Ambuja Cements Recognised for Superior Supply Chain Efficiency at CII SCALE Awards 2023

EDITOR'S SYNOPSIS

- Ambuja Cements bags "Excellent Position" Award in the Cement Category at CII SCALE Awards 2023.
- Ambuja Cements has been recognized for its best practices in logistics.

Ahmedabad, 23 January 2024: Ambuja Cements, the cement and building material company of the diversified Adani Group, has been honoured with the prestigious "Excellent Position" Award in the Cement Category at the CII Supply Chain and Logistics Excellence (SCALE) Awards 2023.

Ambuja has earned this recognition by showcasing a commitment to driving excellence in every facet of its operations, particularly in the complex landscape of logistics and supply chain management. The Company has consistently demonstrated a forward-thinking approach in the competitive cement industry, exemplifying best practices and pioneering solutions in logistics and supply chain.

Mr. Ajay Kapur, CEO Cement Business, said "We are proud to be recognized for our seamless integration of innovation and precision in supply chain and logistics operations, highlighting our commitment towards elevating our operational efficiency. By setting and surpassing standards, we not only enhance our own competitiveness but also establish a commendable benchmark for the entire sector. We are committed to delivering quality products to our customers through efficient logistics and supply chain management, and this award validates our ongoing efforts."

The CII Institute of Logistics SCALE Awards 2023 serves as a benchmark for industry players, encouraging continuous improvement and setting new standards for excellence in the logistics and supply chain domain.

About Ambuja Cements Limited

Ambuja Cements Limited, part of the Adani Group, is among India's leading cement companies. Ambuja, with its subsidiary ACC Ltd. & Sanghi Industries Limited has a capacity of 74.6 million tonnes with fifteen integrated cement manufacturing plants and sixteen cement grinding units across the country. Ambuja has been recognized as India's Most Trusted Cement Brand by TRA Research in its Brand Trust Report, 2023. Ambuja has provided hassle-free, home-building solutions with its unique sustainable development projects and environment-friendly practices since it started operations. The Company has many firsts to its credit – a captive port with four terminals that has facilitated timely, cost-effective, cleaner shipments of bulk cement to its customers. To further add value to customers, the Company has launched innovative products like Ambuja Plus, Ambuja Cool Walls, Ambuja Compocem and Ambuja Kawach under the umbrella of Ambuja Certified Technology. These products not only fulfil important customer needs but also help in significantly reducing carbon footprints. Being an employee friendly workplace, Ambuja Cements has been ranked No. 1 in 'Best Companies to Work For' survey in 2022 by Business Today in the Construction and Infrastructure sector.
