LOANS, GUARANTEES OR INVESTMENTS BY THE COMPANY:

The Company has neither provided loans nor guarantees nor has made any investments as in accordance with Section 186 of the Companies Act, 2013.

23. CONTRACT OR ARRANGEMENT WITH RELATED PARTIES:

The Company, being a captive service provider to its joint venture partners has entered into related party transactions that are in the ordinary course and at arm's length basis.

24. DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013:

Your Company has always believed in providing a safe and harassment free workplace for every individual working in the Company's premises through various interventions and practices. The Company always endeavors to create and provide an environment that is free from discrimination and harassment including sexual harassment.

The policy on Prevention of Sexual Harassment at Workplace aims at prevention of harassment of employees and lays down the guidelines for identification, reporting and prevention of undesired behavior.

25. STATUTORY AUDITORS:

Pursuant to the provisions of Section 139 of the Act and the Companies (Audit and Auditors) Rules, 2014, M/s. Deloitte Haskins and Sells LLP, Chartered Accountants, (ICAI Firm Registration No. 117366W/W-100018) were appointed for the period of five years upto December 31, 2021. The Statutory Auditors have confirmed that they are not disqualified to act as Auditors and are eligible to hold office as Auditors of your Company.

26. EQUITY SHARES WITH DIFFERENTIAL RIGHTS:

The Company has not issued any equity shares with deferential voting Rights.

27. EMPLOYEES' STOCK OPTION PLAN:

Your Company has not issued any ESOP during the year under review.

28. SWEAT EQUITY SHARES:

Your Company has not issued Sweat equity shares during the year.

29. PARTICULARS OF EMPLOYEES:

The details of Top Ten employee of the Company drawing remuneration is within the limits prescribed under Rule (5)(2) of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

30. DIRECTORS' RESPONSIBILITY STATEMENT:

Pursuant to sub-section (5) of Section 134 of the Companies Act, 2013 and to the best of their knowledge and belief and according to the information and explanations obtained/received from the operating management, your Directors make the following statement and confirm that-

- (a) In the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) The directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit and loss of the Company for that period;
- (c) The directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) The directors had prepared the annual accounts on a going concern basis; and
- (e) The directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

31. ACKNOWLEDGEMENT:

The Directors would like to place on record their appreciation for the dedicated efforts and services put in by the Management as well as the staff and employees for their excellent support provided during the year.

Independent Auditor's Report

To The Members of OneIndia BSC Private Limited

Opinion

We have audited the accompanying financial statements of OneIndia BSC Private Limited ("the Company"), which comprise the Balance Sheet as at 31st December 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 December 2021, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

We draw attention to Note 1 of the standalone financial statements, wherein as more fully described the Master service agreement entered by the Company for the services rendered to its associated entities, expired during the previous year and was not been renewed and the Company has no other customer contracts. Accordingly, these Financial Statements have not been prepared on a going concern basis. The manner of realization of assets and settlement of liabilities have been fully described in Note 2.3 to the Financial Statements.

Our opinion is not modified in respect of this matter.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' report but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information, when it becomes available and, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- When we read the Director's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st December, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st December, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) Reporting on the adequacy of Internal Financial Control Over Financial Reporting of the Company and the operating effectiveness of such controls, under section 143(3)(i) of the Act is not applicable in view of the exemption available to the Company in terms of the notification no. G.S.R. 583(E) dated 13 June 2017 issued by the Ministry of Corporate Affairs, Government of India, read with general circular No. 08/2017 dated 25 July 2017
 - g) In our opinion and to the best of our information and according to the explanations given to us, the Company being a private company, section 197 of the Act related to the managerial remuneration not applicable.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) The Company does not have any fixed assets and hence, reporting under clause 3(i) of the Order is not applicable.
- (ii) The Company does not have any inventory and hence, reporting under clause 3(ii) of the Order is not applicable.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act.
- (iv) The Company has not granted any loans, made investments or provide guarantees and hence reporting under clause 3(iv) of the Order is not applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits and hence reporting under clause 3(v) of the Order is not applicable.
- (vi) Having regard to the nature of the Company's business / activities, reporting under clause (vi) of the Order is not applicable.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has been generally regular in depositing undisputed statutory dues, including Provident Fund, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Goods and Service Tax, cess and other material statutory dues applicable to it to the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Goods and Service Tax, cess and other material statutory dues in arrears as at December 31, 2021 for a period of more than six months from the date they became payable.
 - (c) There were no dues of Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax and Goods and Service Tax which have not been deposited as on December 31, 2021 on account of disputes.
- (viii) The Company has not taken any loans or borrowings from financial institutions, banks and government or has not issued any debentures. Hence reporting under clause 3(viii) of the Order is not applicable.
- (ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause 3(ix) of the Order is not applicable.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) The Company is a private company and hence the provisions of section 197 of the Companies Act, 2013 do not apply to the Company.
- (xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- (xiii) The Company is a private company and hence the provisions of Section 177 of the Companies Act, 2013 are not applicable to the Company. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause 3(xiv) of the Order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or directors of its holding company or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

1. Company Information

OneIndia BSC Private Limited ("the Company") was incorporated on 13th August, 2015, under the provision of Companies Act, 2013 and is headquartered in Bengaluru, India.

The Company was in the business of providing business shared services to its Ultimate Holding Company, Holding Company and other associated enterprises (hereinafter referred to as "Group entities"). The Master Service Agreement for these services rendered to the Group entities was entered into for a period of 5 years, ending December 31, 2020 and was available for renewal. Based on the communication received from the Group entities the agreement has not been renewed. The Company currently does not have any other customer contracts and no other business plans and accordingly these financial statements as at and for the year ended December 31, 2021 and December 31, 2020 have not been prepared on a going concern basis.

2. Significant Accounting Policies

2.1 Statement of compliance

The financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (India Accounting Standards) Amendment Rules, 2016.

2.2 Application of new and revised Ind AS

All the Indian Accounting Standards issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are authorised have been considered in the preparing these financial statements. There is no other Indian Accounting Standard that has been issued as of that date but was not mandatorily effective.

Appendix C to Ind AS 12 - Uncertainty over income tax treatments

The Ministry of Corporate Affairs issued Appendix C to Ind AS 12 which clarifies the accounting for uncertainties in income taxes. The interpretation is to be applied to the determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. The adoption of Appendix C to Ind AS 12 did not have any material impact on the standalone financial statements of the Company.

Amendment to Ind AS 12 – Income Taxes

The Ministry of Corporate Affairs issued amendments to Ind AS 12 – Income Taxes. The amendments clarify that an entity shall recognize the income tax consequences of dividends on financial instruments classified as equity according to where the entity originally recognized those past transactions or events that generated distributable profits were recognized. The adoption of amendment to Ind AS 12 did not have any material impact on standalone financial statements of the Company.

Amendment to Ind AS 19 - Plan Amendment, Curtailment or Settlement

The Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements requiring an entity to determine the current service costs and the net interest for the period after the remeasurement using the assumptions used for the remeasurement; and determine the net interest for the remaining period based on the remeasured net defined benefit liability or asset. The adoption of amendment to Ind AS 19 did not have any material impact on standalone financial statements of the Company.

2.3 Basis of preparation and presentation of financial statements

These financial statements have been prepared on the historical cost convention basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. As mentioned in Note 1 above, the Company's has not prepared these financial statements on a going concern basis, and accordingly the below accounting policies should be read in line with this matter. The assets at historical cost are carried at the lower of its carrying book value and its recoverable value and liabilities are carried at their estimated payouts.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

2.4 Significant Accounting Policies :

(i) Functional and presentation currency:

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (i.e. the "functional currency"). The financial statements are presented in India Rupee (₹), the national currency of India, which is the functional currency of Company.

All the values in the financial statements are presented in ₹ Lakhs, except when otherwise indicated.

(ii) Revenue recognition:

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for estimated customer returns, rebates and other similar allowances.

a. Interest Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

(iii) Taxation :

Tax expense comprises of current income tax and deferred income tax and includes any adjustments related to past periods in current and / or deferred tax adjustments that may become necessary due to certain developments or reviews during the relevant period.

- **Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the country where the Company operates and generates taxable income. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Current income tax relating to items recognised outside profit or loss are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

- **Deferred tax**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

MAT paid in accordance with the tax laws, if any, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal tax. Accordingly, MAT is recognised as a deferred tax asset in the Balance sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. Deferred tax assets and liabilities which are expected to reverse out during the period of the tax holiday available to the Company for some of its operating units registered as a SEZ are not recognised.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

- **Current and deferred tax for the year**

Current and deferred tax are recognised in the Statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

(iv) Foreign Currencies :

In preparing the financial statements of the Company, transactions in currencies other than entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.

(v) Employee benefits:

- **Retirement benefit costs and termination benefits**

Payments to defined contribution retirement benefit plans, such as Provident Fund managed by Government Authorities, are recognised as an expense when employees have rendered service entitling them to the contributions.

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

- **Short term and other long-term employee benefits:**

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

- **Presentation and disclosure:**

For the purpose of presentation of Defined benefit plans and other long term benefits, the allocation between the short term and long term provisions has been made as determined by an actuary. The Company presents the entire compensated absences as short term provisions, since employee has an unconditional right to avail the leave at any time during the year.

(vi) Financial Instruments:

Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through Statement of Profit and Loss (FVTPL)) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognised immediately in Statement of Profit and Loss.

i. Financial assets

The Company's financial assets comprises of following:

- Short-term financial assets consisting of (a) trade receivables, (b) cash and bank balances, and (c) other short-term receivables – third parties.
- Long-term financial assets consisting of long-term receivables and deposits with third parties.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of financial asset

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss ("FVTPL") on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income ("FVTOCI") (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognised in profit or loss for FVTOCI debt instruments. For the purposes of recognising foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortised cost. Thus, the exchange differences on the amortised cost are recognised in profit or loss and other changes in the fair value of FVTOCI financial assets are recognised in other comprehensive income and accumulated under the heading of 'Reserve for debt instruments through other comprehensive income'. When the investment is disposed of, the cumulative gain or loss previously accumulated in this reserve is reclassified to profit or loss.

All other financial assets are subsequently measured at fair value.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the gross carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in profit or loss and is included in the "Other income" line item.

Financial assets at fair value through profit or loss (FVTPL)

Debt instruments that do not meet the amortised cost criteria or FVTOCI criteria (see above) are measured at FVTPL. In addition, debt instruments that meet the amortised cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

A financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases. The Company has not designated any debt instrument as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, debt instruments at FVTOCI, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets). The Company estimates cash flows by considering all contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) through the expected life of that financial instrument.

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the lifetime expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months.

If the Company measured loss allowance for a financial instrument at lifetime expected credit loss model in the previous period but determines at the end of a reporting period that the credit risk has not increased significantly since initial recognition due to improvement in credit quality as compared to the previous period, the Company again measures the loss allowance based on 12-month expected credit losses.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the Company uses the change in the risk of a default occurring over the expected life of the financial instrument instead of the change in the amount of expected credit losses. To make that assessment, the Company compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

The impairment requirements for the recognition and measurement of a loss allowance are equally applied to debt instruments at FVTOCI except that the loss allowance is recognised in other comprehensive income and is not reduced from the carrying amount in the balance sheet.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

ii. **Financial liabilities and equity instruments**

Classification as debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

a. **Financial liabilities at FVTPL**

Financial liabilities are classified as at FVTPL when the financial liability is either held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

A financial liability other than a financial liability held for trading may be designated as at FVTPL upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;
- the financial liability forms part of a Company of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Company's documented risk management or investment strategy, and information about the Companying is provided internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and Ind AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with Ind AS 109.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

However, for non-held-for-trading financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognised in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss, in which case these effects of changes in credit risk are recognised in profit or loss. The remaining amount of change in the fair value of liability is always recognised in profit or loss. Changes in fair value attributable to a financial liability's credit risk that are recognised in other comprehensive income are reflected immediately in retained earnings and are not subsequently reclassified to profit or loss.

Gains or losses on financial guarantee contracts and loan commitments issued by the Company that are designated by the Company as at fair value through profit or loss are recognised in profit or loss.

b. **Financial liabilities subsequently measured at amortised cost**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the gross carrying amount on initial recognition.

c. Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

iii. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(vii) Provisions:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

(viii) Earnings Per Share :

Basic earnings per share is computed by dividing statement of profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. The weighted average number of shares outstanding during the period is adjusted for events of bonus issue and share split.

Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

2.5 Critical accounting judgments and key sources of estimation uncertainty

There were no critical judgments, apart from those involving estimations, as described below, that the directors have made in the process of applying the Company's accounting policies that have the most significant effect on the amounts recognised in the financial statement.

In the application of the Company's accounting policies, which are described in Note 2.4, the directors of the Company are required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimates is revised if the revision affect only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

(a) Deferred tax assets

The carrying amount of deferred tax asset is reviewed at each reporting period and is reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

(b) Classification of Legal Matters and Tax Litigations

The litigations and claims to which the Company is exposed are assessed by management with assistance of the legal department and in certain cases with the support of external specialized lawyers. Disclosures related to such provisions, as well as contingent liabilities, also require judgement and estimations, if any.

All estimates mentioned above are further detailed in the corresponding disclosures.

Notes to the Ind AS financial statement for the year ended December 31, 2021

Note 3 : Non-current Assets

Note 3.1 Intangible Assets

₹ Lakhs

Particulars	As at December 31, 2021	As at December 31, 2020

Note 14 : Contingent Liabilities and other commitments

The contingent liability and other commitments of the Company as at December 31, 2021 is ₹ NIL. (December 31, 2020: ₹ NIL).

Note 15 : Employee benefits**a) Defined contribution plan:**

The Company makes Provident Fund contributions to defined contribution plans for qualifying employees. Under the Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognized ₹ 0.45 Lakhs (Year ended 31 December, 2020 ₹ 83.44 Lakhs) for Provident fund contributions and ₹ 0.01 Lakhs (Year ended 31 December 2020 ₹ 1.28 Lakhs) for Employee's State Insurance Scheme in the Statement of Profit and Loss. The contributions payable to these plans by the Company are at rates specified in the rules of the schemes.

b) Defined Benefit Plans

The Company has a defined plans, viz., gratuity for its employees and is unfunded. These Plans typically expose the company to actuarial risks such as:

Interest Risk:

A decrease in the bond interest rate will increase the plan liability.

Longevity risk:

The Present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk:

The Present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The following tables summarize the components of net benefit expense recognised in the statement of profit and loss and amounts recognised in the Balance sheet as liability for the Plan.

Net employee benefit expense recognized in the Statement of Profit & loss

Particulars	Gratuity	
	December 31, 2021 ₹ Lakhs	December 31, 2020 ₹ Lakhs
Current service cost	-	55.92
Past service cost.....	-	-
Interest cost on benefit obligation.....	-	-

Turnover Rate	NA	NA

Particulars	Gratuity	
	December 31, 2021 ₹ Lakhs	December 31, 2020 ₹ Lakhs

Discount Rate: The discount rate represents the employer's estimate (as of the valuation date) of the interest rate at which pension benefits could be effectively settled. Assumed discount rates are used in the measurement of the present value of the obligation. The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Sensitivity analysis for factors mentioned in actuarial assumptions

Total	1,082.90	1,408.73
Financial Liabilities		
Trade payables	24.09	422.92
Other financial liabilities.....	-	129.55
Total	24.09	552.47

The fair value of financial instruments by categories as at December 31, 2021 and December 31, 2020 is as follows:

Particulars	Fair value	
	As at December 31, 2021 ₹ Lakhs	As at December 31, 2020 ₹ Lakhs
Financial assets		
Other financial assets.....	954.16	97.16
Trade receivables.....	-	852.34
Cash and other bank balances.....	128.74	459.22
Total	1,082.90	1,408.72
Financial Liabilities		
Trade payables	24.09	422.92
Other financial liabilities.....	-	129.55
Total	24.09	552.47

The Management assessed that the fair value of cash and cash equivalents, trade receivables, loans, borrowings, trade payables and other financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash, trade receivables, trade payables approximate their carrying amounts largely due to the short-term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables.

(ii) Financial risk management objectives

Being a captive shared services the Company is exposed to a variety of financial risks: credit risk, liquidity risk, foreign currency risk and interest rate risk due to its holding companies exposure to such risks. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors of Holding Company reviews and agrees policies for managing each of these risks, which are summarized below.

- (a) **Foreign currency risk:** During the year company not entered in foreign currency transaction, hence it do not increase foreign currency risk to the company significantly.
- (b) **Interest rate risk:** Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have any borrowings, hence it do not increase interest rate risk to the company significantly.
- (c) **Credit risk:** Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. Credit risk arises from cash held with banks, as well as credit exposure to customer, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company generates revenue mainly from two customers, break up of which is given below:-

Particulars	For the year ended December 31, 2021 ₹ Lakhs	For the year ended December 31, 2020 ₹ Lakhs
ACC Limited.....	-	1,418.50
Ambuja Cements Limited	-	1,229.97

Notes to the Ind AS financial statement for the year ended December 31, 2021

The Company has mainly two customers, break up of which is given below:-

ACC Limited.....	-	5.88
Ambuja Cements Limited	-	112.43

(d) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

Independent Auditor's Report

To The Members of M.G.T. Cement Private Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of M.G.T. Cement Private Limited ("the Company"), which comprise the Balance Sheet as at 31st December 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st December, 2021, and its loss, total comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' report and Management Discussion and Analysis, Report on Corporate Governance and Business Responsibility report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.
- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information, and consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Company to express an opinion on the standalone financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the standalone financial statements of which we are the independent auditors. For the other entities or business activities included in the standalone financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and the reports of the other auditors
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st December, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st December, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. There is no pending litigations which would impact the financial position of the company.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. Investor Education and Protection Fund is not applicable to the company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on other Legal and Regulatory Requirements’ section of our report of even date to the Members of M.G.T. Cements Private Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **M.G.T. Cements Private Limited** (“the Company”) as of December 31, 2021 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at December 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure “B” referred to in paragraph 2 under “Report on other Legal and Regulatory requirements” section of our report of even date to the Members of M.G.T. Cements Private Limited

1. In respect of its property, plants and equipment:
 - a. The company has maintained proper records showing full particulars including quantitative details and situation of property, plants and equipment on the basis of available information.
 - b. As explained to us, all the property, plants and equipment have been physically verified by the management in a phased periodical manner, which in our opinion is reasonable, having regard to the size of the company and nature of its assets. No material discrepancies were noticed on such physical verification.
 - c. According to the information and explanations given to us and on the basis of our examination of relevant records of the Company, we report that the title deeds of immovable properties are held in the name of Company.
2. The Company's business does not involve inventories; hence the requirements of maintenance of records, physical verification and discrepancy for the same are not applicable.
3. The company had not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Therefore, the provisions of paragraph 3(iii) of the Order are not applicable to the Company.
4. The company has not given any loans, guarantee and securities during the year; hence the provisions of Section 185 and 186 of the Companies Act, 2013, are not applicable to the Company.
5. According to the information and explanations given to us, the Company has not accepted any deposit from the public. Therefore, the provisions of clause (v) of paragraph 3 of the CARO 2016 are not applicable to the Company.
6. It is informed that the provisions of maintenance of Cost Records pursuant to the Companies (Cost Accounting Records) Rules 2011 as prescribed by the Central Government under section 148 (1) of the Companies Act, 2013 are not applicable to the Company.
7.
 - a. According to the information and explanations given to us and on the basis of our examination of the books of account, the undisputed statutory dues pertaining to Income Tax have been regularly deposited with the appropriate authorities. The laws relating to Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Sales Tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty and Cess are not applicable to the Company.
 - b. According to the information and explanations given to us and on the basis of our examination of the books of account, there are no outstanding dues at the year end, for a period of more than six months from the date they became payable.
 - c. According to the information and explanations given to us and on the basis of our examination of the books of account, there are no undisputed amounts in respect of Income Tax which have not been deposited with the appropriate authorities. The laws relating to Sales Tax, Service Tax, Custom Duty, Excise Duty, Cess are not applicable to the Company.
8. Based on our audit procedures and as per the information and explanations given by the management, the company has not taken any term loan from financial institutions nor has it issued any debentures during the year under report.
9. According to the information and explanations given to us, the Company has not raised monies by way of initial public offer or further public offer (including debts instruments) and term loans during the year. Therefore provisions of clause (ix) of the Companies (Auditors' Report) Order, 2016 are not applicable to the Company.
10. According to the information and explanations given to us, no fraud on or by the Company by its officers or employees has been noticed or reported during the year.
11. No managerial Remuneration has been paid or provided during the year. Therefore, provisions of Clause (xi) of the Companies (Auditors' Report) Order, 2016 are not applicable to the Company.
12. The company is not a Nidhi Company and therefore provisions of Clause (xii) of the Companies (Auditors' Report) Order, 2016 are not applicable to the Company.
13. According to the information and explanations given to us and on the basis of our examination of relevant records of the Company, we report that all transactions with related parties are in compliance with section 177 and 188 of the Act, and details have been disclosed in the financial statements etc., as required by the applicable accounting standard.
14. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Therefore provisions of Clause (xiv) of the Companies (Auditors' Report) Order, 2016 are not applicable to the Company.
15. As per the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him. Therefore, provisions of Clause (xv) of the Companies (Auditors' Report) Order, 2016 are not applicable to the Company.
16. As per the information and explanations given to us, the Company is not required to be registered under 45-IA of the Reserve Bank of India ACT, 1934 and therefore no registration was obtained.

Notes to Financial Statements

1. Corporate Information

The Company is a private limited company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are not listed on any Stock Exchange in India. The registered office of the Company is located at Ambuja Nagar, Taluka Kodinar, Dist. Gir Somnath, Gujarat.

2. Basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ("The Act") read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements have been prepared on a historical cost basis, except for the following:

- A. Certain financial assets and liabilities are measured at fair value (refer accounting policy regarding financial instruments).
- B. Non-current asset held for sale are measured at the lower of carrying amount and fair value less cost to sell.

3. Significant accounting policies

A. Property, plant and equipment

- I. Property, plant and equipment are stated at their cost of acquisition / installation / construction net of accumulated depreciation, and impairment losses, if any, except freehold non-mining land which is carried at cost less impairment losses. Subsequent expenditures are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.
- II. An item of property, plant and equipment and any significant part is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss in "other income / (expenses)" when the asset is derecognized.

Depreciation on property, plant and equipment

- I. Depreciation is provided as per the useful life of assets which are determined based on technical parameters / assessment. The useful life as estimated is aligned to the prescribed useful life estimates specified under Schedule II of The Companies Act, 2013.
- II. Leasehold land including premium is amortized over the period of lease on a straight line basis.

B. Impairment of non-financial assets

The carrying amounts of other non-financial assets are reviewed at each balance sheet date if there is any indication of impairment based on internal / external factors. An impairment loss, if any, is recognised in the statement of profit and loss wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's fair value less cost of disposal and value in use. Where it is not possible to estimate the recoverable amount of an individual non-financial asset, the Company estimates the recoverable amount for the smallest cash generating unit to which the non-financial assets belongs. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the assets. A previously recognised impairment loss, if any, is increased or reversed depending on the changes in circumstances, however, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation / amortisation if there was no impairment.

C. Fair value measurement

The Company measures some of its financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- I. Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- II. Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- III. Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

D. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through the statement of profit and loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through the statement of profit and loss are recognised immediately in the statement of profit and loss.

Notes to Financial Statements

I. Financial assets

The Company's financial assets comprise:

- i. Current financial assets mainly consist of trade receivables, investment in liquid mutual funds, cash and bank balances, fixed deposits with banks and financial institutions and other current receivables.
- ii. Non-current financial assets mainly consist of financial investments in equity, bond and fixed deposits, non-current receivables from related party and employees and non-current deposits.

Initial recognition and measurement of financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

Subsequent measurement of financial assets

For purposes of subsequent measurement, financial assets are classified in the following categories:

a. Debt instruments at amortised cost

A debt instrument is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- This category is the most relevant to the Company. It comprises of current financial assets such as trade receivables, cash and bank balances, fixed deposits with bank and financial institutions, other non-current receivables and non-current financial assets such as financial investments – bond and fixed deposits, non-current receivables and deposits.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The EIR amortisation is included in other income in the statement profit and loss. The losses arising from impairment, if any are recognised in the statement of profit and loss.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

b. Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised when:

- i. The rights to receive cash flows from the asset have expired, or
- ii. The Company has transferred its contractual rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

c. Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets which are measured at amortised cost or FVTOCI.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables resulting from transactions within the scope of Ind-AS 18, if they do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original EIR. ECL impairment loss allowance (or reversal) recognised during the period is recognised as income / expense in the statement of profit and loss.

For financial assets measured as at amortised cost, ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

Notes to Financial Statements

II. Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

a. Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the company are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in the statement of profit and loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

b. Financial liabilities

i. The Company's financial liability comprise:

- Non-current financial liabilities mainly consist of borrowings and liability for capital expenditure.
- Current financial liabilities mainly consist of trade payables, liability for capital expenditure, security deposit from dealer, transporter and contractor, staff related and other payables.

ii. Subsequent measurement of financial liabilities

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent reporting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest rate method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest rate method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

iii. Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

E. Provisions and contingencies

I. Provisions

A provision is recognised for a present obligation (legal or constructive) as a result of past events if it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and in respect of which a reliable estimate can be made. The amount recognised as provisions are determined based on best estimate of the amount required to settle the obligation at the balance sheet date. These estimates are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

II. Contingent liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

III. Contingent asset

Contingent asset is not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

F. Revenue recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment.

Notes to Financial Statements

G. Borrowing Cost

Borrowing cost directly attributable to acquisition and construction of assets that necessarily takes substantial period of time to get ready for their intended use or sale are capitalised as part of the cost of such assets up to the date when such assets are ready for intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing cost consists of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

H. Taxation

Tax expense comprises current income tax and deferred income tax and includes any adjustments related to past periods in current and / or deferred tax adjustments that may become necessary due to certain developments or reviews during the relevant period.

I. Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside the statement of profit and loss is recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

II. Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

I. Cash and cash equivalents

Cash and cash equivalents consist of cash on hand, cash at banks, demand deposits from banks and short-term, highly liquid instruments. As part of Company's cash management policy to meet short term cash commitments, it parks its surplus funds in short-term highly liquid instruments that are generally held for a period of three months or less from the date of acquisition. These short-term highly liquid instruments are open-ended debt funds that are readily convertible into known amounts of cash and are subject to insignificant risk of changes in value.

J. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

K. Classification of current / non-current assets and liabilities

All assets and liabilities are presented as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013 and Ind AS 1 Presentation of financial statements. Based on the nature of products and the time between the acquisition of assets for processing and their realisation, the Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities.

L. Significant estimates and assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year relate primarily to defined benefit obligations, useful life of property plant and equipment, revenue recognition, fair value measurement of financial instruments and mines restoration at the end of the reporting period.

DIRECTORS' REPORT

TO THE MEMBERS,

The Directors are pleased to present the Directors' Report and Audited Accounts of the Company for the year ended 31st December, 2021.

1. FINANCIAL RESULTS AND STATE OF COMPANY'S AFFAIRS

The Company has not commenced any business activities. It is in the process of setting up a cement plant.

2. RESERVES AND SURPLUS

No transfer to reserves has been made during the year under review.

3. MATERIAL CHANGES AND COMMITMENTS

No material changes and commitments affecting the financial position of the Company occurred in the financial year to which these financial statements relate on the date of this report.

4. DIVIDEND

Your Directors do not recommend payment of dividend for the financial year ended December 31, 2021.

5. MEETINGS OF BOARD OF DIRECTORS

During the year ended 31st December, 2021, the Board meetings were held on 18th January, 2021; 12th April, 2021; 9th July, 2021; and 11th October, 2021.

6. DIRECTORS AND KEY MANAGERIAL PERSONNEL

CESSATION

Mr. Vilas Deshmukh (DIN: 06693563), Director resigned from the Board w.e.f 14th June, 2021. The Board places on record their deep sense of gratitude and appreciation for the invaluable contribution rendered by Mr. Deshmukh.

APPOINTMENT

Mr. Sanjay Kumar Khajanchi (DIN: 09201360) has been appointed as an Additional Director w.e.f 14th June 2021 and will hold office upto the date of this Annual General Meeting.

In terms of the provisions of Section 160(1) of the Companies Act, 2013, the Company has received a Notice from a Member signifying intention to propose the candidature for the appointment of Mr. Sanjay Kumar Khajanchi as Director liable to retire by rotation.

RETIREMENT BY ROTATION

In accordance with the provisions of the Companies Act, 2013 and the Articles of Association of the Company, Mr. Ramarao Sukuru (DIN: 08846591) will retire by rotation at the ensuing Annual General Meeting of the Company and being eligible, offers himself for re-appointment. The Board recommends his re-appointment.

7. CORPORATE SOCIAL RESPONSIBILITY

The provisions under Section 135 of the Companies Act, 2013 relating to Corporate Social Responsibility are not applicable to the company.

8. SUBSIDIARY, JOINT VENTURE AND ASSOCIATE COMPANY

The company does not have any Subsidiaries, Joint Ventures or Associate Companies.

9. SIGNIFICANT AND MATERIAL ORDERS PASSED BY REGULATORS

During the year, no significant and material orders were passed by the regulators or courts or tribunals impacting the going concern status and Company's operations in the future.

10. CHANGES IN SHARE CAPITAL

The company has not issued any equity shares during the year under review.

11. AUDITORS

M/s Suresh Pareek & Associates (Firm Registration No : 007494C), Auditors of the company will retire at the ensuing Annual General Meeting and being eligible, offer themselves for re-appointment. The auditor's report does not contain any qualification, reservation or adverse remark.

12. EXTRACT OF ANNUAL RETURN

The extract of Annual Return pursuant to Section 92(3) of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014 in the prescribed format MGT-9 is enclosed as Annexure 1.

13. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS UNDER SECTION 186:

During the year, the company has not given any loans, guarantees or incurred any investments.

14. DEPOSITS

The Company has not accepted any deposits from the public or the Directors during the year under review.

15. COST RECORDS AND AUDIT

As per the Companies (Cost Records and Audit Amendments) Rules, 2014, the Company is not required to maintain cost records.

16. PARTICULARS OF CONTRACTS AND ARRANGEMENTS WITH RELATED PARTIES

All transactions entered into with Related Parties were in the ordinary course of business, on an arm's length basis and within the limits prescribed under the Companies Act, 2013 and Rules framed thereunder. Accordingly, no transactions are required to be reported in Form AOC - 2.

17. EMPLOYEES

The Company had no employees drawing salary in excess of the limits specified in Section 197 of the Companies Act, 2013 read with Rule 5 (2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

18. DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013

Since the Company does not have any business operations, the policy on Sexual Harassment has not been implemented.

19. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

The information required to be given pursuant to Section 134(3)(m) of the Companies Act, 2013 is not given as the same is not applicable.

20. INTERNAL CONTROLS

The Company being a wholly owned subsidiary of Ambuja Cements Limited, the internal financial controls of Ambuja Cements Limited are applicable to the Company. These are adequate and commensurate with the requirements of the Company.

21. RISK MANAGEMENT POLICY

The Company has not developed and implemented a Risk Management Policy.

22. DIRECTOR'S RESPONSIBILITY STATEMENT

In conformity with the provisions under Section 134 which was introduced by the Companies Act, 2013 your directors confirm that:-

- a) In preparation of the Annual Accounts, the applicable accounting standards have been followed.
- b) The Directors had selected such accounting policies and applied them consistently and made judgements and estimates that are reasonable and prudent so as to give a true fair view of the state of affairs Company as on 31st December 2021.
- c) The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- d) The Directors have prepared the Annual Accounts on a going concern basis.
- e) Proper internal financial controls to be followed by the Company have been laid down and that such internal financial controls are adequate and were operating effectively.
- f) The Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

23. ACKNOWLEDGEMENTS

The directors place on record their sincere appreciation for the assistance and co-operation extended by Bank, its employees, its investors and all other associates and look forward to continue fruitful association with all business partners of the Company.

Independent Auditor's Report

To The Members of Chemical Limes Mundwa Private Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Chemical Limes Mundwa Private Limited ("the Company"), which comprise the Balance Sheet as at 31st December 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st December, 2021, and its loss, total comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' report and Management Discussion and Analysis, Report on Corporate Governance and Business Responsibility report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.
- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Company to express an opinion on the standalone financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the standalone financial statements of which we are the independent auditors. For the other entities or business activities included in the standalone financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company and its joint operation so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st December, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st December, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The details of pending litigations which would impact the financial position of the company are listed in Point No 7 of Annexure pertaining to CARO 2016.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

Investor Education and Protection Fund is not applicable to the company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on other Legal and Regulatory Requirements’ section of our report of even date to the Members of Chemical Limes Mundwa Private Limited)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Chemical Limes Mundwa Private Limited (“the Company”) as of December 31, 2021 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at December 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure “B” referred to in paragraph 2 under “ Report on other Legal and Regulatory requirements” section of our report of even date to the Members of Chemical Limes Mundwa Private Limited

1. In respect of its property, plants and equipment:
 - a. The company has maintained proper records showing full particulars including quantitative details and situation of property, plants and equipment on the basis of available information.
 - b. As explained to us, all the property, plants and equipment have been physically verified by the management in a phased periodical manner, which in our opinion is reasonable, having regard to the size of the company and nature of its assets. No material discrepancies were noticed on such physical verification.
 - c. According to the information and explanations given to us and on the basis of our examination of relevant records of the Company, we report that the title deeds of immovable properties are held in the name of Company. Freehold land amounting ₹ 1.29 crores of which title is in the name of Company but accounted in Ambuja cements Limited, since acquisition.
2. The Company's business does not involve inventories; hence the requirements of maintenance of records, physical verification and discrepancy for the same are not applicable.
3. The company had not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Therefore, the provisions of paragraph 3(iii) of the Order are not applicable to the Company.
4. The company has not given any loans, guarantee and securities during the year; hence the provisions of Section 185 and 186 of the Companies Act, 2013, are not applicable to the Company.
5. According to the information and explanations given to us, the Company has not accepted any deposit from the public. Therefore, the provisions of clause (v) of paragraph 3 of the CARO 2016 are not applicable to the Company.
6. It is informed that the provisions of maintenance of Cost Records pursuant to the Companies (Cost Accounting Records) Rules 2011 as prescribed by the Central Government under section 148 (1) of the Companies Act, 2013 are not applicable to the Company.
7.
 - a. According to the information and explanations given to us and on the basis of our examination of the books of account, the undisputed statutory dues pertaining to Income Tax have been regularly deposited with the appropriate authorities. The laws relating to Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Sales Tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty and Cess are not applicable to the Company.
 - b. According to the information and explanations given to us and on the basis of our examination of the books of account, there are no outstanding dues at the year end, for a period of more than six months from the date they became payable.
 - c. According to the information and explanations given to us and on the basis of our examination of the books of account, there are no undisputed amounts in respect of Income Tax which have not been deposited with the appropriate authorities. The laws relating to Sales Tax, Service Tax, Custom Duty, Excise Duty, Cess are not applicable to the Company.
8. Based on our audit procedures and as per the information and explanations given by the management, the company has not taken any term loan from financial institutions nor has it issued any debentures during the year under report.
9. According to the information and explanations given to us, the Company has not raised monies by way of initial public offer or further public offer (including debts instruments) and term loans during the year. Therefore provisions of clause (ix) of the Companies (Auditors' Report) Order, 2016 are not applicable to the Company.
10. According to the information and explanations given to us, no fraud on or by the Company by its officers or employees has been noticed or reported during the year.
11. No managerial Remuneration has been paid or provided during the year. Therefore, provisions of Clause (xi) of the Companies (Auditors' Report) Order, 2016 are not applicable to the Company.
12. The company is not a Nidhi Company and therefore provisions of Clause (xii) of the Companies (Auditors' Report) Order, 2016 are not applicable to the Company.
13. According to the information and explanations given to us and on the basis of our examination of relevant records of the Company, we report that all transactions with related parties are in compliance with section 177 and 188 of the Act, and details have been disclosed in the financial statements etc., as required by the applicable accounting standard.
14. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Therefore provisions of Clause (xiv) of the Companies (Auditors' Report) Order, 2016 are not applicable to the Company.
15. As per the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him. Therefore, provisions of Clause (xv) of the Companies (Auditors' Report) Order, 2016 are not applicable to the Company.
16. As per the information and explanations given to us, the Company is not required to be registered under 45-IA of the Reserve Bank of India ACT, 1934 and therefore no registration was obtained.

Cash and cash equivalents at the the year end	401,342	418,213

Notes :

- The Company is exclusively engaged in the business of cement and cement related products.
- The figures for the previous period have been regrouped / reclassified wherever necessary to conform to the current period's presentation.
- The figures for the quarter ended 31st December 2021 and 31st December 2020 are the balancing figures between audited figures for the financial year ended 31st December 2021 and 31st December 2020 and the unaudited published year to date figures upto the third quarter of the respective financial year.

Notes to Financial Statements

1. Corporate Information

The Company is a private limited company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are not listed on any Stock Exchange in India. The registered office of the Company is located at Ambuja Nagar, Taluka Kodinar, Dist. Gir Somnath, Gujarat.

2. Basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ("The Act") read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements have been prepared on a historical cost basis, except for the following:

- A. Certain financial assets and liabilities are measured at fair value (refer accounting policy regarding financial instruments).
- B. Non-current asset held for sale are measured at the lower of carrying amount and fair value less cost to sell.

3. Significant accounting policies

A. Property, plant and equipment

- I. Property, plant and equipment are stated at their cost of acquisition / installation / construction net of accumulated depreciation, and impairment losses, if any, except freehold non-mining land which is carried at cost less impairment losses. Subsequent expenditures are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.
- II. An item of property, plant and equipment and any significant part is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss in "other income / (expenses)" when the asset is derecognized.

Depreciation on property, plant and equipment

- I. Depreciation is provided as per the useful life of assets which are determined based on technical parameters / assessment. The useful life as estimated is aligned to the prescribed useful life estimates specified under Schedule II of The Companies Act, 2013.
- II. Leasehold land including premium is amortized over the period of lease on a straight line basis.

B. Impairment of non-financial assets

The carrying amounts of other non-financial assets are reviewed at each balance sheet date if there is any indication of impairment based on internal / external factors. An impairment loss, if any, is recognised in the statement of profit and loss wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's fair value less cost of disposal and value in use. Where it is not possible to estimate the recoverable amount of an individual non-financial asset, the Company estimates the recoverable amount for the smallest cash generating unit to which the non-financial assets belongs. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the assets. A previously recognised impairment loss, if any, is increased or reversed depending on the changes in circumstances, however, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation / amortisation if there was no impairment.

C. Fair value measurement

The Company measures some of its financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- I. Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- II. Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- III. Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

D. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through the statement of profit and loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through the statement of profit and loss are recognised immediately in the statement of profit and loss.

Notes to Financial Statements

I. Financial assets

The Company's financial assets comprise:

- i. Current financial assets mainly consist of trade receivables, investment in liquid mutual funds, cash and bank balances, fixed deposits with banks and financial institutions and other current receivables.
- ii. Non-current financial assets mainly consist of financial investments in equity, bond and fixed deposits, non-current receivables from related party and employees and non-current deposits.

Initial recognition and measurement of financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

Subsequent measurement of financial assets

For purposes of subsequent measurement, financial assets are classified in the following categories:

i. Debt instruments at amortised cost

A debt instrument is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- This category is the most relevant to the Company. It comprises of current financial assets such as trade receivables, cash and bank balances, fixed deposits with bank and financial institutions, other non-current receivables and non-current financial assets such as financial investments – bond and fixed deposits, non-current receivables and deposits.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The EIR amortisation is included in other income in the statement profit and loss. The losses arising from impairment, if any are recognised in the statement of profit and loss.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

a. Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised when:

- i. The rights to receive cash flows from the asset have expired, or
- ii. The Company has transferred its contractual rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

b. Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets which are measured at amortised cost or FVTOCI.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables resulting from transactions within the scope of Ind-AS 18, if they do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original EIR. ECL impairment loss allowance (or reversal) recognised during the period is recognised as income / expense in the statement of profit and loss.

For financial assets measured as at amortised cost, ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

Notes to Financial Statements

II. Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

a. Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the company are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in the statement of profit and loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

b. Financial liabilities

i. The Company's financial liability comprise:

- Non-current financial liabilities mainly consist of borrowings and liability for capital expenditure.
- Current financial liabilities mainly consist of trade payables, liability for capital expenditure, security deposit from dealer, transporter and contractor, staff related and other payables.

ii. Subsequent measurement of financial liabilities

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent reporting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest rate method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest rate method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

iii. Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

E. Provisions and contingencies

I. Provisions

A provision is recognised for a present obligation (legal or constructive) as a result of past events if it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and in respect of which a reliable estimate can be made. The amount recognised as provisions are determined based on best estimate of the amount required to settle the obligation at the balance sheet date. These estimates are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

II. Contingent liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

III. Contingent asset

Contingent asset is not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised

F. Revenue recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment.

Notes to Financial Statements

G. Borrowing Cost

Borrowing cost directly attributable to acquisition and construction of assets that necessarily takes substantial period of time to get ready for their intended use or sale are capitalised as part of the cost of such assets up to the date when such assets are ready for intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing cost consists of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

H. Taxation

Tax expense comprises current income tax and deferred income tax and includes any adjustments related to past periods in current and / or deferred tax adjustments that may become necessary due to certain developments or reviews during the relevant period.

I. Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside the statement of profit and loss is recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

II. Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

I. Cash and cash equivalents

Cash and cash equivalents consist of cash on hand, cash at banks, demand deposits from banks and short-term, highly liquid instruments. As part of Company's cash management policy to meet short term cash commitments, it parks its surplus funds in short-term highly liquid instruments that are generally held for a period of three months or less from the date of acquisition. These short-term highly liquid instruments are open-ended debt funds that are readily convertible into known amounts of cash and are subject to insignificant risk of changes in value.

J. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

K. Classification of current / non-current assets and liabilities

All assets and liabilities are presented as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013 and Ind AS 1 Presentation of financial statements. Based on the nature of products and the time between the acquisition of assets for processing and their realisation, the Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities.

L. Significant estimates and assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year relate primarily to defined benefit obligations, useful life of property plant and equipment, revenue recognition, fair value measurement of financial instruments and mines restoration at the end of the reporting period.

Independent Auditor's Report

To The Members of DIRK INDIA PRIVATE LIMITED

Report on the Standalone Financial Statements

Opinion

I have audited the accompanying standalone financial statements of **Dirk India Private Limited** ("the Company"), which comprise of the Balance Sheet as at 31st December, 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

These financial statements have been prepared solely to enable Ambuja Cements Limited to prepare its group financial statements.

In my opinion and to the best of my information and according to the explanations given to me, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at December 31, 2021, and its Income, total comprehensive Income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

I conducted my audit of the standalone financial statements in accordance with the Standards on Auditing(SAs) specified under section 143(10) of the Act. My responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to my audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. I believe that the audit evidence obtained by me is sufficient and appropriate to provide a basis for my audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the standalone financial statements of the current period. I have determined that there are no key audit matters to communicate in my report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Board's Report, but does not include the standalone financial statements and my auditor's report thereon.

My opinion on the standalone financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the standalone financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or my knowledge obtained during the course of my audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

My objectives is to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, I am also responsible for expressing my opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my audit report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. I consider quantitative materiality and qualitative factors in (i) planning the scope of my audit work and in evaluating the results of my work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on my audit I report that :
 - a. I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit.
 - b. In my opinion, proper books of account as required by law have been kept by the Company so far as it appears from my examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d. In my opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on December 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on December 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to my separate Report. My report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
The company has not paid any remuneration to its directors and accordingly – I have nothing to report in this regard.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in my opinion and to the best of my information and according to the explanations given to me :
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 30 to the standalone financial statements & Point 7 in CARO Annexure;
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, I give in an annexure, a statement on the matters specified in paragraphs 3 and 4 of the Order.

Date : 13th January 2022

UDIN : 22048684ACVLP17655

Annexure: Referred to in my report of even date

1. In respect of fixed assets :
 - a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b) As explained to me, all the assets have been physically verified by the management at the end of the year. According to the information and explanations given to me no discrepancies have been noticed on such physical verification.
 - c) According to the information and explanations given to me and on the basis of my examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
2. In respect of inventory:
 - a) The inventory has been physically verified by the management during the year. In my opinion, the frequency of such verification is reasonable.
 - b) No material discrepancies were noticed on physical verification of inventory.
3. The company had not granted any loans, secured or unsecured to Companies, Firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act')
4. The company has not granted any loans, has not made any investments nor has given any guarantees or security - hence the compliance as per provisions of section 185 and 186 are not applicable.
5. The Company has not accepted any deposits from the public during the year. Therefore, the provisions of clause (v) of paragraph 3 of the CARO 2016 are not applicable to the Company.
6. It is informed that the provisions of maintenance of Cost Record's as prescribed by the Central Government under section 148 (1) of the Companies Act 2013 are not applicable to the Company.
7.
 - a) According to the information and explanations given to me and the books and records examined by me, the company is generally regular in depositing undisputed statutory dues including Provident Fund, ESIC, Income Tax- TDS, Goods and Services Tax, Customs Duty, Cess and other material statutory dues with the appropriate authorities. It is informed that there are no such dues as at 31st December 2021 outstanding for a period exceeding six months from the date they became payable.
 - b) According to information and explanations given to me there are no disputed amounts outstanding in respect of Goods and Service Tax, Customs Duty, Service Tax and Cess as at 31st December 2021. The details of disputes in respect of Excise Duty, VAT & Income Tax are as follows :

Sr. No.	Name of the Statute	Nature of Dues/Dispute	Dispute Amount ₹ In Lacs	Period to which the amount relates	Forum where dispute is pending
1	Central Excise Act 1944	Excise Duty on Advance DTA Sale & Non-compliance of Foreign trade policy	128.00 #	2008-09 & 2009-10	CESTAT/ Appellate Committee - New Delhi
2	Madhya Pradesh Vat Act	VAT/Entry Tax	1.23 ##	2011-12	Madhya Pradesh DCST
3	Income Tax Act 1961 (Departmental Appeal)	Allowability of Section 80-IA Claim	194.82	2009-10	High Court, Mumbai.

Amount of ₹ 35.42 lacs is deposited under protest (includes Bank Guarantees of ₹ 27.42 Lacs).

Amount of ₹ 2.72 Lacs is deposited under protest.

The above amounts exclude interest and penalty.

8. The Company does not have any loans or borrowings from any financial institution, banks, government or debenture holders. Accordingly, paragraph 3(viii) of the Order is not applicable.
9. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3 (ix) of the Order is not applicable.
10. According to the information and explanations given to me, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of my audit.
11. According to the information and explanations provided to me and based on my examination of the records of the Company, the Company has not paid / provided for managerial remuneration and hence the provisions of section 197 read with schedule V to the Act are not applicable.
12. In my opinion and according to the information and explanations provided to me, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
13. According to the information and explanations provided to me and based on my examination of the records of the Company, all the transactions with the related parties are in compliance with Section 188 of the Act, where applicable and the details have been disclosed in the financial statements - as required by the applicable accounting standards.
14. According to the information and explanations provided to me and based on my examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
15. According to the information and explanations provided to me and based on my examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, paragraph 3(xv) of the Order is not applicable.
16. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of my report of even date on the Standalone Financial Statements of Dirk India Private Limited as at and for the year ended 31st December, 2021

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

I have audited the internal financial controls over financial reporting of Dirk India Private Limited ("the Company") as of 31st December, 2021 in conjunction with my audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

My responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on my audit. I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In my opinion, to the best of my information and according to the explanations given to me, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st December, 2021, based on the criteria for internal financial control over financial reporting established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Description of reserve in statement of changes in equity

General Reserve

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. This can be utilised by the Company in accordance with the provisions of the Companies Act, 2013.

Retained earnings

Retained earnings are the profits/(losses) that Company has earned/incurred till date less transfers to General Reserve dividends or other distributions paid to shareholders. Retained earnings includes re-measurement (loss)/ gain on defined benefit plans (net of taxes) that will not be reclassified to Profit and Loss. Retained earnings is a free reserve available to Company.

Notes to Financial Statements

1 Corporate Information :

The Company is a Private Limited Company domiciled in India and incorporated under the provision of Companies Act applicable in India. It is wholly owned Subsidiary of Ambuja Cements Limited. The registered office of the Company is located at Nashik, Maharashtra, India.

The Company is engaged in the manufacturing and selling of Pozzocrete (Classified Fly Ash), Cement related products and Jobwork.

2 Basis of Preparation :

- a. The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements have been prepared on a historical cost basis, except for the following:

- Defined benefit plans – Liability measured at fair value.

Financial statements are presented in Indian Rupees (INR).

- b. Risk due to outbreak of COVID-19 pandemic.

The Company has considered the possible effects from COVID-19 in the preparation of these financial statements including the recoverability of carrying amounts of financial and non-financial assets. The company has, at the date of approval of the financial statement, used internal and external sources of information and expects that the carrying amount of the assets will be recovered. The impact of COVID-19 on the Company financial statements may differ from that estimated as at the date of approval of the same.

3 Significant Accounting Policies:

a. Property, Plant and Equipment:

- Property, plant and equipment are stated at their original cost of acquisition / installation (net of Central Value Added Tax (CENVAT) and Value-Added Tax (VAT) / Goods and Services Tax (GST) credit wherever applicable) net of accumulated depreciation, amortization and impairment losses. Subsequent expenditures are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost to the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.
- Property, plant and equipment not ready for the intended use on the date of balance sheet are disclosed as "Capital work -in-progress". Advances given towards acquisition/construction of fixed assets outstanding at each Balance sheet date are disclosed as Capital Advances under "Other non-current assets".
- An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.
- The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year and adjusted prospectively, if appropriate.

b. Depreciation:

- Property Plant & Equipment:
 - Depreciation on assets is provided at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013.
 - Depreciation on additions to property, plant and equipment is provided on a pro-rata basis from the date of acquisition or installation, and in the case of a new project, from the date of commencement of commercial production.
 - Depreciation on assets sold, discarded, demolished or scrapped is provided up to the date on which the said asset is sold, discarded, demolished or scrapped.
- Intangible assets:
 - Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.
 - Expenditure on computer software is amortized on straight line method over the period of expected benefit not exceeding five years.
 - Intangible assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired.
 - The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

Impairment of non-financial assets: -

The carrying amounts of other non-financial assets are reviewed at each Balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss, if any is recognized in the statement of profit and loss wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets. A previously recognized impairment loss if any, is increased or reversed depending on the changes in circumstances, however the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation/amortization if there was no impairment.

Notes to Financial Statements

c. Inventories :

Inventories are valued after providing for obsolescence, as follows:

- i. Raw Materials, Stores & Spare parts, Fuel and Packing Material: Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished product in which they will be incorporated are expected to be sold at or above cost. Cost is determined on weighted average basis.
- ii. Finished goods and stock in trade: Lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads but excluding borrowing costs. Cost of Stock-in-trade includes cost of purchase and other cost incurred in bringing the inventories to the present location and condition. Cost is determined on weighted average basis. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

d. Financial Instruments :

The presentation of financial instrument is as per applicable IND AS.

e. Provisions and Contingencies:

A provision is recognized for a present obligation as a result of past events if it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate of the amount required to settle the obligation at the Balance Sheet date. A contingent liability is disclosed, unless the possibility of an outflow of resources is remote.

f. Foreign Currency Conversion:

The Company's financial statements are presented in Indian National Rupee (INR) which is also its functional currency.

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of transaction. Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or expenses in the year in which they arise.

g. Revenue recognition:

- i. Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.
- ii. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment.
- iii. The specific recognition criteria described below must also be met before revenue is recognised.

a. Sale of goods

Revenue is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer. Accordingly, domestic sales are accounted on dispatch of products to customers and Export sales are accounted on the basis of date of Bill of Lading.

Revenue are disclosed net of Goods and Services Tax, discounts and sales return, as applicable.

b. Rendering of services

Revenue from services is recognized (net of Goods & Services Tax) pro-rata over the period of the contract as and when services are rendered.

c. Interest income

Interest income is recognized on a time proportion basis that reflects the effective yield on the asset.

h. Retirement and Other Employee Benefits:

i. Defined Contribution Plan:

Employee benefits in the form of contribution to Provident Fund managed by Government Authorities, Employees State Insurance Corporation and Labour Welfare Fund are considered as defined contribution plan and the same is charged to the Statement of Profit and Loss for the year in which the employee renders the related service.

ii. Defined Benefit Plan:

Retirement benefit in the form of Gratuity, is considered as defined benefit obligation and is provided for on the basis of actuarial valuation as at the date of Balance Sheet. Re-measurement, comprising of Actuarial gain / loss, if any, is immediately recognized in Other Comprehensive Income (OCI) under retained earnings. The same is not reclassified to Statement of Profit and Loss. Prior year comparisons are treated accordingly. Interest cost on actuarial valuation are recognized under finance cost as per IND AS 19 - Employee Benefits.

iii. Presentation and disclosure:

For the purpose of presentation of Defined benefit plans, the allocation between the short term and long term provisions has been made as determined by an actuary.

i. Borrowing Costs:

Borrowing cost directly attributable to acquisition and construction of assets that necessarily takes substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of such assets up to the date when such assets are ready for intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Notes to Financial Statements

j. **Taxation:**

Tax expense comprises of current income tax and deferred income tax and includes any adjustments related to past periods in current and / or deferred tax adjustments that may become necessary due to certain developments or reviews during the relevant period.

Current Income Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss are recognized in correlation to the underlying transaction either in Other Comprehensive Income (OCI) or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

The carrying amount of deferred tax assets are reviewed at each Balance Sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain that sufficient future taxable income will be available.

Minimum Alternate Tax (MAT)

Deferred tax assets include Minimum Alternate Tax paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability and is considered as an asset if it is probable that future taxable profit will be available against which these tax credits can be utilized. Accordingly, MAT is recognized as deferred tax asset in the balance sheet when it is highly probable that future economic benefit associated with it will flow to the Company. MAT credit is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

k. **Leases:**

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a Lessee:

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

l. **Segment Reporting:**

Operating segment are reported in a manner consistent with the internal reporting provided to chief operating decision maker.

The board of directors of the company has appointed Management team which has been identified as being the chief operating decision makers, consists of Unit Head, Unit Finance Controller, Sales & Marketing Manager. They assess the financial performance and position of the Company and make strategic decisions.

m. **Cash and Cash Equivalents:**

Cash and Cash equivalents for the purpose of cash flow statement comprise cash in hand, cash at bank, demand deposits with banks and other short-term highly liquid investments / deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

n. **Earnings Per Share:**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

o. **Classification of Current/Non-Current Assets and Liabilities:**

All assets and liabilities are presented as Current or Non-Current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization, the Company has ascertained its operating cycle as twelve months for the purpose of Current / Non current classification of assets and liabilities.

p. **Significant Estimates and Assumptions:**

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

q. **Classification of Legal Matters and Tax Litigations:**

The litigations and claims to which the Company is exposed are assessed by management with assistance and support of external specialized lawyers/professionals. Disclosures related to such provisions, as well as contingent liabilities, also require judgment and estimations if any.

All estimates mentioned above are further detailed in the corresponding disclosures.

Independent Auditor's Report

To The Members of DANG CEMENT INDUSTRIES PRIVATE LIMITED Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Dang Cement Industries Private Limited** ("the Company"), which comprise the Balance Sheet as at 31st December 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st December, 2020, and its loss, total comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' report and Management Discussion and Analysis, Report on Corporate Governance and Business Responsibility report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information, and consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Company to express an opinion on the standalone financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the standalone financial statements of which we are the independent auditors. For the other entities or business activities included in the standalone financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st December, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st December, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. There is no pending litigation which would impact the financial position of the company.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. Investor Education and Protection Fund is not applicable to the company.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(e) under ‘Report on other Legal and Regulatory Requirements’ section of our report of even date on the Standalone Ind AS financial statements of Dang Cement Industries Private Limited as at and for the year ended 31st December, 2021)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Dang Cement Industries Private Limited (“the Company”) as of December 31, 2021 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at December 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements

1. Corporate Information

The Company is incorporated in Nepal as a private limited company. The Company's objective is to engage in production and sale of cement. The major shareholding of the company has been acquired by a foreign company M/s Ambuja Cements Ltd., India and hence the company is a subsidiary company of foreign company M/s Ambuja Cements Ltd., India.

2. Basis of Preparation and Presentation:

These financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ("The Act") read with Rules 3 of the companies (Indian Accounting Standards) Rules, 2015, and the Companies (Indian Accounting Standards) Amendment rules 2016. Up to the year ended 31st December 2016 company prepares the financial statement in accordance to the requirements of previous generated Accepted Accounting principal (Previous GAAP), which includes standards notified under the Companies (Accounting Standards) Rules 2006.

These financial statements have been prepared on a historical cost basis, except for the following:

- A. Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments)
- B. Non current asset held for sale are measured at the lower of carrying amount and fair value less cost to sell.
- C. Financial statements are presented in INR and all values are rounded to the nearest rupees except when otherwise indicated.

3. Significant Accounting Policies:

a) Property, Plants & Equipment:

- i. Property, plant and equipment are stated at their original cost of acquisition / installation (net of Cenvat and VAT credit wherever applicable) net of accumulated depreciation, amortisation and impairment losses, except freehold non mining land which is carried at cost less impairment losses). Subsequent expenditures are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.
- ii. Property, plant and equipment not ready for the intended use on the date of balance sheet are disclosed as "Capital work -in-progress". Advances given towards acquisition/construction of fixed assets outstanding at each Balance sheet date are disclosed as Capital Advances under "Other non current assets".
- iii. An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

Depreciation :

- i. Leasehold land including premium is amortised over the period of lease on a straight line basis.
- ii. Depreciation is provided as per the useful life of assets which are determined based on technical parameters/ assessment. The useful life as estimated, is aligned to the prescribed useful life estimates specified under Schedule II of The Companies Act, 2013.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 January 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

b) Impairment of non-financial assets :

The carrying amounts of non-financial assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An impairment loss, if any, is recognized in the Statement of Profit and Loss wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the assets. A previously recognised impairment loss, if any, is increased or reversed depending on the changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation / amortisation if there was no impairment.

Notes to Financial Statements

c) Fair value measurement:

The Company measures financial instruments, such as, mutual funds at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

d) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i. Financial assets

The Company's financial assets comprises of following:

- i. Short-term financial assets consisting of (a) trade receivables, (b) investment in mutual fund, (c) cash and bank balances, (d) investments in certificate of deposits (e) fixed deposits with bank and financial institutions and (f) other short-term receivables – third parties.
- ii. Long-term financial assets consisting of (a) financial investments – equity, bond and fixed deposits, (b) long-term receivables – related party and employees, and (c) long-term receivables – deposits with third parties.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are measured at amortised cost if both the following conditions are met:

- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. It comprises of short-term financial assets such as trade receivables, cash and bank balances, fixed deposits with bank and financial institutions and other short-term receivables – third parties and long-term financial assets such as financial investments – bond and fixed deposits, long-term receivables – related party and employees, and long-term receivables – deposits with third parties.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment, if any are recognised in the statement of profit or loss. This category generally applies to trade and other receivables.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised when:

- (a) The rights to receive cash flows from the asset have expired, or
- (b) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets which are measured at amortised cost.

Notes to Financial Statements

It recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected in a separate line in the P&L as an impairment gain or loss.

For financial assets measured as at amortised cost, ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

ii. Financial liabilities

The Company's financial liability comprise of following:

- i) Long-term financial liabilities consisting of liability for capital expenditure.
- ii) Short-term financial liabilities consists of (a) trade payables, (b) liability for capital expenditure, (c) security deposit to dealer, transporter, contractor (d) staff related payables and (e) other third party payables.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss or amortised cost.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

After initial recognition, financial liabilities categorised at amortised cost are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

e. Provisions and Contingencies :

- i. A provision is recognised for a present obligation (legal or constructive) as a result of past events if it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are determined based on best estimate of the amount required to settle the obligation at the Balance Sheet date. These estimates are reviewed at each Balance sheet date and adjusted to reflect the current best estimate.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

- ii. A contingent liability is a possible obligation that arises from the past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.
- iii. Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

Notes to Financial Statements

f. Revenue recognition :

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment. Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable.

g. Borrowing Costs:

Borrowing cost directly attributable to acquisition and construction of assets that necessarily takes substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of such assets up to the date when such assets are ready for intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

h. Taxation :

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the country where the Company operates and generates taxable income.

Deferred Taxes

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised only to the extent that it is probable that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred Tax Assets are reviewed as at each Balance Sheet date.

i. Cash and Cash equivalents :

Cash and Cash equivalents for the purpose of cash flow statement comprise cash in hand, cash at bank, demand deposits with banks and other short-term highly liquid investments / deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

j. Earnings Per Share :

- i. Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.
- ii. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

k. Classification of Current/Non-Current Assets and Liabilities

All assets and liabilities are presented as Current or Non-Current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation, the Company has ascertained its operating cycle as 12 months for the purpose of Current / Non current classification of assets and liabilities.

l. Significant estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

i) Number of shares at the beginning of the year.....	22,14,595	22,14,595
ii) Number of shares at the end of the year.....	22,14,595	22,14,595
Net Loss after tax available for equity shareholders. (₹)	(83,25,876)	(91,80,690)
Basic / Diluted Earning per share (in ₹)	(3.76)	(4.15)

Note: The Company does not have any dilutive potential equity shares. Consequently the basic and diluted earning per share of the Company remain the same.

18 Related party disclosure :

"Related Party Disclosure" (Ind AS-24), following are details of transactions during the year with the related parties of the Company as defined in Ind AS 24 :

a) Names of related parties where control exists :

Party	Nature of Relationship
LafargeHolcim Ltd.(Formerly known as Holcim Ltd.), Switzerland	Ultimate Holding company
Ambuja Cements Limited, India	Holding Company

b) Details of related parties transactions :

There are no transactions entered into by the company during the year (previous year - NIL) with the related parties as mentioned in (a) above.

Note : Related Parties are as disclosed by the Management and relied upon by the auditors.

19 Taxation :

Current Tax

In absence of taxable income as per the provisions of the Income Tax Act, 1961 in the current year, provision for current tax has not been made.

Deferred Taxes

Deferred tax is provided, on all temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax assets and liabilities are measured using the tax rates and the tax laws that have been enacted or substantially enacted at the balance sheet date. Deferred tax Assets are recognized only to the extent there is reasonable certainty that the assets can be realized in the future. Deferred Tax Assets are reviewed as at each Balance Sheet date.

Notes to Financial Statements

20 Classification of Financial Assets and Liabilities

Particulars	As at 31.12.2021 ₹	As at 31.12.2020 ₹
Financial Assets at amortised cost :		
Cash and bank balances	88,82,502	1,71,91,198
Other financial assets	3,33,516	4,06,646
Total	92,16,018	1,75,97,844
Financial Liabilities at amortised cost :		
Other financial liabilities	7,87,040	1,21,172
Total	7,87,040	1,21,172

The management assessed that cash and cash equivalents , borrowings and other financial liabilities approximate the carrying amounts largely due to short term maturities of these instruments.

21 Previous IGAAP figures have been reclassified / regrouped wherever necessary to conform with financial statements prepared under Ind AS.

See accompanying notes 1 to 21 to the financial statements.
