

## Adani Cement wins Multiple Awards for Safety at OHSSAI Awards 2022

### EDITOR'S SYNOPSIS

- Adani Cement has been felicitated with a Gold Award in Road Safety and Silver Award for Safety by OHSSAI in the Manufacturing Sector.
- Adani Cement's Leaders have also been recognised for their contribution towards Safety and Sustainability over the years.

Mumbai, 13th March 2023: Adani Cement has been honoured with multiple awards for safety by the Occupational Health, Safety & Sustainability Association of India (OHSSAI). OHSSAI is a leading not-for-profit organization that focuses on innovative ideas in occupational health, safety, environmental & sustainability areas and recognizes companies and the leaders who demonstrate exceptional commitment to safety and health of their employees.

Adani Cement received awards in several categories in the Manufacturing Sector, including:

- OHSSAAI Road Safety Gold Award
- OHSSAAI Safety Silver Award

In the individual awards segment,

- Mr. Sukuru Ramarao, COO has been honoured with HSE Leadership Award for his immense contribution towards supporting the cause of HSE and Sustainability over the years.
- Mr. Pankaj Singh, Head – Safety, Manufacturing & Logistics has been recognized as the HSE&S Mentor of the Year for his contribution towards OHS and Road Safety.

Mr Ajay Kapur, CEO, Cement Business, said "We are proud to be recognized by OHSSAI for our safety achievements. Safety is an integral part of our overall business strategy, and we are committed to continually improving our safety performance and achieving excellence in all areas of our operations. Safety is everyone's responsibility, and we are committed to maintaining a safe and healthy workplace for our employees."

The awards presented to Adani Cement and its leaders are a testament to the Company's dedication to safety and the efforts it has made to create a safe and healthy work environment. These recognitions highlight **Adani Cement's** commitment to sustainable practices in the manufacturing sector, and its focus on implementing best practices in health, safety, and the environment. The Company's safety initiatives have led to a significant reduction in accidents and injuries and have helped create a safer workplace for all its employees.

#### About Ambuja Cements Limited

Ambuja Cements Limited, part of the diversified Adani Group, is among India's leading cement companies. Ambuja has a capacity of 31.5 million tonnes with six integrated cement manufacturing plants and eight cement grinding units across the country. Ambuja has been recognized as India's Most Trusted Cement Brand by TRA Research in its Brand Trust Report, 2022. Ambuja has provided hassle-free, home-building solutions with its unique sustainable development projects and environment-friendly practices since it started operations. The Company has many firsts to its credit – a captive port with four terminals that has facilitated timely, cost-effective, cleaner shipments of bulk cement to its customers. To further add value to customers, the Company has launched innovative products like Ambuja Plus, Ambuja Cool Walls, Ambuja Compocem and Ambuja Kawach under the umbrella of Ambuja Certified Technology. These products not only fulfil important customer needs but also help in significantly reducing carbon footprints. Being an employee friendly workplace, Ambuja Cements has been ranked No. 1 in 'Best Companies to Work For' survey in 2022 by Business Today in the Construction and Infrastructure sector.

#### About ACC Limited

ACC Limited is a part of Adani Cement and one of India's leading producers of cement and ready-mix concrete. It is a member of the Adani Group - the largest and fastest-growing portfolio of diversified sustainable businesses. ACC has 17 cement manufacturing sites, over 84 concrete plants and a nationwide network of channel partners to serve its customers. With a world-class R&D centre in Mumbai, the quality of ACC's products and services, as well as its commitment to technological development, make it a preferred brand in building materials. Established in 1936, ACC is counted among the country's 'Most Sustainable Companies' and is recognised for its best practices in environment management and corporate citizenship. With sustainability at the core of its strategy, ACC is the first Indian Cement Company to sign the Net Zero Pledge with Science Based Targets.
